Question 1: Does the county own AutoCAD or ADT ? How many copies or seats? What version or release (i.e.: 2006, 2007 etc)?

Response: The county owns AutoCAD, however, the Facilities Maintenance Department has 0 Copies or seats of AutoCAD, and currently does not use AutoCAD in any way.

Question 2: How many seats of our CAD based module called Facility Link will be needed? A better question might be how many people will be the actual CAD editors of your floor plans? You will need at least one.
