PROCLAMATION RECOGNIZING APRIL 2018 AS AUTISM AWARENESS MONTH

- Whereas,* more than 3.5 million people nationwide have autism spectrum disorder; and
- Whereas,* 1 in 68 children born in 2018 will be diagnosed with autism spectrum disorder; and
- Whereas,* the need for increased support, resources and services for families and people with autism grows every year as more people are diagnosed with autism spectrum disorder; and
- Whereas,* individuals with autism share with all individuals the desire to achieve personal success through education, meaningful work and family and community involvement and individuals with autism, along with their families, friends, neighbors and co-workers, recognize the importance of focusing on the abilities of all people and encourage others to do the same; and
- Whereas,* the most effective way to increase this focus is through active awareness activities and participation in community life and openness to each individual's contribution; and
- Whereas,* opportunities for citizens with autism to participate fully must be fostered in our community through a commitment to recognizing the strengths and values of every person and the capability of every person to make important contributions to our community if given the opportunity; and
- Whereas,* we encourage all citizens to support opportunities for individuals with autism in our community, which includes full access to education, housing, employment and recreational activities.
- Therefore,* we, the Boone County Commission, do hereby proclaim April 2018 as Autism Awareness Month in the County of Boone, Missouri, recognizing the importance of individuals of all abilities to our community and that our community is stronger when everyone participates.
