Staff Report for County Commission
RE: P&Z Agenda Items
November 28, 2023

The Planning and Zoning Commission reviewed agenda Item 1 at its November 16, 2023 meeting. The minutes of that meeting and the Boone County Zoning and Subdivision Regulations are incorporated into the record of this meeting.

1. Consent Agenda – Final Plans and Plats

Regarding Item 1, the consent agenda, the final plan, Item A, was approved by consent and is recommended for your approval. I ask that you waive the reading of the staff reports for these items and authorize the clerk to insert them into the meeting minutes.

A. Request by Great Rivers Council Inc Boy Scouts of America to approve a Final Development Plan for Lot 1 of VH Acres, Plat 2 on 2.43 acres located at 6081 W Van Horn Tavern Rd, Columbia.

This property is located on the north side of Van Horn Tavern Road at the and State Highway UU. The site is about 1500 feet west of the Columbia city limits. It is 2.43-acres in size, and zoned Planned Industrial (M-LP). All the surrounding property is zoned as follows:

- North – (across I-70) Agriculture 2 (A-2) & General Commercial (C-G)
- East – M-LP
- South – Agriculture-Residential (A-R) & Planned Commercial (C-GP)
- West – State Right-of-Way

The zoning to the north and the A-R zoning south are all original 1973 zonings, the planned commercial and planned industrial zonings have been approved and modified over time. The most recent review plan for the subject site prior to the current request was approved in July of 2014.

This proposal is to rezone the subject property to allow modification of the existing M-LP plan to allow for the construction of a pavilion shelter-house and refine the parameters of any future

additions. The current lot is developed with an office building, parking, and landscaping/stormwater features.

The property scored 103 points on the rating system.

The corresponding Rezoning & Review Plan was approved under County Commission Order 574-2023.

The Boone County Zoning Ordinance, Section 6.2.14, Standards for Approval of the Final Development Plan identify 3 criteria for approval:

All the required information is accurately portrayed on the Plan

The Final Plan conforms to the approved Review Plan

The Final Plan demonstrates compliance with all conditions, which the County Commission may have imposed on the Final Plan

Staff review of the final plan indicates that it meets these criteria for approval.

Staff recommended **approval** of the final plan.

Fostering Court Improvement JCIP Sub-grant: Local Court Enhancements (FY24)

The Fostering Court Improvement sites are measured on pre-determined outcomes including permanency, timeliness, and child safety measures. In addition, the Children's Division Quality Assurance Specialists provide child welfare data to the local project sites. Strategies are then developed to address areas of deficiency which are identified in the outcome measurements. Funding is available **up to \$750.00** for each of the project sites to assist them in their ability to implement strategies to improve services and outcomes for children and families. Each site will be required to submit a funding request on this form, along with budgets and justification, for their request in terms of the child welfare goals they hope to achieve and how the funding will support such. Reimbursement would be made in accordance with approved budgets, within OSCA Financial Guidelines, after costs have been incurred.

Budget Request

1. Please break down your funding request:

Budget Line Item	Approximate Cost	Budget Line Item	Approximate Cost
a. Lunches for FCI/contract attorney meetings.	\$750	e.	
b.		f.	
c.		g.	
d.		h.	

2. Total Budget Request \$750

3. Specific County to be reimbursed: Boone

Justification (attach additional sheets, if necessary)

1. How will this funding enhance your courts ability to meet outcomes for children and families?

On a quarterly basis, we hold joint FCI/contract attorney meetings. Those meetings are generally held after a general docket to ensure higher attendance. We use the FCI enhancement grant to pay for lunches for those meetings. Serving lunch helps us have a higher attendance rate and helps us spend valuable time collaborating while eating lunch.

2. Provide a timeline and description of how the funding will be used.

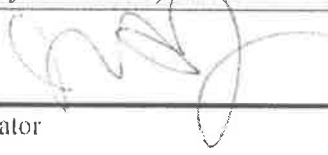

(Funding must be spent prior to September 30, 2024 and OSCA must be billed prior to October 11, 2024.)

Joint FCI/contract attorney meetings will be held in December 2023, January 2024, March 2024, and June 2024.

For OSCA Internal Use Only

	Yes	No
1. Does this request fall within the scope of the Fostering Court Improvement Program?		
2. Does this request meet the requirements of the DHHS-ACF requirements for uses of these grant funds?		
3. Is it clear that funding will be expended by September 30, 2024 and billed to OSCA before October 11, 2024?

Patti,

We will have to do a budget revision to move budget from class 1 to class 9. It will have to go to the commission agenda since it is a class 9 move. I need you to provide us with a memo describing what your office is asking for on this agenda item and the background. Please provide a copy of the email that shows the grantor approving this along with the memo. I will do the budget revision as soon as I get those items and get it put on the agenda. Let Victoria know that you have been approved to purchase the PC's and see if you can get exact numbers. I would try to get this to me by next Monday morning at the latest because we have to send this request to the clerk at least one day before the agenda and they will not have a meeting on Thursday because of the holiday. I will not be in tomorrow so if you could get this to me in the next hour or two that would be great. Last, let me know who will be presenting to commission for this.

Subject: New computers in Child Support

Jacob,

Our office has been working without a prosecutor since August, when the APA we had quit. At the time when he left, we were overbudget on our grant by about \$20,000. Since August, without the added payroll, we now have a surplus of around \$10,000. I do not know what the plan is for replacing the prosecutor in our office but no one is hired yet and there is only 6 weeks left in the year.

The ask: IT has been asking our office to replace the 3 desktop computers for a few years. We have always argued that we don't have the budget available. This year, and I know there is not much year left, we could replace all 3 computers. Victoria said that she budgets \$1,500 each for the desktops. What would we need to do to move money from payroll to IT and have the three computers ordered?

Thank you for looking into this opportunity,
Patti

Subject: New desktops for Boone County PA

Hi Nikki,

Our IT department has been requesting that our office replace all three desktops for the past few years. Our current computers are older and not taking all of the updates available. Replacement cost is approximately \$1,500 each / \$4,500 total for three.

Since we have been operating without a prosecutor longer than anticipated, this year we have the funds available. I have reached out to our county auditor about purchasing the three desktops before the end of the year. Jacob said that he could make the request as long and I checked with you that the expenditure is reimbursable.

Would replacing the 3 child support desktops for approximately \$4,500 be a reimbursable expense?
