**Independent Auditors' Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards***

To the County Commissioners of
Boone County, Missouri:

We have audited the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Boone County, Missouri as of and for the year ended December 31, 2005, which collectively comprise Boone County, Missouri's basic financial statements, and have issued our report thereon dated June 14, 2006. Our report on the basic financial statements was modified because, effective January 1, 2005, Boone County, Missouri implemented Governmental Accounting Standards Board Statement No. 40, *Deposit and Investment Risk Disclosures—an Amendment of GASB Statement No. 3*. Additionally, our report on the basic financial statements was modified because we did not audit the financial statements of the discretely presented component unit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of the discretely presented component unit were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not extend to the discretely presented component unit.

Our consideration of internal control over financial reporting and our tests of compliance with certain provisions of laws, regulations, contracts, and grants, and other matters did not include the entity audited by the other auditors referred to in the previous paragraph. The findings, if any, of those other auditors are not included herein.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Boone County, Missouri's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the basic financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the basic financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Boone County, Missouri's basic financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to the management of Boone County, Missouri in a separate letter, dated June 14, 2006.

This report is intended solely for the information and use of the County Commissioners of Boone County, Missouri; Boone County, Missouri management; federal awarding agencies; and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

**Independent Auditors' Report on Compliance With Requirements
Applicable to Each Major Program and on Internal Control Over
Compliance in Accordance With OMB Circular A-133**

The County Commissioners of
Boone County, Missouri:

Compliance

We have audited the compliance of Boone County, Missouri with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to its major federal program for the year ended December 31, 2005. Boone County, Missouri's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to its major federal program is the responsibility of Boone County, Missouri's management. Our responsibility is to express an opinion on Boone County, Missouri's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Boone County, Missouri's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Boone County, Missouri's compliance with those requirements.

In our opinion, Boone County, Missouri complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended December 31, 2005.

Internal Control Over Compliance

The management of Boone County, Missouri is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Boone County, Missouri's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133.

Our consideration of internal control over compliance would not necessarily disclose all matters in internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts, and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operations that we consider to be material weaknesses.

Schedule of Expenditures of Federal Awards

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Boone County, Missouri as of and for the year ended December 31, 2005, and have issued our report thereon dated June 14, 2006. Our report on the basic financial statements was modified because, effective January 1, 2005, Boone County, Missouri implemented Governmental Accounting Standards Board Statement No. 40, *Deposit and Investment Risk Disclosures—an Amendment of GASB Statement No. 3*. Additionally, our report on the basic financial statements was modified because we did not audit the financial statements of the discretely presented component unit. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise Boone County, Missouri's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the County Commissioners of Boone County, Missouri; Boone County, Missouri management; federal awarding agencies; and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

BOONE COUNTY, MISSOURI

Notes to Schedule of Expenditures of Federal Awards

Year ended December 31, 2005

(1) Basis of Presentation

The accompanying schedule of expenditures of federal awards (the schedule) presents the activity of all federal awards programs of Boone County, Missouri for the year ended December 31, 2005. For the purposes of the schedule, federal awards include grants, contracts, loans, and loan guarantee agreements entered into directly between Boone County, Missouri and agencies and departments of the federal government or passed through other government agencies or other organizations.

(2) Basis of Accounting and Relationship to Federal Financial Reports

Amounts reported in the accompanying schedule are presented using the accrual basis of accounting, which is described in note 1 to Boone County, Missouri's basic financial statements. Related federal financial reports are prepared on the cash basis of accounting.

(3) Grants to Subrecipients

The accompanying schedule includes no federal expenditures that have been passed through to subrecipients.

BOONE COUNTY, MISSOURI
