

2021

Citizen's Guide to County Finances

Boone County, Missouri

For the year ended December 31, 2021

Government Finance Officers Association of the United States and Canada (GFOA) has given an Award for Outstanding Achievement in Popular Annual Financial reporting to BOONE COUNTY GOVERNMENT for its Popular Annual Financial Report (i.e., Citizen's Guide to County Finances) for the fiscal year ended DECEMBER 31, 2020. The Award for Outstanding Achievement in Popular Annual Financial reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

In order to receive an Award for Outstanding Achievement in Popular Annual Financial Reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability, and reader appeal.

An Award for Outstanding Achievement in Popular Annual Financial Reporting is valid for a period of one year only. BOONE COUNTY GOVERNMENT received a Popular Award for 2020. We believe our current report continues to conform to the Popular Annual Financial Reporting requirements, and we are submitting it to GFOA to determine its eligibility for another Award.

Citizen's Guide to County Finances designed by
L. Parks, Studio5Nine, LLC

To the Citizens of Boone County

I am pleased to present the 2021 Boone County Citizens' Guide to County Finances. This is the seventh year for publication of this condensed report. The County submitted last year's report for independent review by the Government Finance Officers Association (GFOA) and received an Award for Outstanding Achievement in Popular Annual Financial Reporting. We expect this report to qualify for the award as well.

As your elected County Auditor, I am responsible for the County's accounting, budgeting, and financial reporting activities. I am pleased to provide this additional information source for the people of Boone County which presents financial and demographic information in an easy-to-read format. The financial information in this report is taken from the County's Fund Financial Statements presented within the 2021 Annual Comprehensive Financial Report (ACFR). However, because this report presents financial information in a summarized and less comprehensive manner, it does not conform to generally accepted accounting principles and reporting requirements for governmental entities and should not be used as a substitute for the ACFR.

The County's financial activities are guided by formally-adopted fiscal and budget policies which are published in the annual budget document. Additionally, the County is committed to the highest standards of financial reporting and disclosure, preparing its financial statements in accordance with generally accepted accounting principles applicable to governmental entities. The County obtains an annual independent financial audit and receives an unmodified, or "clean", audit opinion each year. The Government Finance Officers Association (GFOA) has awarded Certificates of Achievement for Excellence in Financial Reporting to the County each year since 1987. The ACFR, including the independent auditors' report, is available on the County's website at www.showmeboone.com/auditor/financial-reports/.

County operations have significantly expanded as a result of two voter-approved permanent sales tax levies: a one-fourth cent sales tax for Community Children's Services (effective April 1, 2013) and a three-eighths cent sales tax for 911 and Emergency Management Services (effective October 1, 2013). The Community

Children's Services sales tax provides local funding for counseling, family support, and temporary residential services. The 911 and Emergency Management sales tax led to the transfer of 911 and Emergency Management operations from the City of Columbia to Boone County coupled with expanded and improved services. The new Emergency Communications Center (ECC) was dedicated on September 11, 2016 with all operations relocated by mid-2017. County staff have turned their attention to the next phase of capital planning which encompasses improvements to the county-wide radio infrastructure network.

The County is primarily dependent on sales tax revenue to pay for day-to-day operations, but this important tax base was being eroded with the expansive growth of untaxed e-commerce activity. On June 21, 2018, in the South Dakota v. Wayfair, Inc case, the United States Supreme Court ruled that physical presence is no longer required for a state to impose sales and use tax on a remote seller. The Missouri General Assembly passed legislation in May 2021, which the Governor signed into law, requiring out-of-state retailers to collect and remit state and local sales taxes for remote purchases; the new law will take effect January 2023. The new law requires voter approval of a local "use tax" which enables the County to receive the equivalent of sales taxes on remote purchases. In April of 2022, Boone County voters approved a use tax that will equal our current sales tax amount of 1.75%. The use tax will go into effect on January 1st, 2023.

I value the opportunity to serve as your County Auditor and hope that you find this report informative and useful in enhancing your understanding of Boone County's finances.

Sincerely,

June Pitchford

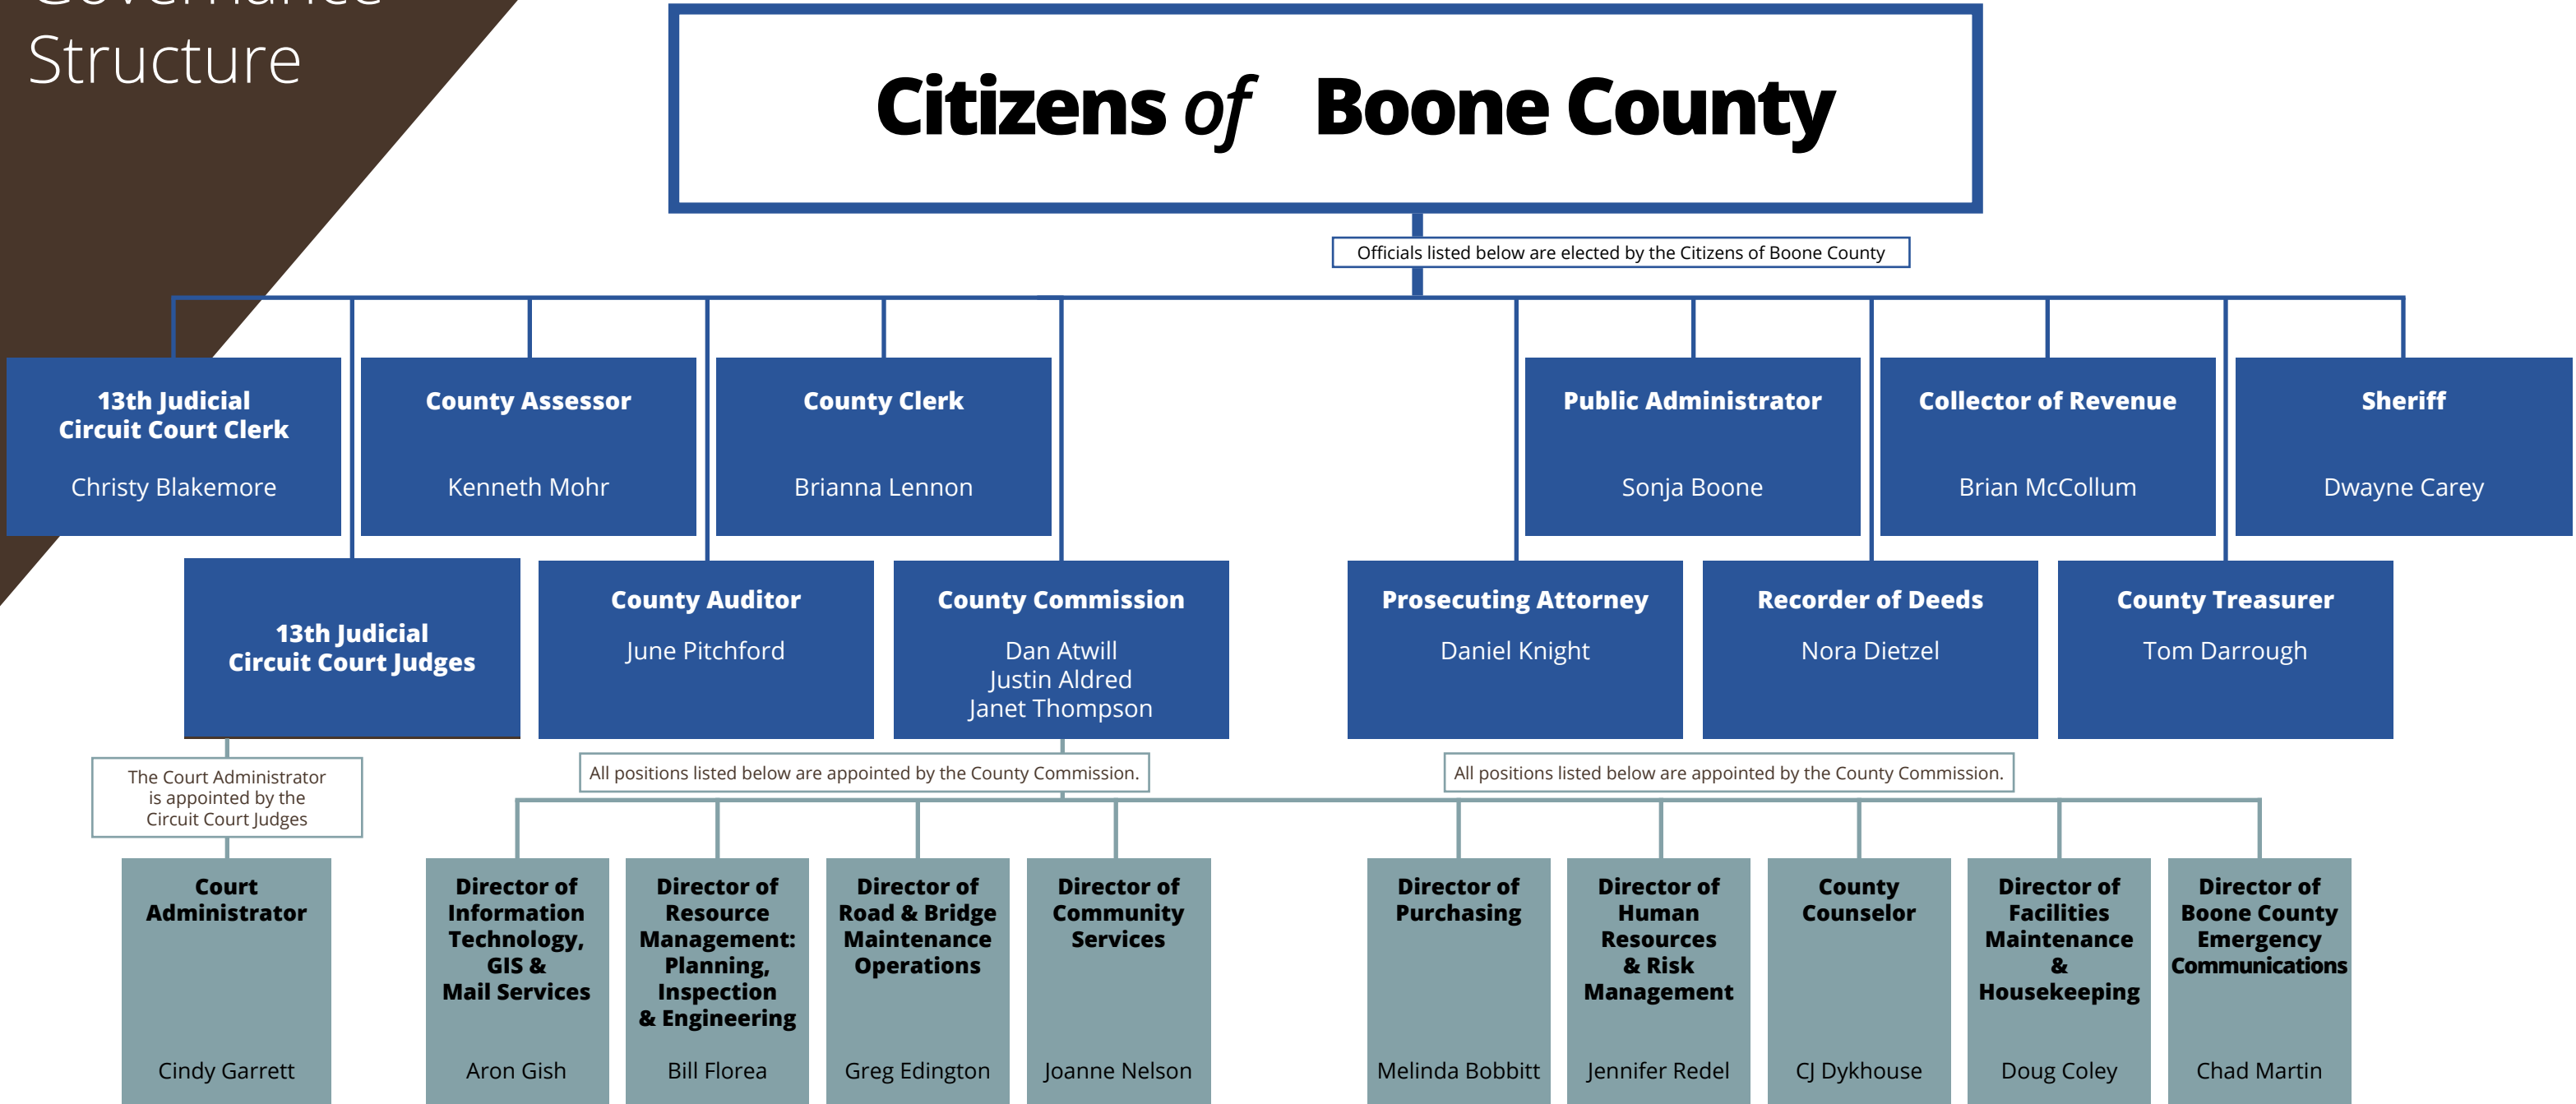

June E. Pitchford, CPA
Boone County Auditor

This report is published by the Boone County Auditor's Office and is available on the County's website at www.showmeboone.com/auditor. Other reports also available from this webpage include the Comprehensive Annual Financial Report (CAFR) and the Annual Budget.

Established in 1821, the County's operational structure is governed by state law. Elected to four-year terms, County officials serve full-time. With the exception of the District I and District II Commissioners, all are elected county-wide. Circuit Court elected officials and most of their staff are state-paid employees with additional positions voluntarily funded by the County. For all other county offices, elected officials and employees are paid by the County. The County Commission appoints department

directors to oversee the day-to-day operations of various county departments as well as the County Counselor who serves as general counsel for the County. The County Commission also appoints the Medical Examiner, services obtained on a contractual basis from the University of Missouri. The day-to-day operations of the 13th Judicial Circuit Court are administered by a full-time elected Circuit Court Clerk and a full-time Court Administrator appointed by the Presiding Judge, with the consent of

the *court en banc*. For all other county offices, the full-time elected official oversees the day-to-day operations. Detailed organization charts for each department and office are presented within the County's annual budget document.

The County Commission has limited ordinance-making authority and is responsible for all County property as well as approving the annual budget. The County Commission

is the appropriating authority for the County's major operating funds and certain other funds; however, individual elected officials exercise appropriating authority over a variety of special revenue funds, as specified by state law. A description of all County funds is included in the County's annual budget document.

Where the Money Comes From

SALES TAXES: County services are primarily funded with locally generated sales tax revenues. The total voter-approved sales tax rate for County purposes amounts to 1.75%. Included in this total is a .50% rate for general use with the remainder (1.25%) restricted to the specific purposes of road infrastructure, law enforcement services, community children’s services, and 911/ Emergency Management. Sales tax is inherently more volatile than other sources of revenue. Boone County mitigates the risk of this volatility through fiscal and budget policies and the consistent application of sound, conservative budgeting principles. Additional sales tax information is presented later in this report.

County sales tax revenue increased by 16% compared to the prior year. This unexpected variance is attributable to significant increases in motor vehicle sales, construction/durable goods sales combined with historically high inflation. In 2020, sales tax revenue increased by 1.87% and in 2019 and 2018, sales tax declined by 0.3% and 1%, respectively. This level of sales tax growth is not expected to continue.

CHARGES FOR SERVICES: The County Commission has limited authority to enact or change County fees because most fees are established by state law. Such fees include real estate recording fees, marriage license fees, court-related fees, and property tax collection fees.

PROPERTY TAXES: The County is authorized to levy a property tax for general purposes and for road and

bridge maintenance. The 2021 property tax rates (per \$100 of assessed valuation) were \$0.1095 for the General Fund and \$0.0459 for the Road and Bridge Fund. For comparison purposes, the 2021 property tax rates (per \$100 of assessed valuation) for Columbia Public Schools, Southern Boone County Schools, City of Columbia, and City of Centralia were \$5.6932, \$5.7901, \$0.4032, and \$0.9322, respectively.

INTERGOVERNMENTAL REVENUE: Revenue received from other governments consists primarily of state reimbursements and grant revenues. State reimbursements are received for jail housing costs, juvenile detention, property assessment, and child support enforcement activities. These reimbursements are subject to appropriation at the state level and have been significantly reduced in recent years. The County also receives distributions from state-wide motor fuel taxes, state motor vehicle sales tax, state motor vehicle licensing fees, as well as various law enforcement and judicial grants.

HOSPITAL LEASE: Since September 1988, the county-owned hospital, Boone Hospital Center, has been leased to CH Allied Services, Inc. Pursuant to the terms of lease (which has been amended and re-stated), the County receives two payments: an unrestricted payment (\$1.9 M) and a payment restricted for community medical and health needs (\$0.5 M). Both payments are indexed to increases in the Consumer Price Index (CPI). The current lease agreement ended December 31, 2021.

REVENUES	%	2021
Sales Taxes	67.2%	\$58,397,808
Property and Franchise Taxes	6.5%	\$5,619,596

Total Revenues	100.00%	\$86,916,561

Where the Money Goes

The majority of county resources are directed to statutory functions of public safety & judicial services, to maintaining and improving the County's transportation network, and to providing public health and community children's services.

PUBLIC SAFETY AND JUDICIAL: The County provides funding for the Prosecuting Attorney, Sheriff and Corrections, 911 and Emergency Management, the Public Administrator, the 13th Judicial Circuit Court, the Juvenile Detention Center, and various alternative sentencing programs. The County provides medical examiner services through contract with the University of Missouri and is required to provide office space for the state Public Defender. With voter approval of a new dedicated sales tax in 2013, 911 and Emergency Management operations transferred from the City of Columbia to Boone County. A newly constructed Emergency Communications Center was dedicated in September 2016 and relocation of operations was completed mid-year 2017.

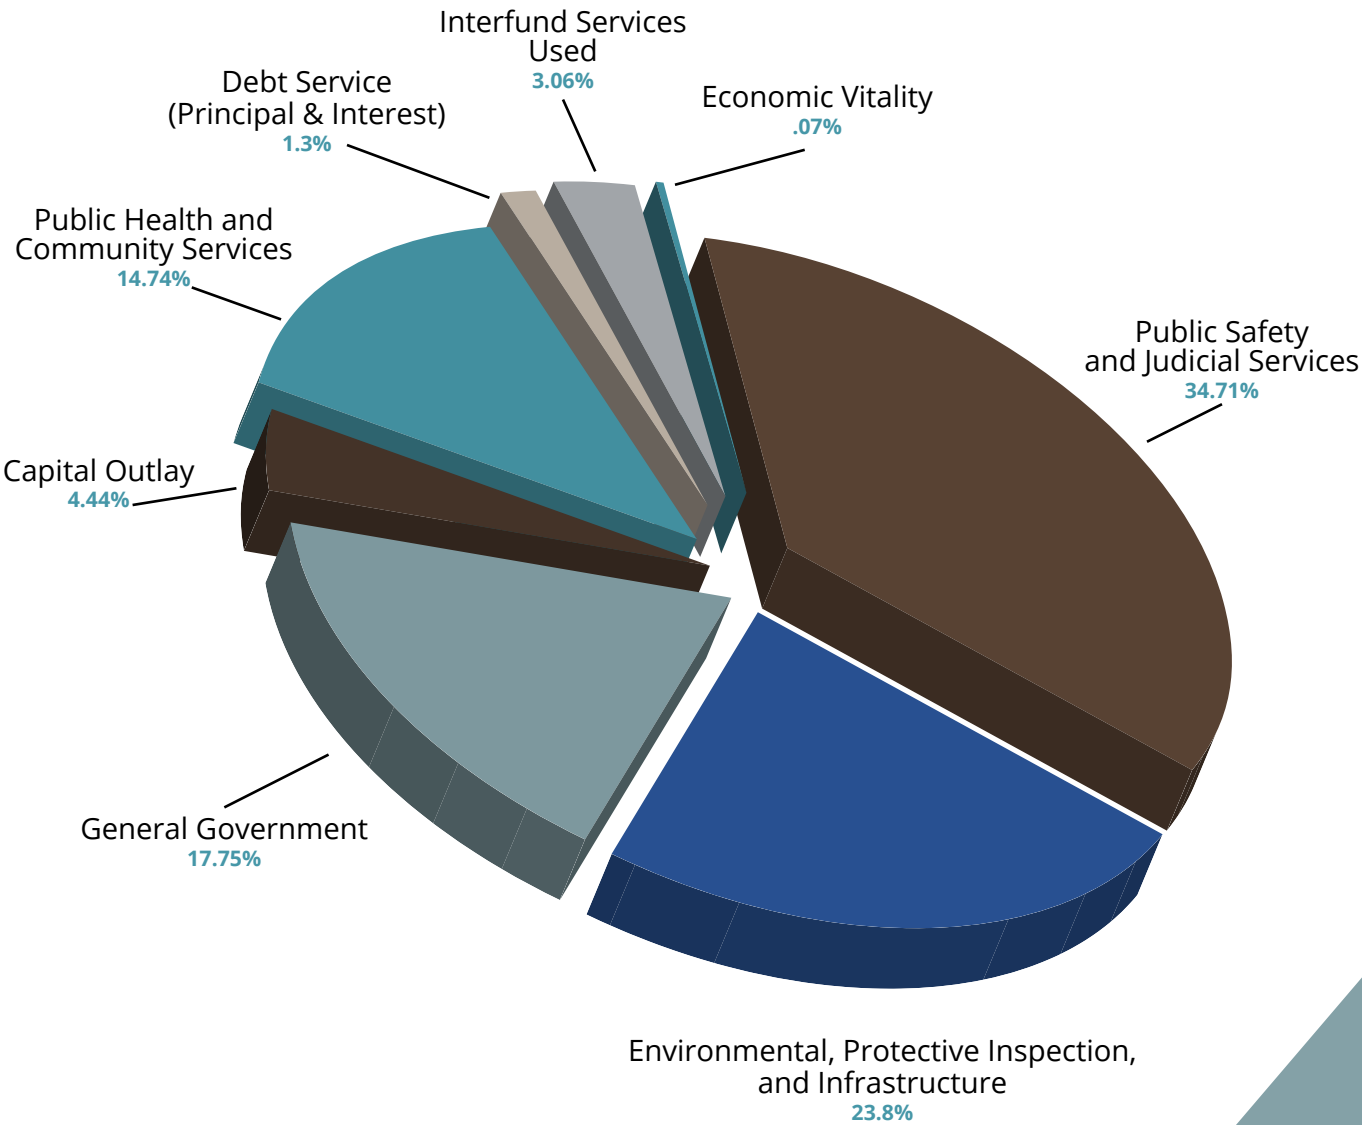

ENVIRONMENT, PROTECTIVE INSPECTION, AND INFRASTRUCTURE: The County maintains approximately 800 miles of roadway infrastructure consisting of concrete, asphalt, and gravel surface types along with a variety of bridges and other drainage structures. Routine and preventative maintenance includes gravel application, asphalt and concrete patching/sealing, asphalt and concrete preservation and rehabilitation, ditching, vegetation control, and bridge

maintenance repair. Routine traffic services include street signing, regulatory signing, dust control, and snow and ice control. The County also provides planning and zoning, building inspection, building code enforcement, and storm water administration services.

GENERAL GOVERNMENT: The County provides various services including: record preservation (real estate transactions and marriage licenses); parcel mapping; assessment of real estate and personal property for taxing purposes; property tax collection, distribution, and reporting for all taxing entities within the County; voter registration and elections; information technology support; human resources and risk management; purchasing; accounting and financial reporting; budgeting; treasury and investment management; and County Commission operations.

PUBLIC HEALTH AND COMMUNITY SERVICES: The County provides contractual funding for the Boone County/City of Columbia Health Department, a city-administered department. In addition, voters approved a dedicated sales tax for community children's services which became effective mid-year 2013. A nine-member Commission-appointed governing board is responsible for establishing annual funding allocations consistent with the eligible services allowed under state law which include counseling, family support, and temporary residential services to persons nineteen years of age or less. These services are administered through the County's Community Services Department.

EXPENDITURES	%	2021

Revenue & Expenditure by Fund

for the year ending 2021

Fund Balances

as of December 31, 2021

REVENUE AND EXPENDITURES BY FUND

Governmental funds are used to account for the revenues and expenditures associated with the County's governmental functions and activities. Revenues available for any governmental purpose are accounted for within the General Fund whereas revenues restricted as to use are accounted for within separate funds. Over 60% of the County's revenues are restricted as to use.

Governmental funds are classified as "major" or "nonmajor", according to established standards. The chart above shows the relationship between aggregate revenues and expenditures for each major fund and for all nonmajor funds combined as well as total revenues and expenditures for all funds combined. Detailed financial information for each individual fund is presented in the County's Annual Comprehensive Financial Report (ACFR), which is available at www.showmeboone.com/auditor/financial-reports/.

GENERAL FUND— revenue exceeded expenditures due to unexpected increases in sales tax revenue. In addition, expenditures were lower than expected due to extended staff turnover and vacancies combined with reduced travel costs resulting from the pandemic.

ROAD AND BRIDGE FUND— revenues exceeded expenditures primarily due to unexpected increases in

sales tax revenue. Additionally, expenses were lower than expected; Several road projects were delayed and re-budgeted the following year.

COMMUNITY CHILDREN'S SERVICES FUND— expenditures exceeded revenues due to planned spending. Sales tax revenue received in prior years was appropriated and spent in the current year.

911/EMERGENCY MANAGEMENT FUND AND ECC DEBT SERVICE FUND (COMBINED)— revenue exceeded expenditures primarily due to unexpected increases in sales tax revenue, high staff turnover combined with extended vacancies, and delays with several large infrastructure improvement projects. The unspent revenues will be used for future improvements to the technology and radio infrastructure network.

LAW ENFORCEMENT SERVICES FUND— revenues exceeded expenditures slightly, primarily due to unexpected increases in sales tax revenues and reduced expenses for salaries and wages resulting from staff vacancies and turnover.

NONMAJOR FUNDS— expenditures exceeded revenues primarily because of planned spending in capital project funds.

FUND BALANCE

FUND BALANCE is the net difference between the assets and liabilities of a governmental fund. Throughout the year, significant portions of fund balance consist of receivables associated with property taxes, sales taxes, and reimbursement revenues. **Therefore, fund balance should NOT be confused with cash on hand.** To ensure adequate cash flow throughout the year, County policy requires a minimum fund balance equal to two month's expenditures (17%) within each of the major funds. Fund balance amounts that exceed minimum requirements are available for appropriation through the budgeting process.

COMMUNITY CHILDREN'S SERVICES FUND*

\$3.6M

Fund balance available for future budget needs

- \$6.2 million budgeted in fiscal year 2022
- \$0.3 million encumbered on contracts
- \$2.3 million required minimum fund balance

Total fund balance at December 31, 2021: **\$12.4M**

GENERAL FUND

\$18.2M

Fund Balance available for future budget needs

- \$4.3 million budgeted in fiscal year 2022
- \$1.0 million encumbered on contracts
- \$0.3 million designated to specific purposes/project
- \$5.4 million required minimum fund balance

Total fund balance at December 31, 2021: **\$29.2M**

911 AND EMERGENCY MANAGEMENT FUND*

\$13.8M

Fund Balance available for future budget needs

- \$3.4 million budgeted in fiscal year 2022
- \$0.8 million encumbered on contracts
- \$10.5 million designated for technology/radio infrastructure improvements
- \$1.8 million required minimum fund balance

Total fund balance at December 31, 2021: **\$30.3M**

LAW ENFORCEMENT SERVICES FUND*

- \$0.7 million required minimum fund balance

Total fund balance at December 31, 2021: **\$4.1M**

ROAD AND BRIDGE FUND

\$10.6M

Fund balance available for future budget needs

- \$0 million budgeted in fiscal year 2022
- \$0.9 million encumbered on contracts
- \$5.0 million designated for future infrastructure projects
- \$3.4 million required minimum fund balance

Total fund balance at December 31, 2021: **\$19.9M**

ECC CAPITAL PROJECT FUND & NONMAJOR FUNDS*

\$6.9M

Fund balance available for future budget needs

- \$2.1 million budgeted in fiscal year 2022
- \$0.1 million encumbered on contracts
- \$5.0 million designated for capital projects
- \$0.5 million restricted to debt service

Total fund balance at December 31, 2021: **\$14.6M**

*The resources of this fund may only be used for specific purposes, such as those allowed by state law or ballot language. Because of this, the revenues, expenditures, and fund balance are accounted for within a separate and distinct fund and not co-mingled with general revenues or the resources of any other fund. For many of the nonmajor funds, an elected official other than the County Commission is the appropriating authority.

Sales Tax

SALES TAX RATES CITIES IN BOONE COUNTY STATE, COUNTY AND CITY RATES COMBINED	
McBaine, Midway, Prathersville, Wilton	5.975%
Hartsburg, Huntsdale, & Village of Pierpont	6.475%
Harrisburg	6.975%
Hallsville	7.600%
Rocheport	7.475%
Columbia & Sturgeon	7.975%
Ashland & Centralia	8.475%

SALES TAX County sales tax levies are authorized by state law and subject to voter approval. The sales tax levy for roads (0.500%) was initially approved by voters in 1993 for five years and has been renewed three times for ten-year periods, expiring September 30, 2028. This tax levy is accompanied by a voluntary property tax rollback and the County intends to seek voter approval for renewal. All other County sales tax levies are permanent.

The municipal sales tax rates shown above are intended to provide a rate comparison of Boone County's various municipalities with those of nearby communities. All rates are effective as of January 1, 2022.

SALES TAX COMPARISON	
Columbia	7.975%
Boonville	9.100%
Fayette	8.350%
Jefferson City	8.725%
Fulton	9.225%
Sedalia	9.225%
Moberly	8.475%

Kirkville	8.600%
Mexico	8.850%
Springfield	8.100%
Lee's Summit	8.100%

TAXABLE SALES PER CAPITA Taxable Sales is the County's primary tax base and Boone County's ability to fund services over time is significantly impacted by its stability and growth. Historically, population growth has been a key factor influencing local taxable sales and sales tax revenue was strongly correlated to population growth. In the chart on the facing page, the increase in taxable sales per capita reflects the impact of 40 year high inflationary price increases. Prior to this, the County was experiencing an on-going erosion of this tax base due to untaxed e-commerce. The County's population continues to grow at a steady and strong rate; however, the County's primary operating revenue has been largely flat (and sometimes shrinking) in recent years. In April of 2022, Boone County voters approved a use tax that will equal the combined sales tax rate of 1.75%. The use tax is effective on January 1, 2023, enabling the County to receive voter-approved sales taxes on remote sales.

Boone County's taxable sales per capita compares favorably to that for the state of Missouri as a whole.

COUNTYWIDE SALES TAX RATE BREAKDOWN		
State	4.225%	
County General Revenue	0.500%	Permanent
County Maintenance-Roads	0.500%	Renewable
County Law Enforcement Services	0.125%	Permanent
Community Children's Services	0.250%	Permanent
911/Emergency Management	0.375%	Permanent
Combined State & County Sales Tax Rate	5.975%	

Boone County Workforce

FULL-TIME EQUIVALENT (FTE) POSITIONS BY FUNCTION

NUMBER OF BUDGETED FTE POSITIONS PER 1000 RESIDENTS

For fiscal year 2021, Boone County's work force totaled approximately 531 budgeted full-time equivalent (FTE) positions, a slight decrease over the prior year attributable to fluctuations in seasonal employees. The overall size of Boone County's employee work force has remained stable relative to population over the last 10

years, as shown in the chart above. There are approximately 3 County employees for each 1,000 residents.

Approximately 60% of the workforce is concentrated in public safety, which has grown significantly since 2013, a result of the transfer of Joint Communications and Emergency

Management activities from the City of Columbia to Boone County.

The State of Missouri provides funding for 38 FTEs for the Circuit Court Clerk's office and 23.5 FTEs for the Circuit Court. The County-paid court positions supplement the workforce provided by the state.

Long-Term Debt

LONG-TERM OBLIGATIONS AS OF DECEMBER 31, 2021

The County's long-term debt consists of employee benefit obligations and bonds payable. Overall, the amount of long-term debt is very low.

COMPENSATED ABSENCES AND OTHER DEBT: amounts owed to county employees for vacation leave accrued according to county personnel policies, unamortized amounts associated with bonded debt, and Other Post-Employment Benefits (OPEB) associated with the County's self-insured health plan.

SPECIAL OBLIGATION BONDS: issued to construct and/or improve various county-owned facilities and are being retired through annual appropriations from county revenues. The debt will be fully retired in 2034. The County issued approximately \$13.3 million in additional debt during 2015 to construct the new Emergency Communications Center (ECC); at December 31st, \$9.3 million was still outstanding. This debt is being retired with proceeds from the 911/Emergency Management sales tax.

GENERAL OBLIGATION BONDS: issued to construct road and sewer neighborhood improvement district (NID) projects and are being retired through special assessments billed to property owners. No property taxes are levied nor are County resources used to retire this debt; it will be fully retired in 2036. The County expects to

issue additional debt associated with the NID program, all of which will be retired through special assessments.

CHANGES IN OUTSTANDING BONDED DEBT

In 2015, the County issued \$13.3 million in Special Obligation Bonds to design and construct the Emergency Communications Center. The new facility houses the operations of Boone County Joint Communications (911 call-taking and dispatching) and Boone County Emergency Management. At December 31st, \$9.3 million remained outstanding and it will be fully retired in 2034.
