

BOONE COUNTY, MISSOURI
Request for Bid #: 38-19AUG08 – Topographic & Planimetric Mapping

ADDENDUM #1 - Issued July 23, 2008

This addendum is issued in accordance with the Instructions and General Conditions of the Request for Proposal and is hereby incorporated into and made a part of the Request for Proposal Documents. Offerors are reminded that receipt of this addendum should be acknowledged and submitted with Offeror's *Response Form*.

Specifications for the above noted Request for Proposal and the work covered thereby are herein modified as follows, and except as set forth herein, otherwise remain unchanged and in full force and effect:

I. Change to Request For Proposal, Scope of Services:

Please change section 3.2. *Background Information*, paragraph 2: to include the **bold** new sentence:

Boone County carried out its most recent county-wide digital aerial photography project in 2007. The submitted proposal response for Aerial Photos for Boone County is currently posted on the Boone County web site. **The 2007 RGB and CIR flight was performed over four days in April 2007. A RGB reflight was then performed in April 2008 for select tiles. Refer to A flight date map is available for download on the Boone County Purchasing website.** Among the products delivered were natural color orthorectified digital photos. All photos were acquired at 1"=100' scale to support the creation of 2' topographic and planimetric products through a joint RFP with the City of Columbia.
