Legal Description: «DESCRIPTION»

This is to notify you that the County Commission of the County of Boone has levied a special assessment of **\$4,080.50** against the property described above for improvements made under the Neighborhood Improvement District statutes (Sections 67.453 to 67.475 RSMo, the "Neighborhood Improvement District Act").

The assessment for this project is now payable in full. If you do not wish to pay your assessment off at this time, you may elect for your account to start accruing the County Opportunity Cost of 6.12 % until your account is paid in full or until General Obligation Bonds are sold. **Interest will start accruing as of April 23, 2001.**

$(\$4,080.50 \times 6.12 \% \text{ interest} \div 365 \text{ days} = \$.68 \text{ per day})$

At a future date, (on or about June 30, 2001) Boone County will issue General Obligation Bonds to reimburse the County for all expenditures related to this project. Until bonds are issued, you may pay off this assessment at any time based on a daily interest charge as described above.

Once the County issues bonds, the County will be obligated to pay principal plus interest over the life of the bonds, therefore any property owner who has not paid off their NID assessment prior to that sale will be obligated to pay **principal, interest accrued through sale date of bonds, bond issuance costs and bond interest through the life of the bond.** You will be notified by mail prior to the sale of such bonds and given one last opportunity to pay off in full before all the above costs will be added to your pre-bond assessment.

To pay this assessment in full, please:

1. Make check payable to Boone County Collector, 801 E. Walnut, Columbia, MO 65201.
2. On your check, include your tax parcel #, which is «TAXPARCEL» and the word "NID".
3. Check should be for **\$4,080.50 plus interest** calculated as shown on the back of this page.
4. If you send your check by mail, please calculate interest to include the day you mail your check.

Interest accrues from April 23, 2001
 To pay off the assessment in full:
 1. Find the date you wish to pay this off in the left column.
 2. Find the number of days of interest in the right column adjacent to that date.
 3. Multiply the number of days of interest by \$.68
 4. Add the interest to the assessment of \$4,080.50

Example:
 To pay off on June 25, 2001
 64 days x \$.68 = \$43.52 interest
 \$4,080.50 + \$43.52 = **\$4,124.02**
Interest Rate = 6.12 %

March Session of the February Adjourned Term. 20 01

In the County Commission of said county, on the 15th day of March 20 01

the following, among other proceedings, were had, viz:

Now on this day the County Commission of the County of Boone does hereby approve the following amendment to the Personnel Policies of the County of Boone:

3.10: SHIFT DIFFERENTIAL

Shift differential as outlined in this policy applies only to normally or regularly scheduled hours.

Non-exempt employees are eligible for shift differential for hours worked during the evening and night or for hours worked on an official county holiday or weekend (i.e., Saturday or Sunday). An employee must work the scheduled hours in order to receive the shift differential.

Employees will receive the hourly shift differential amount approved in the annual budget for a scheduled shift that begins on or after 2:00 p.m. and before 6:00 a.m. Scheduled hours that begin on or after 6:00 a.m. and before 2:00 p.m. are not eligible for shift differential. *Shift differential does not apply in situations where an employee is required to work additional hours beyond their normal schedule on a periodic scheduled or unscheduled basis (e.g., to cover an evening/night meeting, election workers on election night, for snow removal, etc.)*

A shift beginning anytime during a holiday or weekend would qualify for the differential. An employee will only be paid for one shift differential.

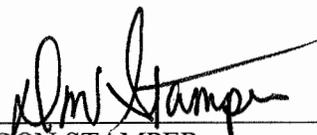

Shift differential will be included in calculating overtime compensation as required by the Fair Labor Standards Act.

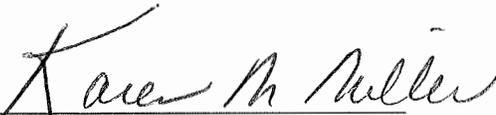

If the Administrative Authority re-arranges the work schedule to include evening and night hours in order to accommodate the employee, the County is not required to provide shift differential.

RECEIVED
JAN 24 2001
Boone County Commission

Dear Commissioners:

Please consider this letter my application for appointment to the County Park Commission from Missouri Township.

I have been a resident of Boone County for nearly fifty years and for more than thirty years I have lived in Missouri Township. I have had a lifetime interest in providing, protecting and improving public parklands. I know that you share my belief that the preservation of public lands for park and recreational purposes is one of the most critical needs for a rapidly urbanizing county such as Boone.

Over the years, together with my husband, George, I have been active in civic organizations including the City Union of King's Daughters, of which I served as President, the Columbia-Boone County Muleskinners, a member of the Board of Trustees of the Columbia Public Library District, and most recently as a member of the Board of Directors of the Central Missouri Food Bank.

I would be most happy to answer any other questions concerning my application.

With kindest personal regards to each of you, I am

Sincerely,

Charlene W. Nickolaus, Ed.D
