## What are Smart911 & Rave Alerts?

Smart911 allows citizens to provide the additional details that 911 call takers may need in order to assist them during an emergency.

Ensure first responders have information about you and your family with Smart911 & Rave Alert. These services are free, and your information is kept private and secure.

### Receive alerts by text, voice or email for:

- Emergency Notifications
- Advisories (missing person, Amber Alert, etc.)
- National Weather Service Advisories and Watches
- Traffic Alerts

## Why use Smart911?

Smart911 can help protect you, your loved ones, and other members of your household. By creating a Safety Profile with Smart911 during a calm moment, you can take the time to ensure that the information is correct and accurate and exactly what you would like to be communicated to emergency response teams in an emergency.

### Where is Smart911 available?

Smart911 is a nationwide service now available in Boone County. When traveling outside of Boone County, to a location with Smart911 and Rave Alerts your Safety Profile will be available should you call 911.

## Is my information kept private?

Your privacy is important to us. Your information is made available ONLY to 911 call takers and responders ONLY in the event you call 911.

### Why should I share my information with Joint Communications?

This allows your local emergency officials to better plan for and respond to disasters (e.g. tornadoes, flooding, earthquakes, winter weather and severe weather).

We encourage you to share your information with both 911 and Emergency Management so you can be protected during ALL emergencies.
