Kristina,

The following is the award letter that we would like to present to the commission at their meeting on Thursday, December 10, at 1:30 p.m. Joy Rushing will be presenting it. Also, Joy will be present for the second reading of the budget revision for the purchase of a refrigerator for Adult Court Services.
If you need any more information, please let me know. Thanks for your help.

Diana

October 5, 2009

The Honorable Gene Hamilton
 13th Judicial Circuit
 705 E. Walnut St.
 Columbia, MO 65201

Dear Judge Hamilton:

I am pleased to inform you that the Office of State Courts Administrator (OSCA) has approved funding of \$50,000.00 through the Highway Safety - DWI Court Pilot Project for a DWI Court in Boone County. The funding period for this project is October 1, 2009 through September 30, 2010.

The OSCA will be monitoring the expenditure of funds. If it appears you are not spending the awarded funds as proposed, the award may be reduced and made available to another DWI Court. These grant funds may only be used for participant supervision, drug and/or alcohol testing, and participant curriculum. The funds may not be spent on participant treatment, education, or transportation.

If the amount of funds your court requested is different from the amount awarded here, please submit a revised budget to Ms. Tara Smith at the address above by October 15, 2009. Expenditures are reviewed on a monthly basis in relation to the revised budgets. It is necessary to be accurate in the planned monthly expenditures. If a DWI Court has not expended the budgeted funds as planned, notifications will be made to determine if all funds will be used.

The following OSCA staff have been designated to assist you and your court staff with any additional information you may need related to this project:

Richard Morrissey
 Tara Smith

Program Administration
 Fiscal Matters (Invoicing/reimbursement)

Congratulations on your award. Please feel free to contact me at 573-526-8316 if we can assist you in any way with your project.

Sincerely,

Gary Waint

Subject: Class 9 Purchase

The Maintenance Operations Department requests authorization to purchase a monitor to be used with the GPS system for visual display of the progress of the fleet during snow events. The IT Department would order the monitor at a cost of \$135. Funding is currently available in the appropriate account (2040-91301) as a result of savings from the computer hardware purchases made in 2009. Attached is the quote provided by the IT Dept for the monitor.
