

CERTIFIED COPY OF ORDER

March Session of the January Adjourned

Term. 20 17

STATE OF MISSOURI }
County of Boone } ea.

In the County Commission of said county, on the 16th day of March 20 17
the following, among other proceedings, were had, viz:

Now on this day the County Commission of the County of Boone does hereby recognize March, 2017 as Developmental Disability Awareness Month.

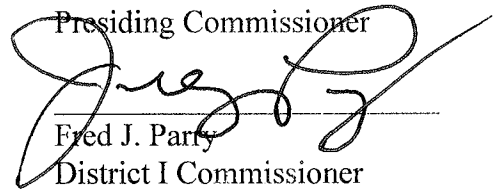

Done this 16th day of March, 2017.

ATTEST:

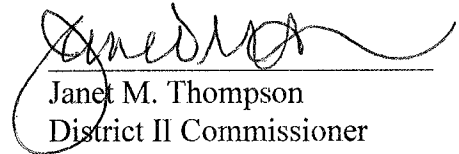

Wendy S. Noren
Clerk of the County Commission

Daniel K. Atwill
Presiding Commissioner

Fred J. Party
District I Commissioner

Janet M. Thompson
District II Commissioner

**PROCLAMATION RECOGNIZING
MARCH 2017 AS DEVELOPMENTAL DISABILITY
AWARENESS MONTH**

- Whereas,* more than 5 million people nationwide have developmental disabilities, including over 100,000 Missourians; and
- Whereas,* individuals with developmental disabilities share with all individuals the desire to achieve personal success through education, meaningful work and family and community involvement; and
- Whereas,* individuals with developmental disabilities, along with their families, friends, neighbors and co-workers, recognize the importance of focusing on the abilities of all people and encourage others to do the same; and
- Whereas,* the most effective way to increase this focus is through everyone's active participation in community life and openness to each individual's contribution; and
- Whereas,* opportunities for citizens with developmental disabilities to participate fully must be fostered in our community through a commitment to recognizing the strengths and values of every person and the capability of every person to make important contributions to our community if given the opportunity; and
- Whereas,* we encourage all citizens to support opportunities for individuals with developmental disabilities in our community, which includes full access to education, housing, employment and recreational activities.
- Therefore,* we, the Boone County Commission, do hereby proclaim March 2017 as Developmental Disabilities Awareness Month in the County of Boone, Missouri, recognizing the importance of individuals of all abilities to our community and that our community is stronger when everyone participates.

IN TESTIMONY WHEREOF, this 16th day of March, 2017.

Daniel K. Atwill, Presiding Commissioner

Fred J. Parry, District I Commissioner

Janet M. Thompson, District II Commissioner

MEMORANDUM

TO: Boone County Commission
FROM: Melinda Bobbitt, CPPB
DATE: March 8, 2017
RE: Amendment Number Two – 138AN-TISA2013 – Telephone System for the Emergency Communication Center

Contract *138AN-TISA2013 – Telephone System for the Emergency Communication Center* was approved by commission for award to Centurylink Communications, LLC on June 23, 2016, commission order 248-2016. Per Aron Gish, Boone County Information Technology Director, this amendment is needed to purchase circuits that are needed to complete the 911 Viper Phone system install.

Invoice will be paid from departments 4101 – ECC Radio & Technology, account 71231 – Owner Costs. Monthly charges are as follows:

Centralia Police	\$660 x 11 = \$7,260
UM Police	\$525 x 11 = \$5,775
Boone County 911	\$875 x 11 = \$9,625

Commission order: 127-2017
Date: 3-16-17

AMENDMENT TO
CENTURYLINK® LOYAL ADVANTAGE®
MICTA MEMBER PARTICIPATION CONTRACT

THIS AMENDMENT NO. Two (this "Amendment") by and between **CenturyLink Communications, LLC f/k/a Qwest Communications Company, LLC** ("CenturyLink") and **Boone County** ("Customer" or "Member"), hereby amends the CenturyLink Loyal Advantage Agreement, or Qwest Loyal Advantage Agreement, as applicable for this MiCTA Member, CenturyLink Contract ID: 1039681, as may have been previously amended (the "Agreement"). For an interim period of time until all work is completed to update the Service Exhibits, Tariffs and other terms and conditions incorporated by attachment or reference into this Amendment, all references to Qwest Communications Company, LLC mean CenturyLink Communications, LLC. Except as set forth in this Amendment, capitalized terms will have the definitions assigned to them in the Agreement. All references to "Qwest Loyal Advantage" or "QLA" are hereby replaced with "CenturyLink Loyal Advantage."

CenturyLink and Member wish to amend the Agreement as follows:

1. **Term.** Member's existing Term in the Agreement will remain in effect.
2. **Addition of Services.** The Service Exhibit(s) and Offer Attachment(s) listed below are attached and incorporated into the Agreement to describe the addition of new Service(s) to the Agreement.

- **CenturyLink IQ® Data Bundle Offer Attachment**

The definition of Services in the Agreement will include the Services in the Service Exhibits and Offer Attachments attached to this Amendment.

2. **Existing Services.** Member's existing Services as set forth in the Agreement will remain in effect.
3. **Pricing.** The monthly recurring charges ("MRCs"), nonrecurring charges ("NRCs"), and/or usage charges applicable to the Services based upon the Term will be those set forth in the MiCTA Master Agreement and available on the MiCTA Web site for Members located at www.mictatech.org ("MiCTA Rate Schedule"). Pricing for new Services under this Amendment will become effective at CenturyLink's earliest opportunity, but in no event later than the second full billing cycle following the Amendment Effective Date.
4. **Modifications.** To the extent that the following provisions are not already in the Agreement or in a previous amendment, they are added through this Amendment. The Agreement is amended as follows:

4.1 General.

(a) Member will not pay for the Services with funds obtained through the American Recovery and Reinvestment Act (or ARRA) or other similar stimulus grants or loans that would obligate CenturyLink to provide certain information or perform certain functions unless each of those functions and obligations is explicitly identified and agreed to by the parties in this Agreement or in an amendment to this Agreement.

(b) Member may access its invoices and choose paperless invoices online through CenturyLink Control Center located at controlcenter.centurylink.com. If Member does not choose paperless invoices through Control Center, CenturyLink may in its discretion assess a \$15 MRC for each full paper invoice provided to Member or a \$2 MRC for each summary/remit only (where available) paper invoice provided to Member. Those charges will not apply to an invoice that is not available through Control Center. Member's payments to CenturyLink must be in the form of electronic funds transfer (via wire transfer or ACH), cash payments (via previously-approved CenturyLink process only), or paper check. CenturyLink reserves the right to charge administrative fees when Member's payment preferences deviate from CenturyLink's standard practices.

(c) CenturyLink will provide Service if: (i) there is a valid, accurate, and complete Order Form submitted by Member; (ii) adequate capacity is available; and (iii) CenturyLink accepts the Order Form.

(d) CenturyLink may change features or functions of its Services; for material changes that are adverse to Customer, CenturyLink will provide 30 days prior written notice, but may provide a shorter notice period if the change is based on Regulatory Activity.

(e) If Services are provided pursuant to a Tariff, RSS, or ISS, as described in the applicable Service Exhibits, the order of precedence will apply in the following descending order of control: Tariff, Service Exhibit, Agreement, RSS, ISS, and Order Form.

(f) CenturyLink's Information Services Schedule ("ISS"), Rates and Services Schedules ("RSS") and Tariff (which includes CenturyLink state tariffs, price lists, price schedules, administrative guidelines, catalogs, and rate and term schedules) are posted at the following links and are incorporated by this reference:

- The ISS is located at http://www.centurylink.com/tariffs/clc_info_services.pdf
- The International RSS is located at http://www.centurylink.com/tariffs/fcc_clc_ixc_rss_no_2.pdf

127-2017

**AMENDMENT TO
CENTURYLINK® LOYAL ADVANTAGE®
MiCTA MEMBER PARTICIPATION CONTRACT**

- The Interstate RSS is located at http://www.centurylink.com/tariffs/fcc_clc_ixc_rss_no_3.pdf
- The Tariff is located at <http://www.centurylink.com/tariffs>

(g) The Definitions Section is amended to include the following:

"Detailed Description" is defined in the Select Advantage Service Exhibit.

"Regulatory Activity" is a regulation or ruling, including modifications thereto, by any regulatory agency, legislative body or court of competent jurisdiction. CenturyLink reserves the right to amend, change, withdraw or file additional Tariffs or RSS in its sole discretion, with such updated Tariffs or RSS effective upon posting or upon fulfillment of any necessary regulatory requirements.

4.2 CPNI. The following CPNI Section is added to the Agreement:

(a) "CPNI" means Customer Proprietary Network Information, which includes confidential account, usage, and billing-related information about the quantity, technical configuration, type, destination, location, and amount of use of a customer's telecommunications services. CPNI reflects the telecommunications products, services, and features that a customer subscribes to and the usage of such services, including call detail information appearing in a bill. CPNI does not include a customer's name, address, or telephone number.

(b) CenturyLink is required by law to treat CPNI confidentially. Member agrees that CenturyLink may share CPNI within its business operations (e.g., wireless, local, long distance, and broadband services divisions), and with businesses acting on CenturyLink's behalf, to determine if Member could benefit from the wide variety of CenturyLink products and services, and in its marketing and sales activities. Member may withdraw its authorization at any time by informing CenturyLink in writing. Member's decision regarding CenturyLink's use of CPNI will not affect the quality of service CenturyLink provides Member. However, in order to participate in CenturyLink's MiCTA program offering, Member must consent to the disclosure of CPNI to MiCTA, and by executing this Agreement, Member expressly provides its consent.

4.3 Private Line Service. If Member is amending an Agreement already containing Domestic Private Line, the following section is added to the Service Exhibit and replaces any conflicting language in the Service Exhibit:

RSS. Member understands that Service is an interstate telecommunications service, as defined by Federal Communications Commission regulations and represents that during the Service Term, more than 10% of its traffic will be interstate traffic.

4.4 HIPAA. If the Agreement has a HIPAA section, then that section is deleted and replaced with the following HIPAA section, otherwise the following section is added to the Agreement.

CenturyLink does not require or intend to access Member data in its performance hereunder, including but not limited to any confidential health related information of Member's clients, which may include group health plans, that constitutes Protected Health Information ("PHI"), as defined in 45 C.F. R. §160.103 under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA Rules"). To the extent that any exposure to PHI is incidental to CenturyLink's provision of Service and not meant for the purpose of accessing, managing the PHI or creating or manipulating the PHI, such exposure is allowable under 45 CFR 164.502(a)(1)(iii).

4.5 The following is deleted from the "Service" Section:

Member represents that it is not a reseller of any telecommunication services provided under this Agreement as described in the Telecommunications Act of 1996, as amended, or applicable state law and acknowledges it is not entitled to any reseller discounts under any laws. Member's use of Services must comply with all applicable laws.

4.6 Addition to Local Access. The following will be added to the pricing table in Section 2 of the Local Access Pricing Attachment of the Agreement:

NPANXX	QPricer Loop Tracking ID	Address	Type of Local Access	Minimum Service Term (per Service)	Circuit Speed	Local Access Net Rate MRC	Install NRC
573875	161215730063	2145 E COUNTY DR COLUMBIA MO 65202	CLPA - ELA Native	36 month	Fast Ethernet- 20 Mbps	\$369.00	\$0.00
573682	161215730104	114 S ROLLINS ST CENTRALIA MO 65240	CLPA - ELA Native	36 month	Fast Ethernet- 5 Mbps	\$338.00	\$0.00
573882	161215730116	901 VIRGINIA AVE COLUMBIA MO 65201	CLPA - ELA Native	36 month	Fast Ethernet- 5 Mbps	\$203.00	\$0.00

*The Leased NRC Waiver described in Section 4 of the Local Access Pricing Attachment of the Agreement will apply to the circuits listed above.

4.7 The following section added to the Agreement:

No Resale; Security. Member represents that it is not a reseller of any telecommunication services provided under this Agreement as described in the Telecommunications Act of 1996, as amended, or applicable state law and acknowledges it is not entitled to any

127-2017

AMENDMENT TO
CENTURYLINK® LOYAL ADVANTAGE®
MICTA MEMBER PARTICIPATION CONTRACT

reseller discounts under any laws. CenturyLink has adopted and implemented, and will maintain, a corporate information security program designed to protect Member information, materials and data accessed and possessed by CenturyLink from loss, misuse and unauthorized access or disclosure. Such program includes formal information security policies and procedures. The CenturyLink information security program is subject to reasonable changes by CenturyLink from time to time. CenturyLink's standard service offerings do not include managed security services such as encryption, intrusion detection, monitoring or managed firewall. Member is responsible for selecting and using the level of security protection needed for all Member data stored or transmitted via the Service and using reasonable information security practices, including those relating to the encryption of data. CenturyLink will not be deemed to have accessed, received, or be in the possession of Member Confidential Information solely by virtue of the fact that Member transmits, receives, accesses or stores such information through its use of CenturyLink's Services. CENTURYLINK MAKES NO WARRANTIES OR REPRESENTATIONS THAT ANY SERVICE WILL BE FREE FROM LOSS OR LIABILITY ARISING OUT OF HACKING OR SIMILAR MALICIOUS ACTIVITY, OR ANY ACT OR OMISSION OF THE MEMBER.

5. Miscellaneous.

5.1 On April 1, 2014, CenturyLink completed an internal reorganization resulting in the merger of multiple CenturyLink owned companies into Qwest Communications Company, LLC. Simultaneously with the merger, Qwest Communications Company, LLC d/b/a CenturyLink QCC changed its name to CenturyLink Communications, LLC. The term "CenturyLink QCC" refers to the former "d/b/a CenturyLink QCC" company and not to any other CenturyLink owned companies now a part of CenturyLink Communications, LLC. References in the Agreement to "Qwest Communications Corporation," "Qwest Communications Company, LLC," or "QCC" are replaced with "CenturyLink Communications, LLC."

5.2 All references to the Master Agreement in the Agreement will refer to the Master Agreement available on the MiCTA Web site for Members located at www.mictatech.org. This Amendment will be effective as of the date it is executed by CenturyLink after the Member's signature (the "Amendment Effective Date") and will become part of the Agreement. All other terms and conditions in the Agreement shall remain in full force and effect and be binding upon the parties. This Amendment and the Agreement set forth the entire understanding between the parties as to the subject matter herein, and if there are any inconsistencies between the two documents, the terms of this Amendment will control. Using CenturyLink's electronic signature process for the Amendment is acceptable.

The undersigned parties have read and agree to the terms and conditions set forth in this Amendment.

MICTA MEMBER PARTICIPATION CONTRACT
CENTURYLINK IQ® DATA BUNDLE OFFER ATTACHMENT**

This CenturyLink IQ® Data Bundle offer attachment ("Attachment") is subject in all respects to the domestic CenturyLink IQ® Networking Service Exhibit, the Local Access Service Exhibit, the Rental CPE Service Exhibit, and the CenturyLink® Loyal Advantage® MICTA Member Participation Agreement ("Agreement") between Member and CenturyLink QCC, all of which must be executed between the parties for the offer in this Attachment to apply. All capitalized terms that are used but not defined in this Attachment are defined in the Agreement or Service Exhibit.

Scope. Member may purchase a Data Bundle Standard or Data Bundle Pro solution (each a "Data Bundle") under this Attachment. "Data Bundle Standard" is a combination of a CenturyLink IQ Networking Internet or Private Port, Local Access Service, and eligible pre-configured Rental CPE with 8x5 or 24x7 maintenance. Data Bundle Standard includes 10 Rental CPE configuration changes per year. "Data Bundle Pro" includes all Service elements and features of the Data Bundle Standard plus VPN Tunnel configuration, complex routing protocol configuration, NAT, PAT and DMZ configuration, and Ethernet switch options on the Ethernet-based bundles. VoIP configuration options are available with both Data Bundle Standard and Data Bundle Pro.

Eligibility and Restrictions. Member must order all the applicable Service elements in the Data Bundle at the same time under an Agreement with either a 24 or 36 month Term.

Data Bundle Ports and Local Access. The following CenturyLink IQ Networking Port bandwidths are available in a Data Bundle: DS1 through 8xDS1 and DS3 for the Data Bundle Standard and Ethernet 5 Mbps and 10 Mbps through 100 Mbps in 10 Mbps increments for the Data Bundle Pro (each a "Data Bundle Port"). Ethernet Data Bundle Ports are only available with Data Bundle Pro and must use ELA. If Member uses CPA or Cross Connect Access, Member must ensure that Local Access is compatible with CenturyLink's existing networking infrastructure and equipment, including the Rental CPE. CenturyLink will provide End-to-End Performance Reporting for Private Port or Enhanced Port Data Bundles. The Internet Port or Private Port Data Bundle Port MRC will be used to calculate Contributory Charges.

Rental CPE. The following table shows the eligible Rental CPE that may be used with each Port speed and Data Bundle.

Eligible Rental CPE available with all Data Bundle Port Types (Internet and Private)							
Bundle Types	DS1	2xDS1	3xDS1 4xDS1	5xDS1 6xDS1 7xDS1 8xDS1	With ELA: 5 Mbps and 10 – 100 Mbps*	DS3	
Data Bundle Standard	ADTRAN 3430	ADTRAN 3430	ADTRAN 908e w/ SBC [‡]	ADTRAN 4430	N/A	ADTRAN NV5305	
Data Bundle Pro	ADTRAN 908e w/ SBC [‡]	ADTRAN 908e w/ SBC [‡]	ADTRAN 908e w/ SBC [‡]	ADTRAN 4430	ADTRAN 908e w/ SBC [‡] or 1335P ^{**}	ADTRAN NV5305	
Data Bundle Standard	Cisco 1941	Cisco 1941	Cisco 1941	Cisco 2921-SEC	N/A	Cisco 2951	
Data Bundle Pro	Cisco 2921-VSEC	Cisco 2921-VSEC	Cisco 2921-VSEC	Cisco 2921-VSEC	Cisco 2921- VSEC	Cisco 2951	

*Bandwidths increase in 10 Mbps increments.

**The 1335P only supports Ethernet speeds up to 10 Mbps.

‡Session Border Controller

The Rental CPE must be configured and installed for use with a Data Bundle Port. CenturyLink may use repackaged Rental CPE or substitute the Rental CPE with other CPE. Rental CPE maintenance is provided under the applicable Detailed Description. 8x5 Next Business Day ("NBD") maintenance uses Pro-MET® Remote Standard Service and 24x7 on-site maintenance uses Pro-MET® On-Site Premium Service. Member may request password access for Rental CPE. If CenturyLink grants password access to Member: (a) Member waives any claim against CenturyLink or the manufacturer for maintenance, configuration support, repair, loss, or damage to the Rental CPE if a problem is caused by Member's use of the password, (b) Member is not entitled to any SLA credits, (c) CenturyLink is not obligated to provide any CPE configuration assistance and (d) any CenturyLink provided CPE configuration assistance will be at its then-current time and material rates.

2.3 Upgrade. During a Service Term, Customer may upgrade a Data Bundle with a Bandwidth Upgrade, Pro Upgrade, Maintenance Upgrade, or Port Upgrade (collectively an "Upgrade"). All Upgrades are subject to the Upgrade NRC. Customer may need to amend the Agreement to include a revised Term with an Upgrade. Bandwidth and Pro Upgrades must (a) keep the same CPE Rental brand, and (b) begin a new Service Term that is the same or longer than the existing Service Term except that Customer is not required to begin a new Service Term if both the Local Access circuit and the Rental CPE device do not change as part of the upgrade. CenturyLink may replace Customer's existing Rental CPE to support the higher bandwidth or a different bundle and Customer must return the existing Rental CPE to CenturyLink within 15 calendar days after the new Rental CPE is installed.

**AMENDMENT TO
CENTURYLINK® LOYAL ADVANTAGE®
MiCTA MEMBER PARTICIPATION CONTRACT
CENTURYLINK IQ® DATA BUNDLE OFFER ATTACHMENT**

- a. **Bandwidth Upgrade.** Customer may upgrade to a higher bandwidth or to a Managed Data Bundle, which is purchased separately, (each a "Bandwidth Upgrade") if the Data Bundle has been installed at least three months; provided, however, Customer may not upgrade an ELA speed to NxDS1 or DS3.
- b. **Pro Upgrade.** Customer may upgrade from a Data Bundle Standard to a Data Bundle Pro at the same bandwidth level ("Pro Upgrade") at any time during the Service Term.
- c. **Maintenance and Port Upgrade.** Customer may upgrade a Data Bundle with 8x5 NBD maintenance to 24x7 on-site maintenance ("Maintenance Upgrade") or from an Internet Port to a Private Port ("Port Upgrade") without restarting a new Service Term if Customer: (i) has a location and Rental CPE that qualifies, (ii) keeps the same bundle type and bandwidth and (iii) pays the Upgrade NRC.

- 1. **Moves.** Member may move a Data Bundle to a different Service Address within the same wire center ("Move"). Such Move will not restart the Service Term. Member must submit notice to CenturyLink at least 30 days before the requested Move date. Local Access ancillary charges may apply.

Relocation. Member may relocate a Data Bundle to a domestic Service Address outside of the wire center ("Relocation") if Member: (a) is relocating a Data Bundle that was installed at the old Service Address for at least 12 months, (b) submits the order for the new Service Address and the disconnect order for old Service Address at the same time, (c) submits a new order for a Bandwidth Upgrade, a Pro Upgrade or the same Data Bundle, (d) pays the Upgrade NRC and (e) follows the standard Upgrade process, if applicable. The Service Term will restart for a Relocation and must be the same or longer than the existing Service Term. If Member had 24x7 on-site maintenance at the old Service Address and 24x7 on-site maintenance is not available at the new Service Address as a part of a Relocation, Member may order a 36 month Data Bundle with standard 8x5 NBD maintenance. Member may be required to use the original Rental CPE at Member's new Service Address if CenturyLink determines that new or different Rental CPE is not necessary. If Member requires on-site assistance from CenturyLink to install the Rental CPE at the new Service Address, an additional dispatch fee will apply.

Rates and Charges. The rates and charges for the Services are as set forth in the MiCTA Master Agreement and CenturyLink's MiCTA Rate Schedule available on the MiCTA Web site at <http://www.mictatech.org>. If there is a conflict, the rates and charges set forth in the MiCTA Master Agreement shall control. Member will be obligated to pay all applicable MRCs and NRCs. Charges will commence within five days of CenturyLink's notification to Member that the Service is provisioned and ready for use ("Start of Service Date"). Any Service component charge not shown under the MiCTA Master Agreement will be provided to Member at CenturyLink's then current rates.

Data Bundle Pricing. The Data Bundle Port MRC includes the MRCs for the Data Bundle Port and Rental CPE. CenturyLink will waive End-to-End Performance Reporting MRCs. The Data Bundle pricing is exclusive of, and may not be combined any current offers, promotions, or discounts and will only be applied in lieu of any such discounts except the offer in this Attachment may be combined with certain CenturyLink Long Distance and Toll Free offers and the CenturyLink IQ Networking Transition Offer. After the Service Term for a Data Bundle expires, CenturyLink may modify pricing for the Data Bundle. Upgrades and additional Data Bundle orders after an initial order may be subject to then-current Data Bundle pricing.

Local Access Pricing. Local Access rates are set forth in the Local Access Service Exhibit.

Upgrade NRC. Member must pay the NRC in the table in this section for any Upgrade.

Description	Promo Code	NRC
Upgrade NRC	iQ BundleUPGR	\$275

Term; Cancellation.

Term. The term of an individual Data Bundle begins on the date CenturyLink notifies Member that a Data Bundle is provisioned and ready for use ("Start of Service Date") and will continue for the number of months as specified in Member's order for a Data Bundle ("Service Term"). If the CenturyLink IQ Networking Transition Offer and this Data Bundle offer both apply to a Port, the Eligible Service Minimum Term set forth in the Transition Offer will be the "Service Term" if it is greater than the Data Bundle Service Term. Upon expiration of a Service Term, the Data Bundle will remain in effect on a month-to month basis until canceled by either party with 60 days' prior notice.

Cancellation. Upon cancellation of a Data Bundle, Member will remain liable for charges accrued but unpaid as of the cancellation date. If a Data Bundle is canceled by Member other than for Cause, or by CenturyLink for Cause, before the conclusion of its Service Term, Member will pay: (a) a Data Bundle Port Cancellation Charge equal to: (i) 100% of the Data Bundle Port's MRC multiplied by the number of months remaining in the first 12 months of the Service Term, if any; plus (ii) 75% of the Data Bundle Ports MRCs multiplied by the number of months remaining to complete 24 months of the Service Term, if any; plus, if applicable, plus (iii) 50% of the Data Bundle Port's MRC multiplied by the number of months remaining to complete the remainder of the Service Term and (b) the Local Access Cancellation Charges set forth in the Local Access Service Exhibit.

**AMENDMENT TO
CENTURYLINK® LOYAL ADVANTAGE®
MICTA MEMBER PARTICIPATION CONTRACT
CENTURYLINK IQ® DATA BUNDLE OFFER ATTACHMENT**

Waiver of Cancellation Charges.

Upgrade. When Member Upgrades at the same Service Address, CenturyLink will waive (i) the Data Bundle Port Cancellation Charge, (ii) Local Access Cancellation Charge for ELA Data Bundles installed for at least 12 months, and (iii) Local Access Cancellation Charges for all other Data Bundles.

Moves. When Member's bundle type and bandwidth remain the same in a Move, CenturyLink will waive both the Data Bundle Port Cancellation Charge and Local Access Cancellation Charge.

Relocation. When Member has a Relocation, CenturyLink will waive (i) the Data Bundle Port Cancellation Charge and (ii) the Local Access Cancellation Charges for DS1 through 8xDS1 Data Bundles installed for at least 12 months. CenturyLink will not waive Local Access Cancellation Charges for Relocations of DS3 or Ethernet Data Bundles.

Rental CPE Purchase. Upon completion of a Service Term, Member may purchase Rental CPE at its fair market value. If Member intends to purchase Rental CPE, Member must notify CenturyLink of such intention at least 60 days before the end of the Service Term. Member will purchase Rental CPE on an "as-is" basis, with no representations or warranties of any kind, including no warranties of merchantability or fitness for a particular purpose. Title and responsibility of the applicable Rental CPE will immediately transfer to Member upon CenturyLink's receipt of payment. Once Member assumes title of Rental CPE, CenturyLink will no longer provide maintenance support or any configuration changes. Member will be responsible for purchasing or providing any separate maintenance for all purchased Rental CPE. Member is also responsible for proper disposal of all purchased Rental CPE, and hereby releases CenturyLink from all and any liability relating in any way to the purchased Rental CPE.

Add-On Connection. Member may add optional, CenturyLink-approved CPE cards as shown below ("Add-On Connection Cards") to certain Rental CPE if the following conditions are met: (a) the Rental CPE is associated with Data Bundle Pro, (b) there is an available slot in the Rental CPE, (c) Member purchases the Add-On Connection Card through CenturyLink and (d) the Add-On Connection Card is from the same manufacturer as the Rental CPE. Add-On Connection Cards are not covered under Rental CPE maintenance SLAs. CenturyLink will drop-ship Add-On Connection Cards to Member. Member may purchase on-site installation through CenturyLink or Member may install the Add-On Connection Cards. If Member installs any Add-On Connection Cards, Member must follow CenturyLink provided directions and Member waives any claim against CenturyLink or the Add-On Connection Card's manufacturer for maintenance, repair, loss, or damage to the Rental CPE. CenturyLink will support additional configurations for Add-On Connection Cards as part of the 10 configuration changes per year associated with the Rental CPE. Member must remove the Add-On Connection Card from the original Rental CPE device before shipping the Rental CPE back to CenturyLink or CenturyLink associated vendor. CenturyLink is not responsible for the loss of any Add-On Connection Cards. The Add-On Connection Cards and CenturyLink on-site installation are provided under a separate CenturyLink Service Exhibit with separate charges.

CenturyLink IQ Data Bundle Pro Rental CPE Routers that Support Add-On Connection Cards

Replacement Program. CenturyLink will replace a defective Add-On Connection Card within 15 business days after CenturyLink and Member mutually determine that the Add-On Connection Card should be replaced. The replacement program will no longer apply if Member purchases the Rental CPE device. The NRC for the replacement program is in the table in this section.

Miscellaneous. All other terms not specifically set forth in this Attachment, including without limitation, any other rate elements, are as stated in the Agreement and Service Exhibits and will remain in effect. The Data Bundle Pricing will become effective as soon as practicable, but in no event later than the second full billing cycle following the Agreement or Amendment Effective Date. If there is a conflict between any of the following documents, the order of control is: this Attachment, the Service Exhibits, and the Agreement, This Attachment, the CenturyLink IQ Networking Service Exhibit, the Local Access Service Exhibit, the Rental CPE Service Exhibit, and the Agreement set forth the entire understanding between the parties as to the subject matter herein and supersede any prior written or verbal statements, representations, and agreements concerning the subject matter hereof.

Customer Responsibilities – Ethernet Services described in this Price Quote

If the following responsibilities are not completed before installation of the Ethernet services described in this Price Quote (“Ethernet Services”), CenturyLink reserves the right, at its sole discretion, to reschedule installation, charge Customer for additional work and any necessary materials or Products on a Time and Material basis, or terminate the Agreement (to which this Price Quote is incorporated) with respect to Ethernet Services and any associated services utilizing Ethernet Services.

1. Customer must provide adequate conduit from the right-of-way into the building and confirm access facilities to the building are available for fiber provisioning. It is also Customer’s responsibility to locate private utilities on the premises if construction is required. Conduit specifications are as follows: One 2-inch Schedule 40 PVC conduit from 2 feet below grade at the building exterior to a pull box on the building exterior. Pull box must have a minimum dimension of 12-inch x 12-inch x 6-inch deep. Place one 2-inch conduit sleeve through wall from pull box to inside of the equipment room. Conduit must be equipped with 200 lb rated pull tension or greater. Equip conduit with no more than 2 quarter bends (a total of 180 degrees) between cable pulling points. Seal the conduit after installation to protect from damage such as water.

Conduit is not required when Ethernet Service is provisioned over copper or circuit bonding technology, 50 Mbps or less. Ethernet Services delivered via copper/circuit bonding technology will terminate at the CenturyLink demarcation point on a Customer-provided wall-mounted 66 block and cross-connected to a copper loop bonding unit.

2. Customer must provide one 20 x 44 x ¾ inch plywood backboard in an equipment demarcation room with clearance of 36 inches in front of backboard. If the fiber demarcation point is within 25 feet of the equipment rack, a wall board will not be required. All hardware and terminations will be installed in the Customer-provided rack.

If Customer is in a multi-tenant building and the shared building terminal at Customer’s location does not have adequate space for CenturyLink fiber termination, Customer or building owner must provide a 24” x 24” x 9” cabinet with ¾” plywood. This cabinet must be associated next to the original building terminal to support association of shared demarcation facilities.

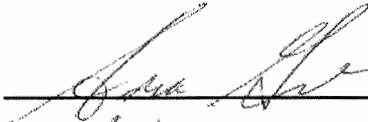

3. Customer must ensure the demarcation point is in an accessible and environmentally controlled location. All CenturyLink Ethernet Services-enabling Equipment requires a clean, dust-free environment that is environmentally controlled to temperatures of 55-80 degrees Fahrenheit and humidity of 70% or less. If Customer is in a multi-tenant building, Customer must ensure that the CenturyLink demarcation point, is accessible to CenturyLink technicians. Customer may need to coordinate access with the building manager to ensure that access is available on the day of installation. Customer must ensure that this location remains dry and free of dampness, and the room temperature remains within the tolerance of sensitive electronic hardware.
4. Customer must ensure 4 consecutive rack units of space in a 19” data rack are available for Ethernet Services. Customer must provide space in a 19” wide data rack for the required hardware. The rack must be either wall or floor mounted. CenturyLink will not install the hardware on a shelf or the floor.
5. Customer must provide a dedicated power outlet and common ground. CenturyLink termination electronics are powered by Customer-provided 120 VAC (20 Amp) circuit. CenturyLink requires the outlet to be a duplex, dedicated and grounded electrical outlet within 6 feet of the equipment location. Common ground must be 25 ohm or less. If Customer does not have an uninterruptible power supply (UPS) on the AC, Ethernet Services will be lost in the event of an AC power failure. If UPS is required, Customer will provide. CenturyLink will provide for an additional charge upon request.
6. Customer must complete inside wiring before the arrival of the CenturyLink installation technicians. Customer must extend the wiring from the demarcation point to the location where the Ethernet Services will be used.

CenturyLink only will extend the demarcation point on a Time and Material basis for an additional charge. Customer must contact its CenturyLink Account Executive to schedule the work. CenturyLink uses the following guidelines when extending the demarcation point: (1) If services are delivered via copper (50 Mbps or less), the

demarcation may be extended a maximum of 300 feet 24 gauge copper, or (2) If services are delivered via fiber, CenturyLink technicians will terminate fiber into a Customer-provided rack a maximum of 25 feet from demarcation.

- 7. Customer must confirm Ethernet Service hand-off requirements. CenturyLink will provide a standard RJ-45 copper Ethernet connection for 10/100 service and a single mode fiber connection on a 1 Gigabit circuit as the demarcation point for the Ethernet Services. If a different customer hand-off is required, such as a multimode fiber connection, Customer must state the requirement on the site survey per site network page.
- 8. Customer must confirm that its Local Area Network ("LAN") has an appropriate Ethernet Service port available to provide the desired network functionality and is within the distance required by Ethernet Service specifications. Customer will program the Ethernet Service port for appropriate speed and full duplex setting. (auto-negotiate is not available). Customer will provide CAT5 cable(s) to connect its LAN to the CenturyLink Ethernet Service-enabling equipment. Customer will provide an appropriate Ethernet Service-enabling patch cable for connecting CenturyLink demarcation and Customer-provided Equipment.
- 9. Ethernet Services are a Layer 2 network service only. All customer premises LAN Layer 3 (e.g. IP) addressing is Customer's responsibility. CenturyLink will provide pricing for additional equipment and labor to enable Layer 3 functionality, if required. In most cases this will be a router which will provide the Layer 3 routing of subnets and VLAN on Customer's network. If Customer only requires Layer 2 bridging (a flat network) across the Ethernet Services, then a standard Ethernet Service switch port is all that is required.
- 10. The CenturyLink installer will not connect Ethernet Services to Customer's LAN. CenturyLink installers will install the hardware and identify a port for connection. CenturyLink highly recommends the use of a qualified networking vendor to assist with LAN configuration. A CenturyLink Account Executive can provide pricing for CenturyLink network configuration for Ethernet Services.

Ethernet Services will be installed at your site only upon completion of all of these steps. If Customer is unable to complete all of these requirements before the installation date, Customer will notify CenturyLink as soon as it becomes aware of its inability.

CERTIFIED COPY OF ORDER

STATE OF MISSOURI }
County of Boone } ea.

March Session of the January Adjourned

Term. 20 17

In the County Commission of said county, on the 16th day of March 20 17

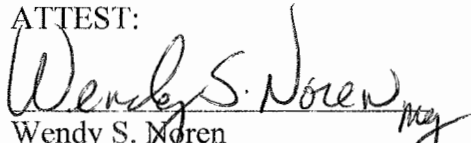

the following, among other proceedings, were had, viz:

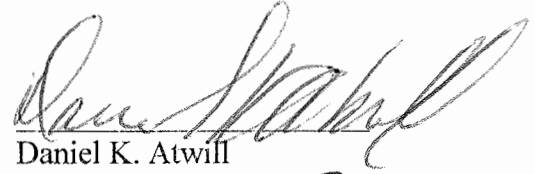

Now on this day the County Commission of the County of Boone does hereby approve the attached agreement between Boone County and A Civil Group, LLC for professional services related to Legal Descriptions Research and Drafting for 2017 Delinquent Tax Sale.

The terms of the Agreement are stipulated in the attached Agreement. It is further ordered the Presiding Commissioner is hereby authorized to sign said Agreement for Professional Services with A Civil Group, LLC.

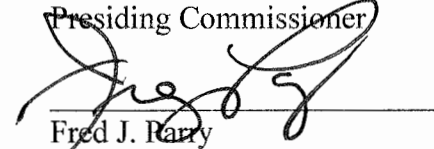

Done this 16th day of March, 2017.

ATTEST:

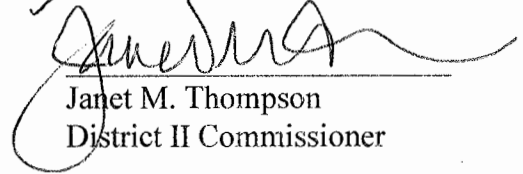

Wendy S. Noren
Clerk of the County Commission

Daniel K. Atwill
Presiding Commissioner

Fred J. Rary
District I Commissioner

Janet M. Thompson
District II Commissioner

128-2017

APPROVAL OF PROPOSAL FOR CONSULTANT SERVICES

Effective the 16th day of March 2017, Boone County, Missouri, a political subdivision of the State of Missouri through its County Commission (herein "Owner") hereby approves and authorizes professional services by the Consultant referred to below for the services specified herein.

Consultant Name: A Civil Group, LLC

Project/Work Description: Legal Descriptions research and drafting for 2017 Delinquent Tax Sale

Proposal Description: Services will be provided as requested by the County Collector at the attached rates, with research to be billed at the rate of \$95.00 per hour, with a total contract not to exceed \$4,000.00 without additional, written approval from the County.

Modifications to Proposal: Owner's representative shall be considered the Boone County Collector of Revenue. Consultant shall provide an itemized charge per legal description prepared, in addition to Consultant's monthly invoices for payment, to allow the addition of said direct cost to the relevant parcel as part of the costs of the delinquent tax sale.

This form agreement and any attachments to it shall be considered the approved proposal; signature by all parties below constitutes a contract for services in accordance with the above described proposal and any approved modifications to the proposal, both of which shall be in accordance with the terms and conditions of the General Consultant Services Agreement signed by the Consultant and Owner for the current calendar year on file with the Boone County Resource Management Department, which is hereby incorporated by reference. Performance of Consultant's services and compensation for services shall be in accordance with the approved proposal and any approved modifications to it and shall be subject to and consistent with the General Consultant Services Agreement for the current calendar year. In the event of any conflict in interpretation between the proposal approved herein and the General Consultant Services Agreement, or the inclusion of additional terms in the Consultant's proposal not found in the General Consultant Services Agreement, the terms and conditions of the General Consultant Services Agreement shall control unless the proposal approved herein specifically identifies a term or condition of the General Consultant Services Agreement that shall not be applicable or this Approval of Proposal indicates agreement with a specific term or terms of Consultant's proposal not found in the General Consultant Services Agreement.

A CIVIL GROUP, LLC

CERTIFIED COPY OF ORDER

March Session of the January Adjourned

Term. 20 17

STATE OF MISSOURI }
County of Boone } ea.

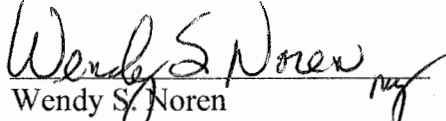

In the County Commission of said county, on the 16th day of March 20 17

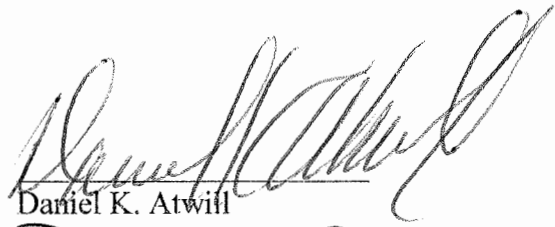

the following, among other proceedings, were had, viz:

Now on this day the County Commission of the County of Boone does hereby approve the request by the Prosecuting Attorney's Office to hire above the Flexible Hiring Maximum for the position of Assistant Prosecuting Attorney II at an annual salary of \$73,000.

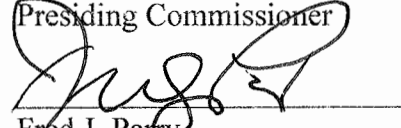

Done this 16th day of March, 2017.

ATTEST:

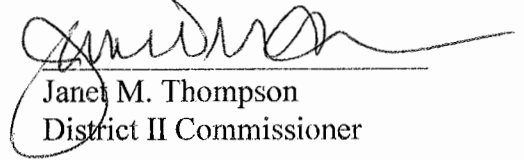

Wendy S. Noren
Clerk of the County Commission

Daniel K. Atwill
Presiding Commissioner

Fred J. Parcy
District I Commissioner

Janet M. Thompson
District II Commissioner

REQUEST TO HIRE ABOVE FLEXIBLE HIRING MAXIMUM

BOONE COUNTY

RECEIVED

MAR 13 2017

BOONE COUNTY AUDITOR

Description of form: To request approval to hire between 86% - 120% of the salary range mid-point

Procedure:

1. The Administrative Authority or designee completes the form and prepares a schedule that demonstrates that funding is available within the salary and wage appropriation (account #10100) and calculates the amount for a budget revision, if needed. The Administrative Authority submits the form, the schedule, and the budget revision (if needed) to the Auditor for certification of funds availability.
2. The Auditor certifies funds availability and approves budget revision (if applicable) and forwards to Human Resource Director.
3. The Human Resource Director reviews the information, makes recommendation, and schedules the request on the Commission agenda for approval.
4. The County Commission will review all requests for a starting salary above the mid-point and will either approve or deny the request. After approval/denial, the County Commission will return this form to the Administrative Authority.
5. The Administrative Authority will attach a copy of this approved form to the Personnel Action Form.

Name of prospective employee Former Assistant Prosecuting Attorney Department 1261 PA Administration

Position Title Assistant Prosecuting Attorney II Position No. 597

Proposed Starting Salary (complete one only) Annual: \$73,000.00 % of Mid-Point _____
 OR Hourly: _____ % of Mid-Point _____

No. of employees in this job classification within your Department? 11

Justification (Describe the prospective employee's education and/or work experience which supports this proposed compensation level)

This former assistant prosecuting attorney has been licensed to practice law since 2005 and was an assistant prosecuting attorney with our office from 2008 to 2016. Prior to coming to the Boone County Prosecuting Attorney's office he worked for the Missouri Attorney General's office in the criminal division.

If proposed salary exceeds what other employees in the same job classification are paid, explain how the prospective employee's background exceeds others working in the same job classification:

This former APA has a tremendous amount of criminal law experience. Over his career he handled hundreds of felonies and thousands of misdemeanors for our office. He is a very talented and proficient trial lawyer and has handled numerous complex cases. He is extremely intelligent, hard working, thoughtful and conscientious. In his previous employment with our office he worked well with victims, witnesses, police officers, other attorneys and judges.

What effect, if any, will this proposal have on salary relationships with other positions in your office and/or positions in other offices?

This salary is in line with other assistant prosecuting attorneys in our office with similar experience.

Additional comments:

There will be no overall budgetary impact because a long term employee is retiring from our office and this increase will be covered by that savings.

Administrative Authority's Signature: Samuel K. Knight Date: 2-13-17

Auditor's Certification: Funds are available within the existing departmental salary and wage appropriation (#10100).
 Funds are not available within the existing departmental salary and wage appropriation (#10100); budget revision required to provide funding is attached.

Auditor's Signature: Jane E. Ketchum by cg Date: 3/13/17

on-going increased annual cost including benefits equals \$11,975

CERTIFIED COPY OF ORDER

STATE OF MISSOURI }
 County of Boone } ea.

March Session of the January Adjourned

Term. 20 17

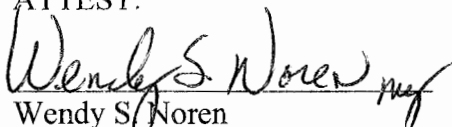

In the County Commission of said county, on the 16th day of March 20 17

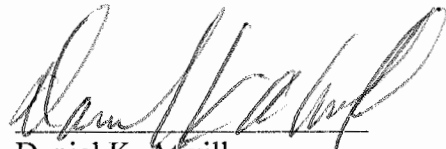

the following, among other proceedings, were had, viz:

Now on this day the County Commission of the County of Boone does hereby authorize the Mid-Missouri Regional Planning Commission (MMRPC) to pursue an application for CDBG funds relating to the American Outdoor Brands improvement project and selects MMRPC to provide administrative services relating to said grant funds if the grant is ultimately awarded. If the CDBG funds are awarded, the County Commission will enter into a formal agreement with MMRPC for professional administration services relating to said grant. Pursuant to Boone County's Grant Policy, the Commission notes that the CDBG funds require a 15% local match and that said local match can be met with tax abatements and in-kind services.

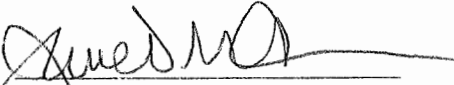

Done this 16th day of March, 2017.

ATTEST:

 Wendy S. Noren
 Clerk of the County Commission

 Daniel K. Atwill
 Presiding Commissioner

 Fred J. Parry
 District I Commissioner

 Janet M. Thompson
 District II Commissioner

Title: Authorization. Mid-Missouri Regional Planning Commission.

Description: For planning services to include: preparation of the environmental review report, community development block grant application, and grant administration services for funding support for necessary public infrastructure improvements related to the American Outdoor Brands Corporation economic development project.

Fees for the environmental review and grant administration planning services are an eligible cost within the awarded grant funds. The MO-DED CDBG program dictates the maximum fee for such services to not exceed \$10,000 plus 3% of grant award.

Mid-MO RPC prepares grant applications at no cost to the local government membership.

Proposed Amendment to State Community Development Block Grant (CDBG) Procurement for Grant Administration Services

The Missouri Department of Economic Development, in order to streamline the procurement for CDBG grant administration services and still promote free and open competition, amended the administration procurement process as follows:

Cities and counties which are member organizations of a regional planning commission (RPC) or council of governments (COG) may contract directly with that RPC or COG if both of the following conditions are met:

- 1. The city or county, as the CDBG grantee, must be a dues-paying member in good standing of the RPC or COG, and must be able to provide documentation of its membership in good standing.*
- 2. The CDBG application was prepared either by the city/county itself, or by the RPC or COG. If another third-party entity assisted the city/county with the application preparation, grant administration must then be procured.*

City and county grantees are not required to use the RPC/COG, and may elect to procure for grant administration even if both of the above conditions are met. This is simply an option that city and county grantees may use.

Description:

1. The annunciator alarm located in Dispatch 129 at the supervisors console should be modified to eliminate the audible signal as follows:

Connect to the Modbus output on each of the two generator controllers and wire to the Building Automation System to provide all available points and develop graphics for those points. Alarms shall be communicated through the BAS and shall trigger the warning light over the door leading from Dispatch 129 to Corridor 130. The audible alarms on the annunciator panels shall be permanently silenced by the generator supplier.

RFP-45

Requests integration of the generator panels via a Modbus protocol. C&C scope includes the addition of a Modbus driver to the existing system panel, wiring of a Modbus communication trunk to each of the Generator panels, programming, graphics, and field verification of functionality. Additionally, the generator panels will be reprogrammed to eliminate the audible alarm functionality. In an alarm condition, the generators will send the alarm notification to the BAS which will illuminate the existing BAS alarm light to notify the occupants of the condition. Cost to complete this work is listed below.

Material:		\$ 395.00
Engineering:	12 hrs @ \$73.81	\$ 885.72
Technician:	4 hrs @ \$73.81	\$ 295.24

Re: RFP-45

Richard,

We have received RFP-45 which requests integration of the generator panels via a Modbus protocol. Our scope includes the addition of a Modbus driver to the existing system panel, wiring of a Modbus communication trunk to each of the Generator panels, programming, graphics, and field verification of functionality. Additionally, the generator panels will be reprogrammed to eliminate the audible alarm functionality. In an alarm condition, the generators will send the alarm notification to the BAS which will illuminate the existing BAS alarm light to notify the occupants of the condition. Cost to complete this scope of work is \$5,548.38.

Material:		\$395.00
Engineering	12hrs @ \$73.81	885.72
Technician	4hrs @ \$73.81	295.24
Proj Man	4hrs @ \$72.00	288.00
Electrical		<u>2,759.69</u>
Subtotal		4,623.65
OH&P @ 20%		<u>924.73</u>
Total		\$5,548.38

Total	\$805.00
--------------	-----------------

- * This Proposal is valid for 45 days.
- * Seville Woodworks is not AWI certified. All work meets or exceeds AWI Custom. Items Custom Made to Specifications.
- * Payments will be due upon receipt of invoice. If payment is not received within 30 days, material acquisition and production of custom casework will stop, and a 2% late fee will be added to invoice.
- * Client is responsible for providing current blueprints, specifications, and notes.
- * Shop Drawings must be approved by Client before manufacturing of casework can begin. Our shop drawings and proposal are a direct interpretation of the blueprints and specifications. We intend, as your partner, to provide shop drawings on a timely basis for your review. It is impossible to guarantee timely delivery without a proper review and a submittal of all requested information directly related to casework.
- * If job total is over \$5,000.00, deposit of 50% is required within 30 days of approved shop drawings.
- * Material Draw of 50% is required for any specialty product i.e. Quartz, Granite, 3Form, Lumicor, etc.
- * Progress, Shop Drawings Fee, Net 30, WIP or Stored Materials are billable.
- * Any alternations or modifications to this Proposal - The price therefore must be agreed upon by the parties in a written "Change Order," before work on such alteration or modification shall commence. Payment for such alteration or modification shall be made in accordance with the terms of the "Change Order".
- * Proposal includes cost of Shop Drawings. (Shop Drawings are property of Seville Woodworks.)
- * If Proposal includes Laminate and color/style choices have not been specified, this Proposal price is only for 1 color choice for Casework and 1 color choice for Countertops.
- * All sales are final.

- Exclusions --
- Any items listed on material, finish or hardware schedules that are not located or do not have their locations identified in specifications, plans, elevations or sections.
 - Concealed backing and blocking; Rubber Base; Metal in wall top supports and structures; Plumbing Hardware; Trash and waste containers
 - Off hour installation; Use of CG 2010 1185 additional insured form.
 - Signage, lighting or wiring at Reception Desk (if any- job specific); Fabric and acoustical panels, white boards (job specific)
 - Any metal or hanging system at wood ceiling planks; Premium Laminates
 - Not responsible for delays of job due to delays or backorders from materials manufacturers, or delay of materials selections.
 - If job is Installation only, complete payment without retainage is expected.
 - On-site consultation and layout.
