PROCLAMATION

BY THE HONORABLE MEMBERS
OF THE COUNTY COMMISSION OF
BOONE COUNTY

WHEREAS, the week of November 15-21, 2015, has been elected Geography Awareness Week and the day of November 18, 2015 has been elected as Geographic Information Systems (GIS) Day; and

WHEREAS, the world is increasingly interconnected and interdependent, but too many students lack understanding of the world's geography within and beyond our country's borders; and

WHEREAS, Geography Awareness Week promotes geo-literacy and education in the nation's schools and communities, which is an essential part of a 21st century education, and has been a congressionally-mandated week since 1987, and

WHEREAS, Geographic Information Systems (GIS) technologies are a powerful tool for supporting emergency services, homeland security, economic development, environmental protection, crime mapping, healthcare, long-range planning, and much more; and

WHEREAS, teachers, students, and communities across BOONE COUNTY will gain further understanding about how our world is made up of interconnected human and natural systems, with special emphasis this year on the 2015 theme of *Explore! The Power of Maps* using resources developed by the National Geographic Society, the Missouri Geographic Alliance and other committed organizations during Geography Awareness Week and throughout the school year;

NOW, THEREFORE, WE THE HONORABLE MEMBERS OF THE COUNTY COMMISSION OF BOONE COUNTY, do hereby proclaim November 15-21, 2015 as

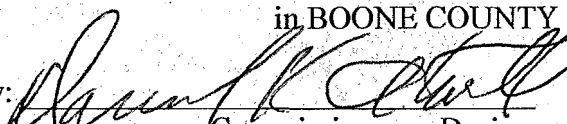

Geography Awareness Week

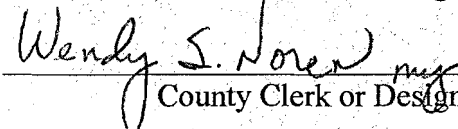

and Wednesday, November 18, 2015 as

GIS Day

throughout BOONE COUNTY and encourage all citizens to participate in this special observance with students, sharing in their geographic research and academic achievement.

HONORABLE MEMBERS OF THE COUNTY
COMMISSION
BOONE COUNTY,

Each year, since 1987, National Geographic and the Missouri Geographic Alliance has worked together to promote Geography Awareness week throughout the state of Missouri. As the Coordinator of the Alliance, I am asking once again this year for your assistance. Our goal for Missouri is to have **ALL** of the County Commissions and County Executives proclaim November 15-21, 2015 as Geography Awareness Week & November 18th as Geographic Information Systems (GIS) Day in their county. More than 100,000 Americans participate in Geography Awareness Week each year, and we would love to increase Missouri's participation.

WHAT ARE WE ASKING OF THE HONORABLE MEMBERS OF THE COUNTY COMMISSION OF BOONE COUNTY? You will find enclosed in this packet two (2) copies of a Geography Awareness Week / GIS Day proclamation that the Missouri Geographic Alliance has created for your county. We hope **BOONE COUNTY** will support this endeavor by signing the proclamation and returning one (1) copy to our office in the enclosed addressed envelope. We have left space for a county seal to be affixed to the proclamation as well. We would love to show the nation that every county in Missouri supports geography education and the adventures that can be found in each community through this endeavor.

ABOUT THE 2015 THEME: This year's Geography Awareness Week theme of Explore! The Power of Maps encourages students, parents, educators and citizens to celebrate and explore the power of maps. Spatial thinking through maps is one of the most important skills that students can develop as they learn geography, Earth and environmental sciences, and so much more. Geography Awareness Week was created in 1987 as a time for families, students, teachers, and the general public to promote and celebrate the study of geography. As an "integrative discipline that brings together the physical and human dimensions of the world in the study of people, places, and environments," geography is an essential part of every student's education in today's ever-changing world (National

Geography Standards, 1994: 18). Geography, however, is not limited to the global scale; local-scale geography is just as important to our understandings of ourselves and our larger world.

If you should have any questions or desire more information about Geography Awareness Week, GIS Day or the Missouri Geographic Alliance, please do not hesitate to contact our office at 573-882-0045 or at mga@missouri.edu.

Sincerely,

Shannon H. White, PhD
