## INVITATION FOR BIDS

### I. BIDS:

Sealed bids will be received by the County of Boone - Missouri for the Sale of Scrap Metal located at the Public Works Department, North Facility, Columbia, Missouri. Bidders shall hold their bids firm for a period of six (6) months from date of award.

### II. DESCRIPTION:

Boone County generates approximately 8,000 tons of scrap metal annually. The scrap metal consists mostly of old culvert pipe, fittings, valves, and tire rims. The stated quantities are estimated quantities based on historical scrap quantities, but are not intended to be a guarantee of future quantities.

### III. BID FORM:

Attached hereto is a Bid Form to be used for the submission of information requested herein. The Purchasing Department of Boone County must receive the Bid Form no later than Tuesday, December 20, 2005 at 10:30 A.M., C.D.T. The bid must be sealed and clearly addressed to Boone County Purchasing, 601 E. Walnut, Room 208, Columbia, MO 65201 with a notation of the sealed envelope marked "**Bid for Sale of Scrap Metal (IFB #85-20DEC05)**".

### IV. WITHDRAWAL OF BIDS:

Any bidder may withdraw their bid at anytime prior to the scheduled closing time for the receipt of bids, but no bidder may withdraw their bid for a period of sixty (60) days after the scheduled closing time for the receipt of bids. Only telegrams, letters, e-mails and other written requests for corrections of a previously submitted bid which are addressed in the same manner as bids and are received by the County prior to the scheduled closing time for the receipt of bids will be accepted.

### V. AWARD:

The County shall make award to the highest and best bid. The County reserves the right to reject any and all bids and to waive informalities in bids.

### VI. TERMS OF SALE:

A. The material for sale is offered for sale on an "as is" and "where is" basis, and the County makes no guarantee as to its condition.

- B. Contract Duration: The Contract period shall be from **February 1, 2006 through July 31, 2006**. The contract may be extended beyond the expiration date for five (5) additional 6-month periods.
- C. At the option of the County, the Purchase Price shall be paid by a Certified or Cashiers Check, payable without condition to "The Road and Bridge Fund", in advance of the removal of the property. If payment is not made within the specified time, the property shall then become the property of the County and the bid will be considered void. **Weight tickets shall be submitted with payment check.**
- D. It is understood by bidder in submitting a bid that the bidder is responsible for viewing the material for sale and discovering the procedures required for the removal of such. To arrange for a visit to the North Facility of Public Works, please contact Greg Edington at (573) 449-8515.
- E. The successful Contractor will be required to provide the following insurance requirements:

**BOONE COUNTY INSURANCE REQUIREMENTS** - The Contractor shall not commence work under this contract until they have obtained all insurance required under this paragraph and such insurance has been approved by the County. All policies shall be in amounts, form and companies satisfactory to the County which must carry an A-6 or better rating as listed in the A.M. Best or equivalent rating guide.

**Compensation Insurance** - The Contractor shall take out and maintain during the life of this contract, **Employee's Liability and Worker's Compensation Insurance** for all of their employees employed at the site of work, and in case any work is sublet, the Contractor shall require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Contractor.

Worker's Compensation coverage shall meet Missouri statutory limits. Employers' Liability limits shall be \$500,000.00 each employee, \$500,000.00 each accident, and \$500,000.00 policy limit. In case any class of employees engaged in hazardous work under this Contract at the site of the work is not protected under the Worker's Compensation Statute, the Contractor shall provide and shall cause each subcontractor to provide Employers' Liability Insurance for the protection of their employees not otherwise protected.

**Comprehensive General Liability Insurance** - The Contractor shall take out and maintain during the life of this contract, such comprehensive general liability insurance as shall protect them from claims for damages for personal injury including accidental death, as well as from claims for property damages, which may arise from operations under this contract, whether such operations be by themselves or by anyone directly or indirectly employed by them. The amounts of insurance shall be not less than \$1,000,000.00 per project limit for any one occurrence covering both bodily injury and property damage, including accidental

death. If the Contract involves any underground/digging operations, the general liability certificate shall include X, C, and U (Explosion, Collapse, and Underground) coverage. If providing Comprehensive General Liability Insurance, then the Proof of Coverage of Insurance shall also be included. **Proof of Coverage of Insurance** - The Contractor shall furnish the County with Certificate(s) of Insurance which name **the County of Boone – Missouri as additional insured** in an amount as required in this contract and requiring a thirty (30) day mandatory cancellation notice. In addition, such insurance shall be on an occurrence basis and shall remain in effect until such time as the County has made final acceptance of the project.

The Contractor has the option to provide **Owner’s Contingent or Protective Liability and Property Damage** instead of the **Comprehensive General Liability Insurance**- The Contractor shall provide the County with proof of Owner’s Protective Liability and Property Damage Insurance with the County as named insured, which shall protect the County against any and all claims which might arise as a result of the operations of the Contractor in fulfilling the terms of this contract during the life of the Contract. The minimum amounts of such insurance will be \$1,000,000.00 per occurrence, combined single limits. Limits can be satisfied by using a combination of primary and excess coverages. Should any work be subcontracted, these limits will also apply.

**COMMERCIAL Automobile Liability** – The Contractor shall maintain during the life of this contract, automobile liability insurance in the amount of not less than \$1,000,000.00 combined single limit for any one occurrence, covering both bodily injury, including accidental death, and property damage, to protect themselves from any and all claims arising from the use of the Contractor’s own automobiles, teams and trucks; hired automobiles, teams and trucks; and both on and off the site of work.

- F. **LIABILITY:** The Contractor will assume responsibility and liability for all injuries to persons or damages to property directly or indirectly, due to or arising out of, the removal operations by the successful bidder. Said Contractor agrees to indemnify and save harmless the County of Boone - Missouri its directors, agents, and employees from and against any or all claims whatsoever kind and nature due to or arising out of the sale or removal of said scrap.

## VII. BASE BID

- A. The County will accumulate scrap metal throughout the contract period. The successful bidder may be required to remove accumulated scrap metal quarterly and within two (2) weeks of notification by the County.
- B. The successful bidder shall be responsible for removing the material for sale from County property, including all related costs. County personnel will assist the successful bidder in the loading of the material onto the bidder’s truck.
- C. During each visit to remove scrap metal, the successful bidder shall weigh in and weigh out at an agreed upon scale site. Please state your scale site:

\_\_\_\_\_ . The successful bidder will be paid based on the net weight of scrap metal removed.

- D. The successful bidder shall assume full responsibility for damage to County property during the removal of the material for sale. Repairs of any damage shall be completed to the County's satisfaction. If repairs are not done to the County's satisfaction, the County reserves the right to procure the services of a qualified vendor and the successful bidder shall reimburse the County for the cost of the repairs.
- E. Removal must be scheduled a minimum of one (1) day in advance. Removal operations shall occur during normal working hours only, 8:00 a.m. to 4:00 p.m., on workdays, Monday through Friday, and shall not interfere with the operations of the Public Works Department or any other County entity.
- F. Can you provide a trailer and a roll-off bin for County scrap metal? \_\_\_\_\_ Yes  
\_\_\_\_\_ No

VIII. ALTERNATE BID

- A. The County will accumulate scrap metal throughout the contract period. The County will deliver the accumulated scrap metal to the Contractor's facilities.
