)	Commission Order No. <u>237-2013</u>

FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 23rd day of May 2013, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: a derelict, unlicensed and inoperable blue 4-door Toyota Camry vehicle, a derelict, unlicensed and inoperable red Dodge 4-door vehicle, a derelict, unlicensed, inoperable and junk-filled black Toyota pickup truck and a derelict, unlicensed and inoperable black 4-door Hyundai vehicle on the premises.
4. The location of the public nuisance is as follows: 5901 N. Teresa Drive, a/k/a parcel# 12-415-20-01-010.00 01, Section 20, Township 49, Range 12 as shown in deed book 0401 page 0064, Boone County.
5. The specific violation of the Code is: a derelict, unlicensed and inoperable blue 4-door Toyota Camry vehicle, a derelict, unlicensed and inoperable red Dodge 4-door vehicle, a derelict, unlicensed, inoperable and junk-filled black Toyota pickup truck and a derelict, unlicensed and inoperable black 4-door Hyundai vehicle in violation of section 6.9 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 13th day of April 2013 to the property owner.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner was given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for

- said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly, in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

Order For Abatement Chargeable As a Special Assessment To The Property

Based upon the foregoing, the County Commission hereby orders abatement of the above described public nuisance at public expense and the Health Director is hereby authorized and directed to carry out this order.

It is further ordered and directed that the Health Director submit a bill for the cost and expense of abatement to the County Clerk for attachment to this order and that the County Clerk submit a certified copy of this order and such bill to the County Collector for inclusion as a special assessment on the real property tax bill for the above described property for the current year in accordance with section 67.402, RSMo.

WITNESS the signature of the presiding commissioner on behalf Boone County Commission on the day and year first above written.

HEARING NOTICE

James R. and Catherine A. Linzie
6006 E. Sharon Lane
Columbia, MO 65202-8002

An inspection of the property you own located at 5901 N. Teresa Drive (parcel # 12-415-20-01-010.00 01) was conducted on April 1, 2013 and revealed a derelict, unlicensed and inoperable blue 4-door Toyota Camry vehicle, a derelict, unlicensed and inoperable red Dodge 4-door vehicle, a derelict, unlicensed, inoperable and junk-filled black Toyota pickup truck and a derelict, unlicensed and inoperable black 4-door Hyundai vehicle on the premises. This condition was declared to be a nuisance and a violation of Boone County Public Nuisance Ordinance Section 6.9.

You are herewith notified that a hearing will be held before the County Commission on Thursday, May 23, 2013 at 1:30 p.m. in the County Commission Chambers at the Boone County Government Center, 801 E. Walnut Street, Columbia, Missouri. The purpose of this hearing will be to determine whether a violation exists. If the County Commission determines that a violation exists, it will order the violation to be abated.

If the nuisance is not removed as ordered, the County Commission may have the nuisance removed. All costs of abatement, plus administrative fees, will be assessed against the property in a tax bill. **If the above nuisance condition has been corrected prior to the hearing, you do not have to appear for the hearing.**

The purpose of these ordinances is to create and maintain a cleaner, healthier community. If you have any questions, please do not hesitate to contact our office. If you are not the owner or the person responsible for the care of this property, please call our office at the number listed at the bottom of this letter.

Sincerely,

Kristine Vellema

This condition is hereby declared to be a nuisance. You are herewith notified that you must begin correcting this condition within 7 days of receipt of this notice and order and that if the above nuisance condition has not been fully corrected within **15 days** after the receipt of this notice, an additional enforcement action will result for violation of Boone County Public Nuisance Ordinance Section 6.9. A reinspection will be conducted at the end of the 15-day period. If the above nuisance condition has not been fully corrected by that time, a hearing before the Boone County Commission will be called to determine whether a violation exists. If the County Commission determines that a violation exists and the nuisance has not been removed as ordered, the County Commission may have the nuisance removed with the cost of abatement, plus administrative fees, charged against the property in a tax bill. In addition, a complaint may be filed against you in Circuit Court. **If the above nuisance condition has been corrected within the 15-day period, no further action is necessary.**

**PURCHASE AGREEMENT
FOR
FACILITIES SUPPLIES, MAINTENANCE, REPAIR AND OPERATING
(MRO) ITEMS - TERM AND SUPPLY**

THIS AGREEMENT dated the 23rd day of May 2013 is made between Boone County, Missouri, a political subdivision of the State of Missouri through the Boone County Commission, herein "County" and **Fastenal Company**, herein "Contractor".

IN CONSIDERATION of the parties performance of the respective obligations contained herein, the parties agree as follows:

1. Contract Documents - This agreement shall consist of this Purchase Agreement for **Facilities Supplies, Maintenance, Repair and Operating Items** in compliance with all bid specifications and any addendum issued for the **State of Missouri Contract C111207002** as well as Boone County Standard Terms and Conditions. All such documents shall constitute the contract documents, which are incorporated herein by reference. Service or product data, specification and literature submitted with bid response may be permanently maintained in the County Purchasing Office bid file for this bid if not attached. In the event of conflict between any of the foregoing documents, this Purchase Agreement, Boone County Standard Terms and Conditions and the State of Missouri Contract **C111207002** shall prevail and control over the vendor's bid response.

2. Contract Duration - This agreement shall commence on **date of agreement and extend through February 28, 2014** subject to the provisions for termination specified below. This agreement may be extended beyond the expiration date by order of the County for **three (3) additional one year periods** subject to the pricing clauses in the Contractor's bid response and thereafter on a month to month basis in the event the County is unable to re-bid and/or award a new contract prior to the expiration date after exercising diligent efforts to do so or not.

3. Purchase - The County agrees to purchase from the Contractor and the Contractor agrees to supply the County all items per the bid specifications and responded to on the Response Form, and in conformity with the contract documents for the prices set forth in the Contractor's bid response, as needed and as ordered by County.

4. Delivery - Contractor agrees that all shipments are F.O.B. Destination, freight prepaid and allowed. Delivery for in-stock items will be within 24-48 hours of order and non-stock items will be delivered in 3-10 business days as requested by the County.

5. Billing and Payment - All billing shall be invoiced to the Boone County respective ordering Department and billings may only include the prices listed in the Contractor's bid response. No additional fees for delivery or extra services not included in the bid response or taxes shall be included as additional charges in excess of the charges in the Contractor's bid response to the specifications. The County agrees to pay all **monthly statements** within thirty days of receipt; Contractor agrees to honor any cash or prompt payment discounts offered in its bid response if county makes payment as provided therein. In the event of a billing dispute, the County reserves the right to withhold payment on the disputed amount; in the event the billing dispute is resolved in favor of the Contractor, the County agrees to pay interest at a rate of 9% per annum on disputed amounts withheld commencing from the last date that payment was due.

6. Binding Effect - This agreement shall be binding upon the parties hereto and their successors and assigns for so long as this agreement remains in full force and effect.

7. Entire Agreement - This agreement constitutes the entire agreement between the parties and supersedes any prior negotiations, written or verbal, and any other bid or bid specification or contractual agreement. This agreement may only be amended by a signed writing executed with the same formality as this agreement.

8. Termination - This agreement may be terminated by the County upon thirty days advance written notice for any of the following reasons or under any of the following circumstances:

- a. County may terminate this agreement due to material breach of any term or condition of this agreement, or
- b. County may terminate this agreement if in the opinion of the Boone County Commission if delivery of products are delayed or products delivered are not in conformity with bidding specifications or variances authorized by County, or
- c. If appropriations are not made available and budgeted for any calendar year.

IN WITNESS WHEREOF the parties through their duly authorized representatives have executed this agreement on the day and year first above written.

STANDARD CONTRACT TERMS AND CONDITIONS - BOONE COUNTY, MISSOURI

1. Prices shall include all charges for packing, delivery, installation, etc., (unless otherwise specified) to the Boone County Department.
2. The Boone County Commission has the right to accept or reject any part or parts of all bids, to waive technicalities, and to accept the offer the County Commission considers the most advantageous to the County. Boone County reserves the right to award this bid on an item-by-item basis, or an "all or none" basis, whichever is in the best interest of the County.
3. When products or materials of any particular producer or manufacturer are mentioned in our contracts, such products or materials are intended to be descriptive of type or quality and not restricted to those mentioned.
4. Do not include Federal Excise Tax or Sales and Use Taxes in billing, as law exempts the County from them.
5. The delivery date shall be stated in definite terms.
6. The County Commission reserves the right to cancel all or any part of orders if delivery is not made or work is not started as guaranteed. In case of delay, the Contractor must notify the Purchasing Department.
7. In case of default by the Contractor, the County of Boone will procure the articles or services from other sources and hold the Contractor responsible for any excess cost occasioned thereby.
8. Failure to deliver as guaranteed may disqualify Contractor from future bidding.
9. Prices must be as stated in units of quantity specified, and must be firm.
10. The County of Boone, Missouri expressly denies responsibility for, or ownership of any item purchased until same is delivered to the County and is accepted by the County.
11. The County reserves the right to award to one or multiple respondents. The County also reserves the right to not award any item or group of items if the services can be obtained from a state or other governmental entities contract under more favorable terms.
12. The County, from time to time, uses federal grant funds for the procurement of goods and services. Accordingly, the provider of goods and/or services shall comply with federal laws, rules and regulations applicable to the funds used by the County for said procurement, and contract clauses required by the federal government in such circumstances are incorporated herein by reference. These clauses can generally be found in the Federal Transit Administration's Best Practices Procurement Manual – Appendix A. Any questions regarding the applicability of federal clauses to a particular bid should be directed to the Purchasing Department prior to bid opening.
13. In the event of a discrepancy between a unit price and an extended line item price, the unit price shall govern.
14. Should an audit of Contractor's invoices during the term of the Agreement, and any renewals thereof, indicate that the County has remitted payment on invoices that constitute an over-charging to the County above the pricing terms agreed to herein, the Contractor shall issue a refund check to the County for any over-charges within 30-days of being notified of the same.

15. **For all titled vehicles and equipment the dealer must use the actual delivery date to the County** on all transfer documents including the Certificate of Origin (COO,) Manufacturer's Statement of Origin (MSO,) Bill of Sale (BOS,) and Application for Title.

05/01/11-02/28/14	05/03/11	Fastenal's vendor number has been changed to 41094841514, and MSC's address has been changed to the Maryland Heights, Missouri address.

05/01/11-02/28/14	05/01/11	Initial issuance of new statewide contract. Three contracts replace C109117001.

1. Purpose:

Three contracts for Facilities Supplies, Maintenance Repair and Operating (MRO) items have been established and are intended for use by various state agencies throughout the State of Missouri, including members of the Cooperative Procurement Program. Agencies can purchase from any of the three established contracts based on their determination of their best interests, considering type of product, needs of the plant maintenance situation, product quality, price, terms of ordering and delivery to name some of the more important facts in making a choice.

2. Preferred Use Contract:

Contracts C111207001, C111207002 and C111207003 are considered “preferred use” contracts which means that state agencies should use the contracts for purchasing facilities/MRO supplies when pricing, delivery, and other contractual terms and conditions are in the agency’s best interest to do so. Agencies are encouraged to use these established contracts, but in rare instances where the state agency can obtain like or similar products that meet the state agency’s needs at a better price and better terms, then the agency has authority to purchase the items from other sources adhering to requirements and provisions of the Local Purchasing Authority Delegation found at this website: <http://oa.mo.gov/purch/agencyinfo/deptpad.pdf>.

3. Appropriate Contract Usage:

Agencies have a variety of sources available on existing state contracts for items that are also found in the Grainger, Fastenal, and MSC catalogs (hard-copy and website). It is up to the state agency to determine what contract serves them best given a particular purchase. The following identifies active state contracts that may also have the same or similar facilities MRO items available.

LIGHTING SUPPLIES: The statewide Lighting Supplies contracts are “preferred-use” contracts, and are available to state agencies for price/product/terms comparison. Please refer to C112100001 for Phillips products (Voss Lighting), C111008002 for GE products (Graybar), and C111008003 for Sylvania products (City Lighting) for comparison.

JANITORIAL SUPPLIES: The statewide Janitorial Supplies contract is a “preferred-use” contract, and is available to state agencies for price/product/terms comparison. Please refer to contract C111156001 (Industrial Soap) for comparison.

ELECTRICAL SUPPLIES: The statewide Electrical Supplies contract is a “preferred-use” contract, and is available to state agencies for price/product/terms comparison. Please refer to contract C109019002 (Butler Supply) for comparison.

SAFETY SUPPLIES: The statewide Safety Supplies contract is a “preferred-use” contract, and is available to state agencies for price/product/terms comparison. Please refer to contract C109199001 (Wise Safety) for comparison.

LAWN EQUIPMENT: The statewide Lawn Equipment contracts are “preferred-use” contracts, and are available to state agencies for price/product/terms comparison. Please refer to contract C110059001 for John Deere products (John Deere), and C111059003 for Grasshopper products (Grasshopper).

MANDATORY COMPLIANCE REQUIRED: Agencies are advised to use Missouri Vocational Enterprises (MVE) for products/services available from MVE as further explained below.

MVE WAIVER REQUIREMENTS: In the event products or services available on contracts C111207001, C111207002, and C111207003 are also available from Missouri Vocational Enterprises (MVE), the state agency must acquire the items from MVE as required by section 217.575 RSMo unless the state agency has obtained a waiver from MVE

(<http://oa.mo.gov/mo/samii/fin/bulletins/MVEReleaseForm021805.pdf>). It is the agency's responsibility to check the MVE catalog (<http://doc.mo.gov/mve/html/1.htm>) prior to making purchases from Contracts C111095001-004.

IF THE PRODUCTS/SERVICES ARE AVAILABLE FROM MVE, THE STATE AGENCY MUST ORDER FROM MVE.

4. Pricing:

State agencies should compare pricing among the contractors for most favorable pricing and terms.

There are two pricing methods available: market basket and discount-off list price.

Market Basket \$'s: Market basket pricing is firm and fixed for one year (using the WSCA award date which is March 1, 2011). Market basket pricing can change after this initial one-year period as often as every six-months thereafter. Look for updates to Market Basket Pricing. State agencies users are advised to check the DPMM website for the most current market basket pricing. Market basket pricing identifies a specific facilities MRO category, and specific items in that category (like HVAC), and a specific associated firm, fixed price for any one item listed in that category. The current listing of market basket pricing is identified three separate attachment to this Notification of Statewide Contract, each respective to each contract.

Discount \$'s: There are eighteen (18) different product discounts available on each contract. A table of discounts is published below. The quoted discount applies to the list price for the facilities MRO item as priced in the contractor's catalog (hard-copy or web-based).

Hard-Copy Catalog Price: The contractor's discounts are firm for the life of the contract. All discounts shall be applied to each contractor's published list price in their hard copy catalogs.

Website Catalog Price: The calculation of the state's price should match the pricing for the item contained in the contractor's website catalog since the pricing the state agency sees for items in the website catalog is the *already discounted price*.

Agencies should notify the Division of Purchasing and Materials Management in the event appropriate discounts are not being applied. The state agency should notify the Division of Purchasing and Materials Management in the event that invoiced or website pricing is not equal to or lower than pricing the state agency calculates on the basis of published hard copy catalog pricing.

Deeper Discounts for Large Volume Single Purchases: Contractors may be able to offer better discounts on a single large volume purchase of the same item. Agencies should contact the contractors regarding special pricing on these single large volume purchases.

NOTE: There are nineteen line items in SAM2 for purposes of ordering products from each contract. The first eighteen correspond to the description of the discount categories and are to be used for both market basket purchases that fall into that category, and for catalog discount purchases in that category. The nineteenth line item is for purchases that may be a mix of the eighteen discount categories and is available for the state agency's convenience should it not be possible to divide the order into specific discount categories.

Product Sourcing:

The concept of "sourcing" typically involves the purchase of an item that is not usually categorized as a plant maintenance, "MRO" type item. Something like a vehicle, food, office paper, body bags, hospital beds are not typically thought-of as an MRO item and should not be purchased off contracts C111207001, C111207002, and C111207003 by state agencies even though the contractors may be able to "source" such items for the agency.

Contract C111207001: Grainger’s “Sourcing” service is not included under this contract for Missouri state agencies. Co-operative procurement agencies which opt to use this contract are eligible to purchase Grainger’s sourcing service at their discretion outside the boundaries of the state contract.

Non-Grainger General Catalog (Sourced) Product - Grainger may procure product not available through the Grainger General Catalog or Grainger.com from other sources (“Sourced Product(s)”). Sourced Product is priced according to current market conditions on a per order basis, and is shipped F.O.B. origin. Customers shall pay for any expedited or special handling requirements. A returned goods authorization must be issued by Grainger prior to returning any Sourced Product. A restocking fee may apply for any returned Sourced Product.

Contract C111207002: The state’s contract with Fastenal specifically excludes items being purchased as contract items that are sourced outside the scope of the 18 WSCA defined categories for Missouri state agencies. Purchases by Missouri state agencies from the contract are limited to items that are standard Fastenal part numbers and within the WSCA defined categories. Similarly, co-operative procurement agencies which opt to use this contract are eligible to purchase Fastenal’s sourcing service at their discretion outside the boundaries of the state contract.

Contract C111207003: MSC does not offer product sourcing under the Missouri contract.

Fastenal Company	All shipments are F.O.B. Destination, freight prepaid and allowed. Delivery for in-stock items will happen in 24-48 hours of order; non-stock items will be delivered in 3-10 business days. “In-Stock Products” are defined as any product listed in the WSCA custom online catalog available throughout Fastenal’s then-current inventory. “Non-Stock Products” are defined as any products that are temporarily out of stock throughout Fastenal’s then-current inventory, but are available and will be delivered within 10 days from the date of order.
MSC Supply Company	All shipments are F.O.B. Destination, freight prepaid and allowed. Delivery for in-stock items will happen in 24-48 hours of order, of non-stock items in 3-10 business days.

11. Warranty Terms:

W.W. Grainger	Grainger provides a standard manufacturer’s warranty on products. For information on manufacturers’ warranties, please contact your local branch or contact Customer Care at 1-888-361-8649. Standard terms of warranty guaranteed by the Uniform Commercial Code are included in the WSCA agreement which is the basis of the Missouri contract.
Fastenal Company	Fastenal provides a standard manufacturer’s warranty on products. For information on manufacturers’ warranties, please contact the closet Fastenal local branch (See #16 for store listing). MSC Supply Company	MSC provides a standard manufacturer’s warranty on products. For information on manufacturers’ warranties, please contact your local branch or contact Customer Care at 1-888-753-9722. Standard terms of warranty guaranteed by the Uniform Commercial Code are included in the WSCA agreement which is the basis of the Missouri contract.

12. Product Returns:

W.W. Grainger	Grainger will accept returns for new, damaged, or merchandise with defects in workmanship or materials, for a period of one year from the original date of purchase. Credit will be issued in the same form of payment as the original transaction.
----------------------	---

	Grainger reserves the right to limit or refuse acceptance of return of certain products.
Fastenal Company	<p>Any item that is delivered in error or damaged must be reported within 10 calendar days of the delivery date. Any cancellation or returns accepted after 30 calendar days may be subject to a restocking fee (TBD) and other charges for which the purchaser shall be responsible. All returns should be made to a Fastenal store or as otherwise designated by Fastenal and must be in resalable condition and accompanied with an invoice.</p> <p>Under the WSCA Master Service Agreement, products are available outside of Fastenal's general catalog part numbered offering. These will be handled as non-standard product orders, typically drawing on Fastenal's approved vendors' extended offering. Because there non-standard products would be ordered as direct source items, restocking fees may apply or certain items may be considered non-returnable.</p>
MSC Supply Company	Ship back in original packaging after obtaining a return send number and postage-paid label.

HVAC Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column M: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each [ea.]; package [pkg.]; box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 Be sure to include your company name below.

You must complete the gray shaded cells for your proposal to be considered for this category.

- Columns A - E: These columns describe each of the line items covered in this market basket.
- Column F: This column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- Column G: In this Column you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Column A - D.
- Column H: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- Column I: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of package size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- Column J: In this Column you must insert the actual price for the product. Column K is the discount percentage off list. This column is the actual price.
- Column L: In this Column you must verify that the packaging is equivalent to the item description in column B (e.g. each [pk.]; package [pk.]; box case, etc.).
- Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- Be sure to include your company name below.

Material Handling Repairs Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- 1 Columns A - E: These columns describe each of the line items covered in this market basket.
- 2 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- 3 Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- 4 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- 5 Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- 6 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each [ea.]; package [pkg.]; box; case, etc.).
- 7 Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 8 Be sure to include your company name below.

Fasteners Market Basket

Market Basket Cost Schedule Instructions:

- You must complete the gray shaded cells for your proposal for this category.
- Columns A - E: These columns describe each of the line items covered in this market basket.
- Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- Column G - I: In these Columns you must identify the item you are bidding, if you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- Column J: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.250 is not).
- Column K: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- Column L: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each [ea.], package [pkg.], box, case, etc.).
- Column M: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- Be sure to include your company name below.

Paint and Accessories Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- Columns A - E: These columns describe each of the line items covered in this market basket.
- Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- Be sure to include your company name below.

Plumbing Market Basket

Market Basket Cost Schedule Instructions:

1. You must complete the gray shaded cells for your proposal to be considered for this category.
2. Column A - E: These columns describe each of the line items covered in this market basket.
3. Column F: This column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
4. Column G - I: In these columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Column A - D.
5. Column L: In this column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
6. Column M: In this column you must insert the Proposed Discount from your published catalog that you are offering. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
7. Column N: In this column you must insert the unit of measure to verify that the packaging is equivalent to the item description in column B (e.g. each box, each case, etc.).
8. Column O: In this column you must insert the quantity that it contained in each unit of measure to verify that the packaging is equivalent to the item description in column B.
9. Be sure to include your company name below.

Pneumatic Tools Market Basket

Market Basket Cost Schedule Instructions:

- 1 You must complete the gray shaded cells for your proposal to be considered for this category.
- 2 Column A - E: These columns describe each of the line items covered in this market basket.
- 3 Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- 4 Column G - I: In these Columns you must identify the item you are bidding, if you propose an alternate item it must be of equal or better quality than the item identified in Column A - D.
- 5 Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- 6 Column L: In this Column you must insert the Proposed Discount from your publisher's catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for all items regardless of packaging size. The Proposed Discount percentage must not exceed 2 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37299% is not).
- 7 Column M: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- 8 Column N: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- 9 Be sure to include your company name below.

Power Tools and Accessories Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- Columns A - E: These columns describe each of the line items covered in this market basket.
- Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- Column M: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column G (e.g. each (ea.); package (pkg.); box; case, etc.).
- Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- Be sure to include your company name below.

Safety Market Basket

Market Basket Cost Schedule Instructions:

- You must complete the gray shaded cells for your proposal to be considered for this category.
- Columns A - E: These columns describe each of the line items covered in this market basket.
- Column F: This column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- Columns G - J: In these columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- Column K: In this column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- Column L: In this column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- Column M: In this column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.), package (pkg.), box case, etc.).
- Column N: In this column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- Be sure to include your company name below.

Market Basket Cost Schedule Instructions:

1. Column A - E: These columns describe each of the items covered by this market basket.

2. Column F: This column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.

3. Column G - J: In this column you must identify the item you are bidding. If you provide an alternate item it must be of equal or better quality than the item identified in Column A - D.

4. Column K: In this column you must insert the Catalog Unit Price for the item you are proposing. The Catalog Unit Price must not exceed 2 digits to the right of the decimal point (e.g. \$56.25 is acceptable while \$16.259 is not).

5. Column L: In this column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).

6. Column M: In this column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column N (e.g. each (ea.), package (pkg.), box (case), etc.).

7. Column O: In this column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column N.

8. Be sure to include your company name below.

Welding and Sodering Market Basket

Market Basket Cost Schedule Instructions:

You must complete the gray shaded cells for your proposal to be considered for this category.

- Columns A - E: These columns describe each of the line items covered in this market basket.
- Column F: This Column provides the number of units that were purchased last year through the WSCA contract. This number is provided as a reference only and is not to be construed as a guarantee for future purchases.
- Columns G - J: In these Columns you must identify the item you are bidding. If you propose an alternate item it must be of equal or better quality than the item identified in Columns A - D.
- Column K: In this Column you must insert the Catalog List Price for the item you are proposing. The Catalog List Price must not exceed 2 digits to the right of the decimal point (e.g. \$16.25 is acceptable while \$16.259 is not).
- Column L: In this Column you must insert the Proposed Discount from your published catalog that you are offering WSCA for this item. The Proposed Discount percentage must be the same for this item regardless of packaging size. The Proposed Discount percentage must not exceed 4 digits to the right of the decimal point (e.g. 10.3729% is acceptable while 10.37292% is not).
- Column M: In this Column you must insert the Unit of Measure to verify that the packaging is equivalent to the item description in column B (e.g. each (ea.); package (pkg.); box; case, etc.).
- Column O: In this Column you must insert the quantity that is contained in each Unit of Measure to verify that the packaging is equivalent to the item description in column B.
- Be sure to include your company name below.

MEMORANDUM

TO: Boone County Commission
FROM: Amy Robbins, Senior Buyer
Captain Chad Martin, Sheriff Department
DATE: May 14, 2013
RE: 19-22APR13 – Emergency Vehicle Equipment & Electronics/Accessory Installation

19-22APR13 – Emergency Vehicle Equipment & Electronics/Accessory Installation opened on April 22, 2013. Two bids were received. The Sheriff Department recommends award to 911 Custom of Overland Park, KS for submitting the best bid for the County from the standpoint of quality, service, previous experience, and the ability to deliver. Even though the low bid was submitted by Wireless USA of Columbia, MO, they were unable to establish the desired level of certification and experience with the specifications of installation as laid out in the bid document per paragraphs 2.8.13., 2.9., 4.8.5. and 4.8.6. as well as the physical capacity required to meet the Sheriff Department's demand. Further, the Sheriff Department states that the previous contract relationship between the County and Wireless USA did not produce the desired results in regard to service levels.

This is a term and supply contract and invoices will be paid from departments 1251 Sheriff, 2901 Sheriff Operations LE Sales Tax, 1255 Corrections and 2902 Corrections LE Sales Tax, account 60250 – Equipment Installation Charges.

MEMORANDUM

DATE: May 13, 2013
TO: Purchasing
FROM: Capt. Chad Martin *CM 5-13-13*
SUBJECT: 19-22APR13 award recommendation memo

The Boone County Sheriff's Department (BCSD) is recommending award of this bid to 911 Custom. 911 Custom is the only vendor that responded that is certified to install and program the Whelen CanTrol system. This system integrates with OEM vehicle components and it is imperative it is installed properly to maintain officer safety and the equipment warranty. Additionally, 911 Custom has a much larger facility and can handle multiple BCSD vehicles at the same time, allowing us to get our vehicles back out on the road faster to save the county money in vehicle maintenance on our older fleet being retired.

**PURCHASE AGREEMENT
FOR
EMERGENCY VEHICLE EQUIPMENT &
ELECTRONICS/ACCESSORIES INSTALLATION**

THIS AGREEMENT dated the 23rd day of May 2013 is made between Boone County, Missouri, a political subdivision of the State of Missouri through the Boone County Commission, herein "County" and **911 Custom**, herein "Contractor".

IN CONSIDERATION of the parties performance of the respective obligations contained herein, the parties agree as follows:

1. Contract Documents - This agreement shall consist of this Purchase Agreement for **Emergency Vehicle Equipment Installation Term and Supply**, County of Boone Request for Bid, bid number **19-22APR13**, Introduction and General Conditions of Bidding, Primary Specifications, Response Presentation and Review, the un-executed Response Form, Standard Terms and Conditions, any applicable addenda, as well as the Contractor's bid response dated **April 18, 2013** and executed by **Jarod Busch**, on behalf of the Contractor. All such documents shall constitute the contract documents, which are attached hereto and incorporated herein by reference. Service or product data, specification and literature submitted with bid response may be permanently maintained in the County Purchasing Office bid file for this bid if not attached. In the event of conflict between any of the foregoing documents, the Introduction and General Conditions of Bidding, this Purchasing Agreement, the Primary Specifications, Response Presentation and Review, the un-executed Response Form, Standard Terms and Conditions, and any applicable addenda shall prevail and control over the Contractor's bid response.

2. Contract Duration - This agreement shall commence on the **date of award and extend through June 30, 2014** subject to the provisions for termination specified below. This agreement may be extended beyond the expiration date by order of the County for **two (2) additional one year periods** subject to the pricing clauses in the Contractor's bid response and thereafter on a month to month basis in the event the County is unable to re-bid and/or award a new contract prior to the expiration date after exercising diligent efforts to do so or not.

3. Purchase - The County agrees to purchase from the Contractor and the Contractor agrees to supply the County with Emergency Vehicle Equipment Installation as specified and responded to in the bid specifications All products will be provided as required in the bid specifications and in conformity with the contract documents for the prices set forth in the Contractor's bid response, as needed and as ordered by the County. The County reserves the right to request quotes from all contracted suppliers and determine which contracted supplier to use based on price and proposed schedule.

4. Delivery - Contractor agrees to provide installation services as stated above to the Boone County Sheriffs Department as specified in the Contractor's bid response per vehicle type. All deliveries should be made to the Boone County Sheriff, 2121 County Drive, Columbia, MO 65202. All deliveries are FOB destination.

5. Billing and Payment - All billing shall be invoiced to the Boone County Sheriffs Department. Billings may only include the prices listed in the Contractor's bid response. No additional fees for delivery or extra services or taxes shall be included as additional charges in excess of the charges in the Contractor's bid response to the specifications. The County agrees to pay all correct monthly invoices within thirty days of receipt; Contractor agrees to honor any cash or prompt payment discounts offered in its bid response if county makes payment as provided therein. In the event of a billing dispute, the County reserves the right to withhold payment on the disputed amount; in the event the billing dispute is

resolved in favor of the Contractor, the County agrees to pay interest at a rate of 9% per annum on disputed amounts withheld commencing from the last date that payment was due.

6. Binding Effect - This agreement shall be binding upon the parties hereto and their successors and assigns for so long as this agreement remains in full force and effect.

7. Entire Agreement - This agreement constitutes the entire agreement between the parties and supersedes any prior negotiations, written or verbal, and any other bid or bid specification or contractual agreement. This agreement may only be amended by a signed writing executed with the same formality as this agreement.

8. Termination - This agreement may be terminated by the County upon thirty days advance written notice for any of the following reasons or under any of the following circumstances:

- a. County may terminate this agreement due to material breach of any term or condition of this agreement, or
- b. County may terminate this agreement if in the opinion of the Boone County Commission if delivery of products are delayed or products delivered are not in conformity with bidding specifications or variances authorized by County, or
- c. If appropriations are not made available and budgeted for any calendar year.

IN WITNESS WHEREOF the parties through their duly authorized representatives have executed this agreement on the day and year first above written.

STANDARD TERMS AND CONDITIONS - BOONE COUNTY, MISSOURI

1. Responses shall include all charges for packing, delivery, installation, etc., (unless otherwise specified) to the Boone County Department identified in the Request for Bid and/or Proposal.
2. The Boone County Commission has the right to accept or reject any part or parts of all bids, to waive technicalities, and to accept the offer the County Commission considers the most advantageous to the County. Boone County reserves the right to award this bid on an item-by-item basis, or an "all or none" basis, whichever is in the best interest of the County.
3. Bidders must use the bid forms provided for the purpose of submitting bids, must return the bid and bid sheets comprised in this bid, give the unit price, extended totals, and sign the bid.
4. When products or materials of any particular producer or manufacturer are mentioned in our specifications, such products or materials are intended to be descriptive of type or quality and not restricted to those mentioned.
5. Do not include Federal Excise Tax or Sales and Use Taxes in bid process, as law exempts the County from them.
6. The delivery date shall be stated in definite terms, as it will be taken into consideration in awarding the bid.
7. The County Commission reserves the right to cancel all or any part of orders if delivery is not made or work is not started as guaranteed. In case of delay, the Contractor must notify the Purchasing Department.
8. In case of default by the Contractor, the County of Boone will procure the articles or services from other sources and hold the Bidder responsible for any excess cost occasioned thereby.
9. Failure to deliver as guaranteed may disqualify Bidder from future bidding.
10. Prices must be as stated in units of quantity specified, and must be firm. Bids qualified by escalator clauses may not be considered unless specified in the bid specifications.
11. No bid transmitted by fax machine or e-mail will be accepted.
12. The County of Boone, Missouri expressly denies responsibility for, or ownership of any item purchased until same is delivered to the County and is accepted by the County.
13. The County reserves the right to award to one or multiple respondents. The County also reserves the right to not award any item or group of items if the services can be obtained from a state or other governmental entities contract under more favorable terms.
14. The County, from time to time, uses federal grant funds for the procurement of goods and services. Accordingly, the provider of goods and/or services shall comply with federal laws, rules and regulations applicable to the funds used by the County for said procurement, and contract clauses required by the federal government in such circumstances are incorporated herein by reference. These clauses can generally be found in the Federal Transit Administration's Best Practices Procurement Manual – Appendix A. Any questions regarding the applicability of federal clauses to a particular bid should be directed to the Purchasing Department prior to bid opening.

15. In the event of a discrepancy between a unit price and an extended line item price, the unit price shall govern.
16. Should an audit of Contractor's invoices during the term of the Agreement, and any renewals thereof, indicate that the County has remitted payment on invoices that constitute an over-charging to the County above the pricing terms agreed to herein, the Contractor shall issue a refund check to the County for any over-charges within 30-days of being notified of the same.

STANDARD TERMS AND CONDITIONS - BOONE COUNTY, MISSOURI

1. Responses shall include all charges for packing, delivery, installation, etc., (unless otherwise specified) to the Boone County Department identified in the Request for Bid and/or Proposal.
2. The Boone County Commission has the right to accept or reject any part or parts of all bids, to waive technicalities, and to accept the offer the County Commission considers the most advantageous to the County. Boone County reserves the right to award this bid on an item-by-item basis, or an "all or none" basis, whichever is in the best interest of the County.
3. Bidders must use the bid forms provided for the purpose of submitting bids, must return the bid and bid sheets comprised in this bid, give the unit price, extended totals, and sign the bid.
4. When products or materials of any particular producer or manufacturer are mentioned in our specifications, such products or materials are intended to be descriptive of type or quality and not restricted to those mentioned.
5. Do not include Federal Excise Tax or Sales and Use Taxes in bid process, as law exempts the County from them.
6. The delivery date shall be stated in definite terms, as it will be taken into consideration in awarding the bid.
7. The County Commission reserves the right to cancel all or any part of orders if delivery is not made or work is not started as guaranteed. In case of delay, the Contractor must notify the Purchasing Department.
8. In case of default by the Contractor, the County of Boone will procure the articles or services from other sources and hold the Bidder responsible for any excess cost occasioned thereby.
9. Failure to deliver as guaranteed may disqualify Bidder from future bidding.
10. Prices must be as stated in units of quantity specified, and must be firm. Bids qualified by escalator clauses may not be considered unless specified in the bid specifications.
11. No bid transmitted by fax machine or e-mail will be accepted.
12. The County of Boone, Missouri expressly denies responsibility for, or ownership of any item purchased until same is delivered to the County and is accepted by the County.
13. The County reserves the right to award to one or multiple respondents. The County also reserves the right to not award any item or group of items if the services can be obtained from a state or other governmental entities contract under more favorable terms.
14. The County, from time to time, uses federal grant funds for the procurement of goods and services. Accordingly, the provider of goods and/or services shall comply with federal laws, rules and regulations applicable to the funds used by the County for said procurement, and contract clauses required by the federal government in such circumstances are incorporated herein by reference. These clauses can generally be found in the Federal Transit Administration's Best Practices Procurement Manual – Appendix A. Any questions regarding the applicability of federal clauses to a particular bid should be directed to the Purchasing Department prior to bid opening.
15. In the event of a discrepancy between a unit price and an extended line item price, the unit price shall govern.

16. Should an audit of Contractor's invoices during the term of the Agreement, and any renewals thereof, indicate that the County has remitted payment on invoices that constitute an over-charging to the County above the pricing terms agreed to herein, the Contractor shall issue a refund check to the County for any over-charges within 30-days of being notified of the same.

1. Introduction and General Conditions of Bidding

1.1. INVITATION - The County of Boone, through its Purchasing Department, invites responses, which offer to provide the goods and/or services identified on the title page, and described in greater detail in Section 2.

1.2. DEFINITIONS

1.2.1. County - This term refers to the County of Boone, a duly organized public entity. It may also be used as a pronoun for various subsets of the County organization, including, as the context will indicate:

Purchasing - The Purchasing Department, including its Purchasing Director and staff.

Department(s) or Office(s) - The County Department(s) or Office(s) for which this Bid is prepared, and which will be the end user(s) of the goods and/or services sought.

Designee - The County employee(s) assigned as your primary contact(s) for interaction regarding Contract performance.

1.2.2. Bidder / Contractor / Supplier - These terms refer generally to businesses having some sort of relationship to or with us. The term may apply differently to different classes of entities, as the context will indicate.

Bidder - Any business entity submitting a response to this Bid. Suppliers, which may be invited to respond, or which express interest in this bid, but which do not submit a response, have no obligations with respect to the bid requirements.

Contractor - The Bidder whose response to this bid is found by Purchasing to meet the best interests of the County. The Contractor will be selected for award, and will enter into a Contract for provision of the goods and/or services described in the Bid.

Supplier - All business(s) entities which may provide the subject goods and/or services.

1.2.3. Bid - This entire document, including attachments. A Bid may be used to solicit various kinds of information. The kind of information this Bid seeks is indicated by the title appearing at the top of the first page. A "Request for Bid" is used when the need is well defined. A "Request for Proposal" is used when the County will consider solutions, which may vary significantly from each other or from the County's initial expectations.

1.2.4. Response - The written, sealed document submitted according to the Bid instructions.

1.3. BID CLARIFICATION - Questions regarding this Bid should be directed in writing, by e-mail or fax, to the Purchasing Department. Answers, citing the question asked but not identifying the questioner, will be distributed simultaneously to all known prospective Bidders in the form of an addendum. We strongly suggest that you check for any addenda a minimum of forty eight (48) hours in advance of the bid deadline. Bids, addendums, bid tabulations and bid awards are posted on our web site at: www.showmeboone.com

Note: written requirements in the Bid or its Amendments are binding, but any oral communications between County and Bidder are not.

1.3.1. Bidder Responsibility - The Bidder is expected to be thoroughly familiar with all specifications and requirements of this Bid. Bidder's failure or omission to examine any relevant form, article, site or document will not relieve them from any obligation regarding this Bid. By submitting a Response, Bidder is presumed to concur with all terms, conditions and specifications of this Bid.

1.3.2. Bid Amendment - If it becomes evident that this Bid must be amended, the Purchasing Department will issue a formal written Amendment to all known prospective Bidders. If necessary, a new due date will be established.

1.4. AWARD - Award will be made to the Bidder(s) whose offer(s) provide the greatest value to the County from the standpoint of suitability to purpose, quality, service, previous experience, price, lifecycle cost, ability to deliver, or for any other reason deemed by

Purchasing to be in the best interest of the County. Thus, the result will not be determined by price alone. The County will be seeking the least costly outcome that meets the County needs as interpreted by the County. The County reserves the right to award this bid on an item by item basis, or an "all or none" basis, whichever is in the best interest of the County.

1.5. CONTRACT EXECUTION - This Bid and the Contractor's Response will be made part of any resultant Contract and will be incorporated in the Contract as set forth, verbatim.

1.5.1. Precedence - In the event of contradictions or conflicts between the provisions of the documents comprising this Contract, they will be resolved by giving precedence in the following order:

- 1) the provisions of the Contract (as it may be amended);
- 2) the provisions of the Bid;
- 3) the provisions of the Bidder's Response.

1.6. COMPLIANCE WITH STANDARD TERMS AND CONDITIONS - Bidder agrees to be bound by the County's standard "boilerplate" terms and conditions for Contracts, a sample of which is attached to this Bid.

2. Primary Specifications

- 2.1. ITEMS TO BE PROVIDED** - Boone County, hereafter referred to as "County," proposes to contract with an individual(s) or organization(s), hereinafter referred to as "Contractor" for a Term and Supply contract for the furnishing of **Emergency Vehicle Equipment & Electronics/Accessories Installation** as specified herein.
- 2.1.1. **Quantity** – The County does not guarantee a minimum volume for purchases under a prospective contract. The quantity of new vehicles purchased each year varies, but ranges from approximately 6 to 13. In addition, the County reserves the right to purchase Emergency Vehicle Equipment & Electronics/Accessories Installation services from other vendors when the County deems the purchase necessary.
- 2.2. The unit prices for the items identified on the Response Form shall remain fixed for the identified original contract period. If the County exercises the option for renewal, the contractor shall agree that the prices for the items listed on the Response Form shall not increase by more than the prices noted on the Response Form for the 1st and 2nd Renewal Periods.
- 2.2.1. If renewal prices are not provided, then prices during any renewal period shall be the same as during the original contract period.
- 2.3. CONTRACT PERIOD** – Any Term and Supply Contract resulting from this Bid will have an initial term from **date of award through June 30, 2014** and may be automatically renewed for up to an additional **two (2) one-year periods** unless canceled by the Purchasing Director in writing prior to a renewal term.
- 2.4. CONTRACT EXTENSION** – The County Purchasing Director may exercise the option to extend the contract on a month-to-month basis for a maximum of six (6) months from the date of termination if it is deemed to be in the best interest of Boone County.
- 2.5. CONTRACT DOCUMENTS** - The successful bidder(s) shall be obligated to enter into a written contract with the County within 30 days of award on contract forms provided by the County. If bidders desire to contract under their own written agreement, any such proposed agreement shall be submitted in blank with their bid. County reserves the right to modify any proposed form agreement or withdraw its award to a successful bidder if any proposed agreement contains terms and conditions inconsistent with its bid or are unacceptable to county legal counsel.
- 2.6. PRICING** – All prices shall be as indicated on the Response Form. The County shall not pay nor be liable for any other additional costs including but not limited to: taxes, packing, handling, shipping and freight, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc. Additionally, the County shall not be subject to any minimum quantities or total prices.
- 2.6.1. The contractor shall extend any and all special promotional sale prices or discounts immediately to the County during the term of the contract. These prices shall be honored for the duration of the specific sale or discount period.
- 2.7. GENERAL INFORMATION REGARDING THE FLEET & SCOPE OF BID:**
- 2.7.1. The scope of work involves the installation of law enforcement specific and/or emergency equipment in Boone County Sheriff Department's vehicles.
- 2.7.2. As of 2013 it is the intent of the Boone County Sheriff's Department to move forward as an all Ford fleet of trucks, sedans and SUV's. The intent behind this is so that all equipment in a specific vehicle platform is set up the same. This allows a deputy to transfer from vehicle to vehicle with ease due to standardization of equipment (officer safety must be kept in mind at all times when installing equipment.) Bidders are urged to keep this in mind while bidding as the County will need each vehicle to be upfit in the same manner, even across platforms, as

is practical and possible.

- 2.7.3. Unless otherwise stated, the County will provide all of the equipment for the installation. The contractor will be responsible for miscellaneous hardware (i.e. clamps, nuts, bolts, screws, etc. not already included with new or transferred equipment), all (primary and secondary) wire not provided as part of an aftermarket harness and all fuses that are necessary to complete the installation.
- 2.7.4. All electronic equipment needs to be wired according to both the equipment and vehicle manufacturers' specifications as not to void applicable warranties.
- 2.7.5. If, during installation of any equipment, penetration of the vehicle's exterior occurs, all holes in the exterior body must be sealed upon completion of the install.
- 2.8. MINIMUM CONTRACT REQUIREMENTS** - The contractor shall perform all services listed below on an as needed basis. Costs for said services must include all tools, supplies and labor.
 - 2.8.1. All wiring connections shall be made by way of a factory harnesses, custom harnesses or connected by a heat shrinkable butt connector, soldered and shrink wrapped, or other device/method approved by the County (No scotch lock-type connectors allowed). All exterior connections must be protected from corrosion. All connections must pass a pull test.
 - 2.8.2. All systems shall be tested after installation with the ignition off and system off to check for parasitic voltage draw.
 - 2.8.3. All equipment shall be properly protected with the appropriate size fuse and/or circuit breaker per manufacturer's specifications.
 - 2.8.4. All wiring shall be sized to the equipment manufacturer's specification(s.)
 - 2.8.5. As needed, shop supplies such as wire connectors, relays, solder, wire, fuse holders, distribution blocks, loom, switches, etc., **shall be included within the full vehicle upfit package per unit pricing.** The County shall not be billed per item for any fittings or wiring necessities to complete the installation.
 - 2.8.6. Upfit wiring system must include a main disconnect or some type of single point, or single location, connection to the factory 12 volt system. This is done so any vehicle OEM electrical problems can be quickly and safely separated from aftermarket equipment by a County representative or factory servicing dealer. Any alternatives to this section must be approved by the Fleet Manager.
 - 2.8.7. All cabling must be ran behind body trim or other channels as to protect it from normal daily traffic abuse as well as potential vandalism from a combative prisoner.
 - 2.8.8. If applicable to OEM vehicle wiring, and available as a feature in the aftermarket hardware, all vehicles must have the siren park kill and horn ring transfer features installed as well as any other officer safety feature (as a feature of provided equipment) requested by the fleet manager at the time of vehicle drop off (County will deliver all vehicles to contractor under this contract).
 - 2.8.9. All bid responses must include disassembly and reassembly of vehicle parts built into the full vehicle upfit package pricing. The County will not pay a separate labor charge for disassembly and reassembly performed during a full vehicle upfit.
 - 2.8.10. Any specifics pertaining to equipment locations will be defined by the Boone County Sheriff's Department Fleet Manager at the time of vehicle drop off. Once agreed upon all like vehicles are to be upfitted in the same manner.
 - 2.8.11. The contractor shall provide a per vehicle full upfit rate per the details in sections 2.8.12. – 2.8.17. If the bidder provides a no bid response to any individual section, the bidder must attach some type of supplemental documentation containing an explanation of the no bid.

- 2.8.12. **FULLY MARKED FORD INTERCEPTOR SUV** - The Bidder shall provide a response on the Response Form for the full installation/upfit of a fully marked Ford Interceptor SUV as detailed in this section.
- 2.8.12.1. Connection of four Ford Interceptor headlamp alternating flashers (Ford optional equipment code 66A) – two forward facing, two side facing in factory Ford headlamp housing.

 - 2.8.17.3. Siren speaker (vehicle specific bracket when available from manufacturer.)
 - 2.8.17.4. Siren amplifier controlled by auxiliary switch or integrated into radio (will require connection of a County supplied siren controller – generally Motorola Systems 9000 or other similar hide-away siren amplifier.)
 - 2.8.17.5. Two (2) Whelen LINZ6, or similar, mounted on supplied hide-away brackets mounted behind vehicle grille.
 - 2.8.17.6. Whelen SSFPOS, or similar, headlight flasher.
 - 2.8.17.7. Whelen Flatlighter light mounted to passenger side sun visor connected via permanent wiring to switch (switch will either be dash mounted or controlled via Motorola DEK.)
 - 2.8.17.8. Solid state reverse light & brake light alternating flasher (Whelen SSF5150D or similar.)
 - 2.8.17.9. Two flashlight charging cradles (per available County inventory at the time of install, but generally one large Mag Light and one Stinger or similar sized smaller light.)
 - 2.8.17.10. Vehicle specific (Havis brand) pole, brackets and docking station for Panasonic Toughbook.
 - 2.8.17.11. Charge guard to power docking station.
 - 2.8.18. Bidder shall state time involved in installing/upfitting a complete patrol vehicle (in calendar work week days) on Bid Response page.
 - 2.8.19. For billing purposes, the Vehicle Unit Number (and/or VIN) is required on all invoices.
 - 2.8.20. The contractor will be required to fill out a **Vehicle Equipment List Form** to document specific equipment installed. This is required to maintain detailed inventory of County owned equipment in each vehicle and is required of the contractor due to the limited visibility of some equipment after it is mounted in the vehicle. A sample of this form is included in these bid documents as **Attachment A**.
 - 2.8.21. The contractor will be asked to provide the Boone County Sheriff's Department Fleet Manager with a wiring diagram of vehicle. In lieu of a printed wiring diagram, prior to acceptance of vehicle post install, a representative of the contractor will provide the Fleet Manager with a detailed walk-thru of all components, fuse locations, power distribution points, etc.
 - 2.8.21.1. If any equipment is determined to be defective after installation, not by fault of contractor, the contractor will be allowed to bill the County separately for the removal of the defective item and subsequent installation of a functioning item. The contractor is encouraged to test equipment prior to installation (as much as is practical given the complexity and configuration of multiple components of some items.) It will be the responsibility of the contractor to communicate such issues with the Boone County Sheriff's Department Fleet Manager as soon as possible.11
 - 2.8.22. The contractor shall thoroughly vacuum the vehicle after the install to remove any debris discharged inside the vehicle during the installation.
 - 2.8.23. Any additional equipment, or changes in what is specified herein, must be documented and agreed upon by both parties in writing, prior to the work being done, with any additional charges being documented and agreed upon as well.
 - 2.8.24. The contractor will not sub-contract any work on Boone County vehicles without the consent of the Boone County Sheriff's Department Fleet Manager.
 - 2.8.25. The contractor will be required to provide the services responded to in this bid and identified on the Response Form.
- 2.9. CONTRACTOR QUALIFICATIONS & EXPERIENCE:** The Contractor to whom an Emergency Vehicle Equipment Installation Services contract is awarded must provide evidence that they have past experience in the type of work as outlined in the attached specifications for a minimum of three years. **Attachment B – Prior Experience** may be

used for this purpose.

- 2.10. **EVALUATION** - Evaluation of this bid will be based upon the ability of the vendor to perform these services in a timely fashion, familiarity with our equipment, the cost for said services and the experience level of the vendor in working with the new Ford emergency vehicle platforms.
- 2.11. **BILLING AND PAYMENTS** – Invoices for work to Boone County Sheriff’s Department vehicles shall be submitted to: Boone County Sheriff’s Department, Attn: Chad Martin, 2121 County Drive, Columbia, MO 65202. Payment shall be made within 30 days of receipt of a complete **MONTHLY** statement. Invoices shall be used as back-up documentation only.
- 2.12. **DESIGNEES** – Chad Martin, Boone County Sheriff’s Department, 2121 County Drive, Columbia, MO 65202. Phone (573) 876-6101.
- 2.13. **BID CLARIFICATION** - Any questions or clarifications concerning bid documents should be addressed to Amy Robbins, Senior Buyer, 613 E. Ash Street, Room 109, Columbia, MO 65201. Telephone (573) 886-4392 Fax (573) 886-4390, E-mail: arobbins@boonecountymo.org.

3. Response Presentation and Review

- 3.1. **RESPONSE CONTENT** - In order to enable direct comparison of competing Responses, you must submit your Response in strict conformity to the requirements stated here. Failure to adhere to all requirements may result in your Response being disqualified as non-responsive. All Responses must be submitted using the provided Response Form. Every question must be answered and if not applicable, the section must contain "N/A" or "No Bid".
- 3.2. **SUBMITTAL OF RESPONSES** - Responses MUST be received by the date and time noted on the title page under "Bid Submission Information and Deadline". NO EXCEPTIONS. We are not responsible for late or incorrect deliveries from the US Postal Service or any other mail carrier.
 - 3.2.1. **Submittal Package** - Submit, to the location specified on the title page, **three (3) complete copies** of your Response in a single sealed envelope, clearly marked on the outside with your company name and return address, the proposal number and the due date and time.
 - 3.2.2. **Advice of Award** - A Bid Tabulation of responses received as well as Award status can be viewed at www.showmcboone.com.
- 3.3. **BID OPENING** - On the date and time and at the location specified on the title page under "Bid Opening", all Responses will be opened in public. Brief summary information from each will be read aloud.
 - 3.3.1. **Removal from Vendor Database** - If any prospective Bidder currently in our Vendor Database to whom the Bid was sent elects not to submit a Response and fails to reply in writing stating reasons for not bidding, that Bidder's name may be removed from our database. Other reasons for removal include unwillingness or inability to show financial responsibility, reported poor performance, unsatisfactory service, or repeated inability to meet delivery requirements.
- 3.4. **RESPONSE CLARIFICATION** - We reserve the right to request additional written or oral information from Bidders in order to obtain clarification of their Responses.
 - 3.4.1. **Rejection or Correction of Responses** - We reserve the right to reject any or all Responses. Minor irregularities or informalities in any Response which are immaterial or inconsequential in nature, and are neither affected by law nor at substantial variance with Bid conditions, may be waived at our discretion whenever it is determined to be in the County's best interest.
- 3.5. **EVALUATION PROCESS** - Our sole purpose in the evaluation process is to determine from among the Responses received which one is best suited to meet the County's needs at the lowest possible cost. Any final analysis or weighted point score does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.
 - 3.5.1. **Method of Evaluation** - We will evaluate submitted responses in relation to all aspects of this Bid.
 - 3.5.2. **Acceptability** - We reserve the sole right to determine whether goods and/or services offered are acceptable for our use.
 - 3.5.3. In the event of a discrepancy between a unit price and an extended line item price, the unit price shall govern.
 - 3.5.4. **Endurance of Pricing** - Your pricing must be held until contract execution or 60 days, whichever comes first.

Re: Recruitment Advertising Policy

Boone County's existing Recruitment Advertising Policy sets specific guidelines for advertising vacant positions. It demands a display ad appear each Sunday in the Columbia Daily Tribune which includes a simple listing of positions referring applicant's to the County's website for more details. No specific details of vacant positions (in effect, a line ad) are to be included unless turnover occurs and creates a newly vacant position or when temporary seasonal positions need to be filled.

The existing policy demands Human Resources take advantage of no cost/low cost advertising opportunities such as postings on university websites and mailers to churches and other similar organizations.

Any recruitment advertising outside of these guidelines must be reviewed and approved by the Boone County Commission on a case-by-case basis.

Human Resources has increasingly received feedback from administrative authorities seeking the ability to post their open positions outside the Tribune or in combination with the Tribune due to the inability of Tribune (or more generally, traditional newspaper) advertising to quickly supply a large enough pool of qualified candidates.

Human Resources respectfully asks the Commission to approve a new Recruitment Advertising Policy eliminating the Tribune advertising requirement and instead allowing Human Resources and administrative authorities the ability to work together to seek and utilize other advertising sources while remaining in the overall budget.

Sincerely,

Shannon Leigers
Benefits/Risk Mgmt. Manager
Boone County Human Resources

Recruitment Advertising Policy

All advertisements for employment must be nondiscriminatory and in compliance with all applicable laws and regulations.

This Advertising Policy describes the guidelines Boone County Human Resources uses for placing advertisements for vacant positions.

- 1) Human Resources shall confer with department Administrative Authorities on the timing and placement of their recruitment advertising. Human Resources will provide guidance including cost and statistical data and assistance in writing effective advertisements. Ads may be placed with for-pay sources such as newspapers and websites within budget. Any recruitment advertising that will send overall cost outside of budget must be reviewed and approved by the Boone County Commission.
- 2) Human Resources will continue to seek and take advantage of no cost/low cost advertising opportunities such as posting open positions on university websites and mailers to churches and other similar organizations.
- 3) All types of advertisements not described above will be reviewed and approved by the Boone County Commission on a case-by-case basis.

I. Scope

The purpose of the Investment Policy (the “Policy”) adopted by the County of Boone, Missouri (the “County”) is to guide investment decisions for the County’s investment portfolio managed by the County Treasurer within statutory and legal requirements. This Policy applies to the investment of all operating and long-term funds of the County and entities entering into an investment agreement with the County. Longer-term funds, including investments of employees' retirement funds and certain debt service funds, are covered by separate policies. The Constitution and Laws of the State of Missouri authorize the County Treasurer to invest monies not needed for daily operations of the County. The County Treasurer shall manage the Policy and it shall be reviewed on an annual basis, with any modifications made to the Policy approved by the County Commission.

1. Pooling of Funds

Except for cash in certain restricted and special funds, the County will consolidate cash balances from all funds to maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with the generally accepted accounting principles.

2. External Management of Funds

Investment through external programs, facilities and professionals operating in a manner consistent with this Policy will constitute compliance.

II. General Objectives

The primary objectives, in priority order, of investment activities shall be legality, safety, liquidity, and yield:

1. Legality

The County Treasurer will invest the county’s excess funds only within the legal guidelines set forth by the Constitution and Laws of the State of Missouri. Any investment alternative outside these parameters is not permissible.

2. Safety

Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

- **Credit Risk:** The County will minimize credit risk, the risk of loss due to the failure of the security issuer or backer, by:
 - Pre-qualifying the financial institutions, brokers/dealers, intermediaries, and advisors with which the County will do business.
 - Diversifying the portfolio so that potential losses on individual securities will be minimized.

- **Interest Rate Risk:** The County will minimize the risk that the market value of securities in the portfolio will fall due to changes in general interest rates, by:
 - Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
 - Investing operating funds primarily in shorter- term securities.

3. Liquidity

The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity). A portion of the portfolio also may be placed in bank deposits or repurchased agreements that offer same-day liquidity for short-term funds.

4. Yield

The investment portfolio shall be designed with the objectives of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of secondary importance to the safety and liquidity objectives described above. The core of investments is limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall not be sold prior to maturity with the following exceptions:

- A security with declining credit may be sold early to minimize loss of principal.
- A security swap would improve the quality, yield, or target duration in the portfolio.
- Liquidity needs of the portfolio require that the security be sold.

III. Standards of Care

1. Prudence

All participants in the investment process shall act responsibly as custodians of the public trust. The standard of prudence to be applied by those with investment authority is the “prudent investor” rule, which states, “Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.” Employees and investment officials acting in accordance with written procedures and this Policy and exercising due diligence shall be relieved of personal liability for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this Policy.

2. Ethics and Conflicts of Interest

Employees and officials involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose any material interests in financial institutions in which they conduct business. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Employees and officials shall refrain from undertaking personal investment transactions with the same individual with which business is conducted on behalf of the County.

3. Delegation of Authority

Authority to manage the investment program is granted to the County Treasurer, and/or staff authorized by the County Treasurer, hereinafter referred to as investment official and derived from RSMo 110.270. Responsibility for the operation of the investment program is hereby delegated to the investment official, who shall act in accordance with the established procedures and internal controls for the operation of the investment program consistent with this Policy. No person may engage in an investment transaction except as provided under the terms of this Policy and the procedures established by the investment official. The investment official shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of employees involved in the investment process.

IV. Investment Transactions

1. Authorized Financial Dealers and Institutions

A list will be maintained of financial institutions authorized to provide investment transactions. In addition, a list also will be maintained of approved security brokers/dealers selected by creditworthiness as determined by the investment official. These may include "primary" dealers or regional dealers that qualify under Securities and Exchange Commission (SEC) Rule 15C3-1 (uniform net capital rule).

All financial institutions and broker/dealers who desire to become qualified for investment transactions must supply the following as requested:

- Audited financial statements.
- Proof of National Association of Securities (NASD) certification
- Certification of having read and understood and agreeing to comply with the County's Policy.

2. Internal Controls

The investment official is responsible for establishing and maintaining internal control structure that will be reviewed annually with the County's independent auditor. The internal control structure shall be designed to ensure the assets of the County are

protected from loss, theft, and misuse and to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognized that (1) the cost of control should not exceed the benefits likely to be derived and (2) the valuation of costs and benefits require estimates and judgments by management. Controls deemed most important include: separation of duties, separation of transaction authority from accounting and record keeping, clear delegation of authority, written confirmation of all transactions, minimizing the number of authorized investment officials, avoidance of physical delivery of securities, and wire, depository, and safekeeping/custodial agreements.

3. Delivery vs. Payment

All trades where applicable will be executed by delivery vs. payment (DVP) to ensure that securities are deposited in eligible financial institutions prior to the release of funds. All securities shall be perfected in the name or for the account of the County and shall be held by a third-party custodian as evidenced by safekeeping receipts.

V. Suitable and Authorized Investments

1. Investment Types

In accordance with and subject to restrictions imposed by current statutes, the following list represents the entire range of investments that the County will consider and which shall be authorized for the investments of funds by the County.

- **Governmental and Agency Debt:** Securities issued by and/or guaranteed by the Federal Government or an agency or instrumentality of the Federal Government:
 - **United States Treasury Securities.** The County may invest in obligations of the United States Government for which the full faith and credit of the United States are pledged for the payment of principal and interest.
 - **United States Agency Securities.** The County may invest in obligations issued or guaranteed by any agency of the United States Government as described in Section V.2.
- **Fixed Income investments secured by FDIC insurance and/or Collateral:**
 - **Repurchase Agreements.** The County may invest in contractual agreements between the County and commercial banks or primary government securities dealers. The purchaser in a repurchase (repo) agreement enters into a contractual agreement to purchase U.S. Treasury and government agency securities while simultaneously agreeing to resell the securities at predetermined dates and prices. Repos are collateralized as dictated by State statute and Section V.4.
 - **Collateralized Public Deposit Accounts.** Instruments, such as certificates

of deposit, or accounts issued by financial institutions which state that specified sums have been deposited for specified periods of time and at specified rates of interest. The deposit accounts are required to be backed by acceptable collateral securities as dictated by State statute and Section V.4.

- **Other Fixed Income Debt issued by Commercial Enterprises:** It should be noted that investments in the following instruments require an additional level of care and prudence when undertaken by the investment official. Because these investments are commercial credits as opposed to governmental credit, or subject to the added safety of collateral, the risk of loss of principal is higher for the following investments than in the four prior categories.
 - **Banker's Acceptances.** Bills of exchange or time drafts on and accepted by a commercial bank, otherwise known as banker's acceptances (BAs). An issuing bank must have received the highest letter and numeral ranking (i.e., A1 / P1) by at least one nationally recognized statistical rating organization (NRSRO). Must be issued by domestic commercial banks. Purchases of BAs may not exceed 180 days to maturity. No more than 5% of the total market value of the portfolio may be invested in the BAs of any one issuer and no more than 30% of the entire portfolio may be invested in BAs.
 - **Commercial Paper.** Commercial paper which has received the highest letter and numeral ranking (i.e., A1 / P1) by at least two NRSROs. Eligible paper is further limited to issuing corporations that have a total commercial paper program size in excess of \$250,000,000 and have long term debt ratings, if any, of "A" or better from at least one NRSRO. Purchases of commercial paper may not exceed 180 days to maturity. Approved commercial paper programs should provide some diversification by industry. Additionally, purchases of commercial paper in industry sectors that may from time to time be subject to undue risk and potential illiquidity should be avoided. The only asset-backed commercial paper programs that are eligible for purchase are fully supported programs that provide adequate diversification by asset type (trade receivables, credit card receivables, auto loans, etc.) No securities arbitrage programs or commercial paper issued by Structured Investment Vehicles (SIV's) shall be considered. No more than 5% of the total market value of the portfolio may be invested in the commercial paper of any one issuer. No more than 30% of the entire investment portfolio may be invested in commercial paper.

2. Security Selection

The following list represents the government agency securities that County will consider and which shall be authorized for the investment of funds by the County. Additionally, the following definitions and guidelines should be used in purchasing the instruments:

- **U.S. Government Agency Coupon and Zero Coupon Securities.** Bullet coupon bonds with no embedded options.

- **U.S. Government Agency Discount Notes.** Purchased at a discount with maximum maturities of one (1) year.
- **U.S. Government Agency Callable Securities.** Restricted to securities callable at par only with final maturities of five (5) years.
- **U.S. Government Agency Step-Up Securities.** The coupon rate is fixed for an initial term. At coupon date, the coupon rate rises to a new, higher fixed term. Restricted to securities with final maturities of five (5) years.
- **U.S. Government Agency Floating Rate Securities.** The coupon rate floats off one index restricted to coupons with no interim caps that reset at least quarterly.
- **U.S. Government Mortgage Backed Securities.** Restricted to securities with final maturities of five (5) years.

3. Investment Restrictions and Prohibited Transactions

To provide for the safety and liquidity of the County's funds, the investment portfolio will be subject to the following restrictions:

- Borrowing for investment purposes ("leverage") is prohibited.
- Instruments known as variable rate demand notes, inverse floaters, leveraged floaters, and equity-linked securities are not permitted. Investment in any instrument, which is commonly considered a "derivative" instrument (e.g. options, futures, swaps, caps, floors, and collars), is prohibited.
- Contracting to sell securities not yet acquired in order to purchase other securities for purposes of speculating on developments or trends in the market is prohibited.
- No more than 5% of the total market value of the portfolio may be invested in BAs issued by any one commercial bank and no more than 5% of the total market value of the portfolio may be invested in commercial paper of any one issuer.

4. Collateralization

Collateralization will be required on two types of investments: deposit accounts and repurchase agreements. In order to anticipate market changes and provide a level of security for all funds, the market value (including accrued interest) of the collateral should be at least 102%.

For deposit accounts, the market value of collateral must be at least 100% or greater of the amount of deposit plus demand deposits with the depository, less the amount, if any, which is insured by the Federal Deposit Insurance Corporation, or the National Credit Unions Share Insurance Fund.

All securities, which serve as collateral against the deposits of a depository institution must be safekept at a non-affiliated custodial facility. Depository institutions pledging collateral against deposits must, in conjunction with the custodial agent, furnish the necessary custodial receipts within five business days from the settlement date.

The County shall have a depository contract and pledge agreement with each safekeeping bank that will comply with the Financial Institutions, Reform, Recovery, and Enforcement Act of 1989 (FIRREA). This will ensure that the County's security interest

in collateral pledge to secure deposits is enforceable against the receiver of a failed financial institution.

The securities for which repurchase agreements will be transacted will be limited to U.S. Treasury and government agency securities that are eligible to be delivered via the Federal Reserve's Fedwire book entry system. Securities will be delivered to the County's designated custodial agent. Funds and securities will be transferred on a delivery vs. payment basis.

VI. Investment Parameters

1. Diversification

The investments shall be diversified to minimize the risk of loss resulting from over concentration of assets in specific maturity, specific issuer, or specific class of securities. Diversification strategies shall be established and periodically reviewed. At a minimum, diversification standards by security type and issuer shall be:

- **U.S. treasuries and securities having principal and/or interest guaranteed by the U.S. government:** 100%
- **Collateralized time and demand deposits:** 100%
- **U.S. Government agencies, and government sponsored enterprises:** No more than 60%
- **Collateralized repurchased agreements:** 50%
- **U.S. Government agency callable securities:** No more than 30%
- **Commercial Paper:** No more than 30%
- **Banker's Acceptances:** No more than 30%

2. Maximum Maturities

To the extent possible, the County shall attempt to match its investments with anticipated cash flow requirements. Investments in BAs and commercial paper shall mature and become payable not more than one hundred eighty days (180) from the date of purchases. All other investments shall mature and become payable not more than five (5) years from the date of purchase. The County shall adopt weighted average maturity limitations that should not exceed three (3) years and is consistent with the investment objectives.

Because of inherent difficulties in accurately forecasting cash flow requirements, a portion of the portfolio should be continuously invested in readily available funds such as in bank deposits or overnight repurchase agreements to ensure that appropriate liquidity is maintained to meet ongoing obligations.

VII. Reporting

1. Methods

The investment office shall prepare an investment report at least monthly, including a management summary that provides an analysis of the status of the current investment portfolio and transactions made over the last month. This management summary will be prepared in a manner that will allow the County to ascertain whether investment activities during the reporting period have conformed to the Policy. The report will include the following:

- Listing of individual securities held at the end of the reporting period.
- Realized and unrealized gains or losses resulting from appreciation or depreciation by listing the cost and market value of securities (in accordance with Government Accounting Standards Board (GASB) 31 requirements).[Note, this is only required annually]
- Average weighted yield to maturity of portfolio on investments as compared to applicable benchmarks.
- Listing of investment by maturity date.
- Percentage of the total portfolio which each type of investment represents.

2. Performance Standards

The investment portfolio will be managed in accordance with the parameters specified within this Policy. The portfolio should obtain a market average rate of return during a market/economic environment of stable interest rates. A series of appropriate benchmarks may be established against which portfolio performance shall be compared on a regular basis.

3. Marking to Market

The market value of the portfolio shall be calculated at least quarterly and a statement of the market value of the portfolio shall be issued at least annually. This will ensure that review of the investment portfolio, in terms of value and price volatility, has been performed.

VIII. Policy Considerations

1. Exemption

Any investment currently held that does not meet the guidelines of this Policy shall be exempt from the requirements of this Policy. At maturity or liquidation, such monies shall be reinvested only as provided by this Policy.

Appendix I

Glossary of Terms

Agency

A debt security issued by a federal or federally sponsored agency. Federal agencies are backed by the full faith and credit of the U.S. Government. These securities are regarded as the highest quality of investment securities available in the U.S. securities market. Federally sponsored agencies (FSAs) are backed by each particular agency with a market perception that there is an implicit government guarantee. An example of federal agency is the Government National Mortgage Association (GNMA) and an example of an FSA is the Federal Mortgage Association (FNMA). Agency bonds do not include those issued by the U.S. Treasury or by municipalities.

Banker's Acceptance (BAs)

A short-term financial instrument that is the unconditional obligation of the accepting bank. BAs arise from transactions involving the import, export, transit, or storage of goods – domestic as well as international transit. For investors, it is important to realize that the underlying transaction that gives rise to a BA is almost completely irrelevant to the credit quality or the liquidity of the instrument. The actual BA is created at a late stage in the underlying transaction when a bank accepts its obligation to pay the holder of the accepted draft. In other words, when the transaction becomes a BA it becomes an unconditional obligation of the accepting bank. From an investor's point of view, a BA is a bank obligation that has at least the same credit strength as any CD issued by the same bank. In fact, BAs are typically stronger than CDs because in addition to the credit strength of a drawer; an endorsing bank, if one is involved in the transaction; and usually by the pledge of documents representing ownership of the trade goods and insurance on the goods. BAs do not, however, carry federal deposit insurance. BAs are considered safe, liquid, short-term money market investments.

Basis Point

In reference to bond yields, 1/100 percent (i.e., 0.01 percent). Thus, 50 basis points equal 0.5 percent.

Bear Market

For fixed-income securities, a period when yields are rising and bond prices are falling.

Broker

A party who brings buyers and sellers together. Brokers do not take ownership of the property being traded. They are compensated by commissions.

Bullet

A noncallable bond. Securities whose cash flows are known with certainty (no call dates).

Call Price

The price at which an issuer may redeem a bond prior to maturity. The price is usually at a slight premium to the bond's original issue price to compensate the holder for loss of income and ownership.

Call Risk

The risk to a bondholder that a bond may be redeemed prior to maturity.

Callable Bond

A bond that the issuer has the right to redeem prior to maturity. Some callable bonds may be redeemed on one call date while others have multiple call dates. Some callable bonds may be redeemed at par while others can only be redeemed at a premium.

Certificate of Deposit (CD)

A deposit of funds, in a bank or savings and loan association, for a specified term that earns interest at a specified rate or rate formula. They may be for terms as short as 1 week or as long or longer than 10 years.

Commercial Paper

Unsecured, short-term promissory notes issued by corporations for specific amounts and with specific maturity dates. Firms with lower ratings or firms without well-known names usually back their commercial paper with guarantees or bank letters of credit. Commercial paper may be sold on a discount basis or may bear interest. Terms can be as short as 1 day and usually do not exceed 270 days.

Coupon Rate

The annual rate of interest received by an investor from the issuer of certain types of fixed-income securities. Also known as the "interest rate."

Custodial Agent

An entity that holds collateral for deposits with financial institutions, investment securities, or securities underlying repurchase agreements.

Delivery vs. Payment (DVP)

The simultaneous exchange of securities and cash. The safest method of settling either the purchase or sale of a security. In a DVP settlement, the funds are wired from the buyer's account and the security is delivered from the seller's account in simultaneous, interdependent wires.

Discount Bond

A bond selling for less than its face value.

GASB 31

Statement No. 31 of the Governmental Accounting Standards Board: Accounting and Financial Reporting for Certain Investments and for External Investment Pools, establishes accounting standards for securities owned by governmental entities.

Government Accounting Standards Board (GASB)

An accounting industry organization; part of the Financial Accounting Foundation. GASB issues statements of accounting standards that define and govern GAAP for state and local government entities in the United States.

Liquidity

A measure of the ease with which an asset can be bought or sold.

Lockout Period

A period of time during which a callable security cannot be redeemed by its issuer.

Mark to Market

The process of restating the carrying value of an asset or liability to equal its current market value.

Market Value

The price at which a security is trading and presumably could be purchased or sold at a particular point in time.

Market Yield

The yield bid for a security when selling, or the yield asked for when buying.

Maturity

The date on which the principal or stated value of an investment becomes due and payable.

Par Value

The amount of principal which must be paid at maturity. Also referred to as the face amount of a bond, normally quoted in \$1,000 increments per bond.

Premium Bond

A bond that sells for more than its face value.

Principal

The face value or par value of a debt instrument. Also may refer to the amount of capital invested in a given security.

Repurchase Agreement (Repo)

A form of secured, short-term borrowing in which a security is sold with a simultaneous agreement to buy it back from the purchaser at a future date. The purchase and sales agreements are simultaneous, but the transactions are not. The sale is a cash transaction while the return purchase is a forward transaction since it occurs at a future date. The seller/borrower pays interest to the buyer at a rate negotiated between the parties. Rates paid on repos are short-term money market interest rates and are completely unrelated to the coupon rate paid on the instrument being purchased.

Safekeeping

An arrangement under which a third party holds securities under safe, controlled conditions. A safekeeping arrangement is evidenced by a safekeeping receipt. Holding of assets (e.g., securities) by a financial institution.

Settlement Date

With respect to the sale of a security, the date on which the money and the security change hands.

Step-up Coupon

A coupon that increases incrementally over the life of the security.

Structure

For a callable agency bond, the formula used to determine the security's coupon. Fixed and step-up are two examples of structure.

Swap

The sale of one or more securities in order to purchase one or more different securities with the proceeds from the sale. Bond swaps usually take advantage of changes in market conditions or more favorable investment characteristics. For example, swaps are often done to lengthen or shorten maturities when investors change their outlook for future rates.

Treasury Bills

Short-term U.S. government non-interest bearing debt securities with maturities of no longer than one year and issued in minimum denominations of \$10,000. Auctions of three- and six-month bills are weekly, while auctions of one-year bills are monthly. The yields on these bills are monitored closely in the money markets for signs of interest rate trends.

Treasury Bonds

Long-term U.S. government debt securities with maturities of ten years or longer and issued in minimum denominations of \$1,000. Currently the longest outstanding maturity for such securities is 30 years.

Treasury Notes

Intermediate U.S. government debt securities with maturities of one to 10 years and issued in denominations ranging from \$1,000 to \$1 million or more.

US Treasury Obligations

Debt obligations of the U.S. government sold by the Treasury Department in the form of bills, notes, and bonds. Bills are short-term obligations that mature in 1 year or less and are sold on the basis of a rate of discount. Notes are obligations that mature between 1 year and 10 years. Bonds are long-term obligations that generally mature in 10 years or more.

Weighted Average Maturity (WAM)

The average maturity of all the securities that comprise a portfolio that is typically expressed in days or years.

Yield-to-call (YTC)

The rate of return an investor earns from a bond assuming the bond is redeemed (called) prior to its nominal maturity date.

Yield-to-maturity (YTM)

The rate of return yielded by a debt security held to maturity when both interest payments and the investor's potential capital gain or loss are included in the calculation of return.

Zero-coupon Securities

Security that is issued at a discount and makes no periodic interest payments. The rate of return consists of a gradual accretion of the principal of the security and is payable at par upon maturity.

**REQUEST TO TRANSFER ABOVE "ATS" (Authorized Transfer Salary)
BOONE COUNTY Commission Order 146-2006**

Description of form: To request approval to transfer above "ATS" (authorized transfer salary).

Procedure:

1. The Administrative Authority or designee completes the form and prepares a schedule that demonstrates that funding is available within the salary and wage appropriation (account #10100) and calculates the amount for a budget revision, if needed. The Administrative Authority submits the form, the schedule, and the budget revision (if needed) to the Auditor for certification of funds availability.
2. The Auditor certifies funds availability, approves budget revision (if applicable), returns original form to the Administrative Authority and forwards a copy to Human Resource Director.
3. The Human Resource Director reviews the request and provides recommendation to the Administrative Authority.
4. The Administrative Authority will schedule the request for approval by the Commission and provide the Commission with the HR Director's recommendation.
5. The County Commission will review all requests for a starting salary above the "ATS" and will either approve or deny the request. After approval/denial, the County Commission will return this form to the Administrative Authority.
6. The Administrative Authority will attach a copy of this approved form to the Personnel Action Form.

Name of prospective employee Austin Kidwell Department Sheriff - Corrections

Position Title Corrections Corporal Position No. 657

Proposed Starting Salary (complete one only) Annual: _____ % of Mid-Point _____
OR Hourly: \$16.97 % of Mid-Point 103%

No. of employees in this job classification within your Department? 5

Justification (Describe the prospective employee's education and/or work experience which supports this proposed compensation level) Officer Kidwell went through the application, interviewing and selection process for the corporal position. Mr. Kidwell has been with our department since November 2008. His experience in corrections will benefit us in this position as he takes on the added responsibilities of corporal.

If proposed salary exceeds what other employees in the same job classification are paid, explain how the prospective employee's background exceeds others working in the same job classification: All of the other Correction Corporals are paid at a higher salary than Corporal Kidwell.

What effect, if any, will this proposal have on salary relationships with other positions in your office and/or positions in other offices? This promotion should not affect any other employee.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
13TH JUDICIAL CIRCUIT
AND
BOONE COUNTY
AND
VETERANS UNITED FOUNDATION**

THIS AGREEMENT is entered into this 23rd day of May, 2013 (the "Effective Date"), between the 13th Judicial Circuit, (hereinafter "Circuit Court"), Boone County, Missouri (hereinafter "County"), and the Veterans United Foundation (hereinafter "Foundation") for the purposes set out hereunder:

WHEREAS, the Foundation is committed to enhancing the lives of veterans and military families nationwide; and

WHEREAS, the Foundation supports nonprofit organizations that strengthen local communities and honor the sacrifices of those who have served our Country; and

WHEREAS, Circuit Court desires to implement a Veterans Treatment Court, defined below; and

WHEREAS, Foundation has agreed to provide funding in support of such endeavor; and

WHEREAS, consistent with the County Budget Law (RSMo §§50.525-50.745), the contributions contemplated herein shall be paid to the Boone County Treasurer, for subsequent appropriation to the Circuit Court in accordance with Missouri law.

NOW, in consideration of the mutual undertakings and agreements, the parties agree as follows:

GENERAL CONTRACT TERMS:

This Memorandum of Understanding (hereinafter "MOU") shall be effective from the Effective Date through December 31, 2014 (the "Term").

1. This agreement contains the entire agreement and understanding between the parties and supersedes any other agreement concerning the subject matter of this transaction, whether oral or written.
2. This agreement shall be entered into under the laws of the State of Missouri and the rights and obligations of the parties hereunder shall be governed according to the laws of said state.
3. No modification, amendment, renewal, extension or other alteration of this agreement shall be effective unless mutually agreed upon in writing by the parties and incorporated herein as an official amendment to this agreement.
4. No party can assign this agreement to any person, corporation, partnership or other entity without express written approval of the other parties and incorporation herein as an official amendment to this agreement.
5. The expenditure of funds contemplated herein shall be done in accordance with all applicable federal, state, and local laws, rules, and regulations.
6. Notwithstanding the Foundation's financial support for the creation of a Veterans Treatment Court, the parties recognize and agree that both the Foundation and the Circuit Court shall maintain their independence and shall avoid any actions that would give any appearance that the Foundation controls or influences the acts of the Circuit Court in its administration of the Veterans Treatment Court contemplated herein.

7. Each of the persons signing this MOU represent that he/she has been duly authorized and empowered, by order, ordinance, or otherwise, to execute this document and that all necessary action on behalf of said party to effectuate said authorization has been taken and is done.
8. Nothing herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent, or of partnership, or of joint venture, between the parties hereto.
9. This MOU is for the sole benefit of the parties. Nothing in this MOU is intended to confer any rights or remedies on any third party.
10. Any financial obligations imposed on the Circuit Court and/or County contemplated herein are conditioned upon there being a sufficient, unencumbered fund balance budgeted for that purpose. The County's obligations hereunder shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by the County, nor shall anything contained herein constitute a pledge of the general credit, tax revenues, funds or moneys of the County beyond that which is specifically required by state law. Notwithstanding any provision of this MOU, the decision whether or not to budget or appropriate funds, or to extend this MOU for any subsequent fiscal year, is solely within the discretion of the then-current governing body of the County.
11. The parties agree to fully cooperate with each other in good faith to give full force and effect to the terms and intent of this Memorandum of Understanding.

IMPLEMENTATION DATE:

The Circuit Court's work on the Veterans Treatment Court shall begin on June 1, 2013 with court participants starting in the court on or after July 1, 2013.

VETERANS TREATMENT COURT:

1. The Circuit Court and Foundation agree that Veterans Treatment Court will be held in the Boone County Courthouse and that Veterans involved in criminal court proceedings within the 13th Circuit may be referred to the Veterans Treatment Court to determine eligibility.
2. Circuit Court shall establish Veterans Treatment Court eligibility criteria and determine the course of treatment, intervention, sanctions and incentives within the Court.
3. The Veterans Treatment Court will be a court-supervised, comprehensive treatment program which accepts participants who are Veterans in the criminal justice system. Participants may include, but are not limited to, first time offenders, probationers, and offenders who are returning to the community from the Department of Corrections. All participants will have been determined to require substance abuse or mental health treatment. The Veterans Treatment Court may be a voluntary program or ordered as a condition of probation. Treatment, which includes individual counseling and group counseling, will be provided through the Harry S. Truman Memorial Veterans' Hospital. Treatment also includes random drug testing which will be required of every participant as directed by the Court. Defendants may be expected to obtain and maintain employment or be involved in vocational or educational programs. The length of the Veterans Treatment Court Program is determined by each participant's progress and may be a minimum of one year and no longer than two years.

A Veterans Treatment Court participant will be required to appear in Veterans Treatment Court on a regular basis. At each appearance, the Judge will be given a progress report prepared by the treatment team

regarding drug test results, attendance and participation in treatment and compliance with probation. In the event of program violations; i.e., missed or dirty urine screens, failure to attend individual or group counseling, sanctions may be imposed by the court. Repeated violation of the program expectations and failure to progress satisfactorily may result in termination from the program. The Veterans Treatment Court Judge will make the final decisions regarding termination from the Program.

The Veterans Treatment Court will have a treatment team that may include, but is not limited to, the Veterans Treatment Court Judge, Alternative Sentencing Court Administrator, Mentor Court Coordinator, representatives of the Prosecutor's Office, representatives of Public Defenders Office, law enforcement, Probation and Parole Officers, and designated members of the VA Hospital. Team members will collaborate to support a comprehensive program of services to meet the needs of qualified participants.

FUNDING:

1. Foundation agrees to provide funding, pursuant to the terms and conditions specified below, to support the operating of the Veterans Treatment Court in the following areas and as detailed in Attachment A- Budget Detail Worksheet (the "Budget"):
 - a. Alternative Sentencing Court Administrator Salary and Benefit
 - b. Mentor Coordinator Salary and Benefits (FICA)
 - c. Drug Testing
 - d. Tracking
2. Circuit Court and Foundation agree that the Circuit Court may reallocate the contributions from Foundation among the various categories specified above and in the Budget, notwithstanding the foregoing, in the event Circuit Court desires to make adjustments to the Budget that would reallocate more than 15% of the contributions called for herein between budget lines or expense categories during the Term of this Agreement, said adjustment/reallocation must be approved by the Foundation in writing.
3. Circuit Court agrees to provide documentation of expenditures related to funding provided by Foundation.
4. Circuit Court agrees to research additional funding sources for Veterans Treatment Court and to advise the Foundation of future grant awards.

TIMING AND AMOUNT OF CONTRIBUTIONS:

1. During the Term of this Memorandum of Understanding, the Foundation agrees to contribute funds to support the Veterans Treatment Court, in an amount not to exceed \$100,000 according to the following payment plan and terms:
 - a. Based on the attached budget, the Foundation agrees to pay the Circuit Court, by way of the County, up to \$30,000 in one lump sum payment by June 1, 2013, for spending to take place between June 1, 2013, and December 31, 2013. If not all of the funds have been expended, the Circuit Court may request a no cost extension for unused funds by December 31, 2013.
 - b. Based on the attached budget, the Foundation agrees to pay the Circuit Court, by way of the County, up to \$70,000 in one lump sum payment by January 1, 2014, for spending to take place between January 1, 2014, and December 31, 2014. If not all of the funds have been expended, the Circuit Court may request a no cost extensions for unused funds by December 31, 2014.
2. The attached budget may be adjusted for renewals, if any, beyond 2014.

- 3. The checks should be written to "Boone County" and directed to Nicole Galloway, Boone County Treasurer, 801 E. Walnut, Room #205, Columbia, Missouri 65201.

PERSONNEL AND SERVICES:

- 1. Circuit Court agrees to designate an Alternative Sentencing Court Administrator to manage the Veterans Treatment Court Program.
- 2. Circuit Court agrees to provide a part-time Mentor Coordinator to recruit and train volunteer mentors.
- 3. Circuit Court agrees to monitor testing and tracking services.
- 4. Circuit Court agrees to provide a location and equipment/office supplies for the Alternative Sentencing Court Administrator and Mentor Coordinator.

COMMUNICATION:

Circuit Court agrees to communicate with Foundation throughout the implementation process through scheduled meetings, conference calls, or video conference calls and through e-mail.

SUSTAINABILITY:

Circuit Court agrees to seek resources and additional funding as required to sustain operations of the Veterans Treatment Court beyond the term of this agreement as determined appropriate and beneficial.

This Memorandum of Understanding is effective upon the signature of the parties and shall terminate only upon written notice to the other party.

ATTACHMENT A - Budget Detail Worksheet**13th Judicial Circuit Veterans Treatment Court Budget**

NOTE: This budget anticipates the Veterans Treatment Court Coordinator and Mentor Coordinator will begin working on setting up the court on June 1, 2013, but participants will start on or after July 1, 2013. It also anticipates that calendar year 2014 will be an annualized budget, and 7 months in 2013 will be a prorated amount. To the extent the funds requested for 2013 are not exhausted in 2013, the Circuit Court may request a no cost extension to continue using the funds in 2014. Similarly, if the funds requested for 2014 are not exhausted, the Court may request a no cost extension.

Veterans Treatment Court Coordinator	\$47,320 annual (\$22.75 an hour) 33.33% of salary for 4 months	\$5,257.25

EXPLANATION: This position's salary will be split 3 ways until October 1, 2013 as this person will be paid by three funding streams: Veterans Grant, OnTrack Grant and Prop-L. The Veterans Grant will be responsible for 33.33% of the position's salary and Boone County's Prop-L Fund will be responsible for 66.67%. Between June 1 and September 30, Prop-L will be reimbursed for this coordinator on an hourly basis by the OnTrack Grant. The OnTrack Grant ends on September 30, 2013; therefore, on October 1, the Veterans grant will begin paying for 50% of the position's salary and Prop-L will pay 50%. This will accommodate the anticipated increasing number of participants in Veterans Court, and the anticipated decreasing number of participants in OnTrack Court. After September 30, it is anticipated any remaining OnTrack participants will be placed in Drug Court.
