Now on this 3rd day of January 2023, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: discarded furniture, junk, trash, and rubbish.
4. The location of the public nuisance is as follows 121 E Clearview Dr Columbia, MO, a/k/a parcel# 11-619-24-01-070.00 01, Clearview Lot 18, Section 24, Township 49, Range 13 as shown by deed book 0500 page 0597, Boone County
5. The specific violation of the Code is: discarded furniture, junk, trash, and rubbish, in violation of section 6.5 of the Code
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 1st day of December 2022, to the property owner and lien holder.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner and lien holder were given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly, in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

OK, we'll pitch it and wait for the next one.

Seth – is this a piece of equipment that was replaced this year or getting ready to be replaced? Is the replacement purchase going through purchasing?

Ok thanks for letting me know. I am sure that I already sent it to purchasing. Melinda you should have an untagged disposal form with the information below. A new disposal form should be coming soon with the tag number on it.

Subject: Disposal Form

Hi Jacob,

I sent in the interoffice mail a form for disposal of a Lexmark T520 Printer that did not have an associated tag number with it but please ignore this form (attached labeled as SIT Copier22120709480) . After working with the helpdesk techs, we found this to be incorrect and that the printer did have a tag number associated with it, I am sending you the proper disposal form for this tag number 13628. I will send a paper copy as well; I apologize for any confusion if there still is please reach out and I will explain myself better if needed. Thank you!
