In the County Commission of said county, on the 6<sup>th</sup> day of March 20 08

the following, among other proceedings, were had, viz:

In recognition of the hardship of immediately responding to public safety demands brought on by weather events, Public Works Maintenance Workers who must switch their work schedules from day to night and back again as dictated by weather changes will be compensated as follows:

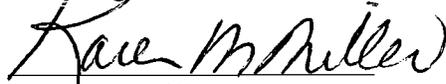

Employees who are scheduled to work fewer than 5 shifts (consisting of 8 hrs. or more, including split shifts) Monday – Friday due to the need to move from day shift to night shift work, will be granted “Scheduled Transition” pay of 8 hours to allow for rest and recovery from working on the previous night shift, before transitioning back into a day schedule. No more than one 8-hr. scheduled transition payment will be allowed in any one workweek, provided that the employee has been in pay status for at least 40 hours during the workweek. Scheduled transition pay status will count as “time worked” for purposes of computing overtime in the 40 hour work week.
