)	Commission Order No. <u>481-2018</u>

FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 1st day of November 2018, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: growth of weeds in excess of twelve inches high on the premises.
4. The location of the public nuisance is as follows: 4737 N. Eastview Lane, Crestwood Hills Subdivision, Plat 2, Lot 16, a/k/a parcel# 11-907-25-01-146.00 01, Section 25, Township 49, Range 13 as shown in deed book 4548 page 0115, Boone County.
5. The specific violation of the Code is: growth of weeds in excess of twelve inches high in violation of section 6.7 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 27th day of September to the property owner and the 28th day of September to the lien holder.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner and the lien holder were given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly, in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public

nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

Order For Abatement Chargeable As a Special Assessment To The Property

Based upon the foregoing, the County Commission hereby orders abatement of the above described public nuisance at public expense and the Health Director is hereby authorized and directed to carry out this order.

It is further ordered and directed that the Health Director submit a bill for the cost and expense of abatement to the County Clerk for attachment to this order and that the County Clerk submit a certified copy of this order and such bill to the County Collector for inclusion as a special assessment on the real property tax bill for the above described property for the current year in accordance with section 67.402, RSMo.

WITNESS the signature of the presiding commissioner on behalf Boone County Commission on the day and year first above written.

FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 1st day of November 2018, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: junk, trash, rubbish, garbage and other refuse, growth of weeds in excess of twelve inches high, and a derelict, unlicensed, dismantled and inoperable Blue Nissan vehicle on the premises.
4. The location of the public nuisance is as follows: 10515 E. Serenity Circle, Meadow Village Subdivision, Lot 11, a/k/a parcel# 18-102-05-02-003.00 01, Section 5, Township 48, Range 11 as shown in deed book 1352 page 0169, Boone County.
5. The specific violation of the Code is : junk, trash, rubbish, garbage and other refuse in violation of section 6.5 of the Code, growth of weeds in excess of twelve inches high in violation of section 6.7 of the Code and a derelict, unlicensed, dismantled and inoperable Blue Nissan vehicle in violation of section 6.9 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 25th day of September to the property owner.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner was given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly,

in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 1st day of November 2018, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: junk, trash, rubbish, garbage and other refuse and growth of weeds in excess of twelve inches high on the premises.
4. The location of the public nuisance is as follows: 506 Waldo Court, Fairway Meadows Subdivision, Lot 53, a/k/a parcel# 17-313-11-01-020.00 01, Section 11, Township 48, Range 12 as shown in deed book 4592 page 0087, Boone County.
5. The specific violation of the Code is: junk, trash, rubbish, garbage and other refuse in violation of section 6.5 of the Code and growth of weeds in excess of twelve inches high in violation of section 6.7 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 23rd day of September to the property owner.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner was given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly, in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public

nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

Order For Abatement Chargeable As a Special Assessment To The Property

Based upon the foregoing, the County Commission hereby orders abatement of the above described public nuisance at public expense and the Health Director is hereby authorized and directed to carry out this order.

It is further ordered and directed that the Health Director submit a bill for the cost and expense of abatement to the County Clerk for attachment to this order and that the County Clerk submit a certified copy of this order and such bill to the County Collector for inclusion as a special assessment on the real property tax bill for the above described property for the current year in accordance with section 67.402, RSMo.

Briefly describe the applicants' experience providing/advocating crime victims' rights and services. (250 words).

For over thirty years (since 1983), the Boone County Prosecuting Attorney's office has provided coordinated services to crime victims and their families in mid-Missouri. All victims of crimes committed in Boone County are eligible for services - including property crimes at both the misdemeanor and felony levels. Utilizing VOCA, VAWA and county funds, our Victim Response Team (VRT) assists victims in exercising their constitutional rights while accessing systems and community-based resources at all stages of the criminal justice process. Members of VRT collaborate with state and local agencies to provide specialized services for victims of domestic and sexual violence, child abuse, homicide, alcohol-related fatalities/injuries, and other crime-facilitated trauma (i.e. robbery, burglary, etc.). Crisis intervention, case management, orientation to the justice system (including victims' rights notification), and restitution management are just a few of the services provided by VRT staff. VRT team members also provide board leadership to local and statewide victim service organizations - including True North (local domestic violence shelter/advocacy), MOVA - MO Victim Assistance Network, and MAPA (MO Association of Prosecuting Attorneys) Best Practices Committee (Victim Services). VRT staff have consistently assumed a leadership role in coordinating Boone County's annual Crime Victim's Rights Week ceremony/recognition.

Split Second timing provides a large finish line clock, bib numbers, timing chips as well as on the spot results. They also provide a PA system for announcing the winners and generally help us organize and manage the race so we can focus on enhancing the general publics' awareness of crime victims' rights and resources in Boone County, Missouri.

SECTION 4. ADDITIONAL PROJECT INFORMATION

a. Describe how the project will use the NCVRW theme, logo and colors (100 words).

Use of the 2019 NCVRW resource guide will be critical to communicating our message.

All promotional materials (written and digital) will include the 2019 NCVRW theme, logo and colors - including PSAs, paid advertising, press releases, entry forms, flyers, bracelets etc.

The title of our event will incorporate the National theme, Honoring Our Past. Creating Hope for the Future. Free t-shirts will be given away to the first 300 registrants. We will use the NCVRW colors for all promotional materials and advertising.

2019 NCVRW statistics/quotes will be posted on signs along the 5K route to help raise public awareness of issues relating to all crime victims.

b. List major project partners and collaborative organizations and each one's contribution to this specific project (do not discuss overall or general support to the agency or community victim services) (100 words).

Well-established partnerships with our community allies are also key to this project's success. Local law enforcement (Columbia Police, Boone County Sheriff & University of Missouri (Mizzou) Police Departments) will assist in planning, promotion, and security. Mizzou's Rape & Sexual Violence Prevention (RSVP) office will assist with campus awareness. Boone County Probation & Parole and Juvenile offices will assist with implementation of the 5K. Boone Hospital will provide an ambulance for emergencies, and local community-based victim service organizations will set up resource tables during the event, i.e. Rainbow House Child Advocacy, True North Domestic Violence Shelter and Outreach, BACA - Bikers Against Child Abuse, POMC - Parents of Murdered Children, and MADD - Mothers Against Drunk Driving.

c. Victim/Survivor Involvement - Describe the involvement of victim/survivors in the project's planning and implementation, including specific population(s) for which activities are targeted (100 words).

Victim/survivor involvement will be utilized at every stage of this project's development. Many of our community-based partners are themselves crime survivors. With previous assistance from VRT staff, these survivors have become advocates/activists in our community.

PSA and press releases will include stories of local survivors.

During Crime Victims' Rights Week the NCVRW proclamation will be read at a Commission meeting and local survivors will be invited to attend the meeting. Prior to the 5K, one or two survivors will share their stories to the race participants, media and community partners. Survivors will also assist with on-site registration and be available to interact with race participants, media and the general public. A special effort will be made to include survivors from underserved populations.
