

**ADDENDUM ONE**  
**Bid Number 62-08OCT02**  
**SNOW AND ICE CONTROL SERVICES**  
Boone County, Missouri

The following issues regarding this bid request have been raised and should be integrated into the bid response. Vendors shall make the following changes to the original bid specifications:

**Section 2.1**

**In Addition:** Boone County will initiate an event when snowfall accumulation reaches a minimum of 2” as measured at the City of Columbia Regional Airport and may initiate an event for lesser accumulations or for an ice event.

**Section 2.2.2.**

**In Addition:** A Contractor may not supplement approved equipment with equipment that is not approved. If a Contractor has more than one group and completes one or more groups to the satisfaction of the inspector, the equipment may be re-assigned to assist in other groups held by the same contractor upon approval of the inspector. Other than the “Rovers,” contractors will not be required to assist in groups under contract by a different contractor unless mutually agreed by both contractors and Boone County Public Works. Contractors assisting in other groups will be paid at the hourly rate for the original group. Assisting in other areas will not entitle the contractor to any additional guaranteed payments.

**Section 2.4.1**

**Change Section to Read:** Contractor will be required to supply full working units including a minimum of a ½ ton 4WD pick-up truck or a 1 ton 2WD pick-up truck, **a 7 foot snow blade** and a material spreader with a 500-pound capacity.

**Section 2.4.5**

**Change Section to Read:** Contractor will receive \$250 for each vehicle that is presented and passes inspection at the annual meeting that will be used in conjunction with this contract. Required equipment must be mounted and operational. Vehicles **that are required by contract** not presented at this time must be scheduled for inspection during normal business hours and will not receive the \$250 incentive fee. **Additional vehicles may be inspected at the request of the vendor but no incentive fee will be paid. The additional vehicles may be used as substitutes for assigned equipment but not as supplemental equipment.**

**Add Section 2.8.5.1.**

**Minimum Event Payment** – Contractor will receive a minimum of \$250 per each required truck for each “event” with a minimum accumulation of two (2) inches as recorded at the City of Columbia Regional Airport, or for lesser events in which contracts are activated by Boone County Public Works. The “minimum” payment will be decreased by actual compensation earned by hours worked during each event.

Submit the Acknowledgement of Addendum One with your response to the above referenced bid or in a separate envelope clearly marked **Bid Number – 62-08OCT02– Snow and Ice Control Services**, if your response has already been returned. Additional copies of the bid documents may be obtained from the Purchasing Office, 601 E. Walnut, Room 209, Columbia, MO 65201, (573) 886-4392. **Bid responses must be sent to the Boone County Purchasing Department, Boone County Johnson Building, 601 E. Walnut, Room 209, Columbia, MO 65201.** Responses are due in the Purchasing Department no later than 1:25 p.m. on October 8, 2002.
