)	Commission Order No. <u>239-2019</u>

FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 11th day of June 2019, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: growth of weeds in excess of twelve inches high on the premises.
4. The location of the public nuisance is as follows: 506 Waldo Court, Fairway Meadows Subdivision, Block 1, Lot 53, a/k/a parcel# 17-313-11-01-020.00 01, Section 11, Township 48, Range 12 as shown in deed book 4592 page 0087, Boone County.
5. The specific violation of the Code is: growth of weeds in excess of twelve inches high in violation of section 6.7 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 9th day of May to the property owner.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner was given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly, in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence

presented that a public nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

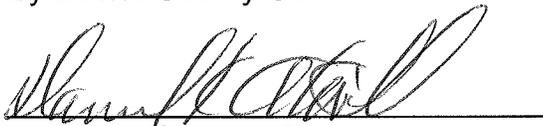

Order For Abatement Chargeable As a Special Assessment To The Property

Based upon the foregoing, the County Commission hereby orders abatement of the above described public nuisance at public expense and the Health Director is hereby authorized and directed to carry out this order.

It is further ordered and directed that the Health Director submit a bill for the cost and expense of abatement to the County Clerk for attachment to this order and that the County Clerk submit a certified copy of this order and such bill to the County Collector for inclusion as a special assessment on the real property tax bill for the above described property for the current year in accordance with section 67.402, RSMo.

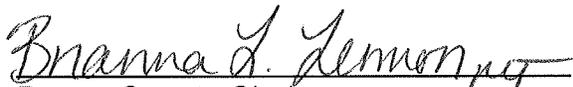

WITNESS the signature of the presiding commissioner on behalf Boone County Commission on the day and year first above written.

Subject: Problems with 507 Waldo again

Sheriff Carey and Janet:

Over the past week or so I've been catching this guy pulling in and out of 506 Waldo Ct. Sometimes he pulls all the way into the garage, but mostly he stays in the driveway. Usually it's between midnight and 7 am.

I think this could turn into a real problem, he's showing up more often and spending longer in the driveway. He's way too comfortable in my opinion.

Janet, the yard hasn't been mowed and is looking bad, it certainly advertises to the Demaret street crowd that the house is vacant and can be used for . . . I don't know what, I don't know what this guy is doing over there. There was a van there Saturday morning that hung around about an hour.

Can this house been condemned so that no trespassing signs could be put up?

If such change in Sites or adjustment to the installation plans and Statement of Work causes a change in the cost or time to perform, the parties will equitably amend the annual Service Fee or schedule, or both, by a change order.

SECTION 6. TRAINING

Any training to be provided by IDEMIA to Customer under this Agreement will be included as part of system installation. Customer will notify IDEMIA immediately if a date change for a scheduled training program is required. SECTION 7. ACCEPTANCE

7.1. SYSTEM ACCEPTANCE

System Acceptance will occur upon completion of installation, training and testing indicating that the system is ready for Operational Use. Operational Use occurs when the System has been fully-implemented and the Customer may begin use of the System in the operational environment. Minor omissions or variances in the System that do not materially impair the operation of the System as a whole will not postpone System Acceptance. These minor omissions or variances will be corrected according to a mutually agreed schedule by Customer and IDEMIA.

SECTION 8. LIMITED WARRANTY AND DISCLAIMERS OF WARRANTY

8.1. IDEMIA warrants to Customer that the Equipment: (a) upon System Acceptance will be operable, and (b) when properly installed, operated, and maintained in accordance with IDEMIA's and manufacturer's recommendations and the terms of the Agreement, will remain operable. As more fully set forth in Article 4 of this Agreement, ownership of the Equipment shall remain with IDEMIA throughout the Term of the Agreement. IDEMIA also warrants to Customer that any Services IDEMIA is required to perform pursuant to the Agreement will be performed in a competent manner. If any failure to meet these warranties appears during the Term, or any failure to meet the Services warranty described above appears within thirty (30) days of performance of the particular Services and during the Term of the Agreement, Customer shall promptly notify IDEMIA in writing and IDEMIA shall within a reasonable amount of time under the circumstances, in its own discretion: (i) repair or replace, at IDEMIA's option, Equipment that does not meet the Equipment warranty and/or (ii) re-perform the defective Service to the extent practicable. This Section 8 sets forth the sole and exclusive remedies for all claims based on failure of or defect in Equipment or Services whether a claim, however instituted, is based on contract, indemnity, warranty, tort

(including negligence), or other contractual or extra contractual liability of any nature, strict liability or otherwise, and under any system, theory or principle of law.

8.2. THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES AND GUARANTEES WHETHER WRITTEN, ORAL, IMPLIED OR STATUTORY. EXCEPT FOR THE WARRANTIES SET FORTH IN THIS SECTION, IDEMIA MAKES NO REPRESENTATIONS OR WARRANTIES TO CUSTOMER OR ANY OTHER PERSON, INCLUDING, WITHOUT LIMITATION, WARRANTIES REGARDING THE SIZE, DESIGN, CAPACITY, CONDITION, QUALITY, DURABILITY, SUITABILITY, MANUFACTURE OR PERFORMANCE OF THE EQUIPMENT OR SERVICES, OR PATENT OR INTELLECTUAL PROPERTY INFRINGEMENT OR THE LIKE. NO IMPLIED STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY.

SECTION 9. DELAYS

9.1. FORCE MAJEURE. Neither party will be liable for its non-performance or delayed performance if caused by a "Force Majeure" which means an event, circumstance, or act of a third party that is beyond a party's reasonable control, such as an act of God, an act of the public enemy, an act of a government entity, strikes or other labor disturbances, hurricanes, earthquakes, fires, floods, epidemics, embargoes, war, riots, or any other similar cause. Each party will notify the other if it becomes aware of any Force Majeure that will significantly delay performance. The notifying party will give such notice promptly (but in no event later than fifteen days) after it discovers the Force Majeure. If a Force Majeure occurs, the parties will execute a change order to extend the Performance Schedule for a time period that is reasonable under the circumstances.

9.2. PERFORMANCE SCHEDULE DELAYS CAUSED BY CUSTOMER. If the Performance Schedule is delayed because of Customer (including any of its other contractors), (i) Customer will make the promised payments according to the Payment Schedule as if no delay occurred; and (ii) the parties will execute a change order to extend the schedule and, if requested by IDEMIA, compensate IDEMIA for all reasonable charges incurred because of such delay. Delay charges may include costs incurred by IDEMIA or its subcontractors for additional freight, warehousing and handling of Equipment; extension of the warranties; travel; suspending and re-mobilizing the work; additional engineering, project management, and standby time calculated at then current rates; and preparing and implementing an alternative implementation plan.

SECTION 10. DISPUTES

10.1. SETTLEMENT PREFERRED. IDEMIA and Customer, through their respective project managers, will attempt to settle any dispute arising from this Agreement (except for a claim relating to intellectual property or breach of confidentiality provisions) through consultation and negotiation in good faith and a spirit of mutual cooperation. The dispute will be escalated to appropriate higher-level managers of the parties, if necessary. If cooperative efforts fail, the dispute will be mediated by a mediator chosen jointly by IDEMIA and Customer within thirty (30) days after notice by one of the parties demanding non-binding mediation. IDEMIA and Customer will not unreasonably withhold consent to the selection of a mediator, and they will share the cost of the mediation equally. If the dispute is of technical nature, either party may request for the matter to be referred to a panel of subject matter experts, using as guidelines characteristics of similar systems or technology, as well as industry standards.

The parties may postpone mediation until they have completed some specified but limited discovery about the dispute. The parties may also replace mediation with some other form of non-binding alternative dispute resolution ("ADR").

10.2. LITIGATION. Any claim relating to intellectual property or breach of confidentiality provisions and any dispute that cannot be resolved between the parties through negotiation or mediation within two (2) months after the date of the initial demand for non-binding mediation as

described above in Section 10.1 may be submitted by either party to a court of competent jurisdiction in the state of Delaware. Each party consents to jurisdiction over it by such a court, and specifically waives any right to raise a jurisdictional or venue related defense to such a court. The use of ADR procedures will not be considered under the doctrine of laches, waiver, or estoppel to affect adversely the rights of either party. Either party may resort to the judicial proceedings described in this section before the expiration of the two-month ADR period if (i) good faith efforts to resolve the dispute under these procedures have been unsuccessful; or (ii) interim relief from the court is necessary to prevent serious and irreparable injury to such party or any of its affiliates, agents, employees, customers, suppliers, or subcontractors.

SECTION 11. DEFAULT AND TERMINATION

11.1. **DEFAULT BY A PARTY.** If either party fails to perform a material obligation under this Agreement, the other party may consider the non-performing party to be in Default (unless a Force Majeure causes such failure) and may assert a Default claim by giving the non-performing party a written and detailed notice of Default. Except for a Default by Customer for failing to pay any amount when due under this Agreement which must be cured immediately, the defaulting party will have thirty (30) days after receipt of the notice of Default to either (i) cure the Default or (ii) if the Default is not curable within thirty (30) days, to provide a written cure plan. The defaulting party will begin implementing the cure plan immediately after receipt of notice by the other party that it approves the plan. If Customer is the defaulting party, IDEMIA may stop work on the project until it approves the Customer's cure plan. For technical matters, the determination of failure to perform a material obligation may be referred by either party to a panel of subject matter experts, using as guidelines characteristics of similar systems or technology, as well as industry standards.

11.2. **FAILURE TO CURE.** If, within thirty (30) days of receiving notice of a claim of Default, a defaulting party fails to cure the Default, or fails to provide a written cure plan as provided in Section 11.1 above, unless otherwise agreed to in writing, the non-defaulting party may terminate any unfulfilled portion of this Agreement. In the event of such termination, the defaulting party will promptly return to the non-defaulting party any of its Confidential Information (as defined in Section 14.1).

11.3. **FAILURE TO CURE BY CUSTOMER.** In the event that Customer fails to immediately cure any past due Service Fee when due; or cure any Default, or provide a written cure plan, each as provided in Section 11.1 above then IDEMIA may terminate this Agreement and Customer will indemnify the IDEMIA for the Service Fee due up to the date of termination. In addition, Customer must immediately return, at Customer's expense, all IDEMIA provided Equipment to IDEMIA.

11.4. **TERMINATION BY CUSTOMER.** Customer may terminate this Agreement for IDEMIA's Default, failure to cure, or failure to provide a written cure plan, as outlined in Section 11.1 above only. Customer will indemnify the IDEMIA for costs incurred up to the point of termination.

11.5. EFFECT OF TERMINATION.

11.5.1. In the event that IDEMIA terminates this Agreement for Customer's Default as in this Section 11.1 above, IDEMIA may, in addition to the rights listed in 11.3 above, require Customer, at Customer's expense, to promptly return all or any portion of Equipment provided by IDEMIA to Customer. In addition, IDEMIA may enter the Customer's Site(s) where the Equipment is located and take immediate possession and remove some or all of it, all without any IDEMIA liability to Customer; or IDEMIA may exercise any other right or remedy available to it under any applicable law. No right or remedy of IDEMIA referred to in this Section 11 is exclusive, but each is cumulative and in addition to any other right or remedy otherwise available to IDEMIA at law or in equity.

11.5.2. In the event that Customer terminates this Agreement for IDEMIA's Default as outlined in Section 11.1 above, Customer will allow IDEMIA to immediately remove and take

possession of all IDEMIA provided Equipment located at the Customer's Site(s). Title to IDEMIA provided Equipment will not pass to Customer in the event of IDEMIA Default. No right or remedy of Customer referred to in this Section 11 is exclusive, but each is cumulative and in addition to any other right or remedy otherwise available to Customer at law or in equity.

11.6 BUYOUT OPTION. Upon expiration of this Agreement after the Term and any subsequent renewals as outlined in Section 3.3 above, the Customer shall have the option to purchase the IDEMIA provided Equipment at a discounted rate upon the agreement of IDEMIA. If Customer elects this Buyout Option, Customer and IDEMIA will enter into a separate agreement for the provision of maintenance services related to the Equipment. The Buyout option at the end of the initial 5 year term is \$3,200 per livescan system. If at the end of the initial 5 year term the Customer does not extend this Agreement or exercise the Buyout option IDEMIA will remove the items listed in Exhibit A Description of Covered Products.

SECTION 12. INDEMNIFICATION

12.1. GENERAL INDEMNITY BY CUSTOMER. Customer will indemnify and hold IDEMIA harmless from any and all liability, expense, judgment, suit, cause of action, or demand for personal injury, death, or direct damage to tangible property which may accrue against IDEMIA to the extent it is caused by the Customer's mishandling of the Equipment or the System, or the Customer's negligence or willful misconduct, or any of those actions by the Customer's subcontractors, or their employees or agents, while performing their duties under this Agreement, provided that IDEMIA gives Customer prompt, written notice of any such claim or suit. IDEMIA shall cooperate with Customer in its defense or settlement of such claim or suit. This section sets forth the full extent of Customer's general indemnification of IDEMIA from liabilities that are in any way related to this Agreement.

12.3. PATENT AND COPYRIGHT INFRINGEMENT.

12.3.1. IDEMIA will defend at its expense any suit brought against Customer to the extent that it is based on an Infringement Claim, and IDEMIA will indemnify Customer for those costs and damages finally awarded against Customer for an Infringement Claim. IDEMIA's duties to defend and indemnify are conditioned upon: (i) Customer promptly notifying IDEMIA in writing of such Infringement Claim; (ii) IDEMIA having sole control of the defense of such suit and all negotiations for its settlement or compromise; (iii) Customer providing to IDEMIA cooperation and, if requested by IDEMIA, reasonable assistance in the defense of the Infringement Claim.

12.3.2. If an Infringement Claim occurs, or in IDEMIA's opinion is likely to occur, IDEMIA may at its option and expense procure for Customer the right to continue using the Equipment or IDEMIA Software, replace or modify it so that it becomes non-infringing while providing functionally equivalent performance, or grant Customer a credit for such Equipment or IDEMIA Software as depreciated and accept its return. The depreciation amount will be calculated based upon generally accepted accounting standards for such Equipment and IDEMIA Software.

12.3.3. IDEMIA will have no duty to defend or indemnify for any Infringement Claim that is based upon (i) the combination of the Equipment or IDEMIA Software with any software, apparatus or device not furnished by IDEMIA; (ii) the use of ancillary equipment or software not furnished by IDEMIA and that is attached to or used in connection with the Equipment or IDEMIA Software; (iii) any Equipment that is not IDEMIA's design or formula; (iv) a modification of the IDEMIA Software by a party other than IDEMIA; or (v) the failure by Customer to install an enhancement release to the IDEMIA Software that is intended to correct the claimed infringement. The foregoing states the entire liability of IDEMIA with respect to infringement of patents and copyrights by the Equipment and IDEMIA Software or any parts thereof.

SECTION 13. LIMITATION OF LIABILITY

13.1. IDEMIA LIABILITY. This limitation of liability provision shall apply notwithstanding any contrary provision in this Agreement. Except for personal injury or death, IDEMIA's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, indemnification, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the price of the Equipment, Software, or services with respect to which losses or damages are claimed. ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT IDEMIA WILL NOT be liable for any commercial loss; inconvenience; loss of use, time, data, goodwill, revenues, profits or savings; or other SPECIAL, incidental, punitive, INDIRECT, OR consequential damages IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OR USE OF THE EQUIPMENT OR SOFTWARE, OR THE PERFORMANCE OF SERVICES BY IDEMIA PURSUANT TO THIS AGREEMENT. This limitation of liability will survive the expiration or termination of this Agreement. No action for breach of this Agreement or otherwise relating to the transactions contemplated by this Agreement may be brought more than one (1) year after the accrual of such cause of action, except for money due upon an open account.

13.2. CUSTOMER LIABILITY. Customer shall be liable to IDEMIA for all loss of or damage to Equipment, as described in the attached Description of Covered Products, during the term of this Agreement. Customer shall give IDEMIA prompt notification of any such loss or damage. In the event of such loss or damage and upon demand by IDEMIA, Customer shall pay to IDEMIA the cost either, at IDEMIA's option, to repair or to replace the Equipment. Customer shall also be liable for the total value of the System in the event that this Agreement is terminated for any reason prior to the Term of the Agreement as outlined in Section 3.3.

SECTION 14. INSURANCE REQUIREMENTS

14.1. LIABILITY INSURANCE. Customer shall obtain, at its expense, and shall at all times during which Equipment is at the Customer's Site or otherwise in Customer's possession or control maintain, comprehensive commercial general/public liability insurance, in broad form including coverage for liability assumed under contract, providing coverage for bodily injury, including death, and property damage of any person or persons, including, but not limited to, agents or employees of Buyer, arising from Equipment or its possession, use, operation, maintenance, storage, transportation, installation, dismantling or servicing, with a combined single limit of not less than \$1,000,000.00. The deductible for the liability insurance shall not exceed \$25,000.00. IDEMIA shall be named as an additional insured, and the liability insurance shall be primary with respect to any other liability insurance maintained by IDEMIA.

14.2. PROPERTY INSURANCE. Customer shall obtain, at its expense, and shall at all times during which the Equipment is at the Customer's Site or otherwise in Customer's possession or control maintain, property insurance covering Equipment against all risks, loss or damage, in such form and with such insurers as shall be satisfactory to or specified by IDEMIA, in an amount not less than the full replacement cost of all Equipment. The deductible for the property insurance shall not exceed \$25,000.00. IDEMIA shall be named as an additional named insured and loss payee as IDEMIA's interests may appear upon the property insurance and the property insurance shall be primary with respect to any other property insurance maintained by IDEMIA.

14.4. Customer shall, at least two business days prior to the arrival of Equipment at the Customer's Site, and upon demand by IDEMIA from time to time thereafter, furnish IDEMIA with a certificate of insurance demonstrating that the required insurance coverages are in effect.

14.5. SUBROGATION. In the event of any loss or damage to Equipment, in addition to its other rights, IDEMIA will be subrogated to any right of Customer to recover against any person or entity with respect to such loss or damage. Customer will cooperate fully in the prosecution of such rights

and will neither take nor permit to be taken any action to prejudice such rights.

SECTION 15. CONFIDENTIALITY, PROPRIETARY RIGHTS, AND RIGHTS IN DATA

15.1. CONFIDENTIAL INFORMATION.

15.1.1. During the term of this Agreement, the parties may provide each other with Confidential Information. For the purposes of this Agreement, "Confidential Information" is any information disclosed in written, graphic, verbal, or machine-recognizable form, and is marked, designated, labeled or identified at the time of disclosure as being confidential or its equivalent; or if in verbal form is identified as confidential or proprietary at the time of disclosure and confirmed in writing within thirty (30) days of such disclosure. Notwithstanding any other provisions of this Agreement, Confidential Information shall not include any information that: (i) is or becomes publicly known through no wrongful act of the receiving party; (ii) is already known to the receiving party without restriction when it is disclosed; (iii) is, or subsequently becomes, rightfully and without breach of this Agreement, in the receiving party's possession without any obligation restricting disclosure; (iv) is independently developed by the receiving party without breach of this Agreement; or (v) is explicitly approved for release by written authorization of the disclosing party.

15.1.2. Each party will: (i) maintain the confidentiality of the other party's Confidential Information and not disclose it to any third party, except as authorized by the disclosing party in writing or as required by a court of competent jurisdiction; (ii) restrict disclosure of Confidential Information to its employees who have a "need to know" and not copy or reproduce such Confidential Information; (iii) take necessary and appropriate precautions to guard the confidentiality of Confidential Information, including informing its employees who handle such Confidential Information that it is confidential and not to be disclosed to others, but such precautions shall be at least the same degree of care that the receiving party applies to its own confidential information and shall not be less than reasonable care; and (iv) use such Confidential Information only in furtherance of the performance of this Agreement. Confidential Information is and shall at all times remain the property of the disclosing party, and no grant of any proprietary rights in the Confidential Information is hereby given or intended, including any express or implied license, other than the limited right of the recipient to use the Confidential Information in the manner and to the extent permitted by this Agreement.

15.2. PRESERVATION OF PROPRIETARY RIGHTS.

15.2.1. IDEMIA, the third party manufacturer of any Equipment, and the copyright owner of any Non-IDEMIA Software own and retain all of their respective Proprietary Rights in the Equipment and Software. Nothing in this Agreement is intended to restrict the Proprietary Rights of IDEMIA, any copyright owner of Non-IDEMIA Software, or any third party manufacturer of Equipment. All intellectual property developed, originated, or prepared by IDEMIA in connection with providing to Customer the Equipment, Software, or related services remain vested exclusively in IDEMIA, and this Agreement does not grant to Customer any shared development rights of intellectual property.

15.2.2. Except as explicitly provided in the Software License Agreement, nothing in this Agreement will be deemed to grant, either directly or by implication, estoppel, or otherwise, any right, title or interest in the Proprietary Rights of IDEMIA. Customer agrees not to modify, disassemble, peel components, decompile, otherwise reverse engineer or attempt to reverse engineer, derive source code or create derivative works from, adapt, translate, merge with other software, reproduce, or export the Software, or permit or encourage any third party to do so. The preceding sentence shall not apply to Open Source Software which is governed by the standard license of the copyright owner.

15.3 RIGHTS IN DATA

15.3.1. All materials, documents, data or information obtained from the Customer data files or any Customer medium furnished to the IDEMIA in the performance of this Contract will at all times remain the property of the Customer. Such data or information may not be used or copied for direct or indirect use by the IDEMIA after completion or termination of this Agreement without the express written consent of the Customer. All materials, documents, data or information, including copies, must be returned to the Customer at the end of this Agreement.

SECTION 16. MISCELLANEOUS

16.1. TAXES. The Contract Price does not include any amount for federal, state, or local excise, sales, lease, service, rental, use, property, occupation, or other taxes, assessments or duties (other than federal, state, and local taxes based on IDEMIA's income or net worth), all of which will be paid by Customer except as exempt by law. If IDEMIA is required to pay or bear the burden of any such taxes, it will send an invoice to Customer and Customer will pay to it the amount of such taxes (including any applicable interest and penalties) within twenty (20) days after the date of the invoice.

16.2. ASSIGNABILITY. Customer may not assign this Agreement without the prior written consent of IDEMIA. Any attempted assignment in contravention of this Section 16.2 shall be null and void. IDEMIA may assign this Agreement without the prior written consent of Customer.

16.3. SUBCONTRACTING. IDEMIA may subcontract any portion of the work, but such subcontracting will not relieve IDEMIA of its duties under this Agreement.

16.4. WAIVER. Failure or delay by either party to exercise any right or power under this Agreement will not operate as a waiver of such right or power. For a waiver of a right or power to be effective, it must be in writing signed by the waiving party. An effective waiver of a right or power shall not be construed as either (i) a future or continuing waiver of that same right or power, or (ii) the waiver of any other right or power.

16.5. SEVERABILITY. If a court of competent jurisdiction renders any provision of this Agreement (or portion of a provision) to be invalid or otherwise unenforceable, that provision or portion of the provision will be severed and the remainder of this Agreement will continue in full force and effect as if the invalid provision or portion of the provision were not part of this Agreement.

16.6. INDEPENDENT CONTRACTORS. Each party shall perform its activities and duties hereunder only as an independent contractor. The parties and their personnel shall not be considered to be employees or agents of the other party. Nothing in this Agreement shall be interpreted as granting either party the right or authority to make commitments of any kind for the other. This Agreement shall not constitute, create, or in any way be interpreted as a joint venture, partnership or formal business organization of any kind.

16.7. HEADINGS AND SECTION REFERENCES. The section headings in this Agreement are inserted only for convenience and are not to be construed as part of this Agreement or as a limitation of the scope of the particular section to which the heading refers. This Agreement will be fairly interpreted in accordance with its terms and conditions and not for or against either party.

16.8. GOVERNING LAW. This Agreement, and any issues relating hereto or disputes arising hereunder, and the rights and duties of the parties will be governed by and interpreted in accordance with the laws of the state of Delaware.

16.9. ENTIRE AGREEMENT. This Agreement, including all Exhibits, constitutes the entire agreement of the parties regarding the subject matter hereof and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to such subject matter. This Agreement may be altered, amended, or modified only by a written instrument signed by authorized representatives of both parties. The preprinted terms and conditions found on any Customer purchase order, acknowledgment or other form will not be considered an amendment or modification of this Agreement, even if a representative of each party signs such document.

16.10. NOTICES. Notices required under this Agreement to be given by one party to the other must be in writing and either delivered in person or sent to the address shown below by certified mail, return receipt requested and postage prepaid (or by a recognized courier service with an asset tracking system, such as Federal Express, UPS, or DHL), or by facsimile with correct answerback received, and shall be effective upon receipt:

Any such party shall give notice of such termination of funding as soon as practicable after it becomes aware of the failure of funding.

Exhibit B STATEMENT OF WORK

This Support Plan is a Statement of Work that provides a description of the support to be performed.

1. **Services Provided.** The Services provided are based on the Severity Levels as defined herein. Each Severity Level defines the actions that will be taken by Seller for Response Time, Target Resolution Time, and Resolution Procedure for reported errors. Because of the urgency involved, Response Times for Severity Levels 1 and 2 are based upon voice contact by Customer, as opposed to written contact by facsimile or letter. Resolution Procedures are based upon Seller's procedures for Service as described below.

SEVERITY LEVEL	DEFINITION	RESPONSE TIME	TARGET RESOLUTION TIME
1	Total System Failure - occurs when the System is not functioning and there is no workaround; such as a Central Server is down or when the workflow of an entire agency is not functioning.	Telephone conference within 1 hour of initial voice notification	Resolve within 24 hours of initial notification
2	Critical Failure - Critical process failure occurs when a crucial element in the System that does not prohibit continuance of basic operations is not functioning and there is usually no suitable work-around. Note that this may not be applicable to intermittent problems.	Telephone conference within 3 Standard Business Hours of initial voice notification	Resolve within 7 Standard Business Days of initial notification
3	Non-Critical Failure - Non-Critical part or component failure occurs when a System component is not functioning, but the System is still useable for its intended purpose, or there is a reasonable workaround.	Telephone conference within 6 Standard Business Hours of initial notification	Resolve within 180 days in a Seller-determined Patch or Release.
4	Inconvenience - An inconvenience occurs when System causes a minor disruption in the way tasks are performed but does not stop workflow.	Telephone conference within 2 Standard Business Days of initial notification	At Seller's discretion, may be in a future Release.
5	Customer request for an enhancement to System functionality is the responsibility of Seller's Product Management.	Determined by Seller's Product Management.	If accepted by Seller's Product Management, a release date will be provided with a fee schedule, when appropriate.

1.1 **Reporting a Problem.** Customer shall assign an initial Severity Level for each error reported, either verbally or in writing, based upon the definitions listed above. Because of the urgency involved, Severity Level 1 or 2 problems must be reported verbally to the Seller's call intake center. Seller will notify the Customer if Seller makes any changes in Severity Level (up or down) of any Customer-reported problem.

1.2 **Seller Response.** Seller will use best efforts to provide Customer with a resolution within the appropriate Target Resolution Time and in accordance with the assigned Severity Level when Customer allows timely access to the System and Seller diagnostics indicate that a Residual Error is present in the Software. Target Resolution Times may not apply if an error cannot be reproduced on a regular basis on either Seller's or Customer's Systems. Should Customer report an error that Seller cannot reproduce, Seller may enable a detail error capture/logging process to monitor the System. If Seller is unable to correct the reported Residual Error within the specified Target Resolution Time, Seller will escalate its procedure and assign such personnel or designee to correct such Residual Error promptly. Should Seller, in its sole discretion, determine that such Residual Error is not present in its Release, Seller will verify: (a) the Software operates in conformity to the System Specifications, (b) the Software is being used in a manner for which it was intended or designed, and (c) the Software is used only with approved hardware or software.

The Target Resolution Time shall not commence until such time as the verification procedures are completed.

1.3 Error Correction Status Report. Seller will provide verbal status reports on Severity Level 1 and 2 Residual Errors. Written status reports on outstanding Residual Errors will be provided to System Administrator on a monthly basis.

2. Customer Responsibility.

2.1 Customer is responsible for running any installed anti-virus software.

2.2 Operating System ("OS") Upgrades. Unless otherwise stated herein, Customer is responsible for any OS upgrades to its System. Before installing any OS upgrade, Customer should contact Seller to verify that a given OS upgrade is appropriate.

3. Seller Responsibility.

3.1 Anti-virus software. At Customer's request, Seller will make every reasonable effort to test and verify specific anti-virus, anti-worm, or anti-hacker patches against a replication of Customer's application. Seller will respond to any reported problem as an escalated support call.

3.2 Customer Notifications. Seller shall provide access to (a) Field Changes; (b) Customer Alert Bulletins; and (c) hardware and firmware updates, as released and if applicable.

3.3 Account Reviews. Seller shall provide annual account reviews to include (a) service history of site; (b) downtime analysis; and (c) service trend analysis.

3.4 Remote Installation. At Customer's request, Seller will provide remote installation advice or assistance for Updates.

3.5 Software Release Compatibility. At Customer's request, Seller will provide: (a) current list of compatible hardware operating system releases, if applicable; and (b) a list of Seller's Software Supplemental or Standard Releases

3.6 On-Site Correction. Unless otherwise stated herein, all suspected Residual Errors will be investigated and corrected from Seller's facilities. Seller shall decide whether on-site correction of any Residual Error is required and will take appropriate action.

4. Compliance to Local, County, State and/or Federal Mandated Changes. *(Applies to Software and interfaces to those Products)* Unless otherwise stated herein, compliance to local, county, state and/or federally mandated changes, including but not limited to IBR, UCR, ECARS, NCIC and state interfaces are not part of the covered Services.

(The below listed terms are applicable only when the Maintenance and Support Agreement includes (a) Equipment which is shown on the Description of Covered Products, Exhibit A to the Maintenance.)

5. On-site Product Technical Support Services. Seller shall furnish labor and parts required due to normal wear to restore the Equipment to good operating condition.

5.1 Seller Response. Seller will provide telephone and on-site response to Central Site, defined as the Customer's primary data processing facility, and Remote Site, defined as any site outside the Central Site, as shown in Support Plan Options and Pricing Worksheet.

5.2 At Customer's request, Seller shall provide continuous effort to repair a reported problem beyond the PPM. Provided Customer gives Seller access to the Equipment before the end of the PPM, Seller shall extend a two (2) hour grace period beyond PPM at no charge. Following this grace period, any additional on-site labor support shall be invoiced on a time and material basis at Seller's then current rates for professional services

Exhibit D SOFTWARE LICENSE AGREEMENT

In this Exhibit D, the term "Licensor" means IDEMIA, LLC, ("IDEMIA"); "Licensee," means the Customer; "Primary Agreement" means the agreement to which this exhibit is attached (Service Agreement); and "Agreement" means this Exhibit and the applicable terms and conditions contained in the Primary Agreement. The parties agree as follows:

For good and valuable consideration, the parties agree as follows:

SECTION 1 DEFINITIONS

1.1 "Designated Products" means products provided by IDEMIA to Licensee with which or for which the Software and Documentation is licensed for use.

1.2 "Documentation" means product and software documentation that specifies technical and performance features and capabilities, and the user, operation and training manuals for the Software (including all physical or electronic media upon which such information is provided).

1.3 "Open Source Software" means software with either freely obtainable source code, license for modification, or permission for free distribution.

1.4 "Open Source Software License" means the terms or conditions under which the Open Source Software is licensed.

1.5 "Primary Agreement" means the agreement to which this exhibit is attached (Service Agreement).

1.6 "Security Vulnerability" means a flaw or weakness in system security procedures, design, implementation, or internal controls that could be exercised (accidentally triggered or intentionally exploited) and result in a security breach such that data is compromised, manipulated or stolen or the system damaged.

1.7 "Software" (i) means proprietary software in object code format, and adaptations, translations, de-compilations, disassemblies, emulations, or derivative works of such software; (ii) means any modifications, enhancements, new versions and new releases of the software provided by IDEMIA; and (iii) may contain one or more items of software owned by a third party supplier. The term "Software" does not include any third party software provided under separate license or third party software not licensable under the terms of this Agreement.

SECTION 2 SCOPE

IDEMIA and Licensee enter into this Agreement in connection with IDEMIA's delivery of certain proprietary Software or products containing embedded or pre-loaded proprietary Software, or both. This Agreement contains the terms and conditions of the license IDEMIA is providing to Licensee, and Licensee's use of the Software and Documentation.

SECTION 3 GRANT OF LICENSE

3.1 Subject to the provisions of this Agreement and the payment of applicable license fees, IDEMIA grants to Licensee a personal, limited, non-transferable (except as permitted in Section 7) and non-exclusive license under IDEMIA's copyrights and Confidential Information (as defined in the Primary Agreement) embodied in the Software to use the Software, in object code form, and the Documentation solely in connection with Licensee's use of the Designated Products. This Agreement does not grant any rights to source code.

3.2 If the Software licensed under this Agreement contains or is derived from Open Source Software, the terms and conditions governing the use of such Open Source Software are in the Open Source Software Licenses of the copyright owner and not this Agreement. If there is a conflict between the terms and conditions of this Agreement and the terms and conditions of the Open Source Software Licenses governing Licensee's use of the Open Source Software, the terms and conditions of the license grant of the applicable Open Source Software Licenses will take precedence over the license grants in this Agreement. If requested by Licensee, IDEMIA will use commercially reasonable efforts to: (i) determine whether any Open Source Software is provided under this Agreement; (ii) identify the Open Source Software and provide Licensee a copy of the applicable Open Source Software License (or specify where that license may be found); and, (iii) provide Licensee a copy of the Open Source Software source code, without charge, if it is publicly available (although distribution fees may be applicable).

SECTION 4 LIMITATIONS ON USE

4.1 Licensee may use the Software only for Licensee's internal business purposes and only in accordance with the Documentation. Any other use of the Software is strictly prohibited. Without limiting the general nature of these restrictions, Licensee will not make the Software available for use by third parties on a "time sharing," "application service provider," or "service bureau" basis or for any other similar commercial rental or sharing arrangement.

4.2 Licensee will not, and will not allow or enable any third party to: (i) reverse engineer, disassemble, peel components, decompile, reprogram or otherwise reduce the Software or any portion to a human perceptible form or otherwise attempt to recreate the source code; (ii) modify, adapt, create derivative works of, or merge the Software; (iii) copy, reproduce, distribute, lend, or lease the Software or Documentation to any third party, grant any sublicense or other rights in the Software or Documentation to any third party, or take any action that would cause the Software or Documentation to be placed in the public domain; (iv) remove, or in any way alter or obscure, any copyright notice or other notice of IDEMIA's proprietary rights; (v) provide, copy, transmit, disclose, divulge or make the Software or Documentation available to, or permit the use of the Software by any third party or on any machine except as expressly authorized by this Agreement; or (vi) use, or permit the use of, the Software in a manner that would result in the production of a copy of the Software solely by activating a machine containing the Software. Licensee may make one copy of Software to be used solely for archival, back-up, or disaster recovery purposes; provided that Licensee may not operate that copy of the Software at the same time as the original Software is being operated. Licensee may make as many copies of the Documentation as it may reasonably require for the internal use of the Software.

4.3 Unless otherwise authorized by IDEMIA in writing, Licensee will not, and will not enable or allow any third party to: (i) install a licensed copy of the Software on more than one unit of a Designated Product; or (ii) copy onto or transfer Software installed in one unit of a Designated Product onto another device. Licensee may temporarily transfer Software installed on a Designated Product to another device if the Designated Product is inoperable or malfunctioning, if Licensee provides written notice to IDEMIA of the temporary transfer and identifies the device on which the Software is transferred. Temporary transfer of the Software to another device must be discontinued when the original Designated Product is returned to operation and the Software must be removed from the other device. Licensee must provide prompt written notice to IDEMIA at the time temporary transfer is discontinued.

SECTION 5 OWNERSHIP AND TITLE

IDEMIA, its licensors, and its suppliers retain all of their proprietary rights in any form in and to the Software and Documentation, including, but not limited to, all rights in patents, patent applications, inventions, copyrights, trademarks, trade secrets, trade names, and other proprietary rights in or relating to the Software and Documentation (including any corrections, bug fixes, enhancements, updates, modifications, adaptations, translations, de-compilations, disassemblies, emulations to or derivative works from the Software or Documentation, whether made by IDEMIA or another party, or any improvements that result from IDEMIA's processes or, provision of information services). No rights are granted to Licensee under this Agreement by implication, estoppel or otherwise, except for those rights which are expressly granted to Licensee in this Agreement. All intellectual property developed, originated, or prepared by IDEMIA in connection with providing the Software, Designated Products, Documentation or related services, remains vested exclusively in IDEMIA, and Licensee will not have any shared development or other intellectual property rights.

SECTION 6 LIMITED WARRANTY; DISCLAIMER OF WARRANTY

6.1 If Licensee is not in breach of any of its obligations under this Agreement, IDEMIA warrants that the unmodified Software, when used properly and in accordance with the Documentation and this Agreement, will be free from a reproducible defect that eliminates the functionality or successful operation of a feature critical to the primary functionality or successful operation of the Software. Whether a defect occurs will be determined by IDEMIA solely with reference to the Documentation. IDEMIA does not warrant that Licensee's use of the Software or the Designated Products will be uninterrupted, error-free, completely free of Security Vulnerabilities, or that the Software or the Designated Products will meet Licensee's particular requirements. IDEMIA makes no representations or warranties with respect to any third party software included in the Software.

6.2 IDEMIA's sole obligation to Licensee and Licensee's exclusive remedy under this warranty is to use reasonable efforts to remedy any material Software defect covered by this warranty. These efforts will involve either replacing the media or attempting to correct significant, demonstrable program or documentation errors or Security Vulnerabilities. If IDEMIA cannot correct the defect within a reasonable time, then at IDEMIA's option, IDEMIA will replace the defective Software with functionally-equivalent Software, license to Licensee substitute Software which will accomplish the same objective, or terminate the license and refund the Licensee's paid license fee.

6.3 Warranty claims are described in the Primary Agreement.

6.4 The express warranties set forth in this Section 6 are in lieu of, and IDEMIA disclaims, any and all other warranties (express or implied, oral or written) with respect to the Software or Documentation, including, without limitation, any and all implied warranties of condition, title, non-infringement, merchantability, or fitness for a particular purpose or use by Licensee (whether or not IDEMIA knows, has reason to know, has been advised, or is otherwise aware of any such purpose or use), whether arising by law, by reason of custom or usage of trade, or by course of dealing. In addition, IDEMIA disclaims any warranty to any person other than Licensee with respect to the Software or Documentation.

SECTION 7 TRANSFERS

Licensee will not transfer the Software or Documentation to any third party without IDEMIA's prior written consent. IDEMIA's consent may be withheld at its discretion and may be conditioned upon transferee paying all applicable license fees and agreeing to be bound by this Agreement.

SECTION 8 TERM AND TERMINATION

8.1 Licensee's right to use the Software and Documentation will begin when the Primary Agreement is signed by both parties and will continue for the life of the Designated Products with which or for which the

Software and Documentation have been provided by IDEMIA, unless Licensee breaches this Agreement, in which case this Agreement and Licensee's right to use the Software and Documentation may be terminated immediately upon notice by IDEMIA.

8.2 Within thirty (30) days after termination of this Agreement, Licensee must certify in writing to IDEMIA that all copies of the Software have been removed or deleted from the Designated Products and that all copies of the Software and Documentation have been returned to IDEMIA or destroyed by Licensee and are no longer in use by Licensee.

8.3 Licensee acknowledges that IDEMIA made a considerable investment of resources in the development, marketing, and distribution of the Software and Documentation and that Licensee's breach of this Agreement will result in irreparable harm to IDEMIA for which monetary damages would be inadequate. If Licensee breaches this Agreement, IDEMIA may terminate this Agreement and be entitled to all available remedies at law or in equity (including immediate injunctive relief and repossession of all non-embedded Software and associated Documentation unless Licensee is a Federal agency of the United States Government).

SECTION 9 UNITED STATES GOVERNMENT LICENSING PROVISIONS & RESTRICTED RIGHTS LEGEND

This Section applies if Licensee is the United States Government or a United States Government agency. Licensee's use, duplication or disclosure of the Software and Documentation under IDEMIA's copyrights or trade secret rights is subject to the restrictions set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights clause at FAR 52.227-19 (JUNE 1987), if applicable, unless they are being provided to the Department of Defense. If the Software and Documentation are being provided to the Department of Defense, Licensee's use, duplication, or disclosure of the Software and Documentation is subject to the restricted rights set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 (OCT 1988), if applicable. The Software and Documentation may or may not include a Restricted Rights notice, or other notice referring to this Agreement. The provisions of this Agreement will continue to apply, but only to the extent that they are consistent with the rights provided to the Licensee under the provisions of the FAR or DFARS mentioned above, as applicable to the particular procuring agency and procurement transaction.

SECTION 10 CONFIDENTIALITY

Licensee acknowledges that the Software and Documentation contain IDEMIA's valuable proprietary and Confidential Information and are IDEMIA's trade secrets, and that the provisions in the Primary Agreement concerning Confidential Information apply.

SECTION 11 GENERAL

11.1 COPYRIGHT NOTICES. The existence of a copyright notice on the Software will not be construed as an admission or presumption of publication of the Software or public disclosure of any trade secrets associated with the Software.

11.2 COMPLIANCE WITH LAWS. **COOPERATIVE AGREEMENT
FOR K-9 BASIC TRAINING SERVICES**

THIS AGREEMENT dated the 11th day of June, 2019, is entered into by and between Boone County, Missouri (County), by and through the Boone County Sheriff's Department (BCSD), and Callaway County, MO Sheriff's Department (Agency):

WHEREAS, BCSD can provide K-9 basic training through its certified K-9 training staff; and

WHEREAS, BCSD can assist Agency in selecting a canine for purchase from an approved vendor to receive the training; and

WHEREAS, Agency desires to procure a canine to receive training from a vendor approved by County and train one of Agency's officers as that canine's handler through the BCSD's K-9 basic training program; and

WHEREAS, County and Agency have the authority to cooperate with each other for the purposes of this Agreement pursuant to RSMo §70.220;

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **ASSISTANCE WITH PROCUREMENT OF CANINE.** County's K-9 trainer will provide advice on the selection of an appropriate canine from a vendor approved by County. The approved vendor will provide a minimum of a 6-month trainability guarantee and a 1-year health guarantee on a purchased canine that will run to the benefit of Agency. County will provide Agency with information about approved vendors.
2. **TRAINING.** BCSD agrees to provide Agency's K-9 handler and canine basic training by and through BCSD's certified staff. Training areas will include obedience, tracking, area search, article search, building search, and narcotics detection with respect to marijuana, cocaine, heroin, and methamphetamines. The training shall consist of not less than forty (40) sessions, with each session consisting of approximately one, 8-hour day. The training will be conducted over a period of eight (8) weeks, Monday – Friday, in regularly-scheduled sessions during that 8-week period. Agency will receive a certificate documenting successful completion of the BCSD's program if the K-9 team meets the standards and requirements of the Missouri Police Canine Association at the conclusion of the training contemplated herein.
3. **EMPLOYED STATUS OF K-9 HANDLER.** Agency agrees that the training contemplated herein is within the scope and course of its handler's employment and Agency will be responsible for all appropriate compensation and the provision of Worker's Compensation coverage to Agency's employee. Agency's handler will execute a Waiver & Release as set out in the attached Exhibit "A" prior to being permitted to participate in the training.
4. **CONTRACT PRICE AND PAYMENT.** Agency shall pay County a total sum of Three Thousand Six Hundred Dollars (\$3,600.00) for the training contemplated herein, calculated at a rate of \$90.00/session. Agency may pay the full amount upon execution of this contract or, at Agency's option, Agency shall pay one-half, or \$1,800.00, upon execution of this contract and the remaining one-half, or \$1,800.00, after twenty (20) sessions have been completed.

5. **TERM AND TERMINATION.** The Agreement contemplates training sessions to commence on or about the 6th day of May, 2019, and sessions will proceed consecutively, Monday – Friday, for a period of eight (8) weeks as scheduled by County. Either party may terminate this Agreement at any time by providing the other written notice of their intent to terminate. Upon termination for convenience by either party, the parties will reconcile the payments paid and/or due based on the number of sessions attended at the rate of \$90.00 per session (with each session being approximately one, 8-hour day).
6. **MODIFICATION AND WAIVER.** No modification or waiver of any provision of this Agreement nor consent to any departure therefrom, shall in any event be effective, unless the same shall be in writing and signed by County and Agency and then such modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which mutually agreed.
7. **FUTURE COOPERATION.** The parties agree to fully cooperate with each other to give full force and effect to the terms and intent of this Agreement.
8. **ENTIRE AGREEMENT.** The parties state that this document contains the entire agreement between the parties, and there are no other oral, written, express or implied promises, agreements, representations or inducements not specified herein.

ASSUMPTION OF RISKS: I acknowledge that participation in the Boone Co Karate [hereinafter the "Program"] involves physical activities which, by their very nature, carry certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. These physical activities involve strenuous exertions of strength using various muscle groups and also involve quick movements using speed and change of direction, all of which could result in injury. These risks range from minor bruises and scratches to more severe injuries, including the risk of heart attacks or other catastrophic injuries. I understand and appreciate that these physical activities carry certain inherent risks and I hereby assert that my participation is voluntary and that I knowingly assume all such risks.

WAIVER AND RELEASE: In consideration of accepting my entry into this Program, I hereby, for myself, my heirs, executors, administrators, or anyone else who might claim on my behalf, covenant not to sue, and waive, release and discharge the Boone County Sheriff's Department, Boone County, Missouri, and/or its employees and agents engaged by them for any purpose relating to the Program that I have been permitted to participate in. This release and waiver extends to all claims of every kind of nature, whatsoever, foreseen or unforeseen, known or unknown.

INDEMNIFICATION AND HOLD HARMLESS: I also agree to indemnify and hold harmless the Boone County Sheriff's Department, Boone County, Missouri, and/or its employees and agents all from any and all claims, actions, suits, procedures, costs, expenses, damages, and liabilities, including attorney's fees, that result from my participation in or involvement with the Program.

**COOPERATIVE AGREEMENT
FOR K-9 BASIC TRAINING SERVICES**

THIS AGREEMENT, dated the 11th day of June, 2019, is entered into by and between Boone County, Missouri (County), by and through the Boone County Sheriff's Department (BCSD), and the Cooper County Sheriff's Department (Agency):

WHEREAS, BCSD can provide K-9 basic training through its certified K-9 training staff, and

WHEREAS, Agency wants its K-9 and handler to complete that BCSD K-9 basic training program, and

WHEREAS, County and Agency have the authority to cooperate with each other for the purposes of this Agreement pursuant to RSMo §70.220, and

WHEREAS, the parties now have a previous executory K-9 *maintenance* training contract, set to terminate on May 11, 2019, the full performance of which the parties have not completed through no fault of either party, and the parties wish to replace that contract with this new *basic* training contract.

NOW, THEREFORE, the parties hereby agree as follows:

1. TRAINING. BCSD will provide Agency's K-9 handler and K-9 basic training by and through BCSD's certified staff. Training areas will include obedience, tracking, area search, article search, building search, and narcotics detection with respect to marijuana, cocaine, heroin, and methamphetamines. The training shall consist of no fewer than forty (40) sessions, with each session consisting of approximately one, 8-hour day. The training will be conducted over a period of eight (8) weeks, Monday – Friday, in regularly-scheduled sessions during that 8-week period. Agency will receive a certificate documenting successful completion of the BCSD's program if the canine team meets the standards and requirements of the Missouri Police Canine Association at the conclusion of the training contemplated herein.

2. EMPLOYED STATUS OF K-9 HANDLER. Agency agrees that the training contemplated herein is within the scope and course of its handler's employment and Agency will be responsible for all appropriate compensation and the provision of Worker's Compensation coverage to Agency's employee. Agency's handler will execute a Waiver & Release as set out in the attached Exhibit "A" prior to being permitted to participate in the training.

3. CONTRACT PRICE AND PAYMENT. Agency shall pay County a total sum of Three Thousand Six Hundred Dollars (\$3,600.00) for the training contemplated herein, calculated at a rate of \$90.00/session. Agency may pay the full amount upon execution of this contract or, at Agency's option, Agency shall pay one-half, or \$1,800.00, upon execution of this contract and the remaining one-half, or \$1,800.00, after twenty (20) sessions have been completed.

4. AGENCY CREDIT FOR FUNDS IT HAS ALREADY PAID.

Agency already paid \$1800.00 under the previous not-completed K-9 *maintenance* contract between these same parties dated May 11, 2016, and extended by its terms to, and thus terminating on, May 11, 2019. That payment entitled Agency to 20 training sessions. But Agency's handler left Agency's employment after attending only 6 of the 20 sessions, so Agency did not use BCSD's tendered performance of the remaining 14 training sessions to which Agency was entitled. Agency shall therefore receive a credit on this new, *basic* training contract for the \$1260.00, which represents the already-paid cost of those 14 unused sessions at the contract price of \$90.00 per session, and the previous maintenance contract shall terminate.

5. TERM AND TERMINATION. The Agreement contemplates training sessions to commence on or about the ____ day of _____, 2019, and sessions will proceed consecutively, Monday – Friday, for a period of eight (8) weeks as scheduled by County. Either party may terminate this Agreement at any time by providing the other written notice of their intent to terminate. Upon termination for convenience by either party, the parties will reconcile the payments paid and/or due based on the number of sessions attended at the rate of \$90.00 per session (with each session being approximately one 8-hour day).

6. MODIFICATION AND WAIVER. No modification or waiver of any provision of this Agreement nor consent to any departure therefrom, shall in any event be effective, unless the same shall be in writing and signed by County and Agency and then such modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which mutually agreed.

7. FUTURE COOPERATION. The parties agree to fully cooperate with each other to give full force and effect to the terms and intent of this Agreement.

8. ENTIRE AGREEMENT. The parties state that this document contains the entire agreement between the parties, and there are no other oral, written, express or implied promises, agreements, representations, or inducements not specified herein.

9. AUTHORITY. The signatories to this Agreement warrant and certify that they have obtained the necessary authority, by resolution or otherwise, to execute this Agreement on behalf of the named party for whom they are signing.

SO AGREED.
