Commission to take final binding action on awarding the bid.

Mr. Dillingham stated, at this point, the bid would be reviewed. Upon confirming that the bid has been calculated correctly, Nancy Lear, of Gilmore and Bell, will insert in the documents who the bidder is and the amount of the bid.

Commissioner Miller asked Mr. Dillingham if he had set up the meeting for today. Mr. Dillingham stated he did not. Kay Murray stated she and Nancy Lear set up the meeting.

Commissioner Miller stated because of how the County Commission operates, with first and second readings, the Commission needed to have a more notification about bonding issues.

Mr. Dillingham suggested how bond sales would be done during Commission if a first and second reading were needed.

The acting Presiding Commissioner adjourned this meeting until 1:30 p.m. at 10:42 a.m.
