Stormwater Discharge Permit Application

Stormwater Discharge Permits are required for any land development that will discharge in to a municipal separate storm sewer system (MS4) or other publicly-owned storm sewer system. The applicant can request a Stormwater discharge permit through the Boone County Resource Management Office. Note: When properly validated, this form constitutes a permit. Please attach additional sheets as required to fulfill application requirements. NO CONSTRUCTION INSPECTIONS MAY TAKE PLACE UNTIL THE STORMWATER DISCHARGE PERMIT HAS BEEN ISSUED.
