BASIC PROCUREMENT METHODS

Request for Proposal (RFP): This method of procurement is used for professional services and some general services. An RFP will contain minimum technical specifications or a Scope of Work for which the bidder must respond with a sealed proposal response. A formal closing date and time is established. The RFP is advertised and emailed and/or mailed to those vendors on the County vendor list. Subjective evaluation criteria is included in the RFP and used by the evaluation team for the purpose of selecting a contractor.

Informal Quotation: County departments utilize this form of competition when the cost of goods to be purchased is $6,000 or less. An informal quotation is accomplished at the department level and does not generally involve the Purchasing Department.

Formal Request for Bid (RFB): This method of procurement is used when the total purchase exceeds $6,000 in a 90-day period. The County also uses this method when the life of a term and supply contract is valued at more than $6,000. The RFB document will contain well-defined standard technical specifications for the nature of the service or product requested. A formal closing date and time is specified. The bidder must comply with this requirement in order to be considered for award. All formal RFBs are handled by the Purchasing Department.

**WHAT TO EXPECT AFTER A SEALED BID IS OPENED**

The Purchasing Department is responsible for the bid opening at the time and place noted in the request. If a vendor is interested in a copy of the bid tabulation, they may download it from our website at [www.ShowMeBoone.com/purchasing](http://www.ShowMeBoone.com/purchasing). Also available are Request for Bids/Proposals, Bid Tabulations and Bid Award information.

Following bid opening, the Purchasing Department completes a bid tabulation. Bids will be reviewed for responsiveness and responsibility. All documents are forwarded to the department(s) involved in the request along with a bid award recommendation. Upon approval by the department(s), Purchasing forwards contract documents to County legal counsel and then the vendor for signature. Once contracts are returned, the bid award is scheduled with the Boone County Commission. Following Commission approval, the Purchasing Department mails a Notice to Proceed letter, Contract and Purchase Order (if applicable) to Contractor. Contract administration is completed at the department level. Any problems that cannot be resolved at the department level will be reported to the Purchasing Department.
