

TERM OF COMMISSION: July Session of the July Adjourned Term

PLACE OF MEETING: Roger B. Wilson Boone County Government Center  
Chambers

PRESENT WERE: Presiding Commissioner Daniel Atwill  
District I Commissioner Fred Parry  
District II Commissioner Janet Thompson  
Account Specialist Christy Johnson  
Sheriff Dwayne Carey  
Deputy County Clerk Michelle Thompson

The meeting was called to order at 1:32 p.m.

**Sheriff's Department**

**1. First Reading; School Resource Officer Agreement: Hallsville, Harrisburg,  
Southern Boone County, and Sturgeon School Districts**

Dwayne Carey explained that starting several years ago, the Sheriff's Department had been providing resource officers to the schools free of charge, which they are not obligated to do. Sheriff Carey wanted to be able to get another deputy on the midnight shift, so, he met with the school officials and pitched the idea to them that each of the four schools that the department provides a resource officer for could pay a quarter of what a deputy's salary would be, and they could add a deputy position to midnight shift. The Sheriff's Department has not added a position on patrol since Prop. L was passed in 2002. The superintendents of the schools know how valuable it is to have a deputy there, plus, we are still there teaching D.A.R.E., so they were all agreeable to paying the quarter each. We have a great relationship with the superintendents and it works really well.

Commissioner Parry asked if the schools were paying 25 percent of it back.

Dwayne Carey said that is correct, and I still have ultimate control over the deputies.

Commissioner Parry asked if that money goes back into the general revenue.

Dwayne Carey said yes, it just goes back to general revenue. One of the problems you have now is when you have an incident such as Parkland, then they want summer school coverage as well when the agreement is only for the school year. This year, since we all had some heightened awareness, if a school did ask, I did allow for us to be there in the summer. Ashland PD has helped us out quite a bit on that campus down there since you are talking about multiple buildings. They will work with our SROs, so if our SRO is in the high school, they will do a patrol through the middle school and that helps out a lot. We have a good working relationship with everybody and I would like to continue it.

Commissioner Atwill mentioned he noticed Centralia was not listed.

Dwayne Carey explained that they take care of their school with their own people. However, with the resignation of the Chief, that could always change.

There were no more comments or questions from the Commission.

Commissioner Atwill stated this is a first reading and requested the Deputy County Clerk to schedule this item for a second reading at the next available commission meeting with appropriate order for approval.
