**Use cash advance** to remove your entire card balance at no charge by visiting any MasterCard<sup>®</sup> principal financial institution.

**Utilize the direct deposit transfer** service to send funds from your card to your bank account.

**Check your balance online** or through customer service before using an ATM to avoid a decline fee.

**If your card is rejected at an ATM, never attempt over and over again.** Some ATM providers impose a fee even for declined transactions. The card provider also imposes a fee for declined transactions.

**Watch gratuity** as some merchants may authorize your card up to 25% more than the transaction to allow for gratuity, which can cause declined transactions and incur a decline fee.

**Update your temporary PIN before use.** Do this by calling 877-287-2448.

**To avoid maintenance fees**, use your card in a timely manner. See fee table for details.

**If you want to split your payment** between this card and another form of payment, you must specify to the cashier the amount you would like run on the card. Be sure you know the balance on your card before you do this kind of transaction.

Leasa,

Here is an updated quote for the CCW/Sex Offender Livescan machine. I highlighted the items that we will need (the maintenance portions (\$2,415 and \$202) can be included in the 2024 budget. Can you request emergency funds for establishing a budget for this (\$6,590 workstation and \$1,325 printer)? We were notified at the end of 2022 this Livescan system will be end of life, out of warranty and no longer supported on December 31, 2023. The lead time for the replacement unit is 60-120 days.

In talking with Liz, she would like us to request funding for this and once approved she will work on getting a contract in place with Idemia. She will need to do this before the end of the year as well with our other Idemia Livescan system.

Please let me know if you have any questions.
