Assessor Dataset Disclaimer:

These maps were prepared for the inventory of real property based on the utilization of deeds, plans, and/or supportive data. In addition, map files are frequently changed to reflect changes in boundaries, lot lines and other geographic features resulting from changes in ownership, development, and other causes. The existence, dimension, and location of features, as well as other information, should not be relied upon for any purpose without actual field verification. The County of Boone makes no liability or responsibility for the use or reuse of these maps by persons not affiliated with Boone County. Use of these maps by any person not affiliated with Boone County constitutes agreement by the user to assume full liability and responsibility for the verification of the accuracy of information shown on these maps.

The following map layer sources were utilized in the creation of the map:
Boone County Assessor: City Polygon Source, County Polygon Source
Boone County/City of Columbia: Roads Centerline Polyline Source
Boone County GIS: Shade Relief Layer Collection Source, Hydrology Polyline Source
