CONDITIONS OF GRANT AWARD

1. The funding under this project is for the payment of entry-level SALARIES AND APPROVED FRINGE BENEFITS for three years for newly hired, additional sworn career law enforcement officers or rehired officers. Any portion of salaries above entry level must be provided for by the grant recipient. Overtime, training, weapons, communication equipment, vehicles or other items cannot be paid for with COPS funding.
2. COPS in Schools grant funds must be used to hire one or more new, **additional** career law enforcement officers, beyond the number of officers that would be hired or employed by the grantee in the absence of the grant. Unless authorized in writing by the COPS Office, grant funds may not be applied to the salary or benefits of an officer hired by a grantee prior to the Award Start Date listed on the front of this document.
3. Your agency is expected to implement the retention plan submitted with your application to retain each of the additional sworn officer positions funded by the COPS in Schools program. The COPS Office will monitor retention for one full locally funded budget cycle after the expiration of the grant award.
4. Your agency is required to initiate or enhance community policing through the activities identified in your COPS in Schools grant application, including school resource officer duties. Significant changes to the community policing activities identified in the application must be approved by the COPS Office.
5. Officers funded under this grant may only be involved in activities or perform services that exclusively benefit your agency and the population that it serves. If your agency receives police services through a contractual arrangement, your agency is responsible for ensuring that the hiring of the officer results in officer deployment into a partner school within your jurisdiction.
6. The grantee acknowledges its agreement to comply with the assurances and certifications submitted with the COPS in Schools application.
7. Your agency will be responsible for submitting Programmatic Progress Reports and quarterly Financial Status Reports. As those reports become due, your Grant Program Specialist and Staff Accountant can assist you with these forms and information necessary for compliance.
8. Requests for extensions of the grant award period that merely involve additional time, not additional funding, should be submitted to your Grant Program Specialist no earlier than 90 days before the grant end date.
9. The grantee agrees to allow the Department of Justice or the Comptroller General access to and the right to examine records and documents related to the grant.
10. The grantee agrees to comply with all requirements imposed by the Department of Justice as a condition or administrative requirement of the grant; with the program guidelines; with the requirements of OMB Circulars A-87 (governing cost calculations) and A-133 (governing audits); with the applicable provisions of the Omnibus Crime Control and Safe Streets Act of 1968, as amended; with 28 CFR Part 66 (Uniform Administrative Requirements); with the provisions of the current edition of the appropriate COPS grant owner's manual; and with all other applicable laws, orders, regulations or circulars.
11. Grantees that have 50 or more employees and grants over \$500,000 (or over \$1,000,000 in grants over an eighteen-month period), must submit an acceptable Equal Employment Opportunity Plan ("EEOP") or EEOP short form (if grantee is required to submit an EEOP under 28 CFR 42.302), that is approved by the Office of Justice Programs, Office for Civil Rights within 60 days of the award start date. For grants under \$500,000, but over \$25,000, or for grantees with fewer than 50 employees, the grantee must submit an EEOP Certification. Grantees of less than \$25,000 are not subject to any EEOP requirement.
12. The grantee agrees to complete and keep on file, as appropriate, and Immigration and Naturalization Service Employment Eligibility Verification Form (I-9). The form is to be used by recipients of Federal funds to verify the persons are eligible to work in the United States.
13. COPS in Schools grantees are required to send each school resource officer(s) (SRO) deployed into a partner school as a result of receiving a COPS in Schools grant, and one school administrator to one COPS in Schools Training.

CIS Revised Budget Summary - Important Notice

During the review of your COPS in Schools Program budget information, the Office of the Comptroller, Office of Justice Programs or the COPS Office amended the budget information submitted with your application. These adjustments affect your budget summary. The COPS Office modified your budget summary to reflect these changes and to meet legislative requirements.

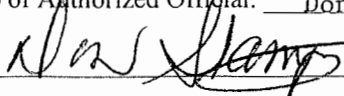

Please examine the Revised Budget Summary below. COPS Office staff have changed the Federal Share, the local share or both shares. If you have any questions, please contact your grant advisor at the COPS Office at 1 800 421 6770. Thank you for your attention to this matter.

ORI: MO01000	Organization: Boone County Sheriff's Department
The total three year cost for salaries and benefits per full-time officer requested is:	\$134,867.00
The total amount of federal funds per full-time officer requested is:	\$125,000.00
The total three year cost for salaries and benefits per part-time officer requested is:	\$0.00
The total amount of federal funds per part-time officer requested is:	\$0.00

Under the COPS in Schools, grant program, Federal funds per officer can not exceed \$125,000. If your total three year project cost per officer is less than \$125,000 then there is no local match. If your total three year project cost per officer is greater than \$125,000 then your local match is the difference between the total project cost and \$125,000. In cases where there is a local match requirement, the Federal Share of total salaries and benefits must decrease each year leading to full local funding by the fourth year of an officer's employment. At the same time, your Local Share must increase each year. If these amounts do not meet your needs, please provide revised figures in the blank table below. Thank you.

<i>Full Time</i>	<u>Year 1:</u>	<u>Year 2:</u>	<u>Year 3:</u>	<u>Totals:</u>
