

## 2025 Funded Programs

### Family Access Center of Excellence (FACE) of Boone County

University of Missouri – Missouri Prevention Science Institute

*Family Access Center of Excellence (FACE) of Boone County*

FACE was established to meet the mental health needs of all children, youth, and their families in Boone County and promote access to resources through Community-Based and School-Based services.

#### Community-Based Services

FACE supports families in completing a needs-based assessment and assists families in creating an action plan to address top areas of concern. FACE provides ongoing support to families as they access community-based resources to meet their needs. Suicide risk assessments and safety plans are developed with youth and their families, when needed.

#### School-Based Services

FACE provides multi-tiered support in all Boone County schools, including private/parochial schools. Regional Coordinators provide the following services:

- Administering mental/behavioral health checklists to all students and teachers.
- Providing multi-level interventions based on needs identified by the checklists.
- Participating in problem-solving teams with school personnel.
- Providing professional development for school personnel.
- Offering group and individual support (therapy, case management, etc.).

In addition, Family Intervention Specialists are in all rural school districts and select Columbia Public Schools elementary buildings and provide the following services:

- Supporting de-escalation of behavior in schools,
- Assisting families in completing a need-based assessment and creating an action plan to address top concerns,
- Providing intensive therapeutic case management across systems for families,
- Completing suicide risk assessments and safety plans with youth and their families, when needed.

#### Therapy Access Program (TAP)

TAP provides access for more immediate, brief support for Boone County children, youth, and families for up to ten free therapy sessions to address mental health concerns. Families can be referred to TAP through the Community-Based Services side of FACE.
