July Session

Term 2012  
Commission Order No. 356-2012

**FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT**

**NOW** on this 24<sup>th</sup> day of July 2012, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

**Findings of Fact and Conclusions of Law**

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: weeds in excess of 12" on the premises.
4. The location of the public nuisance is as follows: 1405 W Georgetown Loop Lot 17 Georgetown Plat B a/k/a parcel # 16-415-20-01-007.00 01 Section 20, Township 48, Range 13 as shown by deed book 2759 page 0100, Boone County
5. The specific violation of the Code is: weeds in excess of 12 inches tall on the premises in violation of section 6.7 of the Code. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 4th day of June, 2012, to the property owner, occupant, and any other applicable interested persons.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner, occupant, and any other applicable interested persons were given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly,

in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

**Order For Abatement Chargeable As a Special Assessment To The Property**

Based upon the foregoing, the County Commission hereby orders abatement of the above described public nuisance at public expense and the Health Director is hereby authorized and directed to carry out this order.

It is further ordered and directed that the Health Director submit a bill for the cost and expense of abatement to the County Clerk for attachment to this order and that the County Clerk submit a certified copy of this order and such bill to the County Collector for inclusion as a special assessment on the real property tax bill for the above described property for the current year in accordance with section 67.402, RSMo.

**WITNESS** the signature of the presiding commissioner on behalf Boone County Commission on the day and year first above written.

Hello,

I called the weed hot line two weeks ago and haven't seen anything done. So I thought I'd send this email, hopefully you can get this to the right folks.

Attached is a picture of the backyard, you can see the chain link fence is four foot tall and the grass is at the top of the fence. Below is a map link the this address.

<http://maps.google.com/maps?ll=38.940621,-92.409719&z=18&t=h&hl=en>

The house was own by Glen & Chris Malloy. It's a pending divorce, Glen moved out to Kansas about two years ago and Chris moved to Arizona the first of this year and the backyard has not been mowed this year at all. Some neighbors have mowed the front so it's not so terrible.

The electricity is turned off to the residents and the house was to go back to the bank in a debt consolidation foreclosure according to Mr. Glen Malloy.

There is a house next door for sale and two other house's for sale within eyesight of this address as well.

Please pass this along to the appropriate person(s) so this matter can be addressed.

Thank you,

Brandon, 1302 S. Georgetown Ct.

the Borrower(s) under the Home Equity Credit Line Agreement and Disclosure Statement (the "Note") dated JULY 01, 2005 with a final maturity date of JULY 01, 2030, plus interest and costs, late charges and all other charges related to the loan, all of which sums are repayable according to the Note. This Deed of Trust will also secure the performance of all of the promises and agreements made by us and each Borrower and Co-Signer in the Note, all of our promises and agreements in this Deed of Trust, any extensions, renewals, amendments, supplements and other modifications of the Note, and any amounts advanced by you under the terms of the section of this Deed of Trust entitled "Our Authority To You." Loans under the Note may be made, repaid and remade from time to time in accordance with the terms of the Note and subject to the Credit Limit set forth in the Note.

**OWNERSHIP:** We are the sole owner(s) of the Premises. We have the legal right to mortgage, grant and convey the Premises to the Trustee.

**OUR IMPORTANT OBLIGATIONS:**

(a) **TAXES:** We will pay all real estate taxes, assessments, water charges and sewer rents relating to the Premises when they become due. We will not claim any credit on, or make deduction from, the loan under the Note because we pay these taxes and charges. We will provide you with proof of payment upon request.

(b) **MAINTENANCE:** We will maintain the building(s) on the Premises in good condition. We will not make major changes in the building(s) except for normal repairs. We will not tear down any of the building(s) on the Premises without first getting your consent. We will not use the Premises illegally. If this Deed of Trust is on a unit in a condominium or a planned unit development, we shall perform all of our obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development and constituent documents.

(c) **INSURANCE:** We will keep the building(s) on the Premises insured at all times against loss by fire, flood and any other hazards you may specify. We may choose the insurance company, but our choice is subject to your reasonable approval. The policies must be for at least the amounts and the time periods that you specify. We will deliver to you upon your request the policies or other proof of the insurance. The policies must name you as "mortgagee" and "loss-payee" so that you will receive payment on all insurance claims, to the extent of your interest under this Deed of Trust, before we do. The insurance policies must also provide that you be given not less than 10 days prior written notice of any cancellation or reduction in coverage, for any reason. Upon request, we shall deliver the policies, certificates or other evidence of insurance to you. In the event of loss or damage to the Premises, we will immediately notify you in writing and file a proof of loss with the insurer. You may file a proof of loss on our behalf if we fail or refuse to do so. You may also sign our name to any check, draft or other order for the payment of insurance proceeds in the event of loss or damage to the Premises. If you receive payment of a claim, you will have the right to choose to use the money either to repair the Premises or to reduce the amount owing on the Note.

(d) **CONDEMNATION:** We assign to you the proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Premises, or part thereof, or for conveyance in lieu of condemnation, all of which shall be paid to you, subject to the terms of any Prior Deed of Trust.

DOC ID #: 0008941686406005

(c) SECURITY INTEREST: We will join with you in signing and filing documents and, at our expense, in doing whatever you believe is necessary to perfect and continue the perfection of your lien and security interest in the Premises. It is agreed that the Lender shall be subrogated to the claims and liens of all parties whose claims or liens are discharged or paid with the proceeds of the Note secured hereby.

(f) OUR AUTHORITY TO YOU: If we fail to perform our obligations under this Deed of Trust, you may, if you choose, perform our obligations and pay such costs and expenses. You will add the amounts you advance to the sums owing on the Note, on which you will charge interest at the interest rate set forth in the Note. If, for example, we fail to honor our promises to maintain insurance in effect, or to pay filing fees, taxes or the costs necessary to keep the Premises in good condition and repair or to perform any of our other agreements with you, you may, if you choose, advance any sums to satisfy any of our agreements with you and charge us interest on such advances at the interest rate set forth in the Note. This Deed of Trust secures all such advances. Your payments on our behalf will not cure our failure to perform our promises in this Deed of Trust. Any replacement insurance that you obtain to cover loss or damages to the Premises may be limited to the amount owing on the Note plus the amount of any Prior Deeds of Trust.

(g) PRIOR DEED OF TRUST: If the provisions of this paragraph are completed, this Deed of Trust is subject and subordinate to a prior deed of trust dated JULY 01, 2005 and given by us for the benefit of

COUNTRYWIDE HOME LOANS INC

as beneficiary, in the original amount of \$ 124,720.00 (the "Prior Deed of Trust"). We shall not increase, amend or modify the Prior Deed of Trust without your prior written consent and shall upon receipt of any written notice from the holder of the Prior Deed of Trust promptly deliver a copy of such notice to you. We shall pay and perform all of our obligations under the Prior Deed of Trust as and when required under the Prior Deed of Trust.

(h) HAZARDOUS SUBSTANCES: We shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Premises. We shall not do, nor allow anyone else to do, anything affecting the Premises that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Premises of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Premises. As used in this paragraph, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph, "Environmental Law" means federal laws and laws of the jurisdiction where the Premises are located that relate to health, safety or environmental protection.

(i) SALE OF PREMISES: We will not sell, transfer ownership of, mortgage or otherwise dispose of our interest in the Premises, in whole or in part, or permit any other lien or claim against the Premises without your prior written consent.

(j) INSPECTION: We will permit you to inspect the Premises at any reasonable time.

NO LOSS OF RIGHTS: The Note and this Deed of Trust may be negotiated or assigned by you without releasing us or the Premises. You may add or release any person or property obligated under the Note and this Deed of Trust without losing your rights in the Premises.

DOC ID #: 0008941686406005

**DEFAULT:** Except as may be prohibited by applicable law, and subject to any advance notice and cure period if required by applicable law, if any event or condition of default as described in the Note occurs, or pursuant to Section 443.055 R.S.Mo. any of us shall notify you of our election to terminate the operation of this instrument as security for future advances or future obligations, you or the Trustee may foreclose upon this Deed of Trust or sell the Premises at a public sale. This means that you or the Trustee may arrange for the Premises to be sold, as provided by law, in order to pay off what we owe on the Note and under this Deed of Trust. Any such sale by the Trustee under power of sale shall be at public venue or outcry, at the usual place in the County and State in which the mortgaged property is located to the highest bidder, for cash, after first giving notice of the time, terms and place of said sale and a description of the property to be sold as required by Sections 443.310, 443.320 and 443.325, R.S.Mo., as amended, or the applicable law in effect at the time of the proposed sale. At any such sale, you shall be entitled to bid for or purchase the Premises, the same as any third person might do, and may make payment by presenting to Trustee the Note so that there may be endorsed as paid thereon the amount of such bid which is to be applied to the payment of the Note. If the money you receive from the sale is not enough to pay off what we owe you, we will still owe you the difference which you may seek to collect from us in accordance with applicable law. In addition, you or the Trustee may, in accordance with applicable law, (i) enter on and take possession of the Premises; (ii) collect the rental payments, including over-due rental payments, directly from tenants; (iii) manage the Premises; and (iv) sign, cancel and change leases. We agree that the interest rate set forth in the Note will continue before and after a default, entry of a judgment and foreclosure or public sale. In addition, you shall be entitled to collect all reasonable fees and costs actually incurred by you in proceeding to foreclosure or to public sale, including, but not limited to, trustee's fees, reasonable attorneys fees and costs of documentary evidence, abstracts and title reports.

**ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER:** As additional security, we assign to you the rents of the Premises. You or a receiver appointed by the courts shall be entitled to enter upon, take possession of and manage the Premises and collect the rents of the Premises including those past due.

**WAIVERS:** To the extent permitted by applicable law, we waive and release any error or defects in proceedings to enforce this Deed of Trust and hereby waive the benefit of any present or future laws providing for stay of execution, extension of time, exemption from attachment, levy and sale and homestead exemption.

**BINDING EFFECT:** Each of us shall be fully responsible for all of the promises and agreements in this Deed of Trust. Until the Note has been paid in full and your obligation to make further advances under the Note has been terminated, the provisions of this Deed of Trust will be binding on us, our legal representatives, our heirs and all future owners of the Premises. This Deed of Trust is for your benefit and for the benefit of anyone to whom you may assign it. Upon payment in full of all amounts owing to you under the Note and this Deed of Trust, and provided any obligation to make further advances under the Note has terminated, this Deed of Trust and your rights in the Premises shall end.

RELEASE: Upon payment of all sums secured by this Deed of Trust and provided your obligation to make further advances under the Note has terminated, the Trustee shall discharge this Deed of Trust without charge to us, except that we shall pay any fees for recording of a satisfaction of this Deed of Trust.

GENERAL: You or the Trustee can waive or delay enforcing any of your rights under this Deed of Trust without losing them. Any waiver by you of any provisions of this Deed of Trust will not be a waiver of that or any other provision on any other occasion.

TRUSTEE: Trustee accepts the trusts herein created when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. Trustee, by its acceptance hereof, agrees to perform and fulfill the trusts herein created, and shall be liable only for its negligence or misconduct. Trustee may, but need not, take any of such actions in the absence of such instructions. Trustee may resign at any time upon giving of not less than 30 days' prior notice to Beneficiary, but will continue to act as trustee until its successor shall have been chosen and qualified. In the event of the death, removal, resignation, or refusal or inability to act of Trustee, Beneficiary shall have the irrevocable power, with or without cause, without notice of any kind, without specifying any reason therefor, and without applying to any court, to select and appoint a successor trustee by filing a deed or other instrument of appointment for record in each office in which this Deed of Trust is recorded, and upon such recordation the successor trustee shall become vested with the same powers, rights, duties and authority of the Trustee with the same effect as if originally made Trustee hereunder. Such successor shall not be required to give bond for the faithful performance of its duties unless required by Beneficiary.

Trustee hereby lets the mortgaged property to you and your assigns, until this deed is released and satisfied, or until default is made under the covenants and agreements hereof, upon the following terms: You and all persons claiming or possessing the Premises or any part thereof, shall pay rent therefor during said lease term at one cent per month, payable on demand, and shall surrender peaceful possession of the Premises to Trustee immediately upon such default, and without notice or demand, and Trustee shall be entitled to the rents, revenues, income and profits therefrom as provided above; provided, however, that nothing in this instrument shall be construed to prevent you from taking every legal means to enforce payment of the Note or other obligations secured by this instrument without having first enforced this Deed of Trust.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument.

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

**1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

**2. Application of Payments or Proceeds.** Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to

DOC ID #: 0008941685606005

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

**5. Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

DOC ID #: 0008941685606005

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

**8. Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

**9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**10. Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower

(a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

**12. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

**13. Joint and Several Liability; Co-signers; Successors and Assigns Bound.** Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

DOC ID #: 0008941685606005

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**19. Borrower's Right to Reinstate After Acceleration.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

**20. Sale of Note; Change of Loan Servicer; Notice of Grievance.** The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Substitute Trustee. Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Security Instrument is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. Lease of the Property. Trustee hereby leases the Property to Borrower until this Security Instrument is either satisfied and released or until there is a default under the provisions of this Security Instrument. The Property is leased upon the following terms and conditions: Borrower, and every person claiming an interest in or possessing the Property or any part thereof, shall pay rent during the term of the lease in the amount of one cent per month, payable on demand, and without notice or demand shall and will surrender peaceable possession of the Property to Trustee upon default or to the purchaser of the Property at the foreclosure sale.

26. Homestead Exemption. Borrower hereby waives all homestead exemptions in the Property to which Borrowers would otherwise be entitled under Applicable Law.

27. Notice. Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of debt including promises to extend or renew such debt are not enforceable. To protect you (Borrower(s)) and us (Creditor) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

# 2012 LEPC/D Compliance Certification

---

*Chemical Emergency Preparedness Fund (CEPF)*

## Introduction and Overview

The Emergency Planning and Community Right-to-Know Act (EPCRA) established state emergency response commissions and local emergency planning committees (LEPCs). The State of Missouri established the Chemical Emergency Preparedness Fund (CEPF) to enable the Missouri Emergency Response Commission (MERC) and the LEPCs to carry out responsibilities as designated in state and federal statutes.

## EPCRA Requirements

EPCRA requires that each local emergency planning committee/district (LEPC/D):

- Hold a public meeting at least annually;
- Provide annual public notice that indicates how the public may access the hazmat plan, Tier II forms filed within the jurisdiction, and hazmat incident information; and
- Maintain a hazardous materials emergency response plan ("hazmat plan") that is reviewed, updated, and exercised annually.

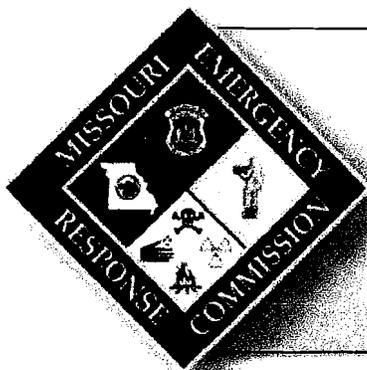

## Missouri Requirements

In order for a county LEPC/D to be officially recognized by the State of Missouri, and to receive that year's CEPF, each county LEPC/D must submit the LEPC/D Compliance Certification Package to MERC.

A few important notes:

- The Presiding Commissioner of each county is charged with ensuring that the county operates as part of an LEPC/D; as such, the Presiding Commissioner **MUST** sign the LEPC/D Compliance Certification Package.
- The Presiding Commissioner of each county is charged with appointing members to the LEPC/D and submitting the proposed member list to MERC for approval; as such, the Presiding Commissioner **MUST** sign the LEPC/D Member List.
- If, at any point, you have questions about the LEPC/D Compliance Certification Package (how to fill it out, required documentation, etc.), contact your designated MERC Hazmat Planner.

Thank you for your efforts and dedication to reducing chemical risks and making Missouri a safer place to live, visit, and work. We look forward to working with you again this year as we strive to provide stellar service and resources to help your LEPC/D be successful.

**Boone County  
Local Emergency Planning Committee  
Meeting Minutes  
April 19, 2012**

The Boone County Local Emergency Planning Committee met at 1:30 p.m. on April 19, 2012 at the City of Columbia Fire Department Offices. The attendees were: Roger Giles, MU Environmental Health & Safety; Doug Westhoff, Vice-Chair, Boone County Fire Protection District; Terry Cassil, Chairman, City of Columbia Fire Dept.; John Wulff, Kraft Foods; Lynn Behrns, City of Centralia; Zim Schwartze, Columbia/Boone County Emergency Management; Jack Crawford, MU Environmental Health & Safety Radiation Safety; Maureen Kotlas, MU EHS Director; Dan Schneiderjohn, Columbia/Boone Public Health; Tom Reddin, Boone County Sheriffs Department; Nicole Galloway, Boone County Treasurer; and Roxanne Lambert, Secretary, Gates Corp.

Terry Cassil called the meeting to order. Introductions were made.

Terry Cassil called for the approval of the January 18, 2012 minutes. Zim Schwartze moved to accept the minutes. Jack Crawford seconded. No discussion and the motion passed.

Nicole Galloway presented the treasurer's report from July 2011 to current. Lynn Behrns moved to accept the report. Tom Reddin seconded the motion, and the motion passed.

**Old Business**

Zim Schwartze reported that the update to Annex H was complete. She thanked the subcommittee of Jack Crawford, Lynn Behrns, and Alan Mahoney for their assistance.

The previous week's 8-hour HAZWOPER Refresher was discussed. The general feedback on the new provider from the attendees was positive. Next year a list of training contractors will be requested from the MERC so as to request at least three quotes.

The State Farm Tabletop Exercise has been moved later in the summer because of other activities at State Farm. The best days of the week to hold the Tabletop are Tuesdays, Wednesdays, and Thursdays.

**New Business**

The LEPC has designated funds to send members to the International HazMat Conference in Baltimore, Maryland and to the Missouri HazMat Symposium at Tan-Tara. Nicole needs a couple of weeks to prepare for reimbursement for the attendees before the conference. If anyone would like to attend either conference, please email Roxanne by April 27, 2012.

Roxanne has requested an extension of the due date of the CEPF grant application of August 3, 2012. The application will be ready for review and approval at the July 18, 2012 LEPC meeting.

The annual LEPC Public Notice was published in the Columbia Daily Tribune on April 18, 2012.

John Wulff asked about the availability of the 40-hour HAZWOPER Training. The costs and prerequisites were discussed. Roxanne said she would investigate the availability and costs of Allen Safety for a 40-hour class. Attending the Columbia Fire Department Rookie School later in the year is also an option.

At his daily briefing, White House Press Secretary Jay Carney said Obama has "confidence" in Sullivan's leadership of the Secret Service and will await the results of an internal investigation before weighing in further.

Collins, the ranking Republican on the Senate Homeland Security and Governmental Affairs Committee, said Sullivan told her "the most important quality for a Secret Service officer is character. If the facts prove to be as reported on this, this is an incredible lack of character and breach of security and potentially extremely serious."

The Secret Service has revoked the top-secret security clearances of the 11 men under investigation and placed them on administrative leave. The men have turned in their agency BlackBerrys, said King, who added that some of the men said they did not know the women were prostitutes.

Meanwhile, the military is continuing its own investigation into last Wednesday's incident. An Air Force colonel and a military lawyer assigned to lead the inquiry arrived Monday in Colombia.

TO: Boone County Commission  
FROM: David Eagle  
RE: Computer and Peripheral Surplus Disposal  
DATE: July 10, 2012

The Purchasing Departments requests permission to dispose of the following list of surplus PC & Peripheral equipment through MRC Recycling Center. MRC Recycling will pick up our surplus at no charge. They are a State of Missouri, DNR Level Four recycling center. No computer items are land-filled. Purchasing will obtain a Certificate of Destruction, and we will let them know that we want everything recycled, not reused so nothing ends up in the landfill.

MRC Recycling Center certifies that they have picked up the following items and that all items will be recycled, not reused, so nothing ends up in the landfill.

Kathy, the budget revision for the Smart Board would need to go to the agenda. Per County budget revision policy, fixed asset additions that are not included in the original budget require a Commission Order.

If it would be helpful, I can present the budget revision if there are scheduling conflicts on your end.

Also, when preparing the budget revision and payment requisition, we also need to take into consideration that purchases from \$2,500 to \$4,500 require 3 quotes.

**Subject:** Title II Grant

June,

We have completed a budget amendment (grant's terminology) to move money around in our Title II grant in order to pay for the Smart Board in the Center. We also reallocated some funds within classes 2-8 of the grant, but as I understand it that can clearly be done. The funds for the Smart Board were taken from contractual services and the cost of the Smart Board is \$3768. Is it approved by your office, or is this required to go to commission? Jason was going to ask you to call me, but I am going to call you. Thanks

efforts from the detention self assessment we completed over a year ago, one area is that we need to make our detention wing less institutional. One way we plan on accomplishing this is to purchase a variety of inspirational posters from Learn Live Hope Prints by Louise Carey at AllPosters.com.

If allocated the funds, we would purchase a smart board, cables and 12 interactive voting devices for \$3,768. This breaks down to \$2,700 for the board and 12 devices at \$89/each. This is based off a recent bid and purchase made by our Juvenile Detention Center who received bids on smart boards with interactive devices and then purchased it from Haddock Corporation. This price would include shipping and handling and installation of the board along with training for staff on how to use the interactive board and voting devices.

The poster from AllPosters.com come in a variety of sizes and prices. We would purchase as many as we possibly could and would also have them laminated. Based on estimates we would be able to purchase ten of them.

We have used \$4,421.38 of our travel funds and have an additional \$511.10 of expenses to submit leaving us with \$2,380.27 of funds that we do not anticipate using.

To date we have spent \$10,920 of our contractual funds for ERC, \$993.20 for GPS and Cell Unit Monitoring and \$0 for Shelter Care services. From now until the end of the grant year we expect to spend a total of \$ 20,000 for ERC, \$1,000 for Shelter Care and have depleted our Cell Unit Funds. This leaves us with \$3,320 remaining that we don't anticipate spending.

Our use of GPS and Cell Unit Monitoring Funds has been used quickly as there have been many indigent families who were in need of having their GPS and Cell Unit Monitoring fees paid in order for their child to be on one of these alternatives. We have applied for funding through OSCA's Detention Alternatives Proposal to continue funding GPS and Cell Unit Monitoring once grant funding ends in September. We would like to move \$1,300 from our Shelter Care funds to Cell Unit Monitoring (\$1,000) and and of our remaining contractual funds to continue to GPS monitoring(\$300) to provide these alternative services through the end of the grant year.

Our final revision request is to be able to shift funds within our existing supplies/operation budget. We have \$180 in meals for our focus visit that we are hosting in September. We expect 20 visitors from other JDAI sites in addition to the 20, we expect at least 10 more visitors from our JDAI Collaborative Team to be in attendance and presenting. In order to feed this number of people the lunch that is included in this focus visit, we would like to move the \$64 budgeted for site coordinator meeting lunches over to the focus visit as well as the \$27 for meals for Core Strategies training. We don't anticipate needing either at this point. This would then give us a total of \$271 for meals for a our focus visit. Which is \$9/person for lunch times 30 people.

By revising the budget, we are staying within our project goal to improve the 13<sup>th</sup> Circuit Juvenile Justice System by successfully completing phase three of the Juvenile Detention Alternatives Initiative. This revision allows us to work on safe reductions of

special populations(probation violations), operating a continuum of detention alternatives and improving conditions of confinement which are core strategies of JDAI.

None of this changes would take effect until we receive approval from DPS.
