PROCLAMATION RECOGNIZING NATIONAL SHOOTING CHAMPIONS FROM BOONE COUNTY 4-H

- Whereas,* for the 4th time, Missouri 4-H shooters won the Championship title at the 4-H Shooting Sports National Championship Tournament, held June 24-29, 2018, in Grand Island, Nebraska; and
- Whereas,* the event involved more than 675 4-H youth, ages 14-18, from 37 states competing in nine disciplines; and
- Whereas,* of the nine Missouri teams competing, eight teams placed in the top ten and seven placed in the top five, including first place in compound archery; and
- Whereas,* Boone County was one of 24 Missouri counties represented by 4-H youth at the competition; and
- Whereas,* representing Boone County at the competition were Haley Acton, air pistol; Ryli Jetton, air pistol; and Kellen Smith, shotgun team.
- Therefore,* the Boone County Commission does hereby recognize Boone County 4-H and Haley, Ryli and Kellen for their hard work and dedication, which led to national success.

IN TESTIMONY WHEREOF, this 23rd day of October, 2018.

Daniel K. Atwill, Presiding Commissioner

Fred J. Parry, District I Commissioner

**BEFORE THE COUNTY COMMISSION OF
BOONE COUNTY, MISSOURI**

In Re: Nuisance Abatement)	October Session
2510 E. Oakbrook Drive, A+B)	October Adjourned
Columbia, MO 65202)	Term 2018
)	Commission Order No. <u>466-2018</u>

FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 23rd day of October 2018, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: junk, trash, rubbish, garbage, lumber, broken furniture, tires, construction material and other refuse on the premises.
4. The location of the public nuisance is as follows: 2510 E. Oakbrook Drive A+B a/k/a parcel# 12-415-20-02-018.00 01, Section 20, Township 49, Range 12 as shown in deed book 2988 page 0026, Boone County.
5. The specific violation of the Code is: junk, trash, rubbish, garbage, lumber, broken furniture, tires, construction material and other refuse in violation of section 6.5 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 17th day of September to the property owner.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner was given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly, in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public

nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

Order For Abatement Chargeable As a Special Assessment To The Property

Based upon the foregoing, the County Commission hereby orders abatement of the above described public nuisance at public expense and the Health Director is hereby authorized and directed to carry out this order.

It is further ordered and directed that the Health Director submit a bill for the cost and expense of abatement to the County Clerk for attachment to this order and that the County Clerk submit a certified copy of this order and such bill to the County Collector for inclusion as a special assessment on the real property tax bill for the above described property for the current year in accordance with section 67.402, RSMo.

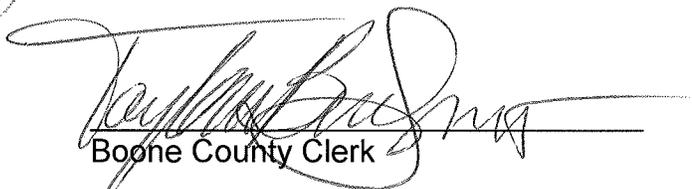

WITNESS the signature of the presiding commissioner on behalf Boone County Commission on the day and year first above written.

HEARING NOTICE

R&L Investment Holdings LLC
242 Cornwall Drive
Weldon Springs, MO 63304

An inspection of the property you own located at 2410 E. Oakbrook Drive A+B (parcel # 12-415-20-02-018.00 01) was conducted on September 11, 2018 and revealed junk, trash, rubbish, garbage, lumber, broken furniture, tires, construction material and other refuse on the premises. This condition was declared to be a nuisance and a violation of Boone County Public Nuisance Ordinance Section 6.5.

You are herewith notified that the a hearing will be held before the County Commission on Tuesday, October 23, 2018 at 9:30 a.m. in the County Commission Chambers at the Boone County Government Center, 801 E. Walnut Street, Columbia, Missouri. The purpose of this hearing will be to determine whether a violation exists. If the County Commission determines that a violation exists, it will order the violation to be abated.

If the nuisance is not removed as ordered, any property contributing to the nuisance is deemed forfeited, and the County Commission may have the nuisance seized, removed, and abated. All costs of seizure, removal, and abatement, plus administrative fees, will be assessed against the property in a tax bill. If the above nuisance condition has been corrected prior to the hearing, you do not have to appear for the hearing.

The purpose of these ordinances is to create and maintain a cleaner, healthier community. If you have any questions, please do not hesitate to contact our office. If you are not the owner or the person responsible for the care of this property, please call our office at the number listed at the bottom of this letter.

Sincerely,

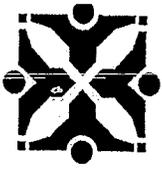

[Handwritten signature of Kristine N. Vellema]

NOTIFICATION OF DETERMINATION OF PUBLIC HEALTH HAZARD AND/OR NUISANCE AND ORDER FOR ABATEMENT

R&L Investment Holdings LLC
242 Cornwall Drive
Weldon Springs, MO 63304

An inspection of the property you own located at 2510 E. Oakbrook Drive A+B (parcel # 12-415-20-02-018.00 01) was conducted on September 11, 2018 and revealed junk, trash, rubbish, garbage, lumber, broken furniture, tires, construction material and other refuse on the premises.

This condition is hereby declared to be a nuisance. You are herewith notified that you must begin correcting this condition within 7 days of receipt of this notice and order and that if the above nuisance condition has not been fully corrected within **15 days** after the receipt of this notice, an additional enforcement action will result for violation of Boone County Public Nuisance Ordinance Section 6.5. A reinspection will be conducted at the end of the 15-day period. If the above nuisance condition has not been fully corrected by that time, a hearing before the Boone County Commission will be called to determine whether a violation exists. If the County Commission determines that a violation exists and the nuisance has not been removed as ordered under this notice, any property contributing to the nuisance is deemed forfeited, and the County Commission may have the nuisance seized, removed and abated with the cost of such seizure, removal and abatement, plus administrative fees, charged against the property in a tax bill. In addition, a complaint may be filed against you in Circuit Court. **If the above nuisance condition has been corrected within the 15-day period, no further action is necessary.**

The purpose of these ordinances is to create and maintain a cleaner, healthier community. If you have any questions, please do not hesitate to contact our office. If you are not the owner or the person responsible for the care of this property, please call our office at the number listed at the bottom of this letter. Your cooperation is greatly appreciated.

ATTEST:

Taylor W. Burks
Clerk of the County Commission

Commission Order:

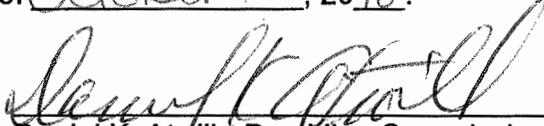

Now on this day the Boone County Commission takes up the disposition of the 2018 tax sale surplus relating to **Parcel 07-700-32-00-003.03:**

Pursuant to RSMo §140.230 the Commission is authorized to approve claims for any tax sale surplus being held by the County Treasurer associated with the County Collector's annual tax sale as part of a redemption. In this instance, the owners of record at the time the property went to tax sale were **Catherine M. and Eben A. Johnson**, per the vesting deed at Book 1410, Page 396, Boone County Records. That grantee designation in that deed resulted in the parties holding the property as tenants in common, with no right of survivorship. So, Catherine M. Johnson is entitled only to one-half (1/2) of the tax sale surplus amount. Catherine M. Johnson has assigned the tax sale surplus to the Boone County Collector as part of her redemption of the property. The other documentation which support of this claim is made a part of this record. The application to the County Treasurer for the surplus funds is timely.

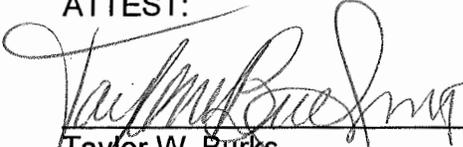

The County Treasurer, based upon the documents presented to his office and made a part of this record, is satisfied that **Catherine M. Johnson** is entitled to assign **\$497.51** which is one-half (1/2) of the total surplus of **\$995.01** to the Boone County Collector as part of his redemption of the subject property and recommends the Commission approve the same.

NOW, THEREFORE, upon the recommendation of the County Treasurer and the evidence made a part of this record, the County Commission hereby approves the disposition of one-half of the surplus via assignment to **the Boone County Collector**, in the amount of **\$497.51**, in a manner agreed to by the County Collector and County Treasurer, to facilitate **Catherine M. Johnson's** redemption of the subject property pursuant to RSMo §140.340.

Done this 23rd day of October, 2018.

We have contracted with American Micro to scan our closed files. We have been able to purge more files than originally planned. The invoice from American Micro that was received on 9/6/18 will leave the 2860 Fund/Account 71100 (-1,669.25). We anticipate additional invoices in the sum of \$6,000. To have enough funds till the end of this year to pay for additional invoices plus the (-1,669.25) it will require additional funds in the sum of \$7,700 to be added to 71100 Account

CERTIFIED COPY OF ORDER

STATE OF MISSOURI

October Session of the October Adjourned

Term. 20 18

County of Boone

} ea.

In the County Commission of said county, on the 23rd day of October 20 18

the following, among other proceedings, were had, viz:

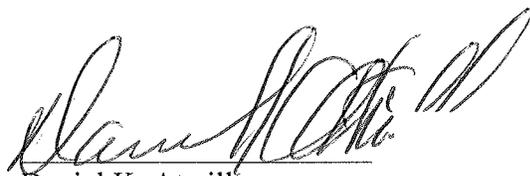

Now on this day the County Commission of the County of Boone does hereby approve the Chemical Emergency Preparedness Fund (CEPF) Grant Application from the Boone County Local Emergency Preparedness Committee (LEPC).

It is further ordered the Presiding Commissioner is hereby authorized to sign said grant application as well as the LEPC Membership Roster.

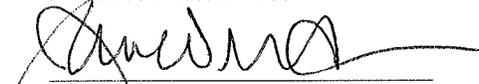

Done this 23rd day of October, 2018.

ATTEST:

Taylor W. Burks
Clerk of the County Commission

Daniel K. Atwill
Presiding Commissioner

Absent
Fred J. Parry
District I Commissioner

Janet M. Thompson
District II Commissioner

Cover Sheet

Submittal Date: October 5, 2018

Hazmat Exercise

Last Exercise Date: May 31, 2018		Exercise Type: Tabletop Exercise	
Sponsor/ Lead Agency:		Boone County Office of Emergency Management	
Documentation on file with MERC:		Attachment F	
Scenario:	<p>This exercise will use a train derailment scenario in Sturgeon, MO. This is a small, mostly agricultural community located three miles east of US 63 and one mile south of State Highway 22 in Boone County. It is the northern most municipality in Boone County, with a population of 907 and covers .78 square miles.</p> <p>The small town has one senior care facility with two housing complexes, an elementary school and secondary school, as well as many other common features such as, parks, recreation facilities, small businesses, and churches. The Norfolk Southern Railway runs parallel between Wall St. and Davis St. which divide the town into northern and southern halves. Both Wentz St. and Ogden St. cross the railroad tracks connecting the two halves of the town.</p> <p>The elementary school lies just southwest of the Wentz/Davis intersection along the railroad tracks. While the academic year ended two weeks prior, the elementary school is bustling with activity as the Sturgeon R-V School District summer school program began yesterday. The program is 8:00 a.m. to 3:00 p.m. Monday to Friday through the month. The Fairgrounds are located directly southwest of the elementary school, and is the site of the annual Boone County Fair. The Fairgrounds include horseshoe pits, lighted arena, lighted demolition derby arena, shelter house with concession stand, 4-H building, and the Sturgeon Youth Center Community Building.</p>		

<p>The Boone County Fire Protection District provides fire protection services to the town. Station #6 is located northeast of the Davis/Ogden intersection. On the opposite side of the railroad than the school and Fairgrounds.</p> <p>The exercise will start with initial response from Boone County Fire Protection District and evolve into a large scale scenario that will meet our 6 objectives outlined in our exercise plan. Please see Attachment E for the full table-top exercise plan.</p>	
<p>Next Exercise Date: Spring 2019</p>	<p>Exercise Type: Tabletop Exercise</p>
<p>Sponsor/ Lead Agency: Pending</p>	
<p>Documentation on file with MERC: N/A</p>	
<p>Scenario: N/A</p>	

Hazmat Commodity Flow Study

<p>Last Flow Study Date May 31, 2018</p>	<p>Copy sent to MERC? Attachment D</p>
<p>Description/ Comment</p>	<p>Results of the HazMat flow study have been included in the HazMat Plan, which is included as Attachment D to this grant.</p>
<p>Next Anticipated Flow Study Date</p>	<p>October 2018</p>
<p>Description/ Comment</p>	<p>The HazMat Flow Study is planned for October 2018 and will expand to monitor traffic at the following locations. This flow study will be a visual study by members of the Boone County LEPC.</p> <ul style="list-style-type: none"> • Highway 63 at Discovery Parkway • Highway 63 at Prathersville Road • Interstate 70 at Route Z • Interstate 70 at Highway 40

LEPC/D Status Survey

LEPC Name Boone County LEPC County Boone

Help us help you—MERC staff will use the information you provide on this page to identify and prioritize services and resources for your LEPC/D and those across the region, and we would like to share your success stories with others. Be as brief or as detailed as you have the time and inclination to be.

MERC Planner Resource Request	
<p>What assistance, resources, or services do you need that we could provide? Rank your top 3, but check all that apply. Use the space below the checkboxes if there's something you need that's not on the list.</p>	
<input type="checkbox"/> LEPC 101: Initial or Refresher <input type="checkbox"/> LEPC revitalization <input type="checkbox"/> Identifying, setting, & meeting goals and objectives <input type="checkbox"/> Finances: tracking, planning, and spending funds <input type="checkbox"/> Bylaws: develop, review, or update <input checked="" type="checkbox"/> Document processing, data management <input type="checkbox"/> Other request(s):	<input checked="" type="checkbox"/> Hazmat plan review, update, or conversion <input type="checkbox"/> Training needs assessment <input checked="" type="checkbox"/> Hazmat exercise: scenario & schedule <input checked="" type="checkbox"/> Hazard analysis: flow studies & facilities <input checked="" type="checkbox"/> Membership: review, identify, update, & manage <input type="checkbox"/> Accessing Tier II reports, handling info requests
<p>The Boone County LEPC would like to continue working with our planner, Brenda Gerlach, on these items marked above.</p>	
LEPC/D Success Stories and Strengths	
<p>What was the biggest challenge your LEPC/D overcame this year? Or an accomplishment of which you are particularly proud? What do you consider to be your LEPC/D's greatest strengths or the top 2-3 factors that contribute to LEPC/D success? Tell us about your LEPC/D's unique qualities and activities. What best practice tips do you have to share with other Missouri LEPC/Ds?</p>	
<p>The largest challenge we faced in this past grant cycle was attendance to LEPC quarterly meetings. In the past 24 months, we have observed attendance increase slightly each meeting. We have contributed the larger meeting attendances to having a better e-mail notification list, which include all Tier II reporters and all public agencies that have a voting right as outlined in the Boone County LEPC By-Laws.</p> <p>The top factors that have continued to the Boone County LEPC success is the dedication and service of the elected board members. These members are spending countless hours making sure that processes have been documented, plans are updated, and trainings are successful. We have also had continued support from the Boone County Treasurer's Office and the Boone County Office of Emergency Management.</p> <p>As you have noticed in this year's grant application, we have asked for additional funds to continue our goal of outfitting public safety departments with the HazMat IQ equipment. Last year we deployed these kits to all</p>	

Boone County Fire Protection District apparatus. This year, we wish to finish deployments to the remaining fire departments within our jurisdiction.

LEPC/D Challenges

What ongoing or upcoming challenges are facing the LEPC/D, and what impacts do they have? How long are these difficulties anticipated to last? What, if any, solutions are available and feasible? How does the LEPC/D plan on overcoming these obstacles? And of course, contact your MERC planner to see what assistance may be available.

Our main challenge we have identified last year is still listed as our first activity and goal in this year's grant application. Boone County has a newly re-designed and fully staffed Office of Emergency Management that was approved by the voters in 2013. This office has been functional for the past year and it is imperative that processes are established on how the Boone County LEPC will integrate with this office and ensure we are meeting the goals and objectives of both stakeholders. This will require coordination at all levels in the County Government to ensure this is a successful partnership. Several milestones were achieved, but there is still some additional work needed.

LEPC/D 2018 Activities, Goals and Objectives

Based on the list of activities eligible for funding through CEPF (RSMO 292.606), describe the LEPC/D's activities, goals and objectives with respect to the following: if you click on the "click here to enter text" below, it will become an expandable document. Please tell us about the LEPC activities and the Goal for that activity and how money will be spent on that activity (See attached funding Guidelines for further suggestions)

Activity and Goal Description
Activity #1:
Operating a Local Emergency Planning Committee and integration into the Boone County Office of Emergency Management (carryover from 2017 grant)
<p>Goal(s):</p> <p>In 2013, the Boone County voters approved a county-wide tax increase to expand the Office of Emergency Management, the 911 Center, and a new operations center to house these agencies. This center is now functional and has been operating for the past year. As outlined by this tax initiative, the LEPC is now supported by the Office of Emergency Management. The following processes need to be created to ensure the successful operation of both agencies and to achieve each organizations mission and visions for the Citizens of Boone County.</p> <ul style="list-style-type: none"> • Determine how the LEPC and the Office of Emergency Management will integrate in our day-to-day operations (completed) • Determine the structure of the Financial Management by outlining the integration within the Boone County Treasurer's Office, Office of Emergency Management, LEPC Committee, and the Missouri Emergency Response Commission and how budgets will be created to ensure proper alignment with County spending policies. (Completed) • Update and revise the Boone County LEPC By-Laws to capture this information. (in-progress) • Create an annual calendar to ensure key milestones are completed within the proper timeframes to ensure information is updated for annual grant cycle. (in-progress)
Activity #2:
Establish a systematic system for communication methods to the public and Tier II reporting facilities, to include public notifications of chemical releases (carryover from 2017 grant)
<p>Goal(s):</p> <p>The Boone County LEPC does not have a systematic system in place to have a "one stop shop" to notify the public and Tier II reporters of information. This activity will create the following processes to achieve this goal:</p> <ul style="list-style-type: none"> • Establish a static e-mail system that will remain the same for the public to send information to. Currently today, we are using private e-mail systems of the current chair (usually a work-related email server) that changes every 2 years, or when there is a change in the LEPC Chair position. (Completed) • Establish an electronic document storage retention system that contains document recovery and record retention rules. This would also include an audit trail to track when changes to documents are made. (Completed) • Integrate public information to be available online through a link on the Office of Emergency Management's website. (not started) • Integration of the Office of Emergency Managements public notification systems such as: RAVE Emergency Notification System, Smart 911 programs (Smart 911, Smart 911 Facilities, and Smart Prepared), Social Media Accounts. (not started) • Formalize annual notification process to use newsprint ads, letters to Tier II reporters, and social media sites. (in-progress)
Activity #3:

Begin a process to provide HazMat IQ Equipment to First Responders to support the State's initiative on training Missouri's First Responders in the HazMat IQ Program

Goal(s):

The State of Missouri has continued a strong campaign over the past couple of years on training First Responders in the HazMat IQ program. The Boone County LEPC has provided several training opportunities and have trained over 100 First Responders in Boone County. As we have progressed with this program, we have identified the lack of equipment that is available to the First Responders to make this program work successfully by not having the required equipment. This activity will create the following processes to achieve this goal:

- Develop a two-year implementation program of portable SAFe HazMat IQ Equipment Kits to placed on initial response apparatus within the County of Boone.
 - Boone County Fire District will be outfitted in the first year (Completed)
 - City of Columbia, Southern Boone County Fire District, Centralia Fire District and Columbia Regional Airport will be outfitted in the second year (not started)
- We will continue to budget for at least one HazMat IQ training course through the use of CEPF grant funds and apply for additional HazMat IQ training courses through the HEMP grant process. **(in-progress)**
- Create an annual maintenance program to ensure kits are maintained and equipment is "ready" at all times. **(in-progress)**

Activity #4:

Continue to improve the ESF 10: Hazardous Materials Plan for Boone County

Goal(s):

The Boone County LEPC has been working on the ESF 10: Hazardous Materials Plan for the past 12 months to ensure it aligns with other Boone County Emergency Operations Plans (EOP) with all stakeholders. We will continue to improve this plan on an annual review basis to ensure all key items are captured (as outlined in the Hazardous Materials Plan Requirements). This activity will create the following processes to achieve this goal:

- Create and maintain a sub-committee that will review and maintain the ESF 10: Hazardous Materials Plan. (Completed)
- Create a process to establish an annual traffic flow study and ensure the flow study data is updated in the ESF 10: Hazardous Materials Plan. **(in-progress)**
- Incorporate additional maps that include pre-determined evacuation distances based on the HazMat IQ program for Extremely Hazardous Facilities. (Completed)
- Create a process to make this available through the electronic storage system so that it is available during emergencies. **(in-progress)**

Activity #5:

Review Tier II reports and compare to previous year reports to identify non-reporting facilities

Goal(s):

The Boone County LEPC has identified a need for a Community Outreach Program to work closer with reporting facilities, based on feedback received by the committee, on Tier II reporting requirements. This activity will create the following processes to achieve this goal:

- Create a sub-committee to review and monitor Tier II Reports. This subcommittee will begin working on the following objectives: **(in-progress)**
 - Review current year reports
 - Identify facilities that have reported in the past, but not the current year
 - Work on creating an outreach program to assist facilities on submitting Tier II Reports
 - Send communication through newsprint, letters and social media sites.
 - Encourage reporting facilities to utilize the Office of Emergency Managements public notification systems such as: RAVE Emergency Notification System, Smart 911 programs (Smart 911, Smart 911 Facilities, and Smart Prepared), Social Media accounts.

Activity #6:

Create a process on Conference/Training Events sponsored by the Boone County LEPC

Goal(s):

The Boone County LEPC has identified a gap on how the Committee determines what training and conferences are provided by the Boone County LEPC. This activity will create the following processes to achieve this goal:

- Create a subcommittee for Training Events (Completed)
- Create a process on how the Committee determines what training and conference are hosted and sponsored by the Boone County LEPC (Completed)
- Create a process on how Annual Table-Top Exercises are determined and conducted **(in-progress)**
- Create a process to require After Action Reviews for any conference or training event attended by members of the LEPC when LEPC funds are used. **(in-progress)**
- Determine a process when meals are provided for training events (usually to enhance attendance at training programs). (Completed)
- Ensure that selected training programs are in alignment with identified risks listed in the ESF 10: Hazardous Materials Plan. (Completed)

Proposed Budget 2018

The Budget should reflect all expenses reflecting the activities, goals & objectives and purchases planned for the coming year.

Budget Year Start Date	07/01/2018	Budget Year End Date	06/30/2019
Beginning Balance			\$10,821.13
Estimated Income			\$10,200.00
CEPF			\$10,000.00
Other (account interest)			\$200.00
Total Estimated Funds Available			\$21,021.13
