## MEMORANDUM

TO: Boone County Commission  
FROM: Liz Palazzolo, Senior Buyer  
DATE: March 25, 2025  
RE: Amendment #1 to Contract C000257 from County RFP 40-16OCT17 –  
Detainee Telephone System for the Boone County Sheriff's Office

Purchasing requests approval for Amendment #1 to contract C000257 awarded from County RFP 40-16OCT17 for the Detainee Telephone System for the Boone County Sheriff's Office with ICS Corrections, Inc. of San Antonio, Texas. The original contract was established February 20, 2018 through Commission Order 91-2018.

Amendment #1 extends the contract period April 01, 2025 through February 28, 2027, and revises rates for service including the elimination of several fees. These changes are made to comply with recent FCC regulation changes capping certain per minute rates and requiring elimination of some fees on interstate calls. Effective April 01, 2025, the FCC regulations eliminate the payment of commissions based on detainee phone service for interstate calls. Most of the calls from Boone County are local calls and therefore not impacted by this regulatory change. The new FCC regulations are also subject to pending legal challenges. This contract amendment would extend the agreement for two years to allow the legal situation to clarify itself and facilitate one more contract extension commission of \$65,000.00.

Budget coding assigned to this contract is 1255 – General Fund Detention Operations/3553 - Commission Phones: \$0.00.
