Vehicle Purchase

June, in our FY 2002 budget we have \$15,370.06 remaining in our class 9 budget. Most of this overage is in our vehicle and replacement vehicle accounts.

Because we only replaced 5 vehicles (normal rotation is 10) we would like to purchase a Ford Explorer for \$20,785.17. The remaining \$5,415.11 will be taken from forfeiture funds.

The Ford Explorer is on state contract #C103011001, when this process is complete we will forward the appropriate paperwork to Marlene in Purchasing for the contract/PO.

Thank you.

Fwd: Re: Ford Explorer Budget Revision

Karen,

I called Ted to confirm with him that he does NOT expect to need any other budget revisions between now and the end of the year. I advised him that you would finish this tomorrow and forward to Shawna. Is the budget revision for the SRO's laptops ready to go as well?

Better attach this e-mail with Ted's responses to the Budget Revision. Thanks,
June

>>> Ted Boehm 12/02/02 04:56PM >>> June.

Answers to your questions.

- 1) Replace a vehicle.
- 2) The Explorer would replace a 1995 Jeep.

High mileage and increasing maintenance cost on Jeep.

 I sent this budget revision request to your office 11-11-02.
 On 11-26-02, I sent a budget revision request to your office reference lap tops for S.R.O.

I want to set this for 1st reading on 12-5-02.

Thanks,

Ted

>>> June Pitchford 12/02/02 03:59PM >>>

This is a second attempt to send this e-mail. I received a notification for the first message that it was undeliverable to Ted's e-mail address. If this is a duplication for you, please ignore.--JP

Ted,

A couple of questions relating to your budget revision request.

- 1) Are you requesting to replace an existing vehicle with a Ford Explorer or are you requesting an increase in the fleet size? (The coding on the budget revision is for replacement vehicles-- account # 92400-- which would indicate that you are planning to replace an existing vehicle. If so, this would bring the FY 02 replacement total to 6 vehicles rather than 5).)
- 2) Are you proposing to replace an existing pursuit vehicle with the Explorer or are you proposing to replace another vehicle (such as a Jeep) with the Explorer? Would you please provide me with a brief description of the need for the Explorer?
- 3) Are there any other budget needs in 1251 or 1255 that you think may require a budget revision between now and the end of the year? If so, we need to address those items at this time as well. I want to avoid doing a budget revision such as this and then later needing a budget revision from emergency.

Thanks,

June
