MEMORANDUM

TO: Boone County Commission

FROM: Chad Martin, Director

DATE: July 27, 2021

RE: Class 9 Asset Purchase – Astro-Tac VHF Receivers

Commission approval is requested for the attached budget revision for a class 9 asset purchase of five (5) Astro-Tac VHF Receivers for a total cost of \$5,975.

This equipment is necessary to resolve severe interference on the radio channel used by Boone County Fire Protection District (BCFPD). It has been determined that reliable radio communication can be restored by switching the channel to Astro-Tac VHF receivers. Astro-Tac receivers currently in the system are being switched to the BCFPD channel, but 5 more are needed to build out the entire system.

Commission approval is required by County Policy per Commission Order 4-2014 to authorize the purchase of fixed assets.
