1.2. **DEFINITIONS**

1.2.1. **County** - This term refers to the County of Boone, a duly organized public entity. It may also be used as a pronoun for various subsets of the County organization, including, as the context will indicate:

Purchasing - The Purchasing Department, including its Purchasing Director and staff.

Department(s) or Office(s) - The County Department(s) or Office(s) for which this Bid is prepared, and which will be the end user(s) of the goods and/or services sought.

Designee - The County employee(s) assigned as your primary contact(s) for interaction regarding Contract performance.

1.2.2. **Bidder / Contractor / Supplier** - These terms refer generally to businesses having some sort of relationship to or with us. The term may apply differently to different classes of entities, as the context will indicate.

Bidder - Any business entity submitting a response to this Bid. Suppliers, which may be invited to respond, or which express interest in this bid, but which do not submit a response, have no obligations with respect to the bid requirements.

Contractor - The Bidder whose response to this bid is found by Purchasing to meet the best interests of the County. The Contractor will be selected for award, and will enter into a Contract for provision of the goods and/or services described in the Bid.

Supplier - All business(s) entities which may provide the subject goods and/or services.

1.2.3. **Bid** - This entire document, including attachments. A Bid may be used to solicit various kinds of information. The kind of information this Bid seeks is indicated by the title appearing at the top of the first page. A "Request for Bid" is used when the need is well defined. A "Request for Proposal" is used when the County will consider solutions, which may vary significantly from each other or from the County's initial expectations.

1.2.4. **Response** - The written, sealed document submitted according to the Bid instructions.

1.3. **BID CLARIFICATION** - Questions regarding this Bid should be directed in writing, by e-mail or fax, to the Purchasing Department. Answers, citing the question asked but not identifying the questioner, will be distributed simultaneously to all known prospective Bidders in the form of an addendum. We strongly suggest that you check for any addenda in advance of the bid deadline.

Bids, addendums, bid tabulations and bid awards are posted on our web site at:

www.showmeboone.com

Note: written requirements in the Bid or its Amendments are binding, but any oral communications between County and Bidder are not.

1.3.1. **Bidder Responsibility** - The Bidder is expected to be thoroughly familiar with all specifications and requirements of this Bid. Bidder's failure or omission to examine any relevant form, article, site or document will not relieve them from any obligation regarding this Bid. By submitting a Response, Bidder is presumed to concur with all terms, conditions and specifications of this Bid.

1.3.2. **Bid Amendment** - If it becomes evident that this Bid must be amended, the Purchasing Department will issue a formal written Amendment to all known prospective Bidders. If necessary, a new due date will be established.

1.4. **AWARD** - Award will be made to the Bidder(s) whose offer(s) provide the greatest value to the County from the standpoint of suitability to purpose, quality, service, previous experience, price, lifecycle cost, ability to deliver, or for any other reason deemed by Purchasing to be in the best interest of the County. Thus, the result will not be determined by price alone. The County will be seeking the least costly outcome that meets the County needs as interpreted by the County. The County reserves the right to award this bid on an item by item basis, or an "all or none" basis, whichever is in the best interest of the County.

1.5. **CONTRACT EXECUTION** - This Bid and the Contractor's Response will be made part of any

resultant Contract and will be incorporated in the Contract as set forth, verbatim.

- 1.5.1. **Precedence** - In the event of contradictions or conflicts between the provisions of the documents comprising this Contract, they will be resolved by giving precedence in the following order:
 - 1) the provisions of the Contract (as it may be amended);
 - 2) the provisions of the Bid;
 - 3) the provisions of the Bidder's Response.
- 1.6. **CONTRACT PERIOD** – Any Term and Supply Contract resulting from this Bid will have an initial term from Date of Award through December 31, 2008 and may be automatically renewed for up to an additional two (2) one-year periods unless canceled by the Purchasing Director in writing prior to a renewal term.
- 1.7. **COMPLIANCE WITH STANDARD TERMS AND CONDITIONS** - Bidder agrees to be bound by the County's standard "boilerplate" terms and conditions for Contracts, a sample of which is attached to this Bid.

2. **Primary Specifications**

- 2.1. **ITEMS/SERVICES TO BE PROVIDED** – Boone County, hereafter referred to as “County”, proposes to contract with an individual(s) or organization(s), hereinafter referred to as “Contractor” for a Term and Supply contract for the furnishing of **labor and equipment for reclaiming various chip and sealed Boone County roads.**
- 2.1.1. **Scope of Work** – Provide labor and equipment to perform reclaiming of approximately 5 to 15 miles of Boone County roads. These estimates do not imply a guaranteed amount of work. - 2.1.2. **Contract Documents** - The successful bidder(s) shall be obligated to enter into a written contract with the County within thirty (30) days of award on contract forms provided by the County. If bidders desire to contract under their own written agreement, any such proposed agreement shall be submitted in blank with their bid. County reserves the right to modify any proposed form agreement or withdraw its award to a successful bidder if any proposed agreement contains terms and conditions inconsistent with its bid or are unacceptable to County legal counsel.
- 2.1.2.1. **Contract Period** - The Term and Supply Contract period shall be from **date of award through December 31, 2008**, but may be automatically renewed for up to an additional two (2) one-year periods unless canceled by the Purchasing Director in writing prior to a renewal term.
- 2.1.2.2. **Contract Extension** - The County Purchasing Director may exercise the option to extend the contract on a month-to-month basis for a maximum of 6 months from the date of the third contract period expiration if it is deemed to be in the best interest of Boone County.

- 2.1.4. **Contractor Qualifications and Experience:** The Contractor to whom a reclaimer and operator contract is awarded must provide evidence that they have past experience in the type of work as outlined in the attached specifications for a minimum of three years. In the event less than eight (8) hours of work are required by the County, the County shall have the option to either pay for a minimum of eight (8) hours or pay the hourly rate plus any mobilization charge, whichever is less. Mobilization fees shall cover all costs associated with transporting scheduled labor and equipment to and from the site for each event. An event is work conducted within one day or consecutive workdays. Workdays planned to be consecutive but interrupted by weather, mechanical breakdown, contractor scheduling conflicts, or other occurrences beyond the control of the County will count as one event. County assumes no liability for equipment stored on site or while in use.
- 2.2.3. **Compensation** – Compensation at the hourly rate will begin when work commences on site. County will compensate for actual hours worked according to the contract rate. County will not compensate while equipment is on standby. Compensation for equipment in use will include time for delays incidental to the work such as waiting for materials or for staff to move signs. County will **guaranty a minimum payment of two hours** provided that the County requested the equipment to be on site and that the equipment and operator was available for service.

- 2.2.4. **Hours of Work** – Hours of work must be coordinated with the Manager of Maintenance Operations before commencement.
