MID-MISSOURI PUBLIC PURCHASING COOPERATIVE

INSTRUCTIONS AND GENERAL CONDITIONS OF BIDDING

The Mid-Missouri Public Purchasing Cooperative, herein after referred to as Cooperative, was developed in order for its members to create volume buying through standardization of quality in order to secure a greater return for the expenditure of public funds. Only Mid-Missouri governmental agencies are permitted to become members of this Cooperative.

1. Sealed bids, subject to Instructions and General Conditions, General Provisions, and any special conditions set forth herein, will be received at the Office of the Cooperative Member Agency whose address is stated in the bid documents until the bid closing date and time indicated herein for furnishing the Cooperative Member Agencies with the material and/or list of materials, supplies, equipment or services shown on the attached sheet(s).
2. Bidders must use the bid forms provided for that purpose in submitting bids, must return the announcement and bid sheets comprising this bid, give unit price, extend totals, and must contain an original legally authorized signature. Bids must be submitted in a sealed envelope identified with the bid number and date of closing. If you do not care to bid, please return bid sheets(s) and note your reason. No fax or electronic transmitted bids will be accepted.
3. Identify the item(s) you will furnish by brand of manufacturer's name and catalog numbers. Also furnish specifications and descriptive literature.
4. Whenever products or materials of any particular producer or manufacturer are mentioned in our specifications, such product or material mentioned is intended to be descriptive of type or quality and not restrictive to those mentioned.
5. The right is reserved to accept or reject all or part of the bid, to waive technicalities, and to accept the offer the Cooperative considers the most advantageous to the Member Agencies. Awards will be made to the bidder whose bid (1) meets the specifications and all other requirements of the RFB and (2) is the lowest and best bid, considering price, responsibility of the bidder and all other relevant factors. Any award of a contract will be made by written notification from the Cooperative. The County reserves the right to award to one or multiple respondents.
 - a. The Cooperative reserves the right to award an order to the lowest aggregate bidder for all items or on an item basis, or a group of like items, whichever is found to be in the best interest of the Cooperative. If a split award is not acceptable to a bidder, it must be stated in the bid response.
 - b. In awarding the contract, the Cooperative may take into consideration the skill, facilities, capacity, experience, ability, responsibility, previous work, the financial standing of the bidder or bidders; the amount of other work being carried on by the bidder; the quality, efficiency, and construction of the equipment proposed to be furnished; the period of time within which the equipment is to be furnished and delivered; and the necessity of prompt delivery of the items herein described. The inability of any bidder to meet the requirement mentioned above may be cause for rejection of their bid.
6. Do not include Federal Excise Tax or Sales and Use Taxes in bid prices, as the Cooperative Member Agencies are exempt from them by law. Tax exemption certificates will be furnished if required.
7. The delivery date(s) or when work will start, shall be stated in definite terms, as they will be taken into consideration in making the award.
8. Cooperative Member Agencies reserve the right to cancel all or any part of orders if delivery is not made or work is not started as guaranteed. In case of delay, the Contractor **must** notify the Cooperative Member Agency that issued the purchase order.
9. In case of any default by the bidder, the Cooperative Member Agency may procure the product or service from other sources and hold the bidder responsible for any damages incurred including, but not limited to, excess cost or handling charge. The Cooperative shall have the right to remove any bidder who defaults on any contract with the Cooperative from all bidders' lists.
10. Prices must be stated in units of quantity specified, and must be firm. Bids qualified by escalator clauses may not be considered.

11. RECEIPT AND OPENING OF ADVERTISED SEALED BIDS:

The bidders and public are invited, but not required, to attend the formal opening of bids. Prices will be read aloud to the public. No decisions related to an award of a contract or purchase order will be made at the opening. Due to manpower limitations, the Member Agency will not repeat prices after an opening via telephone request. **Advice of Award - Web Page: Vendors may view Bids, Bid Tabulations, and Bid Awards on the Boone County Web Page at <http://www.showmeboone.com/Purchasing>.**

a. It is the bidder's sole responsibility to ensure that a bid is physically deposited with the Member Agency prior to the time and the date specified. Late bids will not be opened and will be rejected unopened regardless of the degree of lateness or the reason thereto, including causes beyond the control of the bidder.

b. All bids and tabulation sheets are kept by the Member Agency for a period of time established by regulation or statute after the award is made and are available for inspection at any time during regular working hours.

12. WITHDRAWAL OF BIDS:

Bids may be withdrawn without prejudice any time before the deadline for receipt of bids. If a mistake or error is discovered by the bidder or by the Cooperative after the bid opening, the Cooperative has the right to call this error to the bidder's attention and request verification of the bid. If the bidder acknowledges the mistake and requests relief, the Cooperative will proceed in the following manner:

a. **Clerical Mistakes:** Any mistake which is obviously a clerical one, such as an error in price extension, or in placement of decimal points, reversal or prices, etc., may be corrected by the Cooperative after verification is made by the bidder. However, the unit price shown shall always prevail.

b. **Withdrawal:** Permission to allow a bidder to withdraw his bid without prejudice may be given when clear and convincing evidence supports the existence of an error. If there is a significant and obvious disparity between the prices of the lowest bidder and of the other bidders, a bidder may be permitted to withdraw without prejudice, upon submission of evidence that a non-intentional error occurred.

Actual changes in bid pricing, terms or conditions will not be permitted after the deadline for receipt of bids.

13. The Cooperative reserves the right, when only one bid has been received by the bid closing date, to delay the opening of bids to another advertised date and time in order to revise specifications and/or establish further competition for the commodity or service required.
14. **Payment:** The bituminous material will not be paid for until it has been applied or delivered thirty (30) days in order for the Cooperative representative to determine that it complies with the requirements of the specifications. When in the opinion of the Cooperative representative the bituminous material has complied with the requirements of the Specifications, then monthly payments will be made.
