THE E-VERIFY PROGRAM FOR EMPLOYMENT VERIFICATION MEMORANDUM OF UNDERSTANDING

ARTICLE I

PURPOSE AND AUTHORITY

This Memorandum of Understanding (MOU) sets forth the points of agreement between the Department of Homeland Security (DHS) and Innovative Roadway Solutions (Employer) regarding the Employer's participation in the Employment Eligibility Verification Program (E-Verify). This MOU explains certain features of the E-Verify program and enumerates specific responsibilities of DHS, the Social Security Administration (SSA), and the Employer. E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of the Employment Eligibility Verification Form (Form I-9). For covered government contractors, E-Verify is used to verify the employment eligibility of all newly hired employees and all existing employees assigned to Federal contracts or to verify the entire workforce if the contractor so chooses.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). Authority for use of the E-Verify program by Federal contractors and subcontractors covered by the terms of Subpart 22.18, "Employment Eligibility Verification", of the Federal Acquisition Regulation (FAR) (hereinafter referred to in this MOU as a "Federal contractor with the FAR E-Verify clause") to verify the employment eligibility of certain employees working on Federal contracts is also found in Subpart 22.18 and in Executive Order 12989, as amended.

Payment will not be made for any work that does not meet with the approval of the Engineer. The scheduled quantities of work to be done and materials to be furnished may be increased, decreased, or omitted as hereinafter provided.
The Contractor agrees that he is fully informed regarding all of the conditions affecting the work to be completed, and labor and materials to be furnished for the completion of this Contract, and that his information was procured by personal investigation and research and not from any estimates of the Engineer; and that he will make no claims against the County by reason of estimates, test, or representation of any officer, agent, or employee of the County or the Engineer.
- 2.17.2. **Bid Guaranty.** Each bid shall be accompanied by a bid guaranty. The character and the amount of the bid guaranty to be furnished by Bidders shall be stated in the bid for each project. The bid guaranty shall be executed by some surety company authorized to do business in the State of Missouri, as a guarantee on the part of the Bidder that if his bid be accepted, he will within ten days after receipt of notice of such acceptance, enter into a contract and furnish a contract bond to do the work advertised; and, in case of default, forfeit such bid guaranty.
- 2.17.3. **Delivery of Bids.** Each bid shall be submitted in a sealed envelope marked clearly to indicate its contents. - 2.19.3. **Claims for Adjustment.** If any conditions arise which in the Contractor's opinion will require him to make any claims or demands for extra or additional compensation above that fixed by the contract, or on which he contemplates bringing claims for such extra compensation, he shall promptly and before incurring any expenses, notify in writing the Engineer of the conditions and circumstances and that he proposes to make such claims. The Contractor agrees that any claims made without such advance notice, and not presented in such a way as to enable the Engineer to observe conditions as they occur and to verify expenses as they occur and to determine with certainty the correctness of such claims and of the expenses involved, are waived and shall be null and void. No extra compensation shall be awarded in any event without prior written approval of the County.
- 2.19.4. The Engineer will set initial field control consisting of bench marks and control monuments.

The Contractor shall be responsible for the preservation of all bench marks and control monuments, and if any of these bench marks or control monuments are carelessly or willfully destroyed or disturbed, the cost of replacing them may be charged to the Contractor. These bench marks and control monuments will constitute the initial field control by and in accordance with which the Contractor shall establish other necessary controls and perform the work in the correct position to correspond to the information shown on the plans and given by the Engineer during the progress of the work. Elevations shown on the plans and referred to in the specifications are based on the bench marks shown. The Contractor shall employ competent personnel for making position, gradient, and alignment determinations and measurements.

2.20. **CONTROL OF MATERIAL**

2.20.1. **Inspection and Certification.** Unless otherwise specified, all materials shall be subject to visual inspection and job control test, as determined by the Engineer, and shall be certified by the Supplier that the material supplied conforms to the requirements of these specifications. 2.20.2. **Samples, Tests, and Cited Specifications.** The Contractor shall submit certifications and substantiating test reports, furnished by the Supplier or Fabricator, certifying that material and manufacturing procedures conform to the specifications. All sampling and testing required by the specifications shall be performed by the Supplier in accordance with these specifications, and the results shall be signed, sealed and stamped according to laws related to professional engineers. There shall be no direct charge to the Owner for materials taken as samples, either for field tests or for laboratory tests. If a specification of a recognized national standard agency (ASTM, AASHTO, AWWA, AWS, etc.) is designated the material may, unless otherwise specified, meet either the designated specification or the latest revision thereof in effect at the time of letting of the contract.

2.23. **MEASUREMENT AND PAYMENT**

2.23.1. The Engineer will make payment estimates on or about the 1st and the 15th of each month of the work performed and the value thereof at the contract unit prices. The proper percentage with relation to completion will be allowed for all incomplete items.

2.23.2. No payment will be made on account of materials not yet incorporated into the work.

2.23.3. From the total amount of work items of each estimate, there will be deducted ten percent. The retained percentage will be released as provided in Section 9.13. The net amount due on the estimate will be certified to the County for payment. This method of retained percentage does not apply to work involving the planting of tree, shrubs and other plants.

2.23.4. Payment may be withheld or nullified in whole or part to such extent as may be necessary to protect the County from loss on account of:

The written notice shall contain evidence that an error exists in the original ground line elevation or in the original computations which will materially affect the final payment quantity. If such final measurement is required, it will be made from the latest available ground surface and the design section.
- 2.23.6. Borrow quantities will not be measured. If additional fill material is required for the construction of embankment or for other proportions of the work, it shall be located, furnished, and hauled by the Contractor as necessary, and will be considered incidental to the portion of work. The Contractor shall be responsible for obtaining all necessary permits. No direct payment for locating, furnishing, hauling additional fill material or obtaining permits will be made.
- 2.23.7. Measured quantities of excavation will be used where the ground elevations show on the plans are found to be erroneous. No revision of contract quantities will be made if the actual ground elevations are considered to agree generally with the ground line shown on the plans. Where the Engineer authorizes a change in grade, slope, or typical section affecting the volume of excavation allowed for payment, the revised volume will be determined by the average end area method on the basis of the revised grade, slope, or typical section. Where unauthorized deviations result in a decrease in the contract quantities, the deviations will be measured and deducted from the contract quantity.
- 2.23.8. Payment for the removal and replacement of any unsuitable material will be at the contract unit price for additional depth dig-out repair.
- 2.23.9. **Contractor's Affidavit Regarding Settlement of Claims:**
- 2.23.9.1. Prior to any release of retained percentage the Contractor shall file with the County the following:

BOONE COUNTY MATCHING PENSION PROFIT SHARING PLAN

SUMMARY OF PLAN PROVISIONS

INTRODUCTION TO YOUR PLAN

What kind of Plan is this?

Boone County Matching Pension Profit Sharing Plan ("Plan") has been adopted to provide you with the opportunity to save for retirement on a tax-advantaged basis. This Plan is a type of qualified retirement plan. Generally you are not taxed on the amounts we contribute to the Plan until you withdraw these amounts from the Plan.

What information does this Summary provide?

This Summary of Plan Provisions contains information regarding your Plan benefits, your distribution options, and many other features of the Plan. You should take the time to read this summary to get a better understanding of your rights and obligations under the Plan.

If you have any questions about the Plan, please contact the Administrator or other plan representative. The Administrator is responsible for responding to questions and making determinations related to the administration, interpretation, and application of the Plan. The name and address of the Administrator can be found at the end of this summary in the Article entitled "General Information About the Plan."

This summary describes the Plan's benefits and obligations as contained in the legal Plan document, which governs the operation of the Plan. The Plan document is written in much more technical and precise language and is designed to comply with applicable legal requirements. If the non-technical language in this summary conflicts with the language of the Plan document, then the Plan document always governs.

The Plan and your rights under the Plan are subject to various laws, including the Internal Revenue Code. The provisions of the Plan are subject to revision due to a change in laws. Your Employer may also amend or terminate this Plan.

Types of Contributions. The Plan includes provisions for the following types of contributions:

- Employer matching contributions
- Employee rollover contributions

ARTICLE I PARTICIPATION IN THE PLAN

How do I participate in the Plan?

Provided you are not an Excluded Employee, you may begin participating under the Plan once you have satisfied the eligibility requirements and reached your "Entry Date." The following describes the eligibility requirements and Entry Dates that apply. You should contact the Administrator if you have questions about the timing of your Plan participation.

What happens if I'm a participant, terminate employment and then I'm rehired?

If you are no longer a participant because you terminated employment, and you are rehired, then you will be able to participate in the Plan on your date of rehire provided you are otherwise eligible to participate in the Plan.

ARTICLE II EMPLOYEE CONTRIBUTIONS

What are rollover contributions?

Rollover contributions. At the discretion of the Administrator, if you are a Participant who is currently employed or an Eligible Employee, you may be permitted to deposit into the Plan distributions you have received from other retirement plans and certain IRAs. Such a deposit is called a "rollover" and may result in tax savings to you. You may ask the Administrator or Trustee of the other plan or IRA to directly transfer (a "direct rollover") to this Plan all or a portion of any amount that you are entitled to receive as a distribution from such plan. Alternatively, you may elect to deposit any amount eligible to be rolled over within 60 days of your receipt of the distribution. You should consult qualified counsel to determine if a rollover is in your best interest.

Rollover account. Your rollover will be accounted for in a "rollover account." You will always be 100% vested in your "rollover account" (see the Article in this summary entitled "Vesting"). This means that you will always be entitled to all amounts in your rollover account. Rollover contributions will be affected by any investment gains or losses.

Withdrawal of rollover contributions. You may withdraw the amounts in your "rollover account" at any time.

**ARTICLE III
EMPLOYER CONTRIBUTIONS**

This Article describes Employer contributions that may be made to the Plan.

What is the Employer matching contribution and how is it allocated?

Matching Contribution. Matching contributions are Employer contributions that are based on contributions you make to BOONE COUNTY 457B PLAN. All of these contributions that you make are collectively referred to as "salary deferrals" for purposes of the applying the matching contribution described below.

Your Employer may make a discretionary matching contribution equal to a uniform percentage of your salary deferrals. Each year, your Employer will determine the amount of the discretionary percentage.

Allocation conditions. You will always share in the matching contribution regardless of the amount of service you complete during the Plan Year.

**ARTICLE IV
COMPENSATION AND ACCOUNT BALANCE**

What compensation is used to determine my Plan benefits?

Definition of compensation. For the purposes of the Plan, compensation has a special meaning. Compensation is generally defined as your total compensation that is subject to income tax and paid to you by your Employer during the calendar year ending within the Plan Year.

Adjustments to compensation. The following adjustments to compensation will be made:

- compensation paid while not a participant in the Plan will be excluded.
- compensation paid after you terminate is generally excluded for Plan purposes. However, the following amounts will be included in compensation even though they are paid after you terminate employment, provided these amounts would otherwise have been considered compensation as described above and provided they are paid within 2 1/2 months after you terminate employment, or if later, the last day of the Plan Year in which you terminate employment:
 - compensation for services performed during your regular working hours, or for services outside your regular working hours (such as overtime or shift differential) or other similar payments that would have been made to you had you continued employment
 - compensation paid for unused accrued bona fide sick, vacation or other leave, if such amounts would have been included in compensation if paid prior to your termination of employment and you would have been able to use the leave if employment had continued
 - nonqualified unfunded deferred compensation if the payment is includible in gross income and would have been paid to you had you continued employment

Is there a limit on the amount of compensation which can be considered?

The Plan, by law, cannot recognize annual compensation in excess of a certain dollar limit. The limit for the Plan Year beginning in 2015 is \$265,000. After 2015, the dollar limit may increase for cost-of-living adjustments.

Is there a limit on how much can be contributed to my account each year?

Generally, the law imposes a maximum limit on the amount of contributions that may be made to your account and any other amounts allocated to any of your accounts during the Plan Year, excluding earnings. Beginning in 2015, this total cannot exceed the lesser of \$53,000 or 100% of your annual compensation. After 2015, the dollar limit may increase for cost-of-living adjustments.

How is the money in the Plan invested?

The Trustee of the Plan has been designated to hold the assets of the Plan for the benefit of Plan participants and their beneficiaries in accordance with the terms of this Plan. The trust fund established by the Plan's Trustee will be the funding medium used for the accumulation of assets from which Plan benefits will be distributed.

Participant directed investments. You will be able to direct the investment of your entire interest in the Plan. The Administrator will provide you with information on the investment choices available to you, the procedures for making investment elections, the frequency with which you can change your investment choices and other important information. You need to follow the procedures for making investment elections and you should carefully review the information provided to you before you give investment directions. If you do not direct the investment of your applicable Plan accounts, then your accounts will be invested in accordance with the default investment alternatives established under the Plan.

Earnings or losses. When you direct investments, your accounts are segregated for purposes of determining the earnings or losses on these investments. Your account does not share in the investment performance of other participants who have directed their own investments. You should remember that the amount of your benefits under the Plan will depend in part upon your choice of investments. Gains as well as losses can occur and your Employer, the Administrator, and the Trustee will not provide investment advice or guarantee the performance of any investment you choose.

Will Plan expenses be deducted from my account balance?

Expenses allocated to all accounts. The Plan permits the payment of Plan expenses to be made from the Plan's assets. The method of allocating the expenses depends on the nature of the expense itself. For example, certain administrative (or recordkeeping) expenses would typically be allocated proportionately to each participant. If the Plan pays \$1,000 in expenses and there are 100 participants, your account balance would be charged \$10 (\$1,000/100) of the expense.

Terminated employee. After you terminate employment, your Employer reserves the right to charge your account for your pro rata share of the Plan's administration expenses, regardless of whether your Employer pays some of these expenses on behalf of current employees.

Expenses allocated to individual accounts. There are certain other expenses that may be paid just from your account. These are expenses that are specifically incurred by, or attributable to, you. For example, if you are married and get divorced, the Plan may incur additional expenses if a court mandates that a portion of your account be paid to your ex-spouse. These additional expenses may be paid directly from your account (and not the accounts of other participants) because they are directly attributable to you under the Plan. The Administrator can inform you when there will be a charge (or charges) directly to your account.

Your Employer may, from time to time, change the manner in which expenses are allocated.

**ARTICLE V
VESTING**

What is my vested interest in my account?

In order to reward employees who remain employed with the Employer for a long period of time, the law permits a "vesting schedule" to be applied to certain contributions that your Employer makes to the Plan. This means that you will not be entitled ("vested") in all of the contributions until you have been employed with the Employer for a specified period of time.

100% vested contributions. You are always 100% vested (which means that you are entitled to all of the amounts) in your accounts attributable to the following contributions:

- matching contributions
- rollover contributions

**ARTICLE VI
DISTRIBUTIONS PRIOR TO TERMINATION**

Can I withdraw money from my account while working?

In-service distributions. You may be entitled to receive an in-service distribution. However, this distribution is not in addition to your other benefits and will therefore reduce the value of the benefits you will receive at retirement. This distribution is made at your election and will be made in accordance with the forms of distributions available under the Plan.

Conditions and Limitations. Generally you may receive a distribution from the Plan from certain accounts prior to your termination of employment provided you satisfy the condition described below:

- you have attained age 70 1/2

The following limitations apply to in-service distributions from certain accounts:

- In-service distributions can only be made from accounts which are 100% vested.
- In-service distributions may be made subject to the following: For Distributions occurring the later of: (1) on or after January 1, 1998, (2) effective date of the plan, (3) the effective date of the first fee agreement with Nationwide Life Insurance Company services (or its predecessor after the date such predecessor was acquired by Nationwide Life Insurance Company); age 70 1/2 and any election by a Participant to receive a distribution pursuant to this Section shall constitute a Required Minimum Distribution under Section 6.8 of the Plan.

**ARTICLE VII
BENEFITS AND DISTRIBUTIONS UPON TERMINATION OF EMPLOYMENT**

When can I get money out of the Plan?

You may receive a distribution of the vested portion of some or all of your accounts in the Plan for the following reasons:

- termination of employment for reasons other than death, disability or retirement
- normal retirement
- disability
- death

This Plan is designed to provide you with retirement benefits. However, distributions are permitted if you die or become disabled. In addition, certain payments are permitted when you terminate employment for any other reason. The rules under which you can receive a distribution are described in this Article. The rules regarding the payment of death benefits to your beneficiary are described in "Benefits and Distributions Upon Death."

You may also receive distributions while you are still employed with the Employer. (See the Article entitled "Distributions Prior to Termination" for a further explanation.)

Military Service. If you are a veteran and are reemployed under the Uniformed Services Employment and Reemployment Rights Act of 1994, your qualified military service may be considered service with the Employer. There may also be benefits for employees who die or become disabled while on active duty. Employees who receive wage continuation payments while in the military may benefit from various changes in the law. If you think you may be affected by these rules, ask the Administrator for further details.

What happens if I terminate employment before death, disability or retirement?

If your employment terminates for reasons other than normal retirement, you will be entitled to receive only the "vested percentage" of your account balance.

You may elect to have your vested account balance distributed to you as soon as administratively feasible following your termination of employment. (See the question entitled "How will my benefits be paid to me?" for additional information.)

What happens if I terminate employment at Normal Retirement Date?

Normal Retirement Date. You will attain your Normal Retirement Age when you reach age 59 1/2. Your Normal Retirement Date is the first day of the month coinciding with or next following your Normal Retirement Age.

Payment of benefits. You will become 100% vested in all of your accounts under the Plan if you retire on or after your Normal Retirement Age. However, the actual payment of benefits generally will not begin until you have terminated employment and reached your Normal Retirement Date. In such event, a distribution will be made, at your election, as soon as administratively feasible. If you remain employed past your Normal Retirement Date, you may generally defer the receipt of benefits until you actually terminate employment. (See the question entitled "How will my benefits be paid to me?" for an explanation of how these benefits will be paid.)

What happens if I terminate employment due to disability?

Definition of disability. Under the Plan, disability is defined as a physical or mental condition resulting from bodily injury, disease, or mental disorder which renders you incapable of continuing any gainful occupation and which has lasted or can be expected to last for a continuous period of at least twelve (12) months. Your disability must be determined by a licensed physician. However, if your condition constitutes total disability under the federal Social Security Act, then the Administrator may deem that you are disabled for purposes of the Plan.

Payment of benefits. If you become disabled while an employee, you will be entitled to your vested account balance under the Plan. Payment of your disability benefits will be made to you as if you had retired. (See the question entitled "How will my benefits be paid to me?" for an explanation of how these benefits will be paid.)

How will my benefits be paid to me?

Forms of distribution. If your vested account balance does not exceed \$5,000, then your vested account balance may only be distributed to you in a single lump-sum payment. In determining whether your vested account balance exceeds the \$5,000 threshold, "rollovers" (and any earnings allocable to "rollover" contributions) will be taken into account.

In addition, you must consent to receive any distribution of your vested account balance before it may be made. If your vested account balance exceeds \$5,000, you may elect to receive a distribution of your vested account balance in:

- a single lump-sum payment
- partial withdrawals or installments but only with respect to minimum required distributions, over a period of not more than your assumed life expectancy (or the assumed life expectancies of you and your beneficiary). (See below "Delaying distributions." for an explanation of minimum required distributions.)

Delaying distributions. You may delay the distribution of your vested account balance. However, if you elect to delay the distribution of your vested account balance, there are rules that require that certain minimum distributions be made from the Plan. Distributions are required to begin not later than the April 1st following the later of the end of the year in which you reach age 70 1/2 or retire.

Medium of payment. Benefits under the Plan will generally be paid to you in cash only.

ARTICLE VIII BENEFITS AND DISTRIBUTIONS UPON DEATH

What happens if I die while working for the Employer?

If you die while still employed by the Employer, then your vested account balance will be used to provide your beneficiary with a death benefit.

Who is the beneficiary of my death benefit?

Beneficiary designation. You may designate a beneficiary for your death benefit. The designation must be made in accordance with the procedures set forth by the Administrator. You should periodically review your designation to ensure it continues to meet your goals.

Divorce. If you have designated your spouse as your beneficiary for all or a part of your death benefit, then upon your divorce, the designation is no longer valid. This means that if you do not select a new beneficiary after your divorce, then you are treated as not having a beneficiary for that portion of the death benefit (unless you have remarried).

No beneficiary designation. At the time of your death, if you have not designated a beneficiary or your beneficiary is also not alive, the death benefit will be paid in the following order of priority:

- (a) your surviving spouse
- (b) your children, including adopted children in equal shares (and if a child is not living, that child's share will be distributed to that child's heirs)
- (c) your surviving parents, in equal shares
- (d) your estate

How will the death benefit be paid to my beneficiary?

Form of distribution. If the death benefit payable to a beneficiary does not exceed \$5,000, then the benefit may only be paid as a lump-sum. If the death benefit exceeds \$5,000, your beneficiary may elect to have the death benefit in the same forms of payments that were available to you.

When must the last payment be made to my beneficiary?

The law generally restricts the ability of a retirement plan to be used as a method of retaining money for purposes of your death estate. Thus, there are rules that are designed to ensure that death benefits are distributable to beneficiaries within certain time periods.

Regardless of the method of distribution selected, if your designated beneficiary is a person (rather than your estate or some trusts) then minimum distributions of your death benefit will begin by the end of the year following the year of your death ("1-year rule") and must be paid over a period not extending beyond your beneficiary's life expectancy. If your spouse is the beneficiary, then under the "1-year rule," the start of payments will be delayed until the year in which you would have attained age 70 1/2 unless your spouse elects to begin distributions over his or her life expectancy before then. However, instead of the "1-year rule" your beneficiary may elect to have the entire death benefit paid by the end of the fifth year following the year of your death (the "5-year rule"). Generally, if your beneficiary is not a person, your entire death benefit must be paid under the "5-year rule."

What happens if I'm a participant, terminate employment and die before receiving all my benefits?

If you terminate employment with the Employer and subsequently die, your beneficiary will be entitled to your remaining interest in the Plan at the time of your death.

ARTICLE IX TAX TREATMENT OF DISTRIBUTIONS

What are my tax consequences when I receive a distribution from the Plan?

Generally, you must include any Plan distribution in your taxable income in the year in which you receive the distribution. The tax treatment may also depend on your age when you receive the distribution. Certain distributions made to you when you are under age 59 1/2 could be subject to an additional 10% tax.

Can I elect a rollover to reduce or defer tax on my distribution?

Rollover or Direct Transfer. You may reduce, or defer entirely, the tax due on your distribution through use of one of the following methods:

(a) **60-day rollover.** The rollover of all or a portion of the distribution to an Individual Retirement Account or Annuity (IRA) or another employer retirement plan willing to accept the rollover. This will result in no tax being due until you begin withdrawing funds from the IRA or other qualified employer plan. The rollover of the distribution, however, **MUST** be made within strict time frames (normally, within 60 days after you receive your distribution). Under certain circumstances, all or a portion of a distribution may not qualify for this rollover treatment. In addition, most distributions will be subject to mandatory federal income tax withholding at a rate of 20%. This will reduce the amount you actually receive. For this reason, if you wish to roll over all or a portion of your distribution amount, then the direct transfer option described in paragraph (b) below would be the better choice.

(b) **Direct rollover.** For most distributions, you may request that a direct transfer (sometimes referred to as a direct rollover) of all or a portion of a distribution be made to either an Individual Retirement Account or Annuity (IRA) or another employer retirement plan willing to accept the transfer. A direct transfer will result in no tax being due until you withdraw funds from the IRA or other employer plan. Like the rollover, under certain circumstances all or a portion of the amount to be distributed may not qualify for this direct transfer. If you elect to actually receive the distribution rather than request a direct transfer, then in most cases 20% of the distribution amount will be withheld for federal income tax purposes.

Tax Notice. WHENEVER YOU RECEIVE A DISTRIBUTION THAT IS AN ELIGIBLE ROLLOVER DISTRIBUTION, THE ADMINISTRATOR WILL DELIVER TO YOU A MORE DETAILED EXPLANATION OF THESE OPTIONS. HOWEVER, THE RULES WHICH DETERMINE WHETHER YOU QUALIFY FOR FAVORABLE TAX TREATMENT ARE VERY COMPLEX. YOU SHOULD CONSULT WITH QUALIFIED TAX COUNSEL BEFORE MAKING A CHOICE.

ARTICLE X LOANS

Is it possible to borrow money from the Plan?

Yes, you may request a participant loan from all your accounts using an application form provided by the Administrator. Your ability to obtain a participant loan depends on several factors. The Administrator will determine whether you satisfy these factors.

What are the loan rules and requirements?

There are various rules and requirements that apply to any loan, which are outlined in this question. In addition, your Employer has established a written loan program which explains these requirements in more detail. You can request a copy of the loan program from the Administrator. Generally, the rules for loans include the following:

- Loans are available to participants on a reasonably equivalent basis. Loans will be made to participants who are creditworthy. The Administrator may request that you provide additional information, such as financial statements, tax returns and credit reports to make this determination.
- All loans must be adequately secured. You must sign a promissory note along with a loan pledge. Generally, you must use your vested interest in the Plan as security for the loan, provided the outstanding balance of all your loans does not exceed 50% of your vested interest in the Plan. In certain cases, the Administrator may require you to provide additional collateral to receive a loan.
- You will be charged a commercially reasonable rate of interest. The Administrator will determine a reasonable rate of interest by reviewing the interest rates charged for similar types of loans by other lenders. The interest rate will be fixed for the duration of the loan.
- If approved, your loan will provide for level amortization with payments to be made not less frequently than quarterly. Generally, the term of your loan may not exceed five (5) years. However, if the loan is for the purchase of your principal residence, the Administrator may permit a longer repayment term. Generally, the Administrator will require that you repay your loan by agreeing to payroll deduction. If you have an unpaid leave of absence or go on military leave while you have an outstanding loan, please contact the Administrator to find out your repayment options.
- All loans will be considered a directed investment of your account under the Plan. All payments of principal and interest by you on a loan will be credited to your account.

- The amount the Plan may loan to you is limited by rules under the Internal Revenue Code. Any new loans, when added to the outstanding balance of all other loans from the Plan, will be limited to the lesser of:
 - (a) \$50,000 reduced by the excess, if any, of your highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over your current outstanding balance of loans as of the date of the new loan; or
 - (b) 1/2 of your vested interest in the Plan.
- No loan in an amount less than \$1,000 will be made.
- The maximum number of Plan loans that you may have outstanding at any one time is 1.
- If you fail to make payments when they are due under the terms of the loan, you will be considered to be "in default." The Administrator will consider your loan to be in default if any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. The Plan would then have authority to take all reasonable actions to collect the balance owed on the loan. This could include filing a lawsuit or foreclosing on the security for the loan. Under certain circumstances, a loan that is in default may be considered a distribution from the Plan and could be considered taxable income to you. In any event, your failure to repay a loan will reduce the benefit you would otherwise be entitled to from the Plan.
- If you become entitled to a distribution from the Plan (except in the case of an in-service distribution), or if you terminate employment, your loan generally becomes due and payable in full immediately. You may repay the entire outstanding balance of the loan (including any accrued interest). If you do not repay the entire outstanding loan balance, your vested account balance will be reduced by the remaining outstanding balance of the loan.

The Administrator may periodically revise the Plan's loan policy. If you have any questions on participant loans or the current loan policy, please contact the Administrator.

ARTICLE XI PROTECTED BENEFITS AND CLAIMS PROCEDURES

Are my benefits protected?

As a general rule, your interest in your account, including your "vested interest," may not be alienated. This means that your interest may not be sold, used as collateral for a loan (other than for a Plan loan), given away or otherwise transferred. In addition, your creditors (other than the IRS) may not attach, garnish or otherwise interfere with your benefits under the Plan.

Are there any exceptions to the general rule?

There are three exceptions to this general rule. The Administrator must honor a "qualified domestic relations order." A "qualified domestic relations order" is defined as a decree or order issued by a court that obligates you to pay child support or alimony, or otherwise allocates a portion of your assets in the Plan to your spouse, former spouse, children or other dependents. If a qualified domestic relations order is received by the Administrator, all or a portion of your benefits may be used to satisfy that obligation. The Administrator will determine the validity of any domestic relations order received. You and your beneficiaries can obtain from the Administrator, without charge, a copy of the procedure used by the Administrator to determine whether a qualified domestic relations order is valid.

The second exception applies if you are involved with the Plan's operation. If you are found liable for any action that adversely affects the Plan, the Administrator can offset your benefits by the amount that you are ordered or required by a court to pay the Plan. All or a portion of your benefits may be used to satisfy any such obligation to the Plan.

The last exception applies to Federal tax levies and judgments. The Federal government is able to use your interest in the Plan to enforce a Federal tax levy and to collect a judgment resulting from an unpaid tax assessment.

Can the Plan be amended?

Your Employer has the right to amend the Plan at any time. In no event, however, will any amendment authorize or permit any part of the Plan assets to be used for purposes other than the exclusive benefit of participants or their beneficiaries. Additionally, no amendment will cause any reduction in the amount credited to your account.

What happens if the Plan is discontinued or terminated?

Although your Employer intends to maintain the Plan indefinitely, your Employer reserves the right to terminate the Plan at any time. Upon termination, no further contributions will be made to the Plan and all amounts credited to your accounts will continue to be 100% vested. Your Employer will direct the distribution of your accounts in a manner permitted by the Plan as soon as practicable. (See the question entitled "How will my benefits be paid to me?" for a further explanation.) You will be notified if the Plan is terminated.

How do I submit a claim for Plan benefits?

Benefits will generally be paid to you and your beneficiaries without the necessity for formal claims. Contact the Administrator if you are entitled to benefits or if you think an error has been made in determining your benefits. Any such request should be in writing.

If the Administrator determines the claim is valid, then you will receive a statement describing the amount of benefit, the method or methods of payment, the timing of distributions and other information relevant to the payment of the benefit.

What if my benefits are denied?

Your request for Plan benefits will be considered a claim for Plan benefits, and it will be subject to a full and fair review. If your claim is wholly or partially denied, the Administrator will provide you with notification of the Plan's adverse determination. This written or electronic notification will be provided to you within a reasonable period of time.

(1) Information required to be reported under Code §§6041, 6051 and 6052 (Wages, tips and other compensation as reported on Form W-2). Compensation means wages, within the meaning of Code §3401(a), and all other payments of compensation to an Employee by the Employer (in the course of the Employer's trade or business) for which the Employer is required to furnish the Employee a written statement under Code §§6041(d), 6051(a)(3) and 6052. Compensation must be determined without regard to any rules under Code §3401(a) that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code §3401(a)(2)).

(2) Code §3401(a) Wages. Compensation means an Employee's wages within the meaning of Code §3401(a) for the purposes of income tax withholding at the source but determined without regard to any rules that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code §3401(a)(2)).

(3) 415 safe harbor compensation. Compensation means wages, salaries, for Plan Years beginning after December 31, 2008, Military Differential Pay, and fees for professional services and other amounts received (without regard to whether or not an amount is paid in cash) for personal services actually rendered in the course of employment with the Employer maintaining the Plan to the extent that the amounts are includible in gross income (including, but not limited to,

Governmental Defined Contribution Volume Submitter Plan

commissions paid salespersons, compensation for services on the basis of a percentage of profits, commissions on insurance premiums, tips, bonuses, fringe benefits, and reimbursements, or other expense allowances under a nonaccountable plan (as described in Regulation §1.62-2(c)), and excluding the following:

- (i) Employer contributions to a plan of deferred compensation which are not includible in the Employee's gross income for the taxable year in which contributed, or Employer contributions under a simplified employee pension plan to the extent such contributions are excludable from the Employee's gross income, or any distributions from a plan of deferred compensation;
- (ii) Amounts realized from the exercise of a nonqualified stock option, or when restricted stock (or property) held by the Employee either becomes freely transferable or is no longer subject to a substantial risk of forfeiture;
- (iii) Amounts realized from the sale, exchange or other disposition of stock acquired under a qualified stock option; and
- (iv) Other amounts which receive special tax benefits, or contributions made by the Employer (whether or not under a salary deferral agreement) towards the purchase of an annuity contract described in Code §403(b) (whether or not the contributions are actually excludable from the gross income of the Employee).

(b) **Paid during "determination period."** Compensation shall include only that Compensation which is actually paid to the Participant during the "determination period". Except as otherwise provided in this Plan, the "determination period" is the period elected by the Employer in the Adoption Agreement. If the Employer makes no election, the "determination period" shall be the Plan Year.

(c) **Inclusion of deferrals.** Notwithstanding the above, unless otherwise elected in the Adoption Agreement, Compensation shall include all of the following types of elective contributions and all of the following types of deferred compensation:

- (1) Elective contributions that are made by the Employer on behalf of a Participant that are not includible in gross income under Code §§125, 132(f)(4), 402(e)(3), 402(h)(1)(B), 402(k) and 403(b). If specified in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), amounts under Code §125 shall be deemed to include any amounts not available to a Participant in cash in lieu of group health coverage because the Participant is unable to certify that he or she has other health coverage. An amount will be treated as an amount under Code §125 pursuant to the preceding sentence only if the Employer does not request or collect information regarding the Participant's other health coverage as part of the enrollment process for the health plan.
- (2) Compensation deferred under an eligible deferred compensation plan within the meaning of Code §457(b).
- (3) Employee contributions described in Code §414(h)(2) that are picked-up by the employing unit and thus are treated as Employer contributions.

(d) **Post-severance compensation – Code §415 Regulations.** The Administrator shall adjust Compensation, for Plan Years beginning on or after July 1, 2007 (or such other date as the Employer specifies in the Compensation Section of the Adoption Agreement), for amounts that would otherwise be included in the definition of Compensation but are paid by the later of 2 1/2 months after a Participant's severance from employment with the Employer or the end of the Plan Year that includes the date of the Participant's severance from employment with the Employer, in accordance with the following, as elected in the Compensation Section of the Adoption Agreement. The preceding time period, however, does not apply with respect to payments described in Subsections (4) and (5) below. Any other payment of compensation paid after severance of employment that is not described in the following types of compensation is not considered Compensation, even if payment is made within the time period specified above.

- (1) **Regular pay.** Compensation shall include regular pay after severance of employment (to the extent otherwise included in the definition of Compensation) if:
 - (i) The payment is regular compensation for services during the Participant's regular working hours, or compensation for services outside the Participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments; and
 - (ii) The payment would have been paid to the Participant prior to a severance from employment if the Participant had continued in employment with the Employer.
- (2) **Leave cash-outs.** Compensation shall include leave cash-outs if those amounts would have been included in the definition of Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are for unused accrued bona fide sick, vacation, or other leave, but only if the Participant would have been able to use the leave if employment had continued.
- (3) **Deferred compensation.** Compensation shall include deferred compensation if those amounts would have been included in the definition of Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid if the Participant had continued in employment with the Employer and only to the extent the payment is includible in the Participant's gross income.

(4) **Military Differential Pay.** Compensation shall include payments to an individual who does not currently perform services for the Employer by reason of qualified military service (as that term is used in Code §414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service.

(5) **Disability pay.** Compensation shall include compensation paid to a Participant who is permanently and totally disabled, as defined in Code §22(e)(3), provided, as elected by the Employer in the Compensation Section of the Adoption Agreement, salary continuation applies to all Participants who are permanently and totally disabled.

(e) **Dollar limitation.** Compensation in excess of \$200,000 shall be disregarded for all. Such amount shall be adjusted by the Commissioner for increases in the cost-of-living in accordance with Code §401(a)(17)(B). The cost-of-living adjustment in effect for a calendar year applies to any "determination period" beginning with or within such calendar year. If a "determination period" consists of fewer than twelve (12) months, the \$200,000 annual Compensation limit will be multiplied by a fraction, the numerator of which is the number of months in the "determination period," and the denominator of which is twelve (12). In applying any Plan limitation on the amount of matching contributions, where such limits are expressed as a percentage of Compensation, the Administrator may apply the Compensation limit under this Section annually, even if the matching contribution formula is applied on any time interval which is less than the full Plan Year or the Administrator may pro rate the Compensation limit.

In the case of an "eligible Participant," the dollar limitation under Code §401(a)(17) shall not apply to the extent the amount under the Plan would be reduced below the amount which was allowed to be taken into account under the Plan as in effect on July 1, 1993. For purposes of this provision, an "eligible Participant" is an individual who first became a Participant before the first Plan Year beginning after the earlier of (i) the Plan Year in which the Plan was amended to reflect Code §401(a)(17), or (ii) December 31, 1995.

(f) **Non-eligible Employee.** If, in the Adoption Agreement, the Employer elects to exclude a class of Employees from the Plan, then Compensation for any Employee who becomes eligible or ceases to be eligible to participate during a "determination period" shall only include Compensation while the Employee is an Eligible Employee.

(g) **Amendment.** If, in connection with the adoption of any amendment, the definition of Compensation has been modified, then, except as otherwise provided herein, for Plan Years prior to the Plan Year which includes the adoption date of such amendment, Compensation means compensation determined pursuant to the terms of the Plan then in effect.

1.11 "Contract" or "Policy" means any life insurance policy, retirement income policy, or annuity contract (group or individual) issued by the Insurer. In the event of any conflict between the terms of this Plan and the terms of any contract purchased hereunder, the Plan provisions shall control.

1.12 "Custodian" means a person or entity that has custody of all or any portion of the Plan assets.

1.13 "Directed Trustee" means a Trustee who, with respect to the investment of Plan assets, is subject to the direction of the Administrator, the Employer, a properly appointed Investment Manager, or Plan Participant. To the extent the Trustee is a Directed Trustee, the Trustee does not have any discretionary authority with respect to the investment of Plan assets. In addition, the Trustee is not responsible for the propriety of any directed investment made pursuant to this Section and shall not be required to consult or advise the Employer regarding the investment quality of any directed investment held under the Plan.

1.14 "Discretionary Trustee" means a Trustee who has the authority and discretion to invest, manage or control any portion of the Plan assets.

1.15 "Early Retirement Date" means the date specified in the Adoption Agreement on which a Participant has satisfied the requirements specified in the Adoption Agreement (Early Retirement Age). If elected in the Adoption Agreement, a Participant shall become fully Vested upon satisfying such requirements if the Participant is still employed at the Early Retirement Age.

A Participant who severs from employment after satisfying any service requirement but before satisfying the age requirement for Early Retirement Age and who thereafter reaches the age requirement contained herein shall be entitled to receive benefits under this Plan (other than any accelerated vesting and allocations of Employer contributions) as though the requirements for Early Retirement Age had been satisfied.

1.16 "Effective Date" means the date this Plan, including any restatement or amendment of this Plan, is effective. Where the Plan is restated or amended, a reference to Effective Date is the effective date of the restatement or amendment, except where the context indicates a reference to an earlier Effective Date. If any provision of this Plan is retroactively effective, the provisions of this Plan generally control. However, if the provision of this Plan is different from the provision of the Employer's prior plan document and, after the retroactive Effective Date of this Plan, the Employer operated in compliance with the provisions of the prior plan, then the provision of such prior plan is incorporated into this Plan for purposes of determining whether the Employer operated the Plan in compliance with its terms, provided operation in compliance with the terms of the prior plan do not violate any qualification requirements under the Code, Regulations, or other IRS guidance.

The Employer may designate special effective dates for individual provisions under the Plan where provided in the Adoption Agreement or under Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections). If one or more

qualified retirement plans have been merged into this Plan, the provisions of the merging plan(s) will remain in full force and effect until the effective date of the plan merger(s).

1.17 "Eligible Employee" means any Eligible Employee as elected in the Adoption Agreement and as provided herein. An individual shall not be an Eligible Employee if such individual is not reported on the payroll records of the Employer as a common law employee. In particular, it is expressly intended that individuals not treated as common law employees by the Employer on its payroll records and out-sourced workers, are not Eligible Employees and are excluded from Plan participation even if a court or administrative agency determines that such individuals are common law employees and not independent contractors. Furthermore, Employees of an Affiliated Employer will not be treated as Eligible Employees prior to the date the Affiliated Employer adopts the Plan as a Participating Employer.

if, in the Adoption Agreement, the Employer elects to exclude union employees, then Employees whose employment is governed by a collective bargaining agreement between the Employer and "employee representatives" under which retirement benefits were the subject of good faith bargaining, shall not be eligible to participate in this Plan to the extent of employment covered by such agreement, unless the agreement provides for coverage in the Plan (see Section 4.1(d)). For this purpose, the term "employee representatives" does not include any organization more than half of whose members are employees who are owners, officers, or executives of the Employer. If a Participant performs services both as a collectively bargained Employee and as a non-collectively bargained Employee, then the Participant's Hours of Service in each respective category are treated separately.

If, in the Adoption Agreement, the Employer elects to exclude nonresident aliens, then Employees who are nonresident aliens (within the meaning of Code §7701(b)(1)(B)) who received no earned income (within the meaning of Code §911(d)(2)) from the Employer which constitutes income from sources within the United States (within the meaning of Code §861(a)(3)) shall not be eligible to participate in this Plan. In addition, this paragraph shall also apply to exclude from participation in the Plan an Employee who is a nonresident alien (within the meaning of Code §7701(b)(1)(B)) but who receives earned income (within the meaning of Code §911(d)(2)) from the Employer that constitutes income from sources within the United States (within the meaning of Code §861(a)(3)), if all of the Employee's earned income from the Employer from sources within the United States is exempt from United States income tax under an applicable income tax convention. The preceding sentence will apply only if all Employees described in the preceding sentence are excluded from the Plan.

If, in the Adoption Agreement, the Employer elects to exclude Part-Time/Temporary/Seasonal Employees, then notwithstanding any such exclusion, if any such excluded Employee actually completes or completed a Year of Service, then such Employee will cease to be within this particular excluded class.

1.18 "Employee" means any person who is employed by the Employer. The term "Employee" shall also include any person who is an employee of an Affiliated Employer and any Leased Employee deemed to be an Employee as provided in Code §414(n) or (o).

1.19 "Employer" means the governmental entity specified in the Adoption Agreement, any successor which shall maintain this Plan and any predecessor which has maintained this Plan. In addition, unless the context means otherwise, the term "Employer" shall include any Participating Employer which shall adopt this Plan. This plan may only be adopted a state or local governmental entity, or agency thereof, including an Indian tribal government, and may not be adopted by any other entity, including a federal government and any agency or instrumentality thereof.

1.20 "Fiscal Year" means the Employer's accounting year.

1.21 "Forfeiture" means that portion of a Participant's Account that is not Vested and is disposed of in accordance with the provisions of the Plan.

A Forfeiture will occur on the earlier of:

- (a) The last day of the Plan Year in which a Participant incurs five (5) consecutive 1-Year Breaks in Service, or
- (b) The distribution of the entire Vested portion of the Participant's Account of a Participant who has severed employment with the Employer. For purposes of this provision, if the Participant has a Vested benefit of zero, then such Participant shall be deemed to have received a distribution of such Vested benefit as of the year in which the severance of employment occurs. For this purpose, a Participant's Vested benefit shall not include: (i) qualified voluntary employee contributions within the meaning of Code §72(o)(5)(B), and (ii) the Participant's Rollover Account.

Regardless of the preceding, if a Participant is eligible to share in the allocation of Forfeitures in the year in which the Forfeiture would otherwise occur, then the Forfeiture will not occur until the end of the first Plan Year for which the Participant is not eligible to share in the allocation of Forfeitures. Furthermore, the term "Forfeiture" shall also include amounts deemed to be Forfeitures pursuant to any other provision of this Plan.

1.22 "Former Employee" means an individual who has severed employment with the Employer or an Affiliated Employer.

1.23 "415 Compensation" means, with respect to any Participant, such Participant's (a) Wages, tips and other compensation on Form W-2, (b) Code §3401(a) wages or (c) 415 safe harbor compensation as elected in the Adoption Agreement for purposes of Compensation (and as defined in Subsections 1.18(a)(1)-3 respectively). 415 Compensation shall be based on the full Limitation Year regardless of when participation in the Plan commences. Furthermore, regardless of any election made in the Adoption Agreement, 415 Compensation shall include any elective deferral (as defined in Code §§402(e)(3), 402(k) and 402(h)(1)(B)) and any amount which is contributed or deferred by the Employer at the election of the Participant and which is not includible in the gross income of

the Participant by reason of Code §§125, 457, and 132(f)(4). In addition, for years beginning after December 31, 2008 Military Differential Pay is treated as 415 Compensation.

(a) **Deemed 125 compensation.** If elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), amounts under Code §125 shall be deemed to include any amounts not available to a Participant in cash in lieu of group health coverage because the Participant is unable to certify that he or she has other health coverage. An amount will be treated as an amount under Code §125 pursuant to the preceding sentence only if the Employer does not request or collect information regarding the Participant's other health coverage as part of the enrollment process for the health plan.

(b) **Post-severance compensation.** The Administrator shall adjust 415 Compensation, for Limitation Years beginning on or after July 1, 2007, or such earlier date as the Employer specifies in the Compensation Section of the Adoption Agreement, for amounts that would otherwise be included in the definition of 415 Compensation but are paid by the later of 2 1/2 months after a Participant's severance from employment with the Employer or the end of the Limitation Year that includes the date of the Participant's severance from employment with the Employer, in accordance with the following, as elected in the Compensation Section of the Adoption Agreement. The preceding time period, however, does not apply with respect to payments described in Subsections (4) and (5) below. Any other payment of compensation paid after severance of employment that is not described in the following types of compensation is not considered 415 Compensation, even if payment is made within the time period specified above.

(1) **Regular pay.** 415 Compensation shall include regular pay after severance of employment (to the extent otherwise included in the definition of 415 Compensation) if:

(i) The payment is regular compensation for services during the Participant's regular working hours, or compensation for services outside the Participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments; and

(ii) The payment would have been paid to the Participant prior to a severance from employment if the Participant had continued in employment with the Employer.

(2) **Leave cash-outs.** 415 Compensation shall include leave cash-outs if those amounts would have been included in the definition of 415 Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are for unused accrued bona fide sick, vacation, or other leave, but only if the Participant would have been able to use the leave if employment had continued.

(3) **Deferred compensation.** 415 Compensation shall include deferred compensation if those amounts would have been included in the definition of 415 Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid if the Participant had continued in employment with the Employer and only to the extent the payment is includible in the Participant's gross income.

(4) **Military Differential Pay.** 415 Compensation shall include payments to an individual who does not currently perform services for the Employer by reason of qualified military service (as that term is used in Code §414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service.

(5) **Disability pay.** 415 Compensation shall include compensation paid to a Participant who is permanently and totally disabled, as defined in Code §22(e)(3), provided, as elected by the Employer in the Compensation Section of the Adoption Agreement, salary continuation applies to all Participants who are permanently and totally disabled for a fixed or determinable period, or the Participant was not a highly compensated employee (within the meaning of Code §414(q)) immediately before becoming disabled.

(c) **Inclusion of certain nonqualified deferred compensation amounts.** If this is a PPA restatement and prior to the restatement Compensation included all items includible in compensation under Regulation §1.415(c)-2(b) (Regulation §1.415-2(d)(2) under the Regulations in effect for Limitation Years beginning prior to July 1, 2007) then 415 Compensation for Limitation Years prior to the adoption of this restatement shall include amounts that are includible in the gross income of a Participant under the rules of Code §409A or Code §457(f)(1)(A) or because the amounts are constructively received by the Participant. For Plan Years beginning on and after the Plan Year in which this restatement is adopted, the Plan does not provide for a definition of 415 Compensation including all items in Regulation §1.415(c)-2(b).

(d) **Back pay.** Back pay, within the meaning of Regulations §1.415(c)-2(g)(8), shall be treated as Compensation for the Limitation Year to which the back pay relates to the extent the back pay represents wages and compensation that would otherwise be included under this definition.

(e) **Dollar limitation.** 415 Compensation will be limited to the same dollar limitations set forth in Section 1.10(e) adjusted in such manner as permitted under Code §415(d).

(f) **Amendment.** Except as otherwise provided herein, if, in connection with the adoption of any amendment, the definition of 415 Compensation has been modified, then for Plan Years prior to the Plan Year which includes the adoption date of such amendment, 415 Compensation means compensation determined pursuant to the terms of the Plan then in effect.

1.24 "Hour of Service" means (a) each hour for which an Employee is directly or indirectly compensated or entitled to Compensation by the Employer for the performance of duties during the applicable computation period (these hours will be credited to the Employee for the computation period in which the duties are performed); (b) each hour for which an Employee is directly or indirectly compensated or entitled to Compensation by the Employer (irrespective of whether the employment relationship has terminated) for reasons other than performance of duties (such as vacation, holidays, sickness, incapacity (including disability), jury duty, lay-off, military duty or leave of absence) during the applicable computation period; (c) each hour for which back pay is awarded or agreed to by the Employer without regard to mitigation of damages (these hours will be credited to the Employee for the computation period or periods to which the award or agreement pertains rather than the computation period in which the award, agreement or payment is made). The same Hours of Service shall not be credited both under (a) or (b), as the case may be, and under (c).

Notwithstanding (b) above, (1) no more than 501 Hours of Service will be credited to an Employee on account of any single continuous period during which the Employee performs no duties (whether or not such period occurs in a single computation period); (2) an hour for which an Employee is directly or indirectly paid, or entitled to payment, on account of a period during which no duties are performed is not required to be credited to the Employee if such payment is made or due under a plan maintained solely for the purpose of complying with applicable workers' compensation, or unemployment compensation or disability insurance laws; and (3) Hours of Service are not required to be credited for a payment which solely reimburses an Employee for medical or medically related expenses incurred by the Employee. Furthermore, for purposes of (b) above, a payment shall be deemed to be made by or due from the Employer regardless of whether such payment is made by or due from the Employer directly, or indirectly through, among others, a trust fund, or insurer, to which the Employer contributes or pays premiums and regardless of whether contributions made or due to the trust fund, insurer, or other entity are for the benefit of particular Employees or are on behalf of a group of Employees in the aggregate.

Hours of Service will be credited for employment with all Affiliated Employers and for any individual considered to be a Leased Employee pursuant to Code §414(n) or 414(o) and the Regulations thereunder.

Hours of Service will be determined using the actual hours method unless one of the methods below is elected in the Adoption Agreement. If the actual hours method is used to determine Hours of Service, an Employee is credited with the actual Hours of Service the Employee completes with the Employer or the number of Hours of Service for which the Employee is paid (or entitled to payment).

If the **days worked** method is elected, an Employee will be credited with ten (10) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the day.

If the **weeks worked** method is elected, an Employee will be credited with forty-five (45) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the week.

If the **semi-monthly payroll periods worked** method is elected, an Employee will be credited with ninety-five (95) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the semi-monthly payroll period.

If the **months worked** method is elected, an Employee will be credited with one hundred ninety (190) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the month.

If the **bi-weekly payroll periods worked** method is elected, an Employee will be credited with ninety (90) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the bi-weekly payroll period.

1.25 "Insurer" means any legal reserve insurance company which has issued or shall issue one or more Contracts or Policies under the Plan.

1.26 "Investment Manager" means a person or entity which renders investment advice for a fee or other compensation, direct or indirect, with respect to any monies or property of the Plan and which is appointed in accordance with Section 2.1(b).

1.27 "Late Retirement Date" means the date of, or the first day of the month or the Anniversary Date coinciding with or next following, whichever corresponds to the election in the Adoption Agreement for the Normal Retirement Date, a Participant's actual retirement after having reached the Normal Retirement Date.

1.28 "Leased Employee" means any person (other than an Employee of the recipient Employer) who, pursuant to an agreement between the recipient Employer and any other person or entity ("leasing organization"), has performed services for the recipient (or for the recipient and related persons determined in accordance with Code §414(n)(6)) on a substantially full time basis for a period of at least one year, and such services are performed under primary direction or control by the recipient Employer. Contributions or benefits provided a Leased Employee by the leasing organization which are attributable to services performed for the recipient Employer shall be treated as provided by the recipient Employer. Furthermore, Compensation for a Leased Employee shall only include compensation from the leasing organization that is attributable to services performed for the recipient Employer.

A Leased Employee shall not be considered an employee of the recipient Employer if: (a) such employee is covered by a money purchase pension plan providing: (1) a non-integrated employer contribution rate of at least ten percent (10%) of compensation, as defined in Code §415(c)(3), (2) immediate participation, and (3) full and immediate vesting; and (b) leased employees do not constitute more than twenty percent (20%) of the recipient Employer's nonhighly compensated workforce.

1.29 "Limitation Year" means the "determination period" used to determine Compensation. However, the Employer may elect a different Limitation Year in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections). All qualified plans maintained by the Employer must use the same Limitation Year. Furthermore, unless there is a change to a new Limitation Year, the Limitation Year will be a twelve (12) consecutive month period. In the case of an initial Limitation Year, the Limitation Year will be the twelve (12) consecutive month period ending on the last day of the period specified in the Adoption Agreement. If the Limitation Year is amended to a different twelve (12) consecutive month period, the new "Limitation Year" must begin on a date within the "Limitation Year" in which the amendment is made. For Limitation Years beginning on and after July 1, 2007, the Limitation Year may only be changed by a Plan amendment. Furthermore, if the Plan is terminated effective as of a date other than the last day of the Plan's Limitation Year, then the Plan is treated as if the Plan had been amended to change its Limitation Year.

1.30 "Military Differential Pay" means, for any Plan or Limitation Year beginning after June 30, 2007, any differential wage payments made to an individual that represents an amount which, when added to the individual's military pay, approximates the amount of Compensation that was paid to the individual while working for the Employer. Notwithstanding the preceding sentence, for Compensation "determination periods" beginning after December 31, 2008, an individual receiving a differential wage payment, as defined by Code §3401(h)(2), is treated as an Employee of the Employer making the payment.

1.31 "Nonelective Contribution" means the Employer's contributions to the Plan.

1.32 "Normal Retirement Age" means the age elected in the Adoption Agreement at which time a Participant's Account shall be nonforfeitable (if the Participant is employed by the Employer on or after that date). For money purchase pension plans, if the employer enforces a mandatory retirement age, then the Normal Retirement Age is the lesser of that mandatory age or the age specified in the Adoption Agreement.

1.33 "Normal Retirement Date" means the date elected in the Adoption Agreement.

1.34 "1-Year Break in Service" means, if the Hour of Service method is used, the applicable computation period that is used to determine a Year of Service during which an Employee or Former Employee has not completed more than 500 Hours of Service. However, if the Employer selected, in the Service Crediting Method Section of the Adoption Agreement, to define a Year of Service as less than 1,000 Hours of Service, then the 500 Hours of Service in this definition of 1-Year Break in Service shall be proportionately reduced. Further, solely for the purpose of determining whether an Employee has incurred a 1-Year Break in Service, Hours of Service shall be recognized for "authorized leaves of absence" and "maternity and paternity leaves of absence." For this purpose, Hours of Service shall be credited for the computation period in which the absence from work begins, only if credit therefore is necessary to prevent the Employee from incurring a 1-Year Break in Service, or, in any other case, in the immediately following computation period. The Hours of Service credited for a "maternity or paternity leave of absence" shall be those which would normally have been credited but for such absence, or, in any case in which the Administrator is unable to determine such hours normally credited, eight (8) Hours of Service per day. The total Hours of Service required to be credited for a "maternity or paternity leave of absence" shall not exceed the number of Hours of Service needed to prevent the Employee from incurring a 1-Year Break in Service.

"Authorized leave of absence" means an unpaid, temporary cessation from active employment with the Employer pursuant to an established policy, whether occasioned by illness, military service, or any other reason.

A "maternity or paternity leave of absence" means an absence from work for any period by reason of the Employee's pregnancy, birth of the Employee's child, placement of a child with the Employee in connection with the adoption of such child, or any absence for the purpose of caring for such child for a period immediately following such birth or placement.

If the elapsed time method is elected in the Service Crediting Method Section of the Adoption Agreement, then a "1-Year Break in Service" means a twelve (12) consecutive month period beginning on the severance from service date or any anniversary thereof and ending on the next succeeding anniversary of such date; provided, however, that the Employee or Former Employee does not perform an Hour of Service for the Employer during such twelve (12) consecutive month period.

1.35 "Participant" means any Employee or Former Employee who has satisfied the requirements of Sections 3.1 and 3.2 and entered the Plan and is eligible to accrue benefits under the Plan. In addition, the term "Participant" also includes any individual who was a Participant (as defined in the preceding sentence) and who must continue to be taken into account under a particular provision of the Plan (e.g., because the individual has an Account balance in the Plan).

1.36 "Participant Directed Account" means that portion of a Participant's interest in the Plan with respect to which the Participant has directed the investment in accordance with the Participant Direction Procedures.

1.37 "Participant Direction Procedures" means such instructions, guidelines or policies, the terms of which are incorporated herein, as shall be established pursuant to Section 4.10 and observed by the Administrator and applied and provided to Participants who have Participant Directed Accounts.

1.38 "Participating Employer" means an Employer which, with the consent of the "lead Employer" adopts the Plan pursuant to Section 10.1 or Article XI. In addition, unless the context means otherwise, the term "Employer" shall include any Participating Employer which shall adopt this Plan.

1.39 "Period of Service" means the aggregate of all periods of service commencing with an Employee's first day of employment or reemployment with the Employer or an Affiliated Employer and ending on the first day of a Period of Severance, or for benefit accrual

purposes, ending on the severance from service date. The first day of employment or reemployment is the first day the Employee performs an Hour of Service. An Employee who incurs a Period of Severance of twelve (12) months or less will also receive service-spanning credit by treating any such period as a Period of Service for purposes of eligibility and vesting (but not benefit accrual). For purposes of benefit accrual, a Participant's whole year Periods of Service is equal to the sum of all full and partial periods of service, whether or not such service is continuous or contiguous, expressed in the number of whole years represented by such sum. For this purpose, fractional periods of a year will be expressed in terms of days.

Periods of Service with any Affiliated Employer shall be recognized. Furthermore, Periods of Service with any predecessor employer that maintained this Plan shall be recognized. Periods of Service with any other predecessor employer shall be recognized as elected in the Adoption Agreement.

In determining Periods of Service for purposes of vesting under the Plan, Periods of Service will be excluded as elected in the Adoption Agreement and as specified in Section 3.5.

In the event the method of crediting service is amended from the Hour of Service method to the elapsed time method, an Employee will receive credit for a Period of Service consisting of:

- (a) A number of years equal to the number of Years of Service credited to the Employee before the computation period during which the amendment occurs; and
- (b) The greater of (1) the Periods of Service that would be credited to the Employee under the elapsed time method for service during the entire computation period in which the transfer occurs or (2) the service taken into account under the Hour of Service method as of the date of the amendment.

In addition, the Employee will receive credit for service subsequent to the amendment commencing on the day after the last day of the computation period in which the transfer occurs.

1.40 "Period of Severance" means a continuous period of time during which an Employee is not employed by the Employer. Such period begins on the date the Employee retires, quits or is discharged, or if earlier, the twelve (12) month anniversary of the date on which the Employee was otherwise first absent from service.

In the case of an individual who is absent from work for "maternity or paternity" reasons, the twelve (12) consecutive month period beginning on the first anniversary of the first day of such absence shall not constitute a one year Period of Severance. For purposes of this paragraph, an absence from work for "maternity or paternity" reasons means an absence (a) by reason of the pregnancy of the individual, (b) by reason of the birth of a child of the individual, (c) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or (d) for purposes of caring for such child for a period beginning immediately following such birth or placement.

1.41 "Plan" means this instrument (hereinafter referred to as Nationwide Financial Services, Inc. Governmental Defined Contribution Plan Basic Plan Document #09) and the Adoption Agreement as adopted by the Employer, including all amendments thereto and any appendix which is specifically permitted pursuant to the terms of the Plan.

1.42 "Plan Year" means the Plan's accounting year as specified in the Adoption Agreement. Unless there is a Short Plan Year, the Plan Year will be a twelve-consecutive month period.

1.43 "Qualified Convertible Hours" means the amount of sick and vacation pay plan hours eligible to be converted into Employer contributions.

1.44 "Regulation" means the Income Tax Regulations as promulgated by the Secretary of the Treasury or a delegate of the Secretary of the Treasury, and as amended from time to time.

1.45 "Retirement Date" means the date as of which a Participant retires for reasons other than Total and Permanent Disability, regardless of whether such retirement occurs on a Participant's Normal Retirement Date, Early Retirement Date or Late Retirement Date (see Section 6.1).

1.46 "Short Plan Year" means, if specified in the Adoption Agreement or as the result of an amendment, a Plan Year of less than a twelve (12) month period. If there is a Short Plan Year, the following rules shall apply in the administration of this Plan. In determining whether an Employee has completed a Year of Service (or Period of Service if the elapsed time method is used) for benefit accrual purposes in the Short Plan Year, the number of the Hours of Service (or months of service if the elapsed time method is used) required shall be proportionately reduced based on the number of days (or months) in the Short Plan Year.

1.47 "Spouse" means, a spouse as determined under federal tax law. In addition, with respect to benefits or rights not mandated by law, Spouse also includes a spouse as elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections).

1.48 "Terminated Participant" means a person who has been a Participant, but whose employment has been terminated with the Employer (including an Affiliated Employer) or applicable Participating Employer, other than by death, Total and Permanent Disability or retirement.

1.49 "Total and Permanent Disability" means, unless otherwise specified in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve (12) months. The disability of a Participant shall be determined by a licensed physician. However, if the condition constitutes total disability under the federal Social Security Acts, the Administrator may rely upon such determination that the Participant is Totally and Permanently Disabled for the purposes of this Plan. The determination shall be applied uniformly to all Participants.

1.50 "Trustee" means any person or entity that is named in the Adoption Agreement or has otherwise agreed to serve as Trustee, or any successors thereto. In addition, unless the context means, or the Plan provides, otherwise, the term "Trustee" shall mean the Insurer if the Plan is fully insured.

1.51 "Trust Fund" means, if the Plan is funded with a trust, the assets of the Plan and Trust as the same shall exist from time to time.

1.52 "Valuation Date" means the date or dates specified in the Adoption Agreement. Regardless of any election to the contrary, for purposes of the determination and allocation of earnings and losses, the Valuation Date shall include the Anniversary Date and may include any other date or dates deemed necessary or appropriate by the Administrator for the valuation of Participants' Accounts during the Plan Year, which may include any day that the Trustee (or Insurer), any transfer agent appointed by the Trustee (or Insurer) or the Employer, or any stock exchange used by such agent, are open for business.

1.53 "Vested" means the nonforfeitable portion of any Account maintained on behalf of a Participant.

1.54 "Year of Service" means the computation period of twelve (12) consecutive months, herein set forth, and during which an Employee has completed at least 1,000 Hours of Service (unless a different number of Hours of Service is specified in the Adoption Agreement).

For purposes of eligibility for participation, the initial computation period shall begin with the date on which the Employee first performs an Hour of Service (employment commencement date). Unless otherwise elected in the Service Crediting Method Section of the Adoption Agreement, the succeeding computation periods shall begin on the anniversary of the Employee's employment commencement date. However, unless otherwise elected in the Adoption Agreement, if one (1) Year of Service or less is required as a condition of eligibility, then the computation period after the initial computation period shall shift to the current Plan Year which includes the anniversary of the date on which the Employee first performed an Hour of Service, and subsequent computation periods shall be the Plan Year. If there is a shift to the Plan Year, an Employee who is credited with the number of Hours of Service to be credited with a Year of Service in both the initial eligibility computation period and the first Plan Year which commences prior to the first anniversary of the Employee's initial eligibility computation period will be credited with two (2) Years of Service for purposes of eligibility to participate.

If two (2) (or more) Years of Service are required as a condition of eligibility, a Participant will only have completed two (2) (or more) Years of Service for eligibility purposes upon completing two (2) or more consecutive Years of Service without an intervening 1-Year Break in Service.

For vesting purposes, and all other purposes not specifically addressed in this Section, the computation period shall be the period elected in the Service Crediting Method Section of the Adoption Agreement. If no election is made in the Service Crediting Method Section of the Adoption Agreement, then the computation period shall be the Plan Year.

In determining Years of Service for purposes of vesting under the Plan, Years of Service will be excluded as elected in the Adoption Agreement and as specified in Section 3.5.

Years of Service and 1-Year Breaks in Service for eligibility purposes will be measured on the same eligibility computation period. Years of Service and 1-Year Breaks in Service for vesting purposes will be measured on the same vesting computation period.

Years of Service with any Affiliated Employer shall be recognized. Furthermore, Years of Service with any predecessor employer that maintained this Plan shall be recognized. Years of Service with any other employer shall be recognized as elected in the Adoption Agreement.

In the event the method of crediting service is amended from the elapsed time method to the Hour of Service method, an Employee will receive credit for Years of Service equal to:

- (a) The number of Years of Service equal to the number of 1-year Periods of Service credited to the Employee as of the date of the amendment; and
- (b) In the computation period which includes the date of the amendment, a number of Hours of Service (using the Hours of Service equivalency method, if any, elected in the Adoption Agreement) to any fractional part of a year credited to the Employee under this Section as of the date of the amendment.

ARTICLE II
ADMINISTRATION

2.1 POWERS AND RESPONSIBILITIES OF THE EMPLOYER

(a) **Appointment of Trustee (or Insurer) and Administrator.** In addition to the general powers and responsibilities otherwise provided for in this Plan, the Employer shall be empowered to appoint and remove one or more Trustees (or Insurers) and Administrators from time to time as it deems necessary for the proper administration of the Plan to ensure that the Plan is being operated for the exclusive benefit of the Participants and their Beneficiaries in accordance with the terms of the Plan and the Code. The Employer may appoint counsel, specialists, advisers, agents (including any nonfiduciary agent) and other persons as the Employer deems necessary or desirable in connection with the exercise of its fiduciary duties under this Plan. The Employer may compensate such agents or advisers from the assets of the Plan as fiduciary expenses (but not including any business (settlor) expenses of the Employer), to the extent not paid by the Employer.

(b) **Appointment of Investment Manager.** The Employer may appoint, at its option, one or more Investment Managers, investment advisers, or other agents to provide investment direction to the Trustee (or Insurer) with respect to any or all of the Plan assets. Such appointment shall be given by the Employer in writing in a form acceptable to the Trustee (or Insurer) and shall specifically identify the Plan assets with respect to which the Investment Manager or other agent shall have the authority to direct the investment.

2.2 DESIGNATION OF ADMINISTRATIVE AUTHORITY

The Employer may appoint one or more Administrators. If the Employer does not appoint an Administrator, the Employer will be the Administrator. Any person, including, but not limited to, the Employees of the Employer, shall be eligible to serve as an Administrator. Any person so appointed shall signify acceptance by filing written acceptance with the Employer. An Administrator may resign by delivering a written resignation to the Employer or be removed by the Employer by delivery of written notice of removal; to take effect at a date specified therein, or upon delivery to the Administrator if no date is specified. Upon the resignation or removal of an Administrator, the Employer may designate in writing a successor to this position.

2.3 ALLOCATION AND DELEGATION OF RESPONSIBILITIES

If more than one person is appointed as Administrator, then the responsibilities of each Administrator may be specified by the Employer and accepted in writing by each Administrator. If no such delegation is made by the Employer, then the Administrators may allocate the responsibilities among themselves, in which event the Administrators shall notify the Employer and the Trustee (or Insurer) in writing of such action and specify the responsibilities of each Administrator. The Trustee (or Insurer) thereafter shall accept and rely upon any documents executed by the appropriate Administrator until such time as the Employer or the Administrators file with the Trustee (or Insurer) a written revocation of such designation.

2.4 POWERS AND DUTIES OF THE ADMINISTRATOR

The primary responsibility of the Administrator is to administer the Plan for the exclusive benefit of the Participants and their Beneficiaries, subject to the specific terms of the Plan. The Administrator shall administer the Plan in accordance with its terms and shall have the power and discretion to construe the terms of the Plan and determine all questions arising in connection with the administration, interpretation, and application of the Plan. Benefits under this Plan will be paid only if the Administrator decides in its discretion that the applicant is entitled to them. Any such determination by the Administrator shall be conclusive and binding upon all persons. The Administrator may establish procedures, correct any defect, supply any information, or reconcile any inconsistency in such manner and to such extent as shall be deemed necessary or advisable to carry out the purpose of the Plan; provided, however, that any procedure, discretionary act, interpretation or construction shall be done based upon uniform principles consistently applied and shall be consistent with the intent that the Plan continue to be deemed a qualified plan under the terms of Code §401(a). The Administrator shall have all powers necessary or appropriate to accomplish its duties under this Plan.

The Administrator shall be charged with the duties of the general administration of the Plan and the powers necessary to carry out such duties as set forth under the terms of the Plan, including, but not limited to, the following:

- (a) the discretion to determine all questions relating to the eligibility of an Employee to participate or remain a Participant hereunder and to receive benefits under the Plan;
- (b) the authority to review and settle all claims against the Plan, including claims where the settlement amount cannot be calculated or is not calculated in accordance with the Plan's benefit formula. This authority specifically permits the Administrator to settle disputed claims for benefits and any other disputed claims made against the Plan;
- (c) to compute, certify, and direct agents of the Plan respect to the amount and the kind of benefits to which any Participant shall be entitled hereunder;
- (d) to authorize and direct the Trustee (or Insurer) with respect to all discretionary or otherwise directed disbursements from the Trust Fund;
- (e) to maintain all necessary records for the administration of the Plan;

- (f) to interpret the provisions of the Plan and to make and publish such rules for regulation of the Plan that are consistent with the terms hereof;
- (g) to determine the size and type of any Contract to be purchased from any Insurer, and to designate the Insurer from which such Contract shall be purchased;
- (h) to compute and certify to the Employer and to the Trustee (or Insurer) from time to time the sums of money necessary or desirable to be contributed to the Plan;
- (i) to consult with the Employer and agents of the Plan regarding the short and long-term liquidity needs of the Plan;
- (j) to assist Participants regarding their rights, benefits, or elections available under the Plan; and
- (k) to determine the validity of, and take appropriate action with respect to, any "qualified domestic relations order" received by it.

2.5 RECORDS AND REPORTS

The Administrator shall keep a record of all actions taken and shall keep all other books of account, records, and other data that may be necessary for proper administration of the Plan and shall be responsible for supplying all information and reports to the Internal Revenue Service, Participants, Beneficiaries and others as required by applicable law.

2.6 APPOINTMENT OF ADVISERS

The Administrator may appoint counsel, specialists, advisers, agents (including nonfiduciary agents such as third party administrative services providers and recordkeepers) and other persons as the Administrator deems necessary or desirable in connection with the administration of this Plan, including but not limited to agents and advisers to assist with the administration and management of the Plan, and thereby to provide, among such other duties as the Administrator may appoint, assistance with maintaining Plan records and the providing of investment information to the Plan's investment fiduciaries and, if applicable, to Plan Participants.

2.7 INFORMATION FROM EMPLOYER

The Employer shall supply full and timely information to the Administrator on all pertinent facts as the Administrator may require in order to perform its functions hereunder and the Administrator shall advise appropriate agents of the Plan of such of the foregoing facts as may be pertinent to the agent's duties to the Plan. The Administrator may rely upon such information as is supplied by the Employer and shall have no duty or responsibility to verify such information.

2.8 PAYMENT OF EXPENSES

All reasonable expenses of administration may be paid out of the Plan assets unless paid by the Employer. Such expenses shall include any expenses incident to the functioning of the Administrator, or any person or persons retained or appointed by any named fiduciary incident to the exercise of their duties under the Plan, including, but not limited to, fees of accountants, counsel, Investment Managers, agents (including nonfiduciary agents such as third party administrative services providers and recordkeepers) appointed for the purpose of assisting the Administrator or Trustee (or Insurer) in carrying out the instructions of Participants as to the directed investment of their Accounts (if permitted) and other specialists and their agents and other costs of administering the Plan. In addition, unless specifically prohibited under statute, regulation or other guidance of general applicability, the Administrator may charge to the Account of an individual Participant a reasonable charge to offset the cost of making a distribution to the Participant, Beneficiary, or Alternate Payee. If liquid assets of the Plan are insufficient to cover the fees of the Trustee (or Insurer) or the Administrator, then Plan assets shall be liquidated to the extent necessary for such fees. In the event any part of the Plan assets becomes subject to tax, all taxes incurred will be paid from the Plan assets. Until paid, the expenses shall constitute a liability of the Trust Fund.

2.9 MAJORITY ACTIONS

Except where there has been an allocation and delegation of administrative authority pursuant to Section 2.3, if there is more than one Administrator, then they shall act by a majority of their number, but may authorize one or more of them to sign all papers on their behalf.

2.10 CLAIMS PROCEDURES

Any person who believes that he or she is entitled to a benefit under the Plan shall file with the Administrator a written notice of claim for such benefit within 45 days of such right accruing or shall forever waive entitlement to such benefit. Within 120 days after its receipt of such written notice of claim, the Administrator shall either grant or deny such claim provided, however, any delay on the part of the Administrator in arriving at a decision shall not adversely affect benefits payable under a granted claim. The Administrator may, however, implement alternative claims procedures in lieu of those provided in this Plan. The implementation of such procedures shall not be considered a Plan amendment that affects an Employer's reliance on this volume submitter plan.

The Administrator and all persons determining or reviewing claims have full discretion to determine benefit claims under the Plan. Any interpretation, determination or other action of such persons shall be subject to review only if it is arbitrary or capricious or

otherwise an abuse of discretion. Any review of a final decision or action of the persons reviewing a claim shall be based only on such evidence presented to or considered by such persons at the time they made the decision that is the subject of review.

ARTICLE III ELIGIBILITY

3.1 CONDITIONS OF ELIGIBILITY

An Eligible Employee shall be eligible to participate hereunder on the date such Employee has satisfied the conditions of eligibility, if any, elected in the Adoption Agreement.

3.2 EFFECTIVE DATE OF PARTICIPATION

(a) **General rule.** An Eligible Employee who has satisfied the conditions of eligibility pursuant to Section 3.1 shall become a Participant effective as of the date elected in the Adoption Agreement. Regardless of any election in the Adoption Agreement to the contrary, an Eligible Employee who has satisfied the maximum age (26) and service requirements (one (1) Year (or Period) of Service (or more than one (1) year if full and immediate vesting)) and who is otherwise entitled to participate, will become a Participant no later than the earlier of (1) six (6) months after such requirements are satisfied, or (2) the first day of the first Plan Year after such requirements are satisfied, unless the Employee separates from service before such participation date.

(b) **Rehired Employee.** If an Eligible Employee is not employed on the date determined pursuant to (a) above, but is reemployed before a 1-Year Break in Service has occurred, then such Eligible Employee shall become a Participant on the date of reemployment or, if later, the date that the Employee would have otherwise entered the Plan had the Employee not terminated employment. If such Employee incurs a 1-Year Break in Service, then eligibility will be determined under the 1-Year Break in Service rules set forth in Section 3.5.

(c) **Recognition of predecessor service.** Unless specifically provided otherwise in the Adoption Agreement, an Eligible Employee who satisfies the Plan's eligibility requirement conditions by reason of recognition of service with a predecessor employer will become a Participant as of the day the Plan credits service with a predecessor employer or, if later, the date the Employee would have otherwise entered the Plan had the service with the predecessor employer been service with the Employer.

(d) **Noneligible to eligible class.** If an Employee, who has satisfied the Plan's eligibility requirements and would otherwise have become a Participant, shall go from a classification of a noneligible Employee to an Eligible Employee, such Employee shall become a Participant on the date such Employee becomes an Eligible Employee or, if later, the date that the Employee would have otherwise entered the Plan had the Employee always been an Eligible Employee.

(e) **Eligible to noneligible class.** If an Employee, who has satisfied the Plan's eligibility requirements and would otherwise become a Participant, shall go from a classification of an Eligible Employee to a noneligible class of Employees, such Employee shall become a Participant in the Plan on the date such Employee again becomes an Eligible Employee, or, if later, the date that the Employee would have otherwise entered the Plan had the Employee always been an Eligible Employee. However, if such Employee incurs a 1-Year Break in Service, eligibility will be determined under the 1-Year Break in Service rules set forth in Section 3.5.

3.3 DETERMINATION OF ELIGIBILITY

The Administrator shall determine the eligibility of each Employee for participation in the Plan based upon information furnished by the Employer. Such determination shall be conclusive and binding upon all persons, as long as the same is made pursuant to the Plan.

3.4 TERMINATION OF ELIGIBILITY

In the event a Participant shall go from a classification of an Eligible Employee to an ineligible Employee, such Participant shall continue to vest in the Plan for each Year of Service (or Period of Service, if the elapsed time method is used) completed while an ineligible Employee, until such time as the Participant's Account is forfeited or distributed pursuant to the terms of the Plan. Additionally, the Participant's interest in the Plan shall continue to share in the earnings of the Trust Fund in the same manner as Participants.

3.5 REHIRED EMPLOYEES AND 1-YEAR BREAKS IN SERVICE

(a) **Rehired Participant/immediate re-entry.** If any Former Employee who had been a Participant is reemployed by the Employer, then the Employee shall become a Participant as of the reemployment date, unless the Employee is not an Eligible Employee, the Employee does not satisfy the eligibility conditions taking into account prior service to the extent such prior service is not disregarded pursuant to Section 3.5(d) below. If such prior service is disregarded, then the rehired Eligible Employee shall be treated as a new hire.

(b) **Rehired Eligible Employee who satisfied eligibility.** If any Eligible Employee had satisfied the Plan's eligibility requirements but, due to a severance of employment, did not become a Participant, then such Eligible Employee shall become a Participant as of the later of (1) the entry date on which he or she would have entered the Plan had there been no severance

of employment, or (2) the date of his or her re-employment. Notwithstanding the preceding, if the rehired Eligible Employee's prior service is disregarded pursuant to Section 3.5(d) below, then the rehired Eligible Employee shall be treated as a new hire.

(c) **Rehired Eligible Employee who had not satisfied eligibility.** If any Eligible Employee who had not satisfied the Plan's eligibility requirements is rehired after severance from employment, then such Eligible Employee shall become a Participant in the Plan in accordance with the eligibility requirements set forth in the Adoption Agreement and the Plan. However, in applying any shift in an eligibility computation period, the Eligible Employee is not treated as a new hire unless prior service is disregarded in accordance with Section 3.5(d) below.

(d) **Reemployed after five (5) 1-Year Breaks in Service ("rule of parity" provisions).** If the Employer elects in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections) to apply the "rule of parity" provisions, then if any Employee is reemployed after five (5) 1-Year Breaks in Service has occurred, Years of Service (or Periods of Service if the elapsed time method is being used) shall include Years of Service (or Periods of Service if the elapsed time method is being used) prior to the 5-Year Break in Service subject to the rules set forth below. The Employer may elect in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections) to make the provisions of this paragraph applicable for purposes of eligibility and/or vesting.

(1) In the case of a Former Employee who under the Plan does not have a nonforfeitable right to any interest in the Plan resulting from Employer contributions, Years of Service (or Periods of Service) before a period of 1-Year Breaks in Service will not be taken into account if the number of consecutive 1-Year Breaks in Service equals or exceeds the greater of (i) five (5) or (ii) the aggregate number of pre-break Years of Service (or Periods of Service). Such aggregate number of Years of Service (or Periods of Service) will not include any Years of Service (or Periods of Service) disregarded under the preceding sentence by reason of prior 1-Year Breaks in Service;

(2) A Former Employee who has not had Years of Service (or Periods of Service) before a 1-Year Break in Service disregarded pursuant to (1) above, shall participate in the Plan as of the date of reemployment, or if later, as of the date the Former Employee would otherwise enter the Plan pursuant to Sections 3.1 and 3.2 taking into account all service not disregarded.

(e) **Vesting after five (5) 1-Year Breaks in Service.** If a Participant incurs five (5) consecutive 1-Year Breaks in Service, the Vested portion of such Participant's Account attributable to pre-break service shall not be increased as a result of post-break service. In such case, separate accounts will be maintained as follows:

(1) one account for nonforfeitable benefits attributable to pre-break service; and

(2) one account representing the Participant's Employer-derived Account balance in the Plan attributable to post-break service.

(f) **Waiver of allocation or contribution conditions.** If the Employer elects in the Adoption Agreement to waive allocations or contributions due to retirement (early or normal retirement), then a Participant shall only be entitled to one such waiver. Accordingly, if a Participant retires and allocation or contribution conditions are waived, then the Plan will not waive the allocation or contribution conditions if the Participant is rehired and then retires again.

3.6 OMISSION OF ELIGIBLE EMPLOYEE; INCLUSION OF INELIGIBLE EMPLOYEE

If, in any Plan Year, any Employee who should be included as a Participant in the Plan is erroneously omitted and discovery of such omission is not made until after a contribution by the Employer for the year has been made and allocated, or any person who should not have been included as a Participant in the Plan is erroneously included, then the Employer may take corrective actions consistent with the IRS Employee Plans Compliance Resolution System (i.e., Rev. Proc. 2013-12 or any subsequent guidance).

ARTICLE IV CONTRIBUTION AND ALLOCATION

4.1 FORMULA FOR DETERMINING EMPLOYER'S CONTRIBUTION

(a) **For a Money Purchase Plan.** All contributions made by the Employer will be made in cash. For each Plan Year, the Employer will contribute to the Plan the following:

(1) The amount of any mandatory Employee contributions and after-tax voluntary Employee contributions made by Participants; plus

(2) On behalf of each Participant eligible to share in allocations, for each year of such Participant's participation in this Plan, the Employer will contribute the amount specified in the Adoption Agreement; plus

(3) If elected in the Adoption Agreement, a matching contribution equal to the amount specified in the Adoption Agreement of each Participant eligible to share in the allocations of the matching contribution, which amount shall be deemed an Employer matching contribution.

(b) For a 401(a) Plan. For each Plan Year, the Employer will (or may with respect to any discretionary contributions) contribute to the Plan:

- (1) The amount of any mandatory Employee contributions and after-tax voluntary Employee contributions; plus
- (2) If elected in the Adoption Agreement, a matching contribution equal to the amount specified in the Adoption Agreement of each Participant eligible to share in the allocations of the matching contribution, which amount shall be deemed an Employer matching contribution; plus
- (3) If elected in the Adoption Agreement, an Employer contribution equal to a specified contribution or a discretionary amount determined each year by the Employer.

(c) **Frozen Plans.** The Employer may designate that the Plan is a frozen Plan at the Contribution Types Section of the Adoption Agreement. As a frozen Plan, the Employer will not make any Employer contributions with respect to Compensation earned after the date the Plan is frozen. In addition, once a Plan is frozen, no additional Employees shall become Participants.

(d) **Union Employees.** Regardless of any provision in this Plan to the contrary, Employees whose employment is governed by a collective bargaining agreement between the Employer and "employee representatives" under which retirement benefits were the subject of good faith bargaining shall be eligible to participate in this Plan to the extent of employment covered by such agreement provided the agreement provides for coverage in the Plan. The benefits, including but not limited to, contributions, allocations and vesting, under this Plan shall be those set forth in the collective bargaining agreement, which is hereby incorporated by reference and attached as an addendum to the Adoption Agreement. For this purpose, the term "employee representatives" does not include any organization more than half of whose members are employees who are owners, officers, or executives of the Employer. If a Participant performs services both as a collectively bargained Employee and as a non-collectively bargained Employee, then the Participant's Hours of Service and Compensation in each respective category are treated separately for purposes of the Plan.

(d) **Social Security Replacement Plan.** The Employer may elect under the Adoption Agreement to indicate its intention to qualify this Plan as a Social Security Replacement Plan under Code §3121(b)(7)(F). If the Employer makes the election to qualify the Plan as a Social Security Replacement Plan, the Plan will allocate a minimum contribution amount (Employer and Employee Contributions) of seven and one-half percent (7.5%) of Compensation. The Plan will consider each Participant a member of a retirement system that provides benefits comparable to the benefits he or she would have received under Social Security. In the case of part-time, seasonal and temporary Employees, the benefit will be nonforfeitable.

4.2 TIME OF PAYMENT OF EMPLOYER'S CONTRIBUTION

Unless otherwise provided by contract or law, the Employer may make its contribution to the Plan for a particular Plan Year at such time as the Employer, in its sole discretion, determines. If the Employer makes a contribution for a particular Plan Year after the close of that Plan Year, the Employer will designate to the Administrator the Plan Year for which the Employer is making its contribution.

4.3 ALLOCATION OF CONTRIBUTION, FORFEITURES AND EARNINGS

(a) **Separate accounting.** The Administrator shall establish and maintain an Account in the name of each Participant to which the Administrator shall credit as of each Anniversary Date, or other Valuation Date, all amounts allocated to each such Participant as set forth herein.

(b) **Allocation of contributions.** The Employer shall provide the Administrator with all information required by the Administrator to make a proper allocation of the Employer's contribution, if any, for each Plan Year. Within a reasonable period of time after the date of receipt by the Administrator of such information, the Administrator shall allocate any contributions as follows:

(1) **Money Purchase Pension Plan.** For a Money Purchase Plan:

- (i) The Employer's contribution shall be allocated to each Participant's Account in the manner set forth in Section 4.1 herein and as specified in the Adoption Agreement.
- (ii) Notwithstanding the preceding provisions, a Participant shall only be eligible to share in the allocations of the Employer's contribution for the year if the Participant is an Eligible Employee at any time during the year and the conditions set forth in the Adoption Agreement are satisfied.

(2) **401(a) Plan.** For a 401(a) Plan (which is a profit sharing plan within the meaning of Code §401(a)):

- (i) The Employer's contribution shall be allocated to each Participant's Account in accordance with the allocation method below that corresponds to the elections in the Adoption Agreement. The Employer shall provide the Administrator with all information required by the Administrator to make a proper allocation of the Employer's contribution for each Plan Year. Within a reasonable period of time after the date of receipt by the Administrator of such information, the allocation shall be made in accordance with the provisions below.

(ii) Notwithstanding the preceding provision, a Participant shall only be eligible to share in the allocations of the Employer's contribution for the year if the Participant is an Eligible Employee at any time during the year and the conditions set forth in the Adoption Agreement are satisfied.

(c) **Gains or losses.** Except as otherwise elected in the Adoption Agreement or as provided in Section 4.10 with respect to Participant Directed Accounts, as of each Valuation Date, before allocation of any Employer contributions and Forfeitures, any earnings or losses (net appreciation or net depreciation) of the Trust Fund (exclusive of assets segregated for distribution) shall be allocated in the same proportion that each Participant's nonsegregated accounts bear to the total of all Participants' nonsegregated accounts as of such date. Unless otherwise specified in the Adoption Agreement, the nonsegregated account will be reduced by any distributions made prior to the Valuation Date.

(d) **Contracts.** Participants' Accounts shall be debited for any insurance or annuity premiums paid, if any, and credited with any dividends or interest received on Contracts.

(e) **Forfeitures.** Forfeitures must be disposed of no later than the last day of the Plan Year following the Plan Year in which the Forfeiture occurs. The Employer must direct the Administrator to use Forfeitures to satisfy any contribution that may be required pursuant to Section 6.10 or to pay any Plan expenses. With respect to a Money Purchase Plan, any remaining Forfeitures will be disposed of in accordance with the elections in the Adoption Agreement. With respect to all other plans, the Employer must direct the Administrator to use any remaining Forfeitures in accordance with any combination of the following methods, including a different method based on the source of such Forfeitures. Forfeitures may be:

- (1) Added to any Employer discretionary contribution and allocated in the same manner
- (2) Used to reduce any Employer contribution
- (3) Added to any Employer matching contribution and allocated as an additional matching contribution
- (4) Allocated to all Participants in the same proportion that each Participant's Compensation for the Plan Year bears to the Compensation of all Participants for such year

If Forfeitures are allocated to Participants (rather than used to reduce Employer contributions) then the Employer must also direct the Administrator as to which Participants are eligible to share in such allocation. The maximum allocation conditions the Employer may require are that Participants complete one (1) Year of Service (or Period of Service) and be employed on the last day of the Plan Year in order to share in the allocation of Forfeitures for such Plan Year.

(f) **Delay in processing transactions.** Notwithstanding anything in this Section to the contrary, all information necessary to properly reflect a given transaction may not be available until after the date specified herein for processing such transaction, in which case the transaction will be reflected when such information is received and processed. Subject to express limits that may be imposed under the Code, the processing of any contribution, distribution or other transaction may be delayed for any legitimate business reason (including, but not limited to, failure of systems or computer programs, failure of the means of the transmission of data, force majeure, the failure of a service provider to timely receive values or prices, and correction for errors or omissions or the errors or omissions of any service provider). The processing date of a transaction will be binding for all purposes of the Plan.

4.4 MAXIMUM ANNUAL ADDITIONS

(a) **Calculation of "annual additions."**

(1) If a Participant does not participate in, and has never participated in another qualified plan maintained by the "employer," or a welfare benefit fund (as defined in Code §419(e)) maintained by the "employer," or an individual medical benefit account (as defined in Code §415(l)(2)) maintained by the "employer," or a simplified employee pension (as defined in Code §408(k)) maintained by the "employer" which provides "annual additions," the amount of "annual additions" which may be credited to the Participant's Accounts for any Limitation Year shall not exceed the lesser of the "maximum permissible amount" or any other limitation contained in this Plan. If the "employer" contribution that would otherwise be contributed or allocated to the Participant's Accounts would cause the "annual additions" for the Limitation Year to exceed the "maximum permissible amount," the amount contributed or allocated will be reduced so that the "annual additions" for the Limitation Year will equal the "maximum permissible amount," and any amount in excess of the "maximum permissible amount" which would have been allocated to such Participant may be allocated to other Participants.

(2) Prior to determining the Participant's actual 415 Compensation for the Limitation Year, the "employer" may determine the "maximum permissible amount" for a Participant on the basis of a reasonable estimation of the Participant's 415 Compensation for the Limitation Year, uniformly determined for all Participants similarly situated.

(3) As soon as is administratively feasible after the end of the Limitation Year the "maximum permissible amount" for such Limitation Year shall be determined on the basis of the Participant's actual 415 Compensation for such Limitation Year.

(b) "Annual additions" if a Participant is in more than one plan.

(1) Except as provided in Subsection (c) below, this Subsection applies if, in addition to this Plan, a Participant is covered under another "employer" maintained qualified defined contribution plan, welfare benefit fund (as defined in Code §419(e)), individual medical benefit account (as defined in Code §415(l)(2)), or simplified employee pension (as defined in Code §408(k)), which provides "annual additions," during any Limitation Year. The "annual additions" which may be credited to a Participant's Accounts under this Plan for any such Limitation Year shall not exceed the "maximum permissible amount" reduced by the "annual additions" credited to a Participant's Accounts under the other plans and welfare benefit funds, individual medical benefit accounts, and simplified employee pensions for the same Limitation Year. If the "annual additions" with respect to the Participant under other defined contribution plans and welfare benefit funds maintained by the "employer" are less than the "maximum permissible amount" and the "employer" contribution that would otherwise be contributed or allocated to the Participant's Accounts under this Plan would cause the "annual additions" for the Limitation Year to exceed this limitation, the amount contributed or allocated will be reduced so that the "annual additions" under all such plans and welfare benefit funds for the Limitation Year will equal the "maximum permissible amount," and any amount in excess of the "maximum permissible amount" which would have been allocated to such Participant may be allocated to other Participants. If the "annual additions" with respect to the Participant under such other defined contribution plans, welfare benefit funds, individual medical benefit accounts and simplified employee pensions in the aggregate are equal to or greater than the "maximum permissible amount," no amount will be contributed or allocated to the Participant's Account under this Plan for the Limitation Year.

(2) Prior to determining the Participant's actual 415 Compensation for the Limitation Year, the "employer" may determine the "maximum permissible amount" for a Participant on the basis of a reasonable estimation of the Participant's 415 Compensation for the Limitation Year, uniformly determined for all Participants similarly situated.

(3) As soon as is administratively feasible after the end of the Limitation Year, the "maximum permissible amount" for the Limitation Year will be determined on the basis of the Participant's actual 415 Compensation for the Limitation Year.

(4) If, pursuant to Section 4.4(b)(2), a Participant's "annual additions" under this Plan and such other plans would result in an "excess amount" for a Limitation Year, the "excess amount" will be deemed to consist of the "annual additions" last allocated, except that "annual additions" attributable to a simplified employee pension will be deemed to have been allocated first, followed by "annual additions" to a welfare benefit fund or individual medical benefit account, and then by "annual additions" to a plan subject to Code §412, regardless of the actual allocation date.

(5) If an "excess amount" was allocated to a Participant on an allocation date of this Plan which coincides with an allocation date of another plan, the "excess amount" attributed to this Plan will be the product of:

- (i) the total "excess amount" allocated as of such date, times
- (ii) the ratio of (A) the "annual additions" allocated to the Participant for the Limitation Year as of such date under this Plan to (B) the total "annual additions" allocated to the Participant for the Limitation Year as of such date under this and all the other qualified defined contribution plans.

(c) **Coverage under another plan.** If the Participant is covered under another qualified defined contribution plan maintained by the "employer," "annual additions" which may be credited to the Participant's Accounts under this Plan for any Limitation Year will be limited in accordance with Section 4.4(b), unless the "employer" provides other limitations in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections).

(d) **Time when "annual additions" credited.** An "annual addition" is credited to the Account of a Participant for a particular Limitation Year if it is allocated to the Participant's Account under the Plan as of any date within that Limitation Year. However, an amount is not deemed allocated as of any date within a Limitation Year if such allocation is dependent upon participation in the Plan as of any date subsequent to such date.

For purposes of this subparagraph, "employer" contributions are treated as credited to a Participant's Account for a particular Limitation Year only if the contributions are actually made to the Plan no later than the 15th day of the tenth calendar month following the end of the calendar year or Fiscal Year (as applicable, depending on the basis on which the Employer keeps its books) with or within which the particular Limitation Year ends.

(e) **Definitions.** For purposes of this Section, the following terms shall be defined as follows:

- (1) **"Annual additions"** means the sum credited to a Participant's Accounts for any Limitation Year of (a) "employer" contributions, (b) Employee contributions (except as provided below), (c) Forfeitures, (d) amounts allocated to an individual medical benefit account, as defined in Code §415(l)(2), which is part of a pension or annuity plan maintained by the "employer," (e) amounts derived from contributions paid or accrued which are attributable to post-retirement medical benefits allocated to the separate account of a key employee (as defined in Code §419A(d)(3)) under a welfare benefit fund (as defined in Code §419(e)) maintained by the "employer" and (f) allocations under a simplified employee pension. Except, however, the Compensation percentage limitation referred to in paragraph (e)(5)(ii) below shall not apply to:
 - (1) any contribution for medical benefits (within the meaning of Code §419A(f)(2)) after separation from service which is otherwise treated as an "annual addition," or
 - (2) any amount otherwise treated as an "annual addition" under Code §415(l)(1).

(i) **Restorative payments.** "Annual additions" for purposes of Code §415 and this Section shall not include restorative payments. A restorative payment is a payment made to restore losses to a Plan resulting from actions by a fiduciary for which there is reasonable risk of liability for breach of a fiduciary duty under applicable federal or state law, where Participants who are similarly situated are treated similarly with respect to the payments. Generally, payments are restorative payments only if the payments are made in order to restore some or all of the Plan's losses due to an action (or a failure to act) that creates a reasonable risk of liability for such a breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). Payments made to the Plan to make up for losses due merely to market fluctuations and other payments that are not made on account of a reasonable risk of liability for breach of a fiduciary duty are not restorative payments and generally constitute contributions that are considered "annual additions."

(ii) **Other amounts.** "Annual additions" for purposes of Code §415 and this Section shall not include: (A) The direct transfer of a benefit or employee contributions from a qualified plan to this Plan; (B) Rollover contributions (as described in Code §§401(a)(31), 402(c)(1), 403(a)(4), 403(b)(8), 408(d)(3), and 457(e)(16)); (C) Repayments of loans made to a Participant from the Plan; and (D) Repayments of amounts described in Code §411(a)(7)(B) (in accordance with Code §411(a)(7)(C)) and Code §411(a)(3)(D) or repayment of contributions to a governmental plan (as defined in Code §414(d)) as described in Code §415(k)(3), as well as Employer restorations of benefits that are required pursuant to such repayments.

(2) **"Defined contribution dollar limitation"** means \$40,000 as adjusted under Code §415(d).

(3) **"Employer"** means, for purposes of this Section, the Employer that adopts this Plan and all Affiliated Employers.

(4) **"Excess amount"** means the excess of the Participant's "annual additions" for the Limitation Year over the "maximum permissible amount."

(5) **"Maximum permissible amount"** means, except to the extent permitted under this Plan and Code §414(v), the maximum "annual addition" that may be contributed or allocated to a Participant's Accounts under the Plan for any Limitation Year, which shall not exceed the lesser of:

- (i) the "defined contribution dollar limitation," or
- (ii) one hundred percent (100%) of the Participant's 415 Compensation for the Limitation Year.

The 415 Compensation Limitation referred to in (ii) shall not apply to any contribution for medical benefits after separation from service (within the meaning of Code §§401(h) or 419A(f)(2)) which is otherwise treated as an "annual addition."

If a short Limitation Year is created because of an amendment changing the Limitation Year to a different twelve (12) consecutive month period, the "maximum permissible amount" will not exceed the "defined contribution dollar limitation" multiplied by a fraction, the numerator of which is the number of months in the short Limitation Year and the denominator of which is twelve (12).

(f) **Special rules.**

(1) **Aggregation of plans.** For purposes of applying the limitations of Code §415, all defined contribution plans (without regard to whether a plan has been terminated) ever maintained by the "employer" (or a "predecessor employer") under which the Participant receives "annual additions" are treated as one defined contribution plan. For purposes of this Section:

(i) A former "employer" is a "predecessor employer" with respect to a participant in a plan maintained by an "employer" if the "employer" maintains a plan under which the participant had accrued a benefit while performing services for the former "employer", but only if that benefit is provided under the plan maintained by the "employer". For this purpose, the "formerly affiliated plan" rules in Regulation §1.415(f)-1(b)(2) apply as if the "employer" and "predecessor employer" constituted a single employer under the rules described in Regulation §1.415(a)-1(f)(1) and (2) immediately prior to the "cessation of affiliation" (and as if they constituted two, unrelated employers under the rules described in Regulation §1.415(a)-1(f)(1) and (2) immediately after the "cessation of affiliation") and "cessation of affiliation" was the event that gives rise to the "predecessor employer" relationship, such as a transfer of benefits or plan sponsorship.

(ii) With respect to an "employer" of a Participant, a former entity that antedates the "employer" is a "predecessor employer" with respect to the Participant if, under the facts and circumstances, the "employer" constitutes a continuation of all or a portion of the trade or business of the former entity.

(2) **Break-up of an affiliated employer or an affiliated service group.** For purposes of aggregating plans for Code §415, a "formerly affiliated plan" of an "employer" is taken into account for purposes of applying the Code §415 limitations to the "employer," but the "formerly affiliated plan" is treated as if it had terminated immediately prior to the "cessation of affiliation." For purposes of this paragraph, a "formerly affiliated plan" of an "employer" is a plan that, immediately prior to the "cessation of affiliation," was actually maintained by one or more of the entities that constitute the "employer" (as determined under the employer affiliation rules described in Regulation §1.415(a)-1(f)(1) and (2)), and immediately after

the "cessation of affiliation," is not actually maintained by any of the entities that constitute the "employer" (as determined under the employer affiliation rules described in Regulation §1.415(a)-1(f)(1) and (2)). For purposes of this paragraph, a "cessation of affiliation" means the event that causes an entity to no longer be aggregated with one or more other entities as a single "employer" under the employer affiliation rules described in Regulation §1.415(a)-1(f)(1) and (2) (such as the sale of a subsidiary outside a controlled group), or that causes a plan to not actually be maintained by any of the entities that constitute the "employer" under the employer affiliation rules of Regulation §1.415(a)-1(f)(1) and (2) (such as a transfer of plan sponsorship outside of a controlled group).

(3) **Mid-year aggregation.** Two or more defined contribution plans that are not required to be aggregated pursuant to Code §415(f) and the Regulations thereunder as of the first day of a Limitation Year do not fail to satisfy the requirements of Code §415 with respect to a Participant for the Limitation Year merely because they are aggregated later in that Limitation Year, provided that no "annual additions" are credited to the Participant's Account after the date on which the plans are required to be aggregated.

4.5 ADJUSTMENT FOR EXCESS ANNUAL ADDITIONS

Notwithstanding any provision of the Plan to the contrary, if the "annual additions" (as defined in Section 4.4) are exceeded for any Participant, then the Plan may only correct such excess in accordance with the Employee Plans Compliance Resolution System (EPCRS) as set forth in Revenue Procedure 2013-12 or any superseding guidance.

4.6 ROLLOVERS

(a) **Acceptance of "rollovers" into the Plan.** If elected in the Adoption Agreement and with the consent of the Administrator, the Plan may accept a "rollover," provided the "rollover" will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Employer. The amounts rolled over shall be separately accounted for in a "Participant's Rollover Account." A Participant's Rollover Account shall be fully Vested at all times and shall not be subject to Forfeiture for any reason. For purposes of this Section, the term Participant shall include any Eligible Employee who is not yet a Participant, if, pursuant to the Adoption Agreement, "rollovers" are permitted to be accepted from Eligible Employees. In addition, for purposes of this Section the term Participant shall also include Former Employees if the Employer and Administrator consent to accept "rollovers" of distributions made to Former Employees from any plan of the Employer.

(b) **Treatment of "rollovers" under the Plan.** Amounts in a Participant's Rollover Account shall be held by the Trustee (or Insurer) pursuant to the provisions of this Plan and may not be withdrawn by, or distributed to the Participant, in whole or in part, except as elected in the Adoption Agreement and Subsection (c) below. The Trustee (or Insurer) shall have no duty or responsibility to inquire as to the propriety of the amount, value or type of assets transferred, nor to conduct any due diligence with respect to such assets; provided, however, that such assets are otherwise eligible to be held by the Trustee (or Insurer) under the terms of this Plan.

(c) **Distribution of "rollovers."** At such time as the conditions set forth in the Adoption Agreement have been satisfied, the Administrator, at the election of the Participant, shall direct the distribution of up to the entire amount credited to the Rollover Account maintained on behalf of such Participant. Any distribution of amounts held in a Participant's Rollover Account shall be made in a manner which is consistent with and satisfies the provisions of Sections 6.5 and 6.6. Furthermore, unless otherwise elected in the Adoption Agreement, such amounts shall be considered to be part of a Participant's benefit in determining whether an involuntary cash-out of benefits may be made without Participant consent.

(d) **"Rollovers" maintained in a separate account.** The Administrator may direct that "rollovers" made after a Valuation Date be segregated into a separate account for each Participant until such time as the allocations pursuant to this Plan have been made, at which time they may remain segregated, invested as part of the general Trust Fund or, if elected in the Adoption Agreement, directed by the Participant.

(e) **Limits on accepting "rollovers."** Prior to accepting any "rollovers" to which this Section applies, the Administrator may require the Employee to establish (by providing opinion of counsel or otherwise) that the amounts to be rolled over to this Plan meet the requirements of this Section. The Employer may instruct the Administrator, operationally, to limit the source of "rollover" contributions that may be accepted by the Plan.

(f) **Definitions.** For purposes of this Section, the following definitions shall apply:

(1) A "rollover" means: (i) amounts transferred to this Plan directly from another "eligible retirement plan;" (ii) distributions received by an Employee from other "eligible retirement plans" which are eligible for tax-free rollover to an "eligible retirement plan" and which are transferred by the Employee to this Plan within sixty (60) days following receipt thereof; and (iii) any other amounts which are eligible to be rolled over to this Plan pursuant to the Code or any other federally enacted legislation.

(2) An "eligible retirement plan" means an individual retirement account described in Code §408(a), an individual retirement annuity described in Code §408(b) (other than an endorsement contract), a qualified trust (an employees' trust described in Code §401(a) which is exempt from tax under Code §501(a)), an annuity plan described in Code §403(a), an eligible deferred compensation plan described in Code §457(b) which is maintained by an eligible employer described in Code §457(e)(1)(A), and an annuity contract described in Code §403(b).

4.7 PLAN-TO-PLAN TRANSFERS FROM QUALIFIED PLANS

(a) **Transfers into this Plan.** With the consent of the Administrator, amounts may be transferred (within the meaning of Code §414(l)) to this Plan from other tax qualified plans under Code §401(a), provided the plan from which such funds are transferred permits the transfer to be made and the transfer will not jeopardize the tax-exempt status of the Plan or Trust or create adverse tax consequences for the Employer. Prior to accepting any transfers to which this Section applies, the Administrator may require an opinion of counsel that the amounts to be transferred meet the requirements of this Section. The amounts transferred shall be set up in a separate account herein referred to as a "Participant's Transfer Account." Furthermore, for vesting purposes, the Participant's Transfer Account shall be treated as a separate "Participant's Account."

(b) **Accounting of transfers.** Amounts in a Participant's Transfer Account shall be held by the Trustee (or Insurer) pursuant to the provisions of this Plan and may not be withdrawn by, or distributed to the Participant, in whole or in part, except as elected in the Adoption Agreement and Subsection (d) below, provided the restrictions of Subsection (c) below and Section 6.16 are satisfied. The Trustee (or Insurer) shall have no duty or responsibility to inquire as to the propriety of the amount, value or type of assets transferred, nor to conduct any due diligence with respect to such assets; provided, however, that such assets are otherwise eligible to be held by the Trustee (or Insurer) under the terms of this Plan. Notwithstanding anything in this Section to the contrary, transferred amounts are not required to be separately accounted for and may be combined with the corresponding Account maintained in this Plan provided all rights, benefits and features and other attributes are identical with respect to each account, or are identical after the combination.

(c) **Distribution of plan-to-plan transfer amounts.** At Normal Retirement Date, or such other date when the Participant or the Participant's Beneficiary shall be entitled to receive benefits, the Participant's Transfer Account shall be used to provide additional benefits to the Participant or the Participant's Beneficiary. Any distribution of amounts held in a Participant's Transfer Account shall be made in a manner which is consistent with and satisfies the provisions of Sections 6.5 and 6.6. Furthermore, such amounts shall be considered to be part of a Participant's benefit in determining whether an involuntary cash-out of benefits may be made without Participant consent.

(d) **Segregation.** The Administrator may direct that Employee transfers made after a Valuation Date be segregated into a separate account for each Participant until such time as the allocations pursuant to this Plan have been made, at which time they may remain segregated, invested as part of the general Trust Fund or, if elected in the Adoption Agreement, directed by the Participant.

4.8 MANDATORY EMPLOYEE CONTRIBUTIONS

(a) **Mandatory Employee contributions.** An Employer may elect in the Adoption Agreement to provide for mandatory Employee contribution. If the Employer elects to provide for such contributions, each Participant, as a condition of employment, will make a mandatory Employee contribution in the amount elected in the Adoption Agreement. Alternatively, the Employer may elect to provide a range of mandatory Employee contribution percentages from which the Participant may choose to contribute. Under this option, the Employee, as a condition of employment, must make an irrevocable election to contribute a percentage of his or her Compensation no later than his or her effective date of participation. During the period of the Participant's participation in the Plan, the Participant may not revoke the election and receive cash in lieu of the contribution, nor may the Participant change the amount of the mandatory Employee contribution. Amounts attributable to mandatory Employee contributions shall be fully Vested.

(b) **Employer pick-up contribution.** If elected in the Adoption Agreement, the Employer will "pick-up" the mandatory Employee contribution and will pay the mandatory Employee contribution to the Plan as an Employer contribution. This provision is effective only after the Employer provides for the treatment of the Employee contributions as described in this paragraph, through a person authorized to take such action, and evidenced in writing by minutes of a meeting, resolution, ordinance, or other formal action by the Employer, which will effectuate the "pick-up" provision. Furthermore, as of the date of the "pick-up," Participants are not permitted to opt-out of the "pick-up" or to receive the mandatory Employee contributions directly instead of having them paid to the Plan. Mandatory Employee contributions that are "picked-up" by the Employer are excludible from the Employee's gross income.

4.9 AFTER-TAX VOLUNTARY EMPLOYEE CONTRIBUTIONS

(a) **After-tax voluntary Employee contributions.** If elected in the Adoption Agreement, each Participant may, in accordance with procedures established by the Administrator, elect to make after-tax voluntary Employee contributions to this Plan. Such contributions must generally be paid to the Trustee (or Insurer) within a reasonable period of time after being received by the Employer. An after-tax voluntary Employee contribution is any contribution made to the Plan by or on behalf of a Participant that is included in the Participant's gross income in the year in which made and that is separately accounted for under the Plan.

(b) **Full vesting.** The balance in each Participant's Voluntary Contribution Account shall be fully Vested at all times and shall not be subject to Forfeiture for any reason.

(c) **Distribution at any time.** A Participant may elect at any time to withdraw after-tax voluntary Employee contributions from such Participant's Voluntary Contribution Account and the actual earnings thereon in a manner which is consistent with and satisfies the provisions of Section 6.5. If the Administrator maintains sub-accounts with respect to after-tax voluntary Employee contributions (and earnings thereon) which were made on or before a specified date, a Participant shall be permitted to designate which sub-account shall be the source for the withdrawal. Forfeitures of Employer contributions shall not occur solely as a result of an Employee's withdrawal of after-tax voluntary Employee contributions.

In the event a Participant has received a hardship distribution under the safe harbor hardship provisions of the Code §401(k) Regulations from any plan maintained by the Employer, then the Participant shall be barred from making any after-tax voluntary Employee contributions for a period of six (6) months after receipt of the hardship distribution. Any prior elections to make after-tax voluntary Employee contributions will become void upon the receipt of the hardship distribution that triggers the suspension period of this paragraph.

(d) **Used to provide benefits.** At Normal Retirement Date, or such other date when the Participant or the Participant's Beneficiary is entitled to receive benefits, the Participant's Voluntary Contribution Account shall be used to provide additional benefits to the Participant or the Participant's Beneficiary.

4.10 PARTICIPANT DIRECTED INVESTMENTS

(a) **Directed investment options allowed.** If permitted under Participant Direction Procedures, all Participants may direct the Trustee (or Insurer) as to the investment of all or a portion of their individual Account balances as set forth in such procedures. Participants may direct the Trustee (or Insurer), in writing (or in such other form which is acceptable to the Trustee (or Insurer)), to invest their accounts in specific assets, specific funds or other investments permitted under the Plan and the Participant Direction Procedures. That portion of the Account of any Participant that is subject to investment direction of such Participant will be considered a Participant Directed Account.

(b) **Establishment of Participant Direction Procedures.** The Administrator will establish Participant Direction Procedures, to be applied in a uniform manner, setting forth the permissible investment options under this Section, how often changes between investments may be made, and any other limitations and provisions that the Administrator may impose on a Participant's right to direct investments.

(c) **Administrative discretion.** The Administrator may, in its discretion, include or exclude by amendment or other action from the Participant Direction Procedures such instructions, guidelines or policies as it deems necessary or appropriate to ensure proper administration of the Plan, and may interpret the same accordingly.

(d) **Allocation of gains or losses.** As of each Valuation Date, all Participant Directed Accounts shall be charged or credited with the net earnings, gains, losses and expenses as well as any appreciation or depreciation in the market value using publicly listed fair market values when available or appropriate as follows:

(1) to the extent the assets in a Participant Directed Account are accounted for as pooled assets or investments, the allocation of earnings, gains and losses of each Participant's Account shall be based upon the total amount of funds so invested in a manner proportionate to the Participant's share of such pooled investment; and

(2) to the extent the assets in a Participant Directed Account are accounted for as segregated assets, the allocation of earnings, gains and losses from such assets shall be made on a separate and distinct basis.

(e) **Plan will follow investment directions.** Investment directions will be processed as soon as administratively practicable after proper investment directions are received from the Participant. No guarantee is made by the Plan, Employer, Administrator or Trustee (or Insurer) that investment directions will be processed on a daily basis, and no guarantee is made in any respect regarding the processing time of an investment direction. Notwithstanding any other provision of the Plan, the Employer, Administrator or Discretionary Trustee (or Insurer) reserves the right to not value an investment option on any given Valuation Date for any reason deemed appropriate by the Employer, Administrator or Discretionary Trustee (or Insurer). Furthermore, the processing of any investment transaction may be delayed for any legitimate business reason (including, but not limited to, failure of systems or computer programs, failure of the means of the transmission of data, the failure of a service provider to timely receive values or prices, and correction for errors or omissions of the errors or omissions of any service provider) or force majeure. The processing date of a transaction will be binding for all purposes of the Plan and considered the applicable Valuation Date for an investment transaction.

(f) **Other documents required by directed investments.** Any information regarding investments available under the Plan, to the extent not required to be described in the Participant Direction Procedures, may be provided to Participants in one or more documents (or in any other form, including, but not limited to, electronic media) which are separate from the Participant Direction Procedures and are not thereby incorporated by reference into this Plan.

4.11 QUALIFIED MILITARY SERVICE

(a) **USERRA.** Notwithstanding any provisions of this Plan to the contrary, contributions, benefits and service credit with respect to qualified military service will be provided in accordance with Code §414(u). Furthermore, loan repayments may be suspended under this Plan as permitted under Code §414(u)(4).

(b) **Benefit accrual.** If the Employer elects in the Adoption Agreement to apply this Subsection, then effective as of the date specified in the Adoption Agreement but no earlier than the first day of the 2007 Plan Year, for benefit accrual purposes, the Plan treats an individual who becomes Totally and Permanently disabled while performing "qualified military service" (as defined in Code §414(u)) with respect to the Employer as if the individual had resumed employment in accordance with the individual's reemployment rights under Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA), on the day preceding Total and Permanent Disability and terminated employment on the actual date of death or Total and Permanent Disability.

The Plan will determine the amount of after-tax voluntary Employee contributions of an individual treated as reemployed under this Section for purposes of applying paragraph Code §414(u)(8)(C) on the basis of the individual's average actual after-tax voluntary Employee contributions for the lesser of: (1) the 12-month period of service with the Employer immediately prior to "qualified military service" (as defined in Code §414(u)); or (2) the actual length of continuous service with the Employer.

(c) **Death benefits.** In the case of a death occurring on or after January 1, 2007, if a Participant dies while performing "qualified military service" (as defined in Code §414(u)), the Participant's Beneficiary is entitled to any additional benefits (other than benefit accruals relating to the period of "qualified military service" but including vesting credit for such period and any other ancillary life insurance or other survivor benefits) provided under the Plan as if the Participant had resumed employment and then terminated employment on account of death. Moreover, the Plan will credit the Participant's "qualified military service" as service for vesting purposes, as though the Participant had resumed employment under Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA) immediately prior to the Participant's death.

ARTICLE V VALUATIONS

5.1 VALUATION OF THE TRUST FUND

The Administrator shall direct the Trustee (or Insurer), as of each Valuation Date, to determine the net worth of the assets comprising the Trust Fund as it exists on the Valuation Date. In determining such net worth, the Trustee (or Insurer) shall value the assets comprising the Trust Fund at their fair market value as of the Valuation Date and may deduct all expenses for which the Trustee (or Insurer) has not yet been paid by the Employer or the Trust Fund. The Trustee (or Insurer), when determining the net worth of the assets, may update the value of any shares held in a Participant Directed Account by reference to the number of shares held on behalf of the Participant, priced at the market value as of the Valuation Date.

5.2 METHOD OF VALUATION

In determining the fair market value of securities held in the Trust Fund which are listed on a registered stock exchange, the Administrator shall direct the Trustee (or Insurer) to value the same at the prices they were last traded on such exchange preceding the close of business on the Valuation Date. If such securities were not traded on the Valuation Date, or if the exchange on which they are traded was not open for business on the Valuation Date, then the securities shall be valued at the prices at which they were last traded prior to the Valuation Date. Any unlisted security held in the Trust Fund shall be valued at its bid price next preceding the close of business on the Valuation Date, which bid price shall be obtained from a registered broker or an investment banker. In determining the fair market value of assets other than securities for which trading or bid prices can be obtained, the Trustee, the Administrator (if the Trustee is a directed Trustee), or Insurer may appraise such assets itself (assuming it has the appropriate expertise), or in its discretion, employ one or more appraisers for that purpose and rely on the values established by such appraiser or appraisers.

ARTICLE VI DETERMINATION AND DISTRIBUTION OF BENEFITS

6.1 DETERMINATION OF BENEFITS UPON RETIREMENT

Every Participant may terminate employment with the Employer and retire for purposes hereof on the Participant's Normal Retirement Date or Early Retirement Date. However, a Participant may postpone the severance of employment with the Employer to a later date, in which event the participation of such Participant in the Plan, including the right to receive allocations pursuant to Section 4.3, shall continue until such Participant's Retirement Date. Upon a Participant's Retirement Date, or if elected in the Adoption Agreement, the attainment of Normal Retirement Date without severance of employment with the Employer (subject to Section 6.11), or as soon thereafter as is practicable, the Administrator shall direct the distribution, at the election of the Participant, of the Participant's entire Vested interest in the Plan in accordance with Section 6.5.

6.2 DETERMINATION OF BENEFITS UPON DEATH

(a) **100% vesting on death.** Upon the death of a Participant before the Participant's Retirement Date or other severance of employment, all amounts credited to such Participant's Combined Account shall, if elected in the Adoption Agreement, become fully Vested. The Administrator shall direct, in accordance with the provisions of Sections 6.6 and 6.7, the distribution of the deceased Participant's Vested accounts to the Participant's Beneficiary.

(b) **Distribution upon death.** Upon the death of a Participant, the Administrator shall direct, in accordance with the provisions of Sections 6.6 and 6.7, the distribution of any remaining Vested amounts credited to the accounts of such deceased Participant to such Participant's Beneficiary.

(c) **Determination of death benefit by Administrator.** The Administrator may require such proper proof of death and such evidence of the right of any person to receive payment of the value of the account of a deceased Participant as the Administrator may deem desirable. The Administrator's determination of death and of the right of any person to receive payment shall be conclusive.

(d) **Beneficiary designation.** Each Participant must designate a Beneficiary on a form and in such manner as provided by the Administrator.

(e) **Beneficiary if no Beneficiary elected by Participant.** In the event no valid designation of Beneficiary exists, or if the Beneficiary with respect to a portion of a Participant's death benefit is not alive at the time of the Participant's death and no contingent Beneficiary has been designated, then such portion of the death benefit will be paid in the following order of priority, unless the Employer specifies a different order of priority in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), to:

- (1) The Participant's surviving Spouse;
- (2) The Participant's issue, per stirpes;
- (3) The Participant's surviving parents, in equal shares; or
- (4) The Participant's estate.

If the Beneficiary does not predecease the Participant, but dies prior to distribution of the death benefit, the death benefit will be paid to the Beneficiary's "designated Beneficiary" (or if there is no "designated Beneficiary," to the Beneficiary's estate). For purposes of these provisions, and with respect to any Beneficiary designations, adopted children shall be treated as children.

(f) **Divorce revokes spousal Beneficiary designation.** Notwithstanding anything in this Section to the contrary, unless otherwise elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), if a Participant has designated the Spouse as a Beneficiary, then a divorce decree that relates to such Spouse shall revoke the Participant's designation of the Spouse as a Beneficiary unless the decree or a "qualified domestic relations order" (within the meaning of Code §414(p)) provides otherwise or a subsequent Beneficiary designation is made.

(g) **Simultaneous death of Participant and Beneficiary.** If a Participant and his or her Beneficiary should die simultaneously, or under circumstances that render it difficult or impossible to determine who predeceased the other, then unless the Participant's Beneficiary designation otherwise specifies, the Administrator will presume conclusively that the Beneficiary predeceased the Participant.

(h) **Slayer statute.** The Administrator may apply slayer statutes, or similar rules which prohibit inheritance by a person who murders someone from whom he or she stands to inherit, under applicable state laws.

(i) **Insured death benefit.** If the Plan provides an insured death benefit and a Participant dies before any insurance coverage to which the Participant is entitled under the Plan is effected, the death benefit from such insurance coverage shall be limited to the premium which was or otherwise would have been used for such purpose.

(j) **Plan terms control.** In the event of any conflict between the terms of this Plan and the terms of any Contract issued hereunder, the Plan provisions shall control.

6.3 DETERMINATION OF BENEFITS IN EVENT OF DISABILITY

In the event of a Participant's Total and Permanent Disability prior to the Participant's Retirement Date or other severance of employment, all amounts credited to such Participant's Combined Account shall, if elected in the Adoption Agreement, become fully Vested. In the event of a Participant's Total and Permanent Disability, the Participant's entire Vested interest in the Plan will be distributable and may be distributed in accordance with the provisions of Sections 6.5 and 6.7.

6.4 DETERMINATION OF BENEFITS UPON TERMINATION

(a) **Payment on severance of employment.** If a Participant's employment with the Employer and any Affiliated Employer is severed for any reason other than death, Total and Permanent Disability, or attainment of the Participant's Retirement Date, then such Participant shall be entitled to such benefits as are provided herein.

Distribution of the funds due to a Terminated Participant shall be made on the occurrence of an event which would result in the distribution had the Terminated Participant remained in the employ of the Employer (upon the Participant's death, Total and Permanent Disability, Early or Normal Retirement). However, at the election of the Participant, the Administrator shall direct that the entire Vested portion of the Terminated Participant's Combined Account be payable to such Terminated Participant provided the conditions, if any, set forth in the Adoption Agreement have been satisfied. Any distribution under this paragraph shall be made in a manner which is consistent with and satisfies the provisions of Section 6.5.

Regardless of whether distributions in kind are permitted, in the event the amount of the Vested portion of the Terminated Participant's Combined Account equals or exceeds the fair market value of any insurance Contracts, the Trustee (or Insurer), when so directed by the Administrator and agreed to by the Terminated Participant, shall assign, transfer, and set over to such Terminated Participant all Contracts on such Terminated Participant's life in such form or with such endorsements, so that the settlement options and forms of payment are consistent with the provisions of Section 6.5. In the event that the Terminated Participant's Vested portion does not at least equal the fair market value of the Contracts, if any, the Terminated Participant may pay over to the Trustee (or Insurer) the sum needed to make the distribution equal to the value of the Contracts being assigned or transferred, or the Trustee (or Insurer), pursuant to the Participant's election, may borrow the cash value of the

Contracts from the Insurer so that the value of the Contracts is equal to the Vested portion of the Terminated Participant's Combined Account and then assign the Contracts to the Terminated Participant.

Notwithstanding the above, unless otherwise elected in the Adoption Agreement, if the value of a Terminated Participant's Vested benefit derived from Employer and Employee contributions does not exceed \$5,000 (or such lower amount as elected in the Adoption Agreement), the Administrator shall direct that the entire Vested benefit be paid to such Participant in a single lump-sum as soon as practical without regard to the consent of the Participant, provided the conditions, if any, set forth in the Adoption Agreement have been satisfied. A Participant's Vested benefit shall not include (1) qualified voluntary employee contributions within the meaning of Code §72(o)(5)(B) and (2) if selected in the Conditions for Distributions Upon Severance of Employment Section of the Adoption Agreement, the Participant's Rollover Account. If a mandatory distribution is made pursuant to this paragraph and such distribution is greater than \$1,000 and the Participant does not elect to have such distribution paid directly to an "eligible retirement plan" specified by the Participant in a "direct rollover" in accordance with Section 6.14 or to receive the distribution directly, then the Administrator shall transfer such amount to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b) designated by the Administrator. However, if the Participant elects to receive or make a "direct rollover" of such amount, then the Administrator shall direct the Trustee (or Insurer) to cause the entire Vested benefit to be paid to such Participant in a single lump sum, or make a "direct rollover" pursuant to Section 6.14, provided the conditions, if any, set forth in the Adoption Agreement have been satisfied. The Administrator may establish a procedure as to whether a Participant who fails to make an affirmative election with respect to a mandatory distribution of \$1,000 or less is treated as having made or not made a "direct rollover" election. For purposes of determining whether the \$1,000 threshold set forth in this paragraph is met, the mandatory distribution includes amounts in a Participant's Rollover Account. For purposes of determining whether the \$5,000 threshold in this paragraph is met, a Participant's Rollover Account is taken into account unless otherwise elected in the Adoption Agreement.

(b) **Vesting schedule.** The Vested portion of any Participant's Account shall be a percentage of such Participant's Account determined on the basis of the Participant's number of Years of Service (or Periods of Service if the elapsed time method is elected) according to the vesting schedule specified in the Adoption Agreement. However, a Participant's entire interest in the Plan shall be non-forfeitable upon the Participant's Normal Retirement Age (if the Participant is employed by the Employer on or after such date). In addition, Employee contributions (voluntary and mandatory) and contributions for sick leave/vacation leave conversions shall be fully Vested.

6.5 DISTRIBUTION OF BENEFITS

(a) **Forms of distributions.** The Administrator, pursuant to the election of the Participant, shall direct the distribution to a Participant or Beneficiary any amount to which the Participant or Beneficiary is entitled under the Plan in one or more of the following methods which are permitted pursuant to the Adoption Agreement.

(1) One lump-sum payment in cash or in property, provided that if a distribution of property is permitted, it shall be limited to property that is specifically allocated and identifiable with respect to such Participant.

(2) Partial withdrawals.

(3) Payments over a period certain in monthly, quarterly, semi-annual, or annual cash installments. The period over which such payment is to be made shall not extend beyond the earlier of the Participant's life expectancy (or the joint life expectancy of the Participant and the Participant's designated Beneficiary). Once payments have begun, a Participant may elect to accelerate the payments (reduce the term and increase payments).

(4) Purchase of or providing an annuity. However, such annuity may not be in any form that will provide for payments over a period extending beyond either the life of the Participant (or the lives of the Participant and the Participant's designated Beneficiary) or the life expectancy of the Participant (or the life expectancy of the Participant and the Participant's designated Beneficiary).

(b) **Consent to distributions.** Benefits may not be paid without a Participant's consent if the value of the Participant's Accounts exceed the dollar threshold specified in the Adoption Agreement. If the value of the Participant's Accounts does not exceed such threshold, then the Administrator will distribute such benefit in a lump-sum. For purposes of this Subsection, the Participant's Accounts shall not include, if selected in the Conditions for Distributions Upon Severance of Employment Section of the Adoption Agreement, the Participant's Rollover Account.

(c) **Required minimum distributions (Code §401(a)(9)).** Notwithstanding any provision in the Plan to the contrary, the distribution of a Participant's benefits, whether under the Plan or through the purchase of an annuity Contract, shall be made in accordance with the requirements of Section 6.8.

(d) **Annuity Contracts.** All annuity Contracts under this Plan shall be non-transferable when distributed. Furthermore, the terms of any annuity Contract purchased and distributed to a Participant or Spouse shall comply with all of the requirements of this Plan.

(e) **TEFRA 242(b)(2) election.** The provisions of this Section shall not apply to distributions made in accordance with Plan Section 6.8(a)(4).

6.6 DISTRIBUTION OF BENEFITS UPON DEATH

(a) **Consent.** If the value of the death benefit derived from Employer and Employee contributions does not exceed \$5,000, the Administrator shall direct the distribution of such amount to the Participant's Beneficiary in a single lump-sum as soon as practicable. If the value exceeds \$5,000, an immediate distribution of the entire amount may be made to the Beneficiary, provided such Beneficiary consents to the distribution.

(b) **Forms of distribution.** Death benefits may be paid to a Participant's Beneficiary in one of the following optional forms of benefits subject to the rules specified in Section 6.8 and the elections made in the Adoption Agreement. Such optional forms of distributions may be elected by the Participant. However, if no optional form of distribution was elected by the Participant prior to death, then the Participant's Beneficiary may elect the form of distribution.

(1) One lump-sum payment in cash or in property that is allocated to the Accounts of the Participant at the time of the distribution.

(2) Partial withdrawals.

(3) Payment in monthly, quarterly, semi-annual, or annual cash installments over a period to be determined by the Participant or the Participant's Beneficiary. In order to provide such installment payments, the Administrator may (A) segregate the aggregate amount thereof in a separate, federally insured savings account, certificate of deposit in a bank or savings and loan association, money market certificate or other liquid short-term security or (B) purchase a nontransferable annuity Contract for a term certain (with no life contingencies) providing for such payment. After periodic installments commence, the Beneficiary shall have the right to reduce the period over which such periodic installments shall be made, and the cash amount of such periodic installments shall be adjusted accordingly.

(4) In the form of an annuity over the life expectancy of the Beneficiary.

(c) **Required minimum distributions (Code §401(a)(9)).** Notwithstanding any provision in the Plan to the contrary, distributions upon the death of a Participant shall comply with the requirements of Section 6.8.

(d) **Payment to a child.** For purposes of this Section, any amount paid to a child of the Participant will be treated as if it had been paid to the surviving Spouse if the amount becomes payable to the surviving Spouse when the child reaches the age of majority.

(e) **Voluntary Contribution Account.** In the event that less than one hundred percent (100%) of a Participant's interest in the Plan is distributed to such Participant's Spouse, the portion of the distribution attributable to the Participant's Voluntary Contribution Account shall be in the same proportion that the Participant's Voluntary Contribution Account bears to the Participant's total interest in the Plan.

(f) **TEFRA 242(b)(2) election.** The provisions of this Section shall not apply to distributions made in accordance with Section 6.8(a)(4).

6.7 TIME OF DISTRIBUTION

Except as limited by Section 6.8, whenever a distribution is to be made, or a series of payments are to commence, the distribution or series of payments may be made or begun as soon as practicable. Notwithstanding anything in the Plan to the contrary, unless a Participant otherwise elects, payments of benefits under the Plan will be begin not later than the later of the sixtieth (60th) day after the close of the Plan Year in which the latest of the following events occurs: (a) the date on which the Participant attains the earlier of age 65 or the Normal Retirement Age specified herein; (b) the tenth (10th) anniversary of the year in which the Participant commenced participation in the Plan; or (c) the date the Participant terminates service with the Employer. The failure of a Participant to request a distribution shall be deemed to be an election to defer the commencement of payment of any benefit until the time otherwise permitted under the Plan.

6.8 REQUIRED MINIMUM DISTRIBUTIONS

(a) General rules

(1) **Effective Date.** Subject to the good faith interpretation standard, the requirements of this Section shall apply to any distribution of a Participant's interest in the Plan and will take precedence over any inconsistent provisions of this Plan.

(2) **Requirements of Treasury Regulations incorporated.** All distributions required under this Section will be determined and made in accordance with the Regulations under Code §401(a)(9) and the minimum distribution incidental benefit requirement of Code §401(a)(9)(G).

(3) **Limits on distribution periods.** As of the first "distribution calendar year," distributions to a Participant may only be made in accordance with the selections made in the Form of Distributions Section of the Adoption Agreement. If such distributions are not made in a single-sum, then they may only be made over one of the following periods: (i) the life of the Participant, (ii) the joint lives of the Participant and a "designated Beneficiary," (iii) a period certain not extending beyond the "life expectancy" of the Participant, or (iv) a period certain not extending beyond the joint life and last survivor expectancy of the Participant and a "designated Beneficiary."

(4) TEFRA Section 242(b)(2) elections.

(i) Notwithstanding the other provisions of this Section, other than the Spouse's right of consent afforded under the Plan, distributions may be made on behalf of any Participant, including a five percent (5%) owner, who has made a designation in accordance with Section 242(b)(2) of the Tax Equity and Fiscal Responsibility Act (TEFRA) and in accordance with all of the following requirements (regardless of when such distribution commences):

(A) The distribution by the Plan is one which would not have disqualified such Plan under Code §401(a)(9) as in effect prior to amendment by the Deficit Reduction Act of 1984.

(B) The distribution is in accordance with a method of distribution designated by the Participant whose interest in the Plan is being distributed or, if the Participant is deceased, by a Beneficiary of such Participant.

(C) Such designation was in writing, was signed by the Participant or the Beneficiary, and was made before January 1, 1984.

(D) The Participant had accrued a benefit under the Plan as of December 31, 1983.

(E) The method of distribution designated by the Participant or the Beneficiary specifies the time at which distribution will commence, the period over which distributions will be made, and in the case of any distribution upon the Participant's death, the Beneficiaries of the Participant listed in order of priority.

(ii) A distribution upon death will not be covered by the transitional rule of this Subsection unless the information in the designation contains the required information described above with respect to the distributions to be made upon the death of the Participant.

(iii) For any distribution which commences before January 1, 1984, but continues after December 31, 1983, the Participant, or the Beneficiary, to whom such distribution is being made, will be presumed to have designated the method of distribution under which the distribution is being made if the method of distribution was specified in writing and the distribution satisfies the requirements in (i)(A) and (i)(E) of this Subsection.

(iv) If a designation is revoked, any subsequent distribution must satisfy the requirements of Code §401(a)(9) and the Regulations thereunder. If a designation is revoked subsequent to the date distributions are required to begin, the Plan must distribute by the end of the calendar year following the calendar year in which the revocation occurs the total amount not yet distributed which would have been required to have been distributed to satisfy Code §401(a)(9) and the Regulations thereunder, but for the Section 242(b)(2) election. For calendar years beginning after December 31, 1988, such distributions must meet the minimum distribution incidental benefit requirements. Any changes in the designation will be considered to be a revocation of the designation. However, the mere substitution or addition of another Beneficiary (one not named in the designation) under the designation will not be considered to be a revocation of the designation, so long as such substitution or addition does not alter the period over which distributions are to be made under the designation, directly or indirectly (for example, by altering the relevant measuring life).

(v) In the case in which an amount is transferred or rolled over from one plan to another plan, the rules in Regulation §1.401(a)(9)-8, Q&A-14 and Q&A-15, shall apply.

(5) **Good faith interpretation standard.** In applying any provision of this section, the Plan will apply a reasonable good faith interpretation of Code §401(a)(9).

(b) **Time and manner of distribution**

(1) **Required beginning date.** The Participant's entire interest will be distributed, or begin to be distributed, to the Participant no later than the Participant's "required beginning date."

(2) **Death of Participant before distributions begin.** If the Participant dies before distributions begin, the Participant's entire interest will be distributed, or begin to be distributed, no later than as follows as elected in the Distributions Upon Death Section of the Adoption Agreement (or if no election is made, then the Beneficiary may elect either the lifetime method or the five-year method):

(i) **Lifetime method (Spouse).** If the Participant's surviving Spouse is the Participant's sole "designated Beneficiary," then, except as otherwise provided herein, distributions to the surviving Spouse will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained age 70 1/2, if later.

(ii) **Lifetime method (non-Spouse).** If the Participant's surviving Spouse is not the Participant's sole "designated Beneficiary," then, except as provided in Section 6.8(b)(3) below, distributions to the "designated Beneficiary" will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died.

(iii) **Five-year method.** If there is no "designated Beneficiary" as of September 30 of the year following the year of the Participant's death or if otherwise elected pursuant to the Adoption Agreement with respect to a "designated Beneficiary," the Participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(iv) **Death of Spouse.** If the Participant's surviving Spouse is the Participant's sole "designated Beneficiary" and the surviving Spouse dies after the Participant but before distributions to the surviving Spouse begin, this Section 6.8(b)(2), other than Section 6.8(b)(2)(i), will apply as if the surviving Spouse were the Participant.

For purposes of this Section 6.8(b)(2) and Section 6.8(b)(3), unless Section 6.8(b)(2)(iv) applies, distributions are considered to begin on the Participant's "required beginning date." If Section 6.8(b)(2)(iv) applies, distributions are considered to begin on the date distributions are required to begin to the surviving Spouse under Section 6.8(b)(2)(i). If distributions under an annuity purchased from an insurance company irrevocably commence to the Participant before the Participant's "required beginning date" (or to the Participant's surviving Spouse before the date distributions are required to begin to the surviving Spouse under Section 6.8(b)(2)(i)), the date distributions are considered to begin is the date distributions actually commence.

(3) **Forms of distribution.** Unless the Participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum on or before the "required beginning date," as of the first "distribution calendar year" distributions will be made in accordance with Sections 6.8(c) and 6.8(d) and only in a form of distribution provided in Section 6.5 or 6.6, as applicable. If the Participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of Code §401(a)(9) and the Regulations thereunder.

(c) Required minimum distributions during Participant's lifetime

(1) **Amount of required minimum distribution for each "distribution calendar year."** During the Participant's lifetime, the minimum amount that will be distributed for each "distribution calendar year" is the lesser of the following, as elected in the Form of Distributions Section of the Adoption Agreement:

- (i) the quotient obtained by dividing the "Participant's account balance" by the distribution period in the Uniform Lifetime Table set forth in Regulation §1.401(a)(9)-9, using the Participant's age as of the Participant's birthday in the "distribution calendar year"; or
- (ii) if the Participant's sole "designated Beneficiary" for the "distribution calendar year" is the Participant's Spouse, the quotient obtained by dividing the "Participant's account balance" by the number in the Joint and Last Survivor Table set forth in Regulation §1.401(a)(9)-9, using the Participant's and Spouse's attained ages as of the Participant's and Spouse's birthdays in the "distribution calendar year."

(2) **Lifetime required minimum distributions continue through year of Participant's death.** Required minimum distributions will be determined under this Section 6.8(c) beginning with the first "distribution calendar year" and up to and including the "distribution calendar year" that includes the Participant's date of death.

(d) Required minimum distributions after Participant's death

(1) **Death on or after date distributions begin.**

(i) **Participant survived by "designated Beneficiary."** If the Participant dies on or after the date distributions begin and there is a "designated Beneficiary," the minimum amount that will be distributed for each "distribution calendar year" after the year of the Participant's death is the quotient obtained by dividing the "Participant's account balance" by the longer of the remaining "life expectancy" of the Participant or the remaining "life expectancy" of the Participant's "designated Beneficiary," determined as follows:

(A) The Participant's remaining "life expectancy" is calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(B) If the Participant's surviving Spouse is the Participant's sole "designated Beneficiary," the remaining "life expectancy" of the surviving Spouse is calculated for each "distribution calendar year" after the year of the Participant's death using the surviving Spouse's age as of the Spouse's birthday in that year. For "distribution calendar years" after the year of the surviving Spouse's death, the remaining "life expectancy" of the surviving Spouse is calculated using the age of the surviving Spouse as of the Spouse's birthday in the calendar year of the Spouse's death, reduced by one for each subsequent calendar year.

(C) If the Participant's surviving Spouse is not the Participant's sole "designated Beneficiary," the "designated Beneficiary's" remaining "life expectancy" is calculated using the age of the Beneficiary in the year following the year of the Participant's death, reduced by one for each subsequent year.

(ii) **No "designated Beneficiary."** If the Participant dies on or after the date distributions begin and there is no "designated Beneficiary" as of September 30 of the year after the year of the Participant's death, the minimum amount that will be distributed for each "distribution calendar year" after the year of the Participant's death is the

quotient obtained by dividing the "Participant's account balance" by the Participant's remaining "life expectancy" calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(2) **Death before date distributions begin.**

(i) **Participant survived by "designated Beneficiary."** Except as provided in Section 6.8(b)(3), if the Participant dies before the date distributions begin and there is a "designated Beneficiary," the minimum amount that will be distributed for each "distribution calendar year" after the year of the Participant's death is the quotient obtained by dividing the "Participant's account balance" by the remaining "life expectancy" of the Participant's "designated Beneficiary," determined as provided in Section 6.8(d)(1).

(ii) **No "designated Beneficiary."** If the Participant dies before the date distributions begin and there is no "designated Beneficiary" as of September 30 of the year following the year of the Participant's death, distribution of the Participant's entire interest will be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(iii) **Death of surviving Spouse before distributions to surviving Spouse are required to begin.** If the Participant dies before the date distributions begin, the Participant's surviving Spouse is the Participant's sole "designated Beneficiary," and the surviving Spouse dies before distributions are required to begin to the surviving Spouse under Section 6.8(b)(2)(i), this Section 6.8(d)(2) will apply as if the surviving Spouse were the Participant.

(e) **Definitions.** For purposes of this Section, the following definitions apply:

(1) "Designated Beneficiary" means the individual who is designated as the Beneficiary under the Plan and is the "designated Beneficiary" under Code §401(a)(9) and Regulation §1.401(a)(9)-4.

(2) "Distribution calendar year" means a calendar year for which a minimum distribution is required. For distributions beginning before the Participant's death, the first "distribution calendar year" is the calendar year immediately preceding the calendar year which contains the Participant's "required beginning date." For distributions beginning after the Participant's death, the first "distribution calendar year" is the calendar year in which distributions are required to begin under Section 6.8(b). The required minimum distribution for the Participant's first "distribution calendar year" will be made on or before the Participant's "required beginning date." The required minimum distribution for other "distribution calendar years," including the required minimum distribution for the "distribution calendar year" in which the Participant's "required beginning date" occurs, will be made on or before December 31 of that "distribution calendar year."

(3) "Life expectancy" means the life expectancy as computed by use of the Single Life Table in Regulation §1.401(a)(9)-9.

(4) "Participant's account balance" means the Participant's account balance as of the last Valuation Date in the calendar year immediately preceding the "distribution calendar year" (valuation calendar year) increased by the amount of any contributions made and allocated or Forfeitures allocated to the account balance as of the dates in the valuation calendar year after the Valuation Date and decreased by distributions made in the valuation calendar year after the Valuation Date. For this purpose, the Administrator may exclude contributions that are allocated to the account balance as of dates in the valuation calendar year after the Valuation Date, but that are not actually made during the valuation calendar year. The account balance for the valuation calendar year includes any amounts rolled over or transferred to the Plan either in the valuation calendar year or in the "distribution calendar year" if distributed or transferred in the valuation calendar year.

(5) "Required beginning date" means, except as otherwise elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), with respect to any Participant, April 1 of the calendar year following the later of the calendar year in which the Participant attains age 70 1/2 or the calendar year in which the Participant retires.

(f) **Waiver of 2009 required distributions**

(1) **Suspension of RMDs unless otherwise elected by Participant.** This paragraph does not apply if the Employer elected options a., b., or c. at the WRERA – RMD Waivers for 2009 Section of the Adoption Agreement. Notwithstanding the provisions of the Plan relating to required minimum distributions under Code §401(a)(9), a Participant or Beneficiary who would have been required to receive required minimum distributions for 2009 but for the enactment of Code §401(a)(9)(H) ("2009 RMDs"), and who would have satisfied that requirement by receiving distributions that are (i) equal to the "2009 RMDs" or (ii) one or more payments in a series of substantially equal distributions (that include the "2009 RMDs") made at least annually and expected to last for the life (or "life expectancy") of the Participant, the joint lives (or joint "life expectancy") of the Participant and the Participant's "designated Beneficiary," or for a period of at least 10 years ("Extended 2009 RMDs"), did not receive those distributions for 2009 unless the Participant or Beneficiary chooses to receive such distributions. Participants and Beneficiaries described in the preceding sentence were given the opportunity to elect to receive the distributions described in the preceding sentence.

(2) **Continuation of RMDs unless otherwise elected by Participant.** This paragraph applies if the Employer elected option b. at the WRERA – RMD Waivers for 2009 Section of the Adoption Agreement. Notwithstanding the provisions of the Plan relating to required minimum distributions under Code §401(a)(9), a Participant or Beneficiary who would have been required to receive required minimum distributions for 2009 but for the enactment of Code §401(a)(9)(H) ("2009 RMDs"), and who would have satisfied that requirement by receiving distributions that are (i) equal to the "2009 RMDs"

or (ii) one or more payments in a series of substantially equal distributions (that include the "2009 RMDs") made at least annually and expected to last for the life (or "life expectancy") of the Participant, the joint lives (or joint "life expectancy") of the Participant and the Participant's "designated Beneficiary," or for a period of at least 10 years ("Extended 2009 RMDs"), did not receive those distributions for 2009 unless the Participant or Beneficiary choose not to receive such distributions. Participants and Beneficiaries described in the preceding sentence were given the opportunity to elect to stop receiving the distributions described in the preceding sentence.

(3) **Direct rollovers.** Notwithstanding the provisions of the Plan relating to required minimum distributions under Code §401(a)(9), and solely for purposes of applying the direct rollover provisions of the Plan, certain additional distributions in 2009, as elected by the Employer in the WRERA – RMD Waivers for 2009 Section of the Adoption Agreement, were treated as eligible rollover distributions. If no election was made by the Employer in the Adoption Agreement, then a direct rollover was offered only for distributions that would have been eligible rollover distributions without regard to Code §401(a)(9)(H).

6.9 DISTRIBUTION FOR MINOR OR INCOMPETENT INDIVIDUAL

If, in the opinion of the Administrator, a Participant or Beneficiary entitled to a distribution is not able to care for his or her affairs because of a mental condition, a physical condition, or by reason of age, Administrator shall direct the distribution to the Participant's or Beneficiary's guardian, conservator, trustee, custodian (including under a Uniform Transfers or Gifts to Minors Act) or to his or her attorney-in-fact or to other legal representative, upon furnishing evidence of such status satisfactory to the Administrator. The Administrator and the Trustee (or Insurer) do not have any liability with respect to payments so made and neither the Administrator nor the Trustee (or Insurer) has any duty to make inquiry as to the competence of any person entitled to receive payments under the Plan.

6.10 LOCATION OF PARTICIPANT OR BENEFICIARY UNKNOWN

In the event that all, or any portion, of the distribution payable to a Participant or Beneficiary hereunder shall, at the later of the Participant's attainment of age 62 or Normal Retirement Age, remain unpaid solely by reason of the inability of the Administrator to ascertain the whereabouts of such Participant or Beneficiary, the amount so distributable may, in the sole discretion of the Administrator, either be treated as a Forfeiture or be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b). In addition, if the Plan provides for mandatory distributions and the amount to be distributed to a Participant or Beneficiary does not exceed \$1,000, then the amount distributable may, in the sole discretion of the Administrator, either be treated as a Forfeiture, or be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b) at the time it is determined that the whereabouts of the Participant or the Participant's Beneficiary cannot be ascertained. In the event a Participant or Beneficiary is located subsequent to the Forfeiture, such benefit shall be restored, first from Forfeitures, if any, and then from an additional Employer contribution if necessary. Upon Plan termination, the portion of the distributable amount that is an "eligible rollover distribution" as defined in Section 6.14(b)(1) may be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b). However, regardless of the preceding, a benefit that is lost by reason of escheat under applicable state law is not treated as a Forfeiture for purposes of this Section nor as an impermissible forfeiture under the Code.

6.11 IN-SERVICE DISTRIBUTION

If elected in the Adoption Agreement, at such time as the conditions set forth in the Adoption Agreement have been satisfied, then the Administrator, at the election of a Participant who has not severed employment with the Employer, shall direct the distribution of up to the entire Vested amount then credited to the Accounts as elected in the Adoption Agreement maintained on behalf of such Participant. For purposes of this Section, a Participant shall include an Employee who has an Account balance in the Plan. In the event that the Administrator makes such a distribution, the Participant shall continue to be eligible to participate in the Plan on the same basis as any other Employee. Any distribution made pursuant to this Section shall be made in a manner consistent with Section 6.5. Furthermore, if an in-service distribution is permitted from more than one account type, the Administrator may determine any ordering of a Participant's in-service distribution from such accounts.

6.12 ADVANCE DISTRIBUTION FOR HARDSHIP

(a) **Hardship events.** For 401(a) Plans, if elected in the Adoption Agreement, the Administrator, at the election of the Participant, shall direct the distribution to any Participant in any one Plan Year up to the lesser of 100% of the Vested interest of the Accounts selected in the Adoption Agreement, valued as of the last Valuation Date or the amount necessary to satisfy the immediate and heavy financial need of the Participant. For purposes of this Section, a Participant shall include an Employee who has an Account balance in the Plan. Any distribution made pursuant to this Section shall be deemed to be made as of the first day of the Plan Year or, if later, the Valuation Date immediately preceding the date of distribution, and the Account from which the distribution is made shall be reduced accordingly. Withdrawal under this Section shall be authorized only if the distribution is for an immediate and heavy financial need. The Administrator will determine whether there is an immediate and heavy financial need based on the facts and circumstances. An immediate and heavy financial need includes, but is not limited to, a distribution for one of the following:

- (1) Expenses for (or necessary to obtain) medical care (as defined in Code §213(d));
- (2) Costs directly related to the purchase (excluding mortgage payments) of a principal residence for the Participant;

(3) Payments for burial or funeral expenses for the Participant's deceased parent, Spouse, children or dependents (as defined in Code §152, and without regard to Code §152(d)(1)(B));

(4) Payment of tuition, related educational fees, and room and board expenses, for up to the next twelve (12) months of post-secondary education for the Participant, the Participant's Spouse, children, or dependents (as defined in Code §152, and without regard to Code §§152(b)(1), (b)(2), and (d)(1)(B));

(5) Payments necessary to prevent the eviction of the Participant from the Participant's principal residence or foreclosure on the mortgage on that residence; or

(6) Expenses for the repair of damage to the Participant's principal residence that would qualify for the casualty deduction under Code §165 (determined without regard to whether the loss exceeds 10% of adjusted gross income).

(b) **Beneficiary-based distribution.** If elected in the Adoption Agreement, then effective as of the date specified in the Adoption Agreement, but no earlier than August 17, 2006, a Participant's hardship event includes an immediate and heavy financial need of the Participant's "primary Beneficiary under the Plan," that would constitute a hardship event if it occurred with respect to the Participant's Spouse or dependent as defined under Code §152 (such hardship events being limited to educational expenses, funeral expenses and certain medical expenses). For purposes of this Section, a Participant's "primary Beneficiary under the Plan" is an individual who is named as a Beneficiary under the Plan (by the Participant or pursuant to Section 6.2(d)) and has an unconditional right to all or a portion of the Participant's Account balance under the Plan upon the Participant's death.

(c) **Other limits and conditions.** If elected in the Adoption Agreement, no distribution shall be made pursuant to this Section from the Participant's Account until such Account has become fully Vested. Furthermore, if a hardship distribution is permitted from more than one Account, the Administrator may determine any ordering of a Participant's hardship distribution from such Accounts.

(d) **Distribution rules apply.** Any distribution made pursuant to this Section shall be made in a manner which is consistent with and satisfies the provisions of Section 6.5.

6.13 QUALIFIED DOMESTIC RELATIONS ORDER DISTRIBUTION

All benefits provided to a Participant in this Plan shall be subject to the rights afforded to any Alternate Payee under a "qualified domestic relations order." Furthermore, unless otherwise elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections) a distribution to an Alternate Payee shall be permitted if such distribution is authorized by a "qualified domestic relations order," even if the affected Participant has not reached the "earliest retirement age." For the purposes of this Section, "qualified domestic relations order" and "earliest retirement age" shall have the meanings set forth under Code §414(p). For purposes of this Section, however, a distribution that is made pursuant to a domestic relations order which meets the requirements of Code §414(p)(1)(A)(i) will be treated as being made pursuant to a "qualified domestic relations order."

Effective as of April 6, 2007, a domestic relations order that otherwise satisfies the requirements for a "qualified domestic relations order" will not fail to be a "qualified domestic relations order": (i) solely because the order is issued after, or revises, another domestic relations order or "qualified domestic relations order"; or (ii) solely because of the time at which the order is issued, including issuance after the Annuity Starting Date or after the Participant's death.

6.14 DIRECT ROLLOVERS

(a) **Right to direct rollover.** Notwithstanding any provision of the Plan to the contrary that would otherwise limit a "distributee's" election under this Section, a "distributee" may elect, at the time and in the manner prescribed by the Administrator, to have an "eligible rollover distribution" paid directly to an "eligible retirement plan" specified by the "distributee" in a "direct rollover." However, if less than the entire amount of the "eligible rollover distribution" is being paid directly to an "eligible retirement plan," then the Administrator may require that the amount paid directly to such plan be at least \$500.

(b) **Definitions.** For purposes of this Section, the following definitions shall apply:

(1) **Eligible rollover distribution.** An "eligible rollover distribution" means any distribution described in Code §402(c)(4) and generally includes any distribution of all or any portion of the balance to the credit of the "distributee," except that an "eligible rollover distribution" does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the "distributee" or the joint lives (or joint life expectancies) of the "distributee" and the "distributee's" "designated Beneficiary," or for a specified period of ten (10) years or more; any distribution to the extent such distribution is required under Code §401(a)(9); any hardship distribution; the portion of any other distribution(s) that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); and any other distribution reasonably expected to total less than \$200 during a year. For purposes of the \$200 rule, a distribution from a designated Roth account and a distribution from other accounts under the Plan may be treated as made under separate plans. In addition, Section 6.8(f)(2) applies with respect to distributions made in 2009.

Notwithstanding the above, a portion of a distribution shall not fail to be an "eligible rollover distribution" merely because the portion consists of after-tax voluntary Employee contributions which are not includible in gross income. However, such portion may be transferred only to:

- (i) a traditional individual retirement account or annuity described in Code §408(a) or (b) (a "traditional IRA")
- (ii) for taxable years beginning after December 31, 2006, a Roth individual account or annuity described in Code §408A (a "Roth IRA"), or
- (iii) a qualified defined contribution plan or an annuity contract described in Code §401(a) or Code §403(b), respectively, that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(2) **Eligible retirement plan.** An "eligible retirement plan" is a "traditional IRA," for distributions made after December 31, 2007, a "Roth IRA," a qualified trust (an employees' trust) described in Code §401(a) which is exempt from tax under Code §501(a), an annuity plan described in Code §403(a), an eligible plan under Code §457(b) which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision and which agrees to separately account for amounts transferred into such plan from this Plan, and an annuity contract described in Code §403(b), that accepts the "distributee's" "eligible rollover distribution." The definition of "eligible retirement plan" shall also apply in the case of a distribution to a surviving Spouse, or to a Spouse or former Spouse who is an Alternate Payee. If any portion of an "eligible rollover distribution" is attributable to payments or distributions from a designated Roth account, an "eligible retirement plan" with respect to such portion shall include only another designated Roth account of the individual from whose account the payments or distributions were made, or a Roth IRA of such individual. In the case of a "distributee" who is a non-Spouse designated Beneficiary, (i) the "direct rollover" may be made only to a traditional or Roth individual retirement account or an annuity described in Code §408(b) ("IRA") that is established on behalf of the designated non-Spouse Beneficiary and that will be treated as an inherited IRA pursuant to the provisions of Code §402(c)(11), and (ii) the determination of any required minimum distribution required under Code §401(a)(9) that is ineligible for rollover shall be made in accordance with IRS Notice 2007-7, Q&A 17 and 18.

(3) **Distributee.** A "distributee" includes an Employee or Former Employee. In addition, the Employee's or Former Employee's surviving Spouse and the Employee's or Former Employee's Spouse or former Spouse who is the Alternate Payee, are "distributees" with regard to the interest of the Spouse or former Spouse.

(4) **Direct rollover.** A "direct rollover" is a payment by the Plan to the "eligible retirement plan" specified by the "distributee."

(c) **Participant notice.** A Participant entitled to an "eligible rollover distribution" must receive a written explanation of the right to a "direct rollover," the tax consequences of not making a "direct rollover," and, if applicable, any available special income tax elections. The notice must be provided no less than thirty (30) days and no more than one-hundred eighty (180) (ninety (90) for Plan Years beginning before January 1, 2007) days before the Annuity Starting Date. The "direct rollover" notice must be provided to all Participants, unless the total amount the Participant will receive as a distribution during the calendar year is expected to be less than \$200.

(d) **Non-Spouse Beneficiary rollover right.** For distributions after December 31, 2009, and unless otherwise elected in the Adoption Agreement, for distributions after December 31, 2006, a non-Spouse Beneficiary who is a "designated Beneficiary" under Code §401(a)(9)(E) and the Regulations thereunder, by a direct trustee-to-trustee transfer ("direct rollover"), may roll over all or any portion an "eligible rollover distribution" to an IRA the Beneficiary establishes for purposes of receiving the distribution.

(1) **Certain requirements not applicable.** Any distribution made prior to January 1, 2010 is not subject to the "direct rollover" requirements of Code §401(a)(31) (including Code §401(a)(31)(B)), the notice requirements of Code §402(f) or the mandatory withholding requirements of Code §3405(c).

(2) **Trust Beneficiary.** If the Participant's named Beneficiary is a trust, the Plan may make a direct rollover to an IRA on behalf of the trust, provided the trust satisfies the requirements to be a "designated Beneficiary."

6.15 RESTRICTIONS ON DISTRIBUTION OF ASSETS TRANSFERRED FROM A MONEY PURCHASE PLAN

Notwithstanding any provision of this Plan to the contrary, to the extent that any optional form of benefit under this Plan permits a distribution prior to the Employee's retirement, death, Total and Permanent Disability, or severance from employment, and prior to Plan termination, the optional form of benefit is not available with respect to benefits attributable to assets (including the post-transfer earnings thereon) and liabilities that are transferred, within the meaning of Code §414(l), to this Plan from a money purchase pension plan qualified under Code §401(a) (other than any portion of those assets and liabilities attributable to after-tax voluntary Employee contributions or to a direct or indirect rollover contribution). Notwithstanding anything in the Plan to the contrary, effective with respect to Plan Years beginning after June 30, 2008, a Participant may not obtain an in-service distribution with respect to such transferred amounts prior to the earlier of the Participant's Normal Retirement Age or attainment of age 62.

6.16 CORRECTIVE DISTRIBUTIONS

Nothing in this Article shall preclude the Administrator from making a distribution to a Participant, to the extent such distribution is made to correct a qualification defect in accordance with the corrective procedures under the IRS' Employee Plans Compliance Resolution System or any other voluntary compliance programs established by the IRS.

6.17 HEART ACT

(a) **Death benefits.** In the case of a death occurring on or after January 1, 2007, if a Participant dies while performing qualified military service (as defined in Code §414(u)), the Participant's Beneficiary is entitled to any additional benefits (other than benefit accruals relating to the period of qualified military service) provided under the Plan as if the Participant had resumed employment and then terminated employment on account of death. Moreover, the Plan will credit the Participant's qualified military service as service for vesting purposes, as though the Participant had resumed employment under Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA) immediately prior to the Participant's death.

(b) **Military Differential Pay.** For years beginning after December 31, 2008: (1) an individual receiving Military Differential Pay is treated as an Employee of the Employer making the payment; (2) the Military Differential Pay is treated as 415 Compensation (and Compensation unless otherwise elected in the Adoption Agreement); and (3) the Plan is not treated as failing to meet the requirements of any provision described in Code §414(u)(1)(C) (or corresponding Plan provisions) by reason of any contribution or benefit which is based on the Military Differential Pay. The Administrator operationally may determine, for purposes of the provisions described in Code §414(u)(1)(C), whether to take into account any matching contributions, attributable to Military Differential Pay.

(c) **Deemed Severance.** Notwithstanding Subsection (b)(1) above, if elected in the Adoption Agreement, a Participant performs service in the uniformed services (as defined in Code §414(u)(12)(B)) on active duty for a period of more than 30 days, the Participant will be deemed to have a severance from employment solely for purposes of eligibility for distribution of amounts not attributable to Employer contributions to a money purchase pension plan. However, the Plan will not distribute such a Participant's Account on account of this deemed severance unless the Participant specifically elects to receive a benefit distribution hereunder.

6.18 SERVICE CREDIT

The Administrator, upon Participant request, may direct the transfer of all or a portion of the Participant's Account to a governmental defined benefit plan (as defined in Code §414(d)) in which he or she participates for the purchase of permissive service credit (as defined in Code §415(n)(3)(A)).

**ARTICLE VII
TRUSTEE AND CUSTODIAN**

7.1 BASIC RESPONSIBILITIES OF THE TRUSTEE

(a) **Application of Article.** The provisions of this Article, other than Section 7.6, shall not apply to this Plan if a separate trust agreement is being used. Furthermore, the provisions of this Article, other than Sections 7.5 and 7.6, shall not apply if the Plan is fully insured. If the Employer has appointed two or more Trustees to hold Plan assets, then each Trustee shall be the Trustee only with respect to those Plan assets specifically deposited by the Employer in the Trust Fund for which such Trustee is the trustee. References in the Plan to the responsibilities, power or duties of the Trustee and any other provisions in the Plan relating to the Trustee shall be interpreted as applying to each Trustee only with respect to the assets of the Trust Fund for which such Trustee is the Trustee. Each Trustee shall have no responsibility for, or liability with respect to, any of the Plan assets other than the assets for which it serves as Trustee.

(b) **No Duty to collect contributions.** The Trustee is accountable to the Employer for the funds contributed to the Plan by the Employer, but the Trustee does not have any duty to see that the contributions received comply or are deposited in accordance with the provisions of the Plan.

(c) **Reliance on Administrator's directions.** The Trustee will credit and distribute the Trust Fund as directed by the Administrator. The Trustee is not obligated to inquire as to whether any payee or distributee is entitled to any payment or whether the distribution is proper or within the terms of the Plan, or whether the manner of making any payment or distribution is proper. The Trustee is accountable only to the Administrator for any payment or distribution made by it in good faith on the order or direction of the Administrator.

(d) **Directions by others.** In the event that the Trustee shall be directed by a Participant (pursuant to the Participant Direction Procedures if the Plan permits Participant directed investments), the Employer, or an Investment Manager or other agent appointed by the Employer with respect to the investment of any or all Plan assets, the Trustee shall have no liability with respect to the investment of such assets, but shall be responsible only to execute such investment instructions as so directed.

(1) The Trustee shall be entitled to rely fully on the written (or other form acceptable to the Administrator and the Trustee, including but not limited to, voice recorded) instructions of a Participant (pursuant to the Participant Direction Procedures), the Employer, or any fiduciary or nonfiduciary agent of the Employer, in the discharge of such duties, and

shall not be liable for any loss or other liability resulting from such direction (or lack of direction) of the investment of any part of the Plan assets.

(2) The Trustee may delegate the duty of executing such instructions to any nonfiduciary agent, which may be an affiliate of the Trustee or any Plan representative.

(3) The Trustee may refuse to comply with any direction from the Participant in the event the Trustee, in its sole and absolute discretion, deems such direction improper by virtue of applicable law. The Trustee shall not be responsible or liable for any loss or expense that may result from the Trustee's refusal or failure to comply with any direction from the Participant.

(4) Any costs and expenses related to compliance with the Participant's directions shall be borne by the Participant's Directed Account, unless paid by the Employer.

(5) Notwithstanding anything herein above to the contrary, the Trustee shall not invest any portion of a Participant's Directed Account in "collectibles" within the meaning of Code §408(m).

(e) **Records.** The Trustee will maintain records of receipts and disbursements and furnish to the Employer and/or Administrator for each Plan Year a written annual report pursuant to Section 7.9.

(f) **Employment of bank or trust company.** The Trustee may employ a bank or trust company pursuant to the terms of its usual and customary bank agency agreement, under which the duties of such bank or trust company shall be of a custodial, clerical and record-keeping nature.

(g) **Payment of expenses.** The Trustee may employ and pay from the Trust Fund reasonable compensation to agents, attorneys, accountants and other persons to advise the Trustee as in its opinion may be necessary. The Trustee may delegate to any agent, attorney, accountant or other person selected by it any non-Trustee power or duty vested in it by the Plan, and the Trustee may act or refrain from acting on the advice or opinion of any such person.

7.2 INVESTMENT POWERS AND DUTIES OF DISCRETIONARY TRUSTEE

(a) **Discretionary authority.** This Section applies if the Employer, in the Adoption Agreement or as otherwise agreed upon by the Employer and the Trustee, designates the Trustee to administer all or a portion of the trust as a Discretionary Trustee. If so designated, then the Trustee has the discretion and authority to invest, manage, and control those Plan assets except, however, with respect to those assets which are subject to the investment direction of a Participant (if Participant directed investments are permitted), or an Investment Manager, the Administrator, or other agent appointed by the Employer. The exercise of any investment discretion hereunder shall be consistent with the "funding policy and method" determined by the Employer.

(b) **Duties.** The Trustee shall, except as otherwise provided in this Plan, invest and reinvest the Trust Fund to keep the Trust Fund invested without distinction between principal and income and in such securities or property, real or personal, wherever situated, as the Trustee shall deem advisable, including, but not limited to, common or preferred stocks, open-end or closed-end mutual funds, bonds and other evidences of indebtedness or ownership, and real estate or any interest therein. The Trustee shall at all times in making investments of the Trust Fund consider, among other factors, the short and long-term financial needs of the Plan on the basis of information furnished by the Employer. In making such investments, the Trustee shall not be restricted to securities or other property of the character expressly authorized by the applicable law for trust investments; however, the Trustee shall give due regard to any limitations imposed by the Code so that at all times this Plan may qualify as a qualified Plan and Trust. The Trustee shall discharge its duties with respect to the Plan solely in the interest of the Participants and Beneficiaries and with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.

(c) **Powers.** The Trustee, in addition to all powers and authorities under common law, statutory authority and other provisions of this Plan, shall have the following powers and authorities to be exercised in the Trustee's sole discretion:

(1) To purchase, or subscribe for, any securities or other property and to retain the same. In conjunction with the purchase of securities, margin accounts may be opened and maintained;

(2) To sell, exchange, convey, transfer, grant options to purchase, or otherwise dispose of any securities or other property held by the Trustee, by private contract or at public auction. No person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity, expediency, or propriety of any such sale or other disposition, with or without advertisement;

(3) To vote upon any stocks, bonds, or other securities; to give general or special proxies or powers of attorney with or without power of substitution; to exercise any conversion privileges, subscription rights or other options, and to make any payments incidental thereto; to oppose, or to consent to, or otherwise participate in, corporate reorganizations or other changes affecting corporate securities, and to delegate discretionary powers, and to pay any assessments or charges in connection therewith; and generally to exercise any of the powers of an owner with respect to stocks, bonds, securities, or other property;

(4) To cause any securities or other property to be registered in the Trustee's own name, or in the name of a nominee or in a street name provided such securities or other property are held on behalf of the Plan by (i) a bank or trust company, (ii) a broker or dealer registered under the Securities Exchange Act of 1934, or a nominee of such broker or dealer, or (iii) a clearing agency as defined in Section 3(a)(23) of the Securities Exchange Act of 1934;

(5) To invest in a common, collective, or pooled trust fund (the provisions of which are incorporated herein by reference) maintained by any Trustee (or any affiliate of such Trustee) hereunder pursuant to Revenue Ruling 81-100 (as modified by Rev. Rul. 2011-1 or any subsequent guidance), all or such part of the Trust Fund as the Trustee may deem advisable, and the part of the Trust Fund so transferred shall be subject to all the terms and provisions of the common, collective, or pooled trust fund which contemplate the commingling for investment purposes of such trust assets with trust assets of other trusts. The name of the trust fund may be specified in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections). The Trustee may withdraw from such common, collective, or pooled trust fund all or such part of the Trust Fund as the Trustee may deem advisable;

(6) To borrow or raise money for the purposes of the Plan in such amount, and upon such terms and conditions, as the Trustee shall deem advisable; and for any sum so borrowed, to issue a promissory note as Trustee, and to secure the repayment thereof by pledging all, or any part, of the Trust Fund; and no person lending money to the Trustee shall be bound to see to the application of the money lent or to inquire into the validity, expediency, or propriety of any borrowing;

(7) To accept and retain for such time as it may deem advisable any securities or other property received or acquired by it as Trustee hereunder, whether or not such securities or other property would normally be purchased as investments hereunder;

(8) To make, execute, acknowledge, and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the powers herein granted;

(9) To settle, compromise, or submit to arbitration (provided such arbitration does not apply to qualification issues nor to Participants or Beneficiaries) any claims, debts, or damages due or owing to or from the Plan, to commence or defend suits or legal or administrative proceedings, and to represent the Plan in all suits and legal and administrative proceedings;

(10) To employ suitable agents and counsel and to pay their reasonable expenses and compensation, and such agents or counsel may or may not be an agent or counsel for the Employer;

(11) To apply for and procure from the insurer as an investment of the Trust Fund any annuity or other Contracts (on the life of any Participant, or in the case of a 401(a) Plan, on the life of any person in whom a Participant has an insurable interest, or on the joint lives of a Participant and any person in whom the Participant has an insurable interest) as the Administrator shall deem proper; to exercise, at any time or from time to time, whatever rights and privileges may be granted under such annuity, or other Contracts; to collect, receive, and settle for the proceeds of all such annuity, or other Contracts as and when entitled to do so under the provisions thereof;

(12) To invest funds of the Trust in time deposits or savings accounts bearing a reasonable rate of interest or in cash or cash balances without liability for interest thereon, including the specific authority to invest in any type of deposit of the Trustee (or of a financial institution related to the Trustee);

(13) To invest in Treasury Bills and other forms of United States government obligations;

(14) To sell, purchase and acquire put or call options if the options are traded on and purchased through a national securities exchange registered under the Securities Exchange Act of 1934, as amended, or, if the options are not traded on a national securities exchange, are guaranteed by a member firm of the New York Stock Exchange regardless of whether such options are covered;

(15) To deposit monies in federally insured savings accounts or certificates of deposit in banks or savings and loan associations including the specific authority to make deposit into any savings accounts or certificates of deposit of the Trustee (or a financial institution related to the Trustee);

(16) To pool all or any of the Trust Fund, from time to time, with assets belonging to any other qualified employee pension benefit trust created by the Employer or any Affiliated Employer, and to commingle such assets and make joint or common investments and carry joint accounts on behalf of this Plan and Trust and such other trust or trusts, allocating undivided shares or interests in such investments or accounts or any pooled assets of the two or more trusts in accordance with their respective interests; and

(17) To do all such acts and exercise all such rights and privileges, although not specifically mentioned herein, as the Trustee may deem necessary to carry out the purposes of the Plan.

(d) **Appointment of Investment Manager or others.** The Trustee may appoint, at its option, an Investment Manager, investment adviser, or other agent to provide direction to the Trustee with respect to the investment of any or all of the Plan assets. Such appointment shall be in writing and shall specifically identify the Plan assets with respect to which the Investment Manager or other agent shall have the authority to direct the investment.

7.3 INVESTMENT POWERS AND DUTIES OF NONDISCRETIONARY TRUSTEE

(a) **No discretionary powers.** This Section applies if the Employer, in the Adoption Agreement or as otherwise agreed upon by the Employer and the Trustee, designates the Trustee to administer all or a portion of the trust as a nondiscretionary Trustee. If so designated, then the Trustee shall have no discretionary authority to invest, manage, or control those Plan assets, but must act solely as a Directed Trustee of those Plan assets. A nondiscretionary Trustee, as Directed Trustee of the Plan funds it holds, is authorized and empowered, by way of limitation, with the powers, rights and duties set forth herein, each of which the nondiscretionary Trustee exercises solely as Directed Trustee in accordance with the direction of the party which has the authority to manage and control the investment of the Plan assets. If no directions are provided to the Trustee, the Employer will provide necessary direction. Furthermore, the Employer and the nondiscretionary Trustee may, in writing, limit the powers of the nondiscretionary Trustee to any combination of powers listed within this Section. The party which has the authority to manage and control the investment of the Plan assets shall discharge its duties with respect to the Plan solely in the interest of the Participants and Beneficiaries and with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.

(b) **Powers.** The Trustee, in addition to all powers and authorities under common law, statutory authority and other provisions of this Plan, shall have the following powers and authorities:

(1) To invest the assets, without distinction between principal and income, in securities or property, real or personal, wherever situated, including, but not limited to, common or preferred stocks, open-end or closed-end mutual funds, bonds and other evidences of indebtedness or ownership, and real estate or any interest therein. In making such investments, the Trustee shall not be restricted to securities or other property of the character expressly authorized by the applicable law for trust investments; however, the Trustee shall give due regard to any limitations imposed by the Code so that at all times this Plan may qualify as a qualified Plan and Trust;

(2) To purchase, or subscribe for, any securities or other property and to retain the same. In conjunction with the purchase of securities, margin accounts may be opened and maintained;

(3) To sell, exchange, convey, transfer, grant options to purchase, or otherwise dispose of any securities or other property held by the Trustee, by private contract or at public auction. No person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity, expediency, or propriety of any such sale or other disposition, with or without advertisement;

(4) At the direction of the party which has the authority or discretion, to vote upon any stocks, bonds, or other securities; to give general or special proxies or powers of attorney with or without power of substitution; to exercise any conversion privileges, subscription rights or other options, and to make any payments incidental thereto; to oppose, or to consent to, or otherwise participate in, corporate reorganizations or other changes affecting corporate securities, and to delegate powers, and pay any assessments or charges in connection therewith; and generally to exercise any of the powers of an owner with respect to stocks, bonds, securities, or other property;

(5) To cause any securities or other property to be registered in the Trustee's own name, or in the name of a nominee or in a street name provided such securities or other property are held on behalf of the Plan by (i) a bank or trust company, (ii) a broker or dealer registered under the Securities Exchange Act of 1934, or a nominee of such broker or dealer, or (iii) a clearing agency as defined in Section 3(a)(23) of the Securities Exchange Act of 1934;

(6) To invest in a common, collective, or pooled trust fund (the provisions of which are incorporated herein by reference) maintained by any Trustee (or any affiliate of such Trustee) hereunder pursuant to Revenue Ruling 81-100 (as modified by Rev. Rul. 2011-1 or any subsequent guidance), all or such part of the Trust Fund as the party which has the authority to manage and control the investment of the assets shall deem advisable, and the part of the Trust Fund so transferred shall be subject to all the terms and provisions of the common, collective, or pooled trust fund which contemplate the commingling for investment purposes of such trust assets with trust assets of other trusts. The name of the trust fund may be specified in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections);

(7) To borrow or raise money for the purposes of the Plan in such amount, and upon such terms and conditions, as the Trustee shall deem advisable, and for any sum so borrowed, to issue a promissory note as Trustee, and to secure the repayment thereof by pledging all, or any part, of the Trust Fund; and no person lending money to the Trustee shall be bound to see to the application of the money lent or to inquire into the validity, expediency, or propriety of any borrowing;

(8) To make, execute, acknowledge, and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the powers herein granted;

(9) To settle, compromise, or submit to arbitration (provided such arbitration does not apply to qualification issues nor to Participants or Beneficiaries) any claims, debts, or damages due or owing to or from the Plan, to commence or defend suits or legal or administrative proceedings, and to represent the Plan in all suits and legal and administrative proceedings;

(10) To employ suitable agents and counsel and to pay their reasonable expenses and compensation, and such agent or counsel may or may not be an agent or counsel for the Employer;

(11) To apply for and procure from the Insurer as an investment of the Trust Fund any annuity or other Contracts (on the life of any Participant, or in the case of a 401(a) Plan, on the life of any person in whom a Participant has an insurable interest, or on the joint lives of a Participant and any person in whom the Participant has an insurable interest) as the Administrator shall deem proper; to exercise, at the direction of the person with the authority to do so, whatever rights and privileges may be granted under such annuity or other Contracts; to collect, receive, and settle for the proceeds of all such annuity or other Contracts as and when entitled to do so under the provisions thereof;

(12) To invest funds of the Trust in time deposits or savings accounts bearing a reasonable rate of interest or in cash or cash balances without liability for interest thereon, including the specific authority to invest in any type of deposit of the Trustee (or of a financial institution related to the Trustee);

(13) To invest in Treasury Bills and other forms of United States government obligations;

(14) To sell, purchase and acquire put or call options if the options are traded on and purchased through a national securities exchange registered under the Securities Exchange Act of 1934, as amended, or, if the options are not traded on a national securities exchange, are guaranteed by a member firm of the New York Stock Exchange regardless of whether such options are covered;

(15) To deposit monies in federally insured savings accounts or certificates of deposit in banks or savings and loan associations including the specific authority to make deposit into any savings accounts or certificates of deposit of the Trustee (or a financial institution related to the Trustee); and

(16) To pool all or any of the Trust Fund, from time to time, with assets belonging to any other qualified employee pension benefit trust created by the Employer or any Affiliated Employer, and to commingle such assets and make joint or common investments and carry joint accounts on behalf of this Plan and such other trust or trusts, allocating undivided shares or interests in such investments or accounts or any pooled assets of the two or more trusts in accordance with their respective interests.

(c) The Trustee shall have no responsibility to enforce the collection from the Employer of any contribution to the Plan or determine the correctness of the amount or timing any contribution. The Employer is responsible for transmitting contributions to the Trustee at such times and in such manner as is mutually agreed upon by the Employer and the Trustee and as required by the Plan and applicable law.

7.4 POWERS AND DUTIES OF CUSTODIAN

The Employer may appoint a Custodian of the Plan assets. A Custodian has the same powers, rights and duties as a nondiscretionary Trustee. Any reference in the Plan to a Trustee also is a reference to a Custodian unless the context of the Plan indicates otherwise. A limitation of the Trustee's liability by Plan provision also acts as a limitation of the Custodian's liability. The Custodian will be protected from any liability with respect to actions taken pursuant to the direction of the Trustee, Administrator, the Employer, an Investment Manager, a fiduciary or other third party with authority to provide direction to the Custodian. The resignation or removal of the Custodian shall be made in accordance with Section 7.11 as though the Custodian were a Trustee.

7.5 LIFE INSURANCE

(a) **Permitted insurance.** The Trustee (or Insurer), in accordance with operational procedures of the Administrator, shall ratably apply for, own, and pay all premiums on Contracts on the lives of the Participants or, in the case of a 401(a) Plan, on the life of a member of the Participant's family or on the joint lives of a Participant and a member of the Participant's family. Furthermore, if a Contract is purchased on the joint lives of the Participant and another person and such other person predeceases the Participant, then the Contract may not be maintained under this Plan. Any initial or additional Contract purchased on behalf of a Participant shall have a face amount of not less than \$1,000, an amount set forth in the Administrator's procedures, or the limitation of the Insurer, whichever is greater. If a life insurance Contract is to be purchased for a Participant, then the aggregate premium for ordinary life insurance for each Participant must be less than 50% of the aggregate contributions and Forfeitures allocated to the Participant's Combined Account. For purposes of this limitation, ordinary life insurance Contracts are Contracts with both non-decreasing death benefits and non-increasing premiums. If term insurance or universal life insurance is purchased, then the aggregate premium must be 25% or less of the aggregate contributions and Forfeitures allocated to the Participant's Combined Account. If both term insurance and ordinary life insurance are purchased, then the premium for term insurance plus one-half of the premium for ordinary life insurance may not in the aggregate exceed 25% of the aggregate Employer contributions and Forfeitures allocated to the Participant's Combined Account. Notwithstanding the preceding, the limitations imposed herein with respect to the purchase of life insurance shall not apply, in the case of a 401(a) Plan, to the portion of the Participant's Account that has accumulated for at least two (2) Plan Years or to the entire Participant's Account if the Participant has been a Participant in the Plan for at least five (5) years. In addition, amounts transferred to this Plan in accordance with Section 4.6(f)(1)(ii) or (iii) and a Participant's Voluntary Contribution Account may be used to purchase Contracts without limitation. Thus, amounts that are not subject to the limitations contained herein may be used to purchase life insurance on any person in whom a Participant has an insurable interest or on the joint lives of a Participant and any person in whom the Participant has an insurable interest, and without regard to the amount of premiums paid to purchase any life insurance hereunder.

(b) **Contract conversion at retirement.** The Trustee (or Insurer) must distribute any Contracts to the Participant or convert the entire value of the Contracts at or before retirement into cash or provide for a periodic income so that no portion of such value may be used to continue life insurance protection beyond the date on which benefits commence.

(c) **Limitations on purchase.** No life insurance Contracts shall be required to be obtained on an individual's life if, for any reason (other than the nonpayment of premiums) the Insurer will not issue a Contract on such individual's life.

(d) **Proceeds payable to plan.** The Trustee (or Insurer) will be the owner of any life insurance Contract purchased under the terms of this Plan. The Contract must provide that the proceeds will be payable to the Trustee (or Insurer); however, the Trustee (or Insurer) shall be required to pay over all proceeds of the Contract to the Participant's "designated Beneficiary" in accordance with the distribution provisions of Article VI. A Participant's Spouse will be the "designated Beneficiary" pursuant to Section 6.2, unless a qualified election has been made in accordance with Sections 6.5 and 6.6 of the Plan, if applicable. Under no circumstances shall the Trust retain any part of the proceeds that are in excess of the cash surrender value immediately prior to death. However, the Trustee (or Insurer) shall not pay the proceeds in a method that would violate the requirements of the Retirement-Equity Act of 1984, as stated in Article VI of the Plan, or Code §401(a)(9) and the Regulations thereunder. In the event of any conflict between the terms of this Plan and the terms of any insurance Contract purchased hereunder, the Plan provisions shall control.

(e) **No responsibility for act of Insurer.** The Employer, the Administrator and the Trustee shall not be responsible for the validity of the provisions under a Contract issued hereunder or for the failure or refusal by the Insurer to provide benefits under such Contract. The Employer, Administrator and the Trustee are also not responsible for any action or failure to act by the Insurer or any other person which results in the delay of a payment under the Contract or which renders the Contract invalid or unenforceable in whole or in part.

7.6 LOANS TO PARTICIPANTS

(a) **Permitted Loans.** The Trustee (or the Administrator if the Trustee is a nondiscretionary Trustee or if loans are treated as Participant directed investments) may, in the Trustee's (or, if applicable, the Administrator's) sole discretion, make loans to Participants. If loans are permitted, then the following shall apply: (1) loans shall be made available to all Participants on a reasonably equivalent basis; (2) loans shall bear a reasonable rate of interest; (3) loans shall be adequately secured; and (4) loans shall provide for periodic repayment over a reasonable period of time. Furthermore, no Participant loan shall exceed the Participant's Vested interest in the Plan. For purposes of this Section, the term Participant shall include any Eligible Employee who is not yet a Participant, if, pursuant to the Adoption Agreement, "rollovers" are permitted to be accepted from Eligible Employees.

(b) **Prohibited assignment or pledge.** An assignment or pledge of any portion of a Participant's interest in the Plan and a loan, pledge, or assignment with respect to any insurance Contract purchased under the Plan, shall be treated as a loan under this Section.

(c) **Loan program.** The Administrator shall be authorized to establish a Participant loan program to provide for loans under the Plan. In order for the Administrator to implement such loan program, a separate written document forming a part of this Plan must be adopted, which document shall specifically include, but need not be limited to, the following:

- (1) the identity of the person or positions authorized to administer the Participant loan program;
- (2) a procedure for applying for loans;
- (3) the basis on which loans will be approved or denied;
- (4) limitations, if any, on the types and amounts of loans offered;
- (5) the procedure under the program for determining a reasonable rate of interest;
- (6) the types of collateral which may secure a Participant loan; and
- (7) the events constituting default and the steps that will be taken to preserve Plan assets in the event such default.

(d) **Loan default.** Notwithstanding anything in this Plan to the contrary, if a Participant or Beneficiary defaults on a loan made pursuant to this Section that is secured by the Participant's interest in the Plan, then a Participant's interest may be offset by the amount subject to the security to the extent there is a distributable event permitted by the Code or Regulations.

(e) **Loans subject to Plan terms.** Notwithstanding anything in this Section to the contrary, if this is an amendment and restatement of an existing Plan, any loans made prior to the date this amendment and restatement is adopted shall be subject to the terms of the Plan in effect at the time such loan was made.

7.7 ALLOCATION AND DELEGATION OF RESPONSIBILITIES

If there is more than one Trustee, then the responsibilities of each Trustee may be specified by the Employer and accepted in writing by each Trustee. If no such delegation is made by the Employer, then the Trustees may allocate the responsibilities among themselves, in which event the Trustees shall notify the Employer and the Administrator in writing of such action and specify the responsibilities of each Trustee. Except where there has been an allocation and delegation of powers, if there shall be more than one Trustee, they shall act by a majority of their number, but may authorize one or more of them to sign papers on their behalf.

7.8 TRUSTEE'S COMPENSATION AND EXPENSES AND TAXES

The Trustee shall be paid such reasonable compensation as set forth in the Trustee's fee schedule (if the Trustee has such a schedule) or as agreed upon in writing by the Employer and the Trustee. However, an individual serving as Trustee who already receives full-time compensation from the Employer shall not receive compensation from this Plan. In addition, the Trustee shall be reimbursed for any reasonable expenses, including reasonable counsel fees incurred by it as Trustee. Such compensation and expenses shall be paid from the Trust Fund unless paid or advanced by the Employer. All taxes of any kind whatsoever that may be levied or assessed under existing or future laws upon, or in respect of, the Trust Fund or the income thereof, shall be paid from the Trust Fund.

7.9 ANNUAL REPORT OF THE TRUSTEE

(a) **Annual report.** Within a reasonable period of time after the later of the Anniversary Date or receipt of the Employer's contribution for each Plan Year, the Trustee, or its agent, shall furnish to the Employer and Administrator a written statement of account with respect to the Plan Year for which such contribution was made setting forth:

- (1) the net income, or loss, of the Trust Fund;
- (2) the gains, or losses, realized by the Trust Fund upon sales or other disposition of the assets;
- (3) the increase, or decrease, in the value of the Trust Fund;
- (4) all payments and distributions made from the Trust Fund; and
- (5) such further information as the Trustee and/or Administrator deems appropriate.

(b) **Employer approval of report.** The Employer, promptly upon its receipt of each such statement of account, shall acknowledge receipt thereof in writing and advise the Trustee and/or Administrator of its approval or disapproval thereof. Failure by the Employer to disapprove any such statement of account within thirty (30) days after its receipt thereof shall be deemed an approval thereof. The approval by the Employer of any statement of account shall be binding on the Employer and the Trustee as to all matters contained in the statement to the same extent as if the account of the Trustee had been settled by judgment or decree in an action for a judicial settlement of its account in a court of competent jurisdiction in which the Trustee, the Employer and all persons having or claiming an interest in the Plan were parties. However, nothing contained in this Section shall deprive the Trustee of its right to have its accounts judicially settled if the Trustee so desires.

7.10 RESIGNATION, REMOVAL AND SUCCESSION OF TRUSTEE

(a) **Trustee resignation.** Unless otherwise agreed to by both the Trustee and the Employer, a Trustee may resign at any time by delivering to the Employer, at least thirty (30) days before its effective date, a written notice of resignation.

(b) **Trustee removal.** Unless otherwise agreed to by both the Trustee and the Employer, the Employer may remove a Trustee at any time by delivering to the Trustee, at least thirty (30) days before its effective date, a written notice of such Trustee's removal.

(c) **Appointment of successor.** Upon the death, resignation, incapacity, or removal of any Trustee, a successor may be appointed by the Employer; and such successor, upon accepting such appointment in writing and delivering same to the Employer, shall, without further act, become vested with all the powers and responsibilities of the predecessor as if such successor had been originally named as a Trustee herein. Until such a successor is appointed, any remaining Trustee or Trustees shall have full authority to act under the terms of the Plan.

(d) **Appointment of successor prior to removal of predecessor.** The Employer may designate one or more successors prior to the death, resignation, incapacity, or removal of a Trustee. In the event a successor is so designated by the Employer and accepts such designation, the successor shall, without further act, become vested with all the powers and responsibilities of the predecessor as if such successor had been originally named as Trustee herein immediately upon the death, resignation, incapacity, or removal of the predecessor.

(e) **Trustee's statement upon cessation of being Trustee.** Whenever any Trustee hereunder ceases to serve as such, the Trustee shall furnish to the Employer and Administrator a written statement of account with respect to the portion of the Plan Year during which the individual or entity served as Trustee. This statement shall be either (i) included as part of the annual statement of account for the Plan Year required under Section 7.9 or (ii) set forth in a special statement. Any such special statement of account should be rendered to the Employer no later than the due date of the annual statement of account for the Plan Year. The procedures set forth in Section 7.9 for the approval by the Employer of annual statements of account shall apply to any special statement of account rendered hereunder and approval by the Employer of any such special statement in the manner provided in Section 7.9 shall have the same effect upon the statement as the Employer's approval of an annual statement of account. No successor to the Trustee shall have any duty or responsibility to investigate the acts or transactions of any predecessor who has rendered all statements of account required by Section 7.9 and this subparagraph.

7.11 TRANSFER OF INTEREST

Notwithstanding any other provision contained in this Plan, the Trustee at the direction of the Administrator shall transfer the interest, if any, of a Participant to another trust forming part of a pension, profit sharing, or stock bonus plan that meets the requirements of Code §401(a), provided that the trust to which such transfers are made permits the transfer to be made and further provided that the terms of the transferee plan properly allocates the funds in each account to a transferee account that preserves all the required features and restrictions applicable to such account under this Plan. However, the transfer of amounts from this Plan to a nonqualified foreign trust is treated as a distribution and the transfer of assets and liabilities from this Plan to a plan that satisfies Section 1165 of the Puerto Rico Code is also treated as distribution from the transferor plan.

7.12 TRUSTEE INDEMNIFICATION

To the extent permitted by the Code, the Employer agrees to indemnify and hold harmless the Trustee against any and all claims, losses, damages, expenses and liabilities the Trustee may incur in the exercise and performance of the Trustee's powers and duties hereunder, unless the same are determined to be due to gross negligence or willful misconduct.

ARTICLE VIII AMENDMENT, TERMINATION AND MERGERS

8.1 AMENDMENT

(a) **General rule on Employer amendment.** The Employer shall have the right at any time to amend this Plan subject to the limitations of this Section. However, any amendment that affects the rights, duties or responsibilities of the Trustee (or Insurer) or Administrator may only be made with the Trustee's (or Insurer's) or Administrator's written consent. Any such amendment shall become effective as provided therein upon its execution. The Trustee (or Insurer) shall not be required to execute any such amendment unless the amendment affects the duties of the Trustee (or Insurer) hereunder.

(b) **Permissible amendments.** The Employer may (1) change the choice of options in the Adoption Agreement, (2) add any appendix to the Adoption Agreement that is specifically permitted pursuant to the terms of the Plan (e.g., Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections)); (3) amend administrative trust or custodial provisions, (4) add certain sample or model amendments published by the Internal Revenue Service or other required good-faith amendments which specifically provide that their adoption will not cause the Plan to be treated as an individually designed plan, and (5) add or change provisions permitted under the Plan and/or specify or change the effective date of a provision as permitted under the Plan.

(c) **Volume submitter practitioner amendments.** The Employer (and every Participating Employer) expressly delegates authority to the volume submitter practitioner, the right to amend the Plan by submitting a copy of the amendment to each Employer (and Participating Employer) who has adopted this plan, after first having received a ruling or favorable determination from the Internal Revenue Service that the volume submitter Plan as amended qualifies under Code §401(a) (unless a ruling or determination is not required by the IRS).

(d) **Impermissible amendments.** No amendment to the Plan shall be effective if it authorizes or permits any part of the Trust Fund (other than such part as is required to pay taxes and administration expenses) to be used for or diverted to any purpose other than for the exclusive benefit of the Participants or their Beneficiaries or estates; or causes any reduction in the amount credited to the account of any Participant; or causes or permits any portion of the Trust Fund to revert to or become property of the Employer.

8.2 TERMINATION

(a) **Termination of Plan.** The Employer shall have the right at any time to terminate the Plan by delivering to the Trustee (or Insurer) and Administrator written notice of such termination. Upon any full or partial termination or upon the complete discontinuance of the Employer's Contributions to the Plan (in the case of a Profit Sharing Plan), all amounts credited to the affected Participants' Combined Accounts shall become 100% Vested and shall not thereafter be subject to Forfeiture.

(b) **Distribution of assets.** Upon the full termination of the Plan, the Employer shall direct the distribution of the assets to Participants in a manner that is consistent with and satisfies the provisions of Section 6.5. Distributions to a Participant shall be made in cash (or in property if permitted in the Adoption Agreement) or through the purchase of irrevocable nontransferable deferred commitments from the Insurer.

8.3 MERGER, CONSOLIDATION OR TRANSFER OF ASSETS

This Plan may be merged or consolidated with, or its assets and/or liabilities may be transferred to any other plan only if the benefits which would be received by a Participant of this Plan, in the event of a termination of the plan immediately after such transfer, merger or consolidation, are at least equal to the benefits the Participant would have received if the Plan had terminated immediately before the transfer, merger or consolidation.

ARTICLE IX
MISCELLANEOUS

9.1 EMPLOYER ADOPTIONS

(a) **Method of adoption.** Any organization may become the Employer hereunder by executing the Adoption Agreement in a form satisfactory to the Trustee (or Insurer), and it shall provide such additional information as the Trustee (or Insurer) may require. The consent of the Trustee (or Insurer) to act as such shall be signified by its execution of the Adoption Agreement or a separate agreement (including, if elected in the Adoption Agreement, a separate trust agreement).

(b) **Separate affiliation.** Except as otherwise provided in this Plan, the affiliation of the Employer and the participation of its Participants shall be separate and apart from that of any other employer and its participants hereunder.

9.2 PARTICIPANT'S RIGHTS

This Plan shall not be deemed to constitute a contract between the Employer and any Participant or to be a consideration or an inducement for the employment of any Participant or Employee. Nothing contained in this Plan shall be deemed to give any Participant or Employee the right to be retained in the service of the Employer or to interfere with the right of the Employer to discharge any Participant or Employee at any time regardless of the effect which such discharge shall have upon the Employee as a Participant of this Plan.

9.3 ALIENATION

(a) **General rule.** Subject to the exceptions provided below and as otherwise permitted by the Code, no benefit which shall be payable to any person (including a Participant or the Participant's Beneficiary) shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or charge, and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, or charge the same shall be void; and no such benefit shall in any manner be liable for, or subject to, the debts, contracts, liabilities, engagements, or torts of any such person, nor shall it be subject to attachment or legal process for or against such person, and the same shall not be recognized except to such extent as may be required by law.

(b) **Exception for loans.** Subsection (a) shall not apply to the extent a Participant or Beneficiary is indebted to the Plan by reason of a loan made pursuant to Section 7.6. At the time a distribution is to be made to or for a Participant's or Beneficiary's benefit, such portion of the amount to be distributed as shall equal such indebtedness shall be paid to the Plan, to apply against or discharge such indebtedness. Prior to making a payment, however, the Participant or Beneficiary must be given notice by the Administrator that such indebtedness is to be so paid in whole or part from the Participant's interest in the Plan. If the Participant or Beneficiary does not agree that the indebtedness is a valid claim against the Participant's interest in the Plan, the Participant or Beneficiary shall be entitled to a review of the validity of the claim in accordance with procedures provided in Section 2.10.

(c) **Exception for QDRO.** Subsection (a) shall not apply to a "qualified domestic relations order" defined in Code §414(p), and those other domestic relations orders permitted to be so treated by the Administrator under the provisions of the Retirement Equity Act of 1984.

9.4 PLAN COMMUNICATIONS, INTERPRETATION AND CONSTRUCTION

(a) **Applicable law.** This Plan and Trust shall be construed and enforced according to the Code, and the laws of the state or commonwealth in which the Employer's (or if there is a corporate Trustee, the Trustee's, or if the Plan is fully insured, the Insurer's) principal office is located (unless otherwise designated in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), other than its laws respecting choice of law, to the extent not pre-empted by federal law.

(b) **Administrator's discretion.** The Administrator has total and complete discretion to interpret and construe the Plan and to determine all questions arising in the administration, interpretation and application of the Plan. Any determination the Administrator makes under the Plan is final and binding upon any affected person. The Administrator must exercise all of its Plan powers and discretion, and perform all of its duties in a uniform manner.

(c) **Communications.** All Participant or Beneficiary notices, designations, elections, consents or waivers must be made in a form the Administrator (or, as applicable, the Trustee or Insurer) specifies or otherwise approves. Any person entitled to notice under the Plan may waive the notice or shorten the notice period unless such actions are contrary to applicable law.

(d) **Evidence.** Anyone, including the Employer, required to give data, statements or other information relevant under the terms of the Plan ("evidence") may do so by certificate, affidavit, document or other form which the person to act in reliance may consider pertinent, reliable and genuine, and to have been signed, made or presented by the proper party or parties. The Administrator, Trustee and Insurer are protected fully in acting and relying upon any evidence described under the immediately preceding sentence.

(e) **Plan terms binding.** The Plan is binding upon all parties, including but not limited to, the Employer, Trustee, Insurer, Administrator, Participants and Beneficiaries.

(f) **Parties to litigation.** Except as otherwise provided by applicable law, a Participant or a Beneficiary is not a necessary party or required to receive notice of process in any court proceeding involving the Plan, the Trust or any fiduciary. Any final judgment (not subject to further appeal) entered in any such proceeding will be binding upon all parties, including the Employer, the Administrator, Trustee, Insurer, Participants and Beneficiaries.

(g) **Fiduciaries not insurers.** The Trustee, Administrator and the Employer in no way guarantee the Plan assets from loss or depreciation. The Employer does not guarantee the payment of any money which may be or becomes due to any person from the Plan. The liability of the Employer, the Administrator and the Trustee to make any distribution from the Trust at any time and all times is limited to the then available assets of the Trust.

(h) **Construction/severability.** The Plan, the Adoption Agreement, the Trust and all other documents to which they refer, will be interpreted consistent with and to preserve tax qualification of the Plan under Code §401(a) and tax exemption of the Trust under Code §501(a) and also consistent with other applicable law. To the extent permissible under applicable law, any provision which a court (or other entity with binding authority to interpret the Plan) determines to be inconsistent with such construction and interpretation, is deemed severed and is of no force or effect, and the remaining Plan terms will remain in full force and effect.

(i) **Uniformity.** All provisions of this Plan shall be interpreted and applied in a uniform manner.

(j) **Headings.** The headings and subheadings of this Plan have been inserted for convenience of reference and are to be ignored in any construction of the provisions hereof.

9.5 GENDER, NUMBER AND TENSE

Wherever any words are used herein in the masculine, feminine or neuter gender, they shall be construed as though they were also used in another gender in all cases where they would so apply; whenever any words are used herein in the singular or plural form, they shall be construed as though they were also used in the other form in all cases where they would so apply; and whenever any words are used herein in the past or present tense, they shall be construed as though they were also used in the other form in all cases where they would so apply.

9.6 LEGAL ACTION

In the event any claim, suit, or proceeding is brought regarding the Trust and/or Plan established hereunder to which the Trustee (or Insurer), the Employer or the Administrator may be a party, and such claim, suit, or proceeding is resolved in favor of the Trustee (or Insurer), the Employer or the Administrator, they shall be entitled to be reimbursed from the Trust Fund for any and all costs, attorney's fees, and other expenses pertaining thereto incurred by them for which they shall have become liable.

9.7 PROHIBITION AGAINST DIVERSION OF FUNDS

(a) **General rule.** Except as provided below and otherwise specifically permitted by law, it shall be impossible by operation of the Plan or of the Trust, by termination of either, by power of revocation or amendment, by the happening of any contingency, by collateral arrangement or by any other means, for any part of the corpus or income of any Trust Fund maintained pursuant to the Plan or any funds contributed thereto to be used for, or diverted to, purposes other than the exclusive benefit of Participants or their Beneficiaries.

(b) **Mistake of fact.** In the event the Employer shall make a contribution under a mistake of fact, the Employer may demand repayment of such contribution at any time within one (1) year following the time of payment and the Trustee (or Insurer) shall return such amount to the Employer within the one (1) year period. Earnings of the Plan attributable to the contributions may not be returned to the Employer but any losses attributable thereto must reduce the amount so returned.

9.8 EMPLOYER'S AND TRUSTEE'S PROTECTIVE CLAUSE

The Employer, Administrator and Trustee, and their successors, shall not be responsible for the validity of any Contract issued hereunder or for the failure on the part of the Insurer to make payments provided by any such Contract, or for the action of any person which may delay payment or render a Contract null and void or unenforceable in whole or in part.

9.9 INSURER'S PROTECTIVE CLAUSE

Except as otherwise agreed upon in writing between the Employer and the Insurer, an Insurer which issues any Contracts hereunder shall not have any responsibility for the validity of this Plan or for the tax or legal aspects of this Plan. The Insurer shall be protected and held harmless in acting in accordance with any written direction of the Administrator or Trustee, and shall have no duty to see to the application of any funds paid to the Trustee, nor be required to question any actions directed by the Administrator or Trustee. Regardless of any provision of this Plan, the Insurer shall not be required to take or permit any action or allow any benefit or privilege contrary to the terms of any Contract which it issues hereunder, or the rules of the Insurer.

9.10 RECEIPT AND RELEASE FOR PAYMENTS

Any payment to any Participant, the Participant's legal representative, Beneficiary, or to any guardian or committee appointed for such Participant or Beneficiary in accordance with the provisions of this Plan, shall, to the extent thereof, be in full satisfaction of all claims hereunder against the Trustee (or Insurer) and the Employer.

9.11 ACTION BY THE EMPLOYER

Whenever the Employer under the terms of the Plan is permitted or required to do or perform any act or matter or thing, it shall be done and performed by a person duly authorized by its legally constituted authority.

9.12 APPROVAL BY INTERNAL REVENUE SERVICE

Notwithstanding anything herein to the contrary, if, pursuant to an application for qualification is made by the time prescribed by law or such later date as the Secretary of Treasury may prescribe, the Commissioner of the Internal Revenue Service or the Commissioner's delegate should determine that the Plan does not initially qualify as a tax-exempt plan under Code §§401 and 501, and such determination is not contested, or if contested, is finally upheld, then if the Plan is a new plan, it shall be void ab initio and all amounts contributed to the Plan, by the Employer, less expenses paid, shall be returned within one (1) year and the Plan shall terminate, and the Trustee (or Insurer) shall be discharged from all further obligations. If the disqualification relates to a Plan amendment, then the Plan shall operate as if it had not been amended. If the Employer's Plan fails to attain or retain qualification, such Plan will no longer participate in this volume submitter plan and will be considered an individually designed plan.

9.13 PAYMENT OF BENEFITS

Except as otherwise provided in the Plan, benefits under this Plan shall be paid, subject to Sections 6.11 and 6.12, only upon death, Total and Permanent Disability, normal or early retirement, severance of employment, or termination of the Plan.

9.14 ELECTRONIC MEDIA

The Administrator may use any electronic medium to give or receive any Plan notice, communicate any Plan policy, conduct any written Plan communication, satisfy any Plan filing or other compliance requirement and conduct any other Plan transaction to the extent permissible under applicable law. A Participant or a Participant's Spouse, to the extent authorized by the Administrator, may use any electronic medium to make or provide any Beneficiary designation, election, notice, consent or waiver under the Plan, to the extent permissible under applicable law. Any reference in this Plan to a "form," a "notice," an "election," a "consent," a "waiver," a "designation," a "policy" or to any other Plan-related communication includes an electronic version thereof as permitted under applicable law. Notwithstanding the foregoing, any Participant or Beneficiary notices and consent that are required pursuant to the Code must satisfy Regulation §1.401(a)-21.

9.15 PLAN CORRECTION

The Administrator in conjunction with the Employer may undertake such correction of Plan errors as the Administrator deems necessary, including correction to preserve tax qualification of the Plan under Code §401(a) or to correct a fiduciary breach under state or local law. Without limiting the Administrator's authority under the prior sentence, the Administrator, as it determines to be reasonable and appropriate, may undertake correction of Plan document, operational, demographic and Employer eligibility failures under a method described in the Plan or under the IRS Employee Plans Compliance Resolution System ("EPCRS") or any successor program to EPCRS. Furthermore, the Employer may make corrective contributions pursuant to this Section regardless of whether the Plan otherwise permits such contribution source. In addition, the Plan is authorized to recover benefits from Participants or Beneficiaries that have been improperly distributed.

9.16 NONTRUSTEED PLANS

If the Plan is funded solely with Contracts, then notwithstanding Sections 9.7 and 9.12, no Contract will be purchased under the Plan unless such Contract or a separate definite written agreement between the Employer and the Insurer provides that no value under Contracts providing benefits under the Plan or credits determined by the Insurer (on account of dividends, earnings, or other experience rating credits, or surrender or cancellation credits) with respect to such Contracts may be paid or returned to the Employer or diverted to or used for other than the exclusive benefit of the Participants or their Beneficiaries. However, any contribution made by the Employer because of a mistake of fact must be returned to the Employer within one year of the contribution.

If this Plan is funded by individual Contracts that provide a Participant's benefit under the Plan, such individual Contracts shall constitute the Participant's Account balance. If this Plan is funded by group Contracts, under the group annuity or group insurance Contract, premiums or other consideration received by the Insurer must be allocated to Participants' Accounts under the Plan.

ARTICLE X PARTICIPATING EMPLOYERS

10.1 ELECTION TO BECOME A PARTICIPATING EMPLOYER

Notwithstanding anything herein to the contrary, with the consent of the Employer and Trustee (or Insurer), any Employer may adopt the Employer's Plan and all of the provisions hereof, and participate herein and be known as a Participating Employer, by a properly executed document evidencing said intent and will of such Participating Employer (a participation agreement). In the event a Participating Employer is not an Affiliated Employer, then the provisions of Article XII shall apply rather than the provision of this Article XI.

10.2 REQUIREMENTS OF PARTICIPATING EMPLOYERS

(a) **Permissible variations of participation agreement.** The participation agreement must identify the Participating Employer and the covered Employees and provide for the Participating Employer's signature. In addition, in the participation agreement, the Employer shall specify which elections, if any, the Participating Employer can modify, and any restrictions on the modifications. Any such modification shall apply only to the Employees of that Participating Employer. The Participating Employer shall make any such modification by selecting the appropriate option on its participation agreement to the Employer's Adoption Agreement. To the extent that the participation agreement does not permit modification of an election, any attempt by a Participating Employer to modify the election shall have no effect on the Plan and the Participating Employer is bound by the Plan terms as selected by the Employer. If a Participating Employer does not make any permissible participation agreement election modifications, then with regard to any election, the Participating Employer is bound by the Adoption Agreement terms as completed by the "lead Employer."

(b) **Holding and investing assets.** The Trustee (or Insurer) may, but shall not be required to, commingle, hold and invest as one Trust Fund all contributions made by Participating Employers, as well as all increments thereof. However, the assets of the Plan shall, on an ongoing basis, be available to pay benefits to all Participants and Beneficiaries under the Plan without regard to the Employer or Participating Employer who contributed such assets.

(c) **Payment of expenses.** Unless the Employer otherwise directs, any expenses of the Plan which are to be paid by the Employer or borne by the Trust Fund shall be paid by each Participating Employer in the same proportion that the total amount standing to the credit of all Participants employed by such Employer bears to the total standing to the credit of all Participants.

10.3 DESIGNATION OF AGENT

Each Participating Employer shall be deemed to be a part of this Plan; provided, however, that with respect to all of its relations with the Trustee (or Insurer) and Administrator for purposes of this Plan, each Participating Employer shall be deemed to have designated irrevocably the Employer as its agent. Unless the context of the Plan clearly indicates otherwise, the word "Employer" shall be deemed to include each Participating Employer as related to its adoption of the Plan.

10.4 EMPLOYEE TRANSFERS

In the event an Employee is transferred between Participating Employers, accumulated service and eligibility shall be carried with the Employee involved. No such transfer shall effect a severance of employment hereunder, and the Participating Employer to which the Employee is transferred shall thereupon become obligated hereunder with respect to such Employee in the same manner as was the Participating Employer from whom the Employee was transferred.

10.5 PARTICIPATING EMPLOYER'S CONTRIBUTION AND FORFEITURES

Any contribution and/or Forfeiture subject to allocation during each Plan Year shall be determined and allocated separately by each Participating Employer, and shall be allocated only among the Participants eligible to share in the contribution and Forfeiture allocation of the Employer or Participating Employer making the contribution or by which the forfeiting Participant was employed.

On the basis of the information furnished by the Administrator, the Trustee (or Insurer) shall keep separate books and records concerning the affairs of each Participating Employer hereunder and as to the accounts and credits of the Employees of each Participating Employer. The Trustee (or Insurer) may, but need not, register Contracts so as to evidence that a particular Participating Employer is the interested Employer hereunder, but in the event of an Employee transfer from one Participating Employer to another, the employing Employer shall immediately notify the Trustee (or Insurer) thereof.

10.6 AMENDMENT

Any Participating Employer hereby authorizes the Employer to make amendments on its behalf, unless otherwise agreed among all affected parties. If a Participating Employer is not an Affiliated Employer, then amendment of this Plan by the Employer at any time when there shall be a Participating Employer shall, unless otherwise agreed to by the affected parties, only be by the written action of each and every Participating Employer and with the consent of the Trustee (or Insurer) where such consent is necessary in accordance with the terms of this Plan.

10.7 DISCONTINUANCE OF PARTICIPATION

Any Participating Employer that is an Affiliated Employer shall be permitted to discontinue or revoke its participation in the Plan at any time. At the time of any such discontinuance or revocation, satisfactory evidence thereof and of any applicable conditions imposed shall be delivered to the Trustee (or Insurer). The Trustee (or Insurer) shall thereafter transfer, deliver and assign Contracts and other Trust Fund assets allocable to the Participants of such Participating Employer to such new trustee (or insurer) or custodian as shall have been designated by such Participating Employer, in the event that it has established a separate qualified retirement plan for its employees. If no successor is designated, the Trustee (or Insurer) shall retain such assets for the Employees of said Participating Employer pursuant to the provisions of Article VII hereof. In no such event shall any part of the corpus or income of the Trust Fund as it relates to such Participating Employer be used for or diverted to purposes other than for the exclusive benefit of the Employees of such Participating Employer.

10.8 ADMINISTRATOR'S AUTHORITY

The Administrator shall have authority to make any and all necessary rules or regulations, binding upon all Participating Employers and all Participants, to effectuate the purpose of this Article.

ARTICLE XI MULTIPLE EMPLOYER PROVISIONS

11.1 ELECTION AND OVERRIDING EFFECT

If a Participating Employer that is not an Affiliated Employer adopts this Plan, then the provisions of this Article XI shall apply to each Participating Employer as of the Effective Date specified in its participation agreement and supersede any contrary provisions in the basic Plan document or the Adoption Agreement. If this Article XI applies, then the Plan shall be a multiple employer plan as described in Code §413(c). In this case, the Employer and each Participating Employer acknowledge that the Plan is a multiple employer plan subject to the rules of Code §413(c) and the Regulations thereunder, which are hereby incorporated by reference, and specific annual reporting requirements.

11.2 DEFINITIONS

The following definitions shall apply to this Article XI and shall supersede any conflicting definitions in the Plan:

- (a) **Employee.** "Employee" means any common law employee, Leased Employee or other person the Code treats as an employee of a Participating Employer for purposes of the Participating Employer's qualified plan. Either the Adoption Agreement or a participation agreement to the Adoption Agreement may designate any Employee, or class of Employees, as not eligible to participate in the Plan.
- (b) **Lead Employer.** "Lead Employer" means the signatory Employer to the Adoption Agreement execution page, and does not include any Affiliated Employer or Participating Employer. The "lead Employer" has the same meaning as the Employer for purposes of making Plan amendments and other purposes regardless of whether the "lead Employer" is also a Participating Employer under this Article XI.

11.3 PARTICIPATING EMPLOYER ELECTIONS

The participation agreement must identify the Participating Employer and the covered Employees and provide for the Participating Employer's signature. In addition, in the participation agreement, the "lead Employer" shall specify which elections, if any, the Participating Employer can modify, and any restrictions on the modifications. Any such modification shall apply only to the employees of that Participating Employer. The Participating Employer shall make any such modification by selecting the appropriate option on its participation agreement to the "lead Employer's" Adoption Agreement. To the extent that the Adoption Agreement does not permit modification of an election, any attempt by a Participating Employer to modify the election shall have no effect on the Plan and the Participating Employer is bound by the Plan terms as selected by the "lead Employer." If a Participating Employer does not make any permissible participation agreement election modifications, then with regard to any election, the Participating Employer is bound by the Adoption Agreement terms as completed by the "lead Employer."

11.4 TESTING

The Administrator shall apply the Code §415 limitation in Section 4.4 for the Plan as a whole.

11.5 COMPENSATION

- (a) **Separate determination.** A Participant's Compensation shall be determined separately for each Participating Employer for purposes of allocations under Article IV.
- (b) **Joint status.** For all Plan purposes, including but not limited to determining the Code §415 limits in Section 4.4, Compensation includes all Compensation paid by or for any Participating Employer.

11.6 SERVICE

An Employee's service includes all Hours of Service and Years of Service with any and all Participating Employers. An Employee who terminates employment with one Participating Employer and immediately commences employment with another Participating Employer has not separated from service or had a severance from employment.

11.7 COOPERATION AND INDEMNIFICATION

- (a) **Cooperation.** Each Participating Employer agrees to timely provide all information the Administrator deems necessary to insure the Plan is operated in accordance with the requirements of the Code and will cooperate fully with the "lead Employer," the Plan, the Plan fiduciaries and other proper representatives in maintaining the qualified status of the Plan. Such cooperation will include payment of such amounts into the Plan, to be allocated to employees of the Participating Employer, which are reasonably required to maintain the tax-qualified status of the Plan.

(b) **Indemnity.** Each Participating Employer will indemnify and hold harmless the Administrator, the "lead Employer" and its subsidiaries; officers, directors, shareholders, employees, and agents of the "lead Employer"; the Plan; the Trustees, Participants and Beneficiaries of the Plan, as well as their respective successors and assigns, against any cause of action, loss, liability, damage, cost, or expense of any nature whatsoever (including, but not limited to, attorney's fees and costs, whether or not suit is brought, as well as IRS plan disqualifications, other sanctions or compliance fees and penalties) arising out of or relating to the Participating Employer's noncompliance with any of the Plan's terms or requirements; any intentional or negligent act or omission the Participating Employer commits with regard to the Plan; and any omission or provision of incorrect information with regard to the Plan which causes the Plan to fail to satisfy the requirements of a tax-qualified plan.

11.8 INVOLUNTARY TERMINATION

Unless the "lead Employer" provides otherwise in an addendum hereto, the "lead Employer" shall have the power to terminate the participation of any Participating Employer (hereafter "Terminated Employer") in this Plan. If and when the "lead Employer" wishes to exercise this power, the following shall occur:

(a) **Notice.** The "lead Employer" shall give the "Terminated Employer" a notice of the "lead Employer's" intent to terminate the "Terminated Employer's" status as a Participating Employer of the Plan. The "lead Employer" will provide such notice not less than thirty (30) days prior to the date of termination unless the "lead Employer" determines that the interest of Plan Participants requires earlier termination.

(b) **Spin-off.** The "lead Employer" shall establish a new defined contribution plan, using the provisions of this Plan with any modifications contained in the "Terminated Employer's" participation agreement, as a guide to establish a new defined contribution plan (the "spin-off plan"). The "lead Employer" will direct the Trustee to transfer (in accordance with the rules of Code §414(l) and the provisions of Section 8.3) the Accounts of the Employees of the "Terminated Employer" to the "spin-off plan." The "Terminated Employer" shall be the Employer, Administrator, and sponsor of the "spin-off plan." The Trustee of the "spin-off plan" shall be the person or entity designated by the "Terminated Employer." However, the "lead Employer" shall have the option to designate an appropriate financial institution as Trustee instead if necessary to protect the interest of the Participants. The "lead Employer" shall have the authority to charge the "Terminated Employer" or the Accounts of the Employees of the "Terminated Employer" a reasonable fee to pay the expenses of establishing the "spin-off plan."

(c) **Alternatives.** The "Terminated Employer," in lieu of creation of the "spin-off plan" under (b) above, has the option to elect a transfer alternative in accordance with this Subsection (c).

(1) **Election.** To exercise the option described in this Subsection, the "Terminated Employer" must inform the "lead Employer" of its choice, and must supply any reasonably required documentation as soon as practical. If the "lead Employer" has not received notice of a "Terminated Employer's" exercise of this option within ten (10) days prior to the stated date of termination, the "lead Employer" can choose to disregard the exercise and proceed with the Spin-off.

(2) **Transfer.** If the "Terminated Employer" selects this option, the Administrator shall transfer (in accordance with the rules of Code §414(l) and the provisions of Section 8.3) the Accounts of the Employees of the "Terminated Employer" to a qualified plan the "Terminated Employer" maintains. To exercise this option, the "Terminated Employer" must deliver to the "lead Employer" or Administrator in writing the name and other relevant information of the transferee plan and must provide such assurances that the Administrator shall reasonably require to demonstrate that the transferee plan is a qualified plan.

(d) **Participants.** The Employees of the "Terminated Employer" shall cease to be eligible to accrue additional benefits under the Plan with respect to Compensation paid by the "Terminated Employer," effective as of the date of termination. To the extent that these Employees have accrued but unpaid contributions as of the date of termination, the "Terminated Employer" shall pay such amounts to the Plan or the "spin-off plan" no later than thirty (30) days after the date of termination, unless the "Terminated Employer" effectively selects the Transfer option under Subsection (c)(2) above.

(e) **Consent.** By its signature on the participation agreement, the "Terminated Employer" specifically consents to the provisions of this Article and agrees to perform its responsibilities with regard to the "spin-off plan," if necessary.

11.9 VOLUNTARY TERMINATION

A Participating Employer (hereafter "withdrawing employer") may voluntarily withdraw from participation in this Plan at any time. If and when a "withdrawing employer" wishes to withdraw, the following shall occur:

(a) **Notice.** The "withdrawing employer" shall inform the "lead Employer" and the Administrator of its intention to withdraw from the Plan. The "withdrawing employer" must give the notice not less than thirty (30) days prior to the effective date of its withdrawal.

(b) **Procedure.** The "withdrawing employer" and the "lead Employer" shall agree upon procedures for the orderly withdrawal of the "withdrawing employer" from the plan. Such procedures may include any of the optional spin-off or transfer options described in Section 11.8.

(c) **Costs.** The "withdrawing employer" shall bear all reasonable costs associated with withdrawal and transfer under this Section.

Governmental Defined Contribution Volume Submitter Plan

(d) **Participants.** The Employees of the "withdrawing employer" shall cease to be eligible to accrue additional benefits under the Plan as to Compensation paid by the "withdrawing employer," effective as of the effective date of withdrawal. To the extent that such Employees have accrued but unpaid contributions as of the effective date of withdrawal, the "withdrawing employer" shall contribute such amounts to the Plan or the "spin-off plan" promptly after the effective date of withdrawal, unless the accounts are transferred to a qualified plan the "withdrawing employer" maintains.
