MEMORANDUM

TO: Boone County Commission
FROM: Liz Palazzolo, CPPO, C.P.M.
DATE: November 07, 2022
RE: Single Feasible Source Contract 165-123122SS for Maintenance and Support of Idemia MorphoTrak and Livescan as a Service Software and Hardware for the Boone County Sheriff's Office

Attached for signature and approval is Sole Source Request Form 165-123122SS for Maintenance and Support of Idemia MorphoTrak and Livescan as a Service Software and Hardware from Idemia of Anaheim, California. The Purchasing Department requests approval of Single Feasible Source 165-123122SS that is being established on behalf of the Boone County Sheriff's Office. The sole source form is attached for Commission approval.

The purchase of Idemia MorphoTrak hardware and software, as well as on-going maintenance and support, is proprietary to Idemia. The County has been using a State of Missouri contract through cooperative procurement, but the Sheriff's subscription has since evolved and requires its own contract. Because service pricing is based on the number of years the subscription has been in place, County pricing is no longer on the state contract and this is prompting an independent County contract.

The Boone County Sheriff's Office has used a variety of Idemia products and maintenance services for several years. These products include: Idemia MorphoTrak Livescan for concealed carry weapon permits (CCW) and sex offenders, MorphoIDent mobile fingerprint scanners, an RMS interface and Livecan as a Service which is used 24X7 as part of identification of all arrestees.

The single feasible source has been advertised in both the Missouriian and the Columbia Tribune. No other vendors have come forth to indicate that they are able to provide it.

A contract will be set-up as a result of the approval of this sole source. The contract period will run Date of Award through One (1) Year with five (5) one-year renewal options available after the initial period.

Payments will be paid using this Department/Object coding:

- 2901 – LEST Sheriff Operations/60050 – Equipment Service Contract: \$700.00
- 2902 – LEST Detention Operations/60050 – Equipment Service Contract: \$6,981.00
