

HEALTH CARE EXPENSES

Expenses include medical, prescription, hearing, dental, vision and over-the-counter health care products for you or your qualifying spouse or children. Qualifying expenses are those incurred for treatment of a current or imminent medical condition. Cosmetic related expenses are eligible only for treatment of birth defects, accidents and/or disease. For more information, visit ASIFlex.com Useful Links to view “Eligible Expenses” and IRS Publication 502-Medical and Dental Expenses.
