1.2.9. **Bid** – This entire document, including attachments. A Bid may be used to solicit various kinds of information. 1.3.2. **Bidder Responsibility** – The Bidder is expected to be thoroughly familiar with all specifications and requirements of this Bid. Bidder’s failure or omission to examine any relevant form, article, site or document will not relieve them from any obligation regarding this Bid. 1.3.3. Bidders shall visit the site of work and become familiar with the condition under which work is to be performed, concerning the site of the work, the nature of the equipment, the obstacles which may be encountered, the work to be performed, and if awarded the Contract, shall not be allowed any extra compensation by reason of any matter or thing concerning which such Bidder might have fully informed himself, because of their failure to have so informed

themselves prior to the bidding. Successful Bidder(s) must employ, so far as possible, such methods and means in the carrying out their work as will not cause any interruption or interference with any other contractors.

- 1.3.4. Bid Addendum** – If it becomes evident that this Bid must be amended, the Purchasing Department will issue a formal written Addendum to all known prospective Bidders. If necessary, a new due date will be established.
- 1.4. AWARD** – Award will be made to the Bidder/s whose offer/s provide the greatest value to the County from the standpoint of suitability to purpose, quality, service, previous experience, price, lifecycle cost, ability to deliver, or for any other reason deemed by Purchasing to be in the best interest of the County. Thus, the result will not be determined by price alone. The County will be seeking the least costly outcome that meets the County needs as interpreted by the County. County reserves the right to award to more than one service provider. Multiple awards may be made on the basis of primary, secondary, and if necessary, a tertiary service provider. The primary provider shall furnish the County's requirements until such time as the County determines that it is in its best interests to seek performance from the secondary provider, then tertiary provider. The County's decision will be based upon ability of the primary source to supply acceptable goods and/or services within the County's time requirements. The County's decision to utilize secondary and tertiary sources shall be final and conclusive.
- 1.5. CONTRACT DOCUMENTS** – The successful bidder(s) shall be obligated to enter into a written contract with the County within 30 days of award, on contract forms provided by the County. If bidders desire to contract under their own written agreement, any such proposed agreement shall be submitted in blank with their bid. County reserves the right to modify any proposed form agreement or withdraw its award to a successful bidder if any proposed agreement contains terms and conditions inconsistent with its bid or are unacceptable to county legal counsel.
 - 1.5.1. CONTRACT EXECUTION** – This Bid and the Contractor's Response will be made part of any resultant Contract and will be incorporated in the Contract as set forth, verbatim.
 - 1.5.2. Precedence** – In the event of contradictions or conflicts between the provisions of the documents comprising this Contract, they will be resolved by giving precedence in the following order:
 - 1) the provisions of the Contract (as it may be amended);
 - 2) the provisions of the Bid;
 - 3) The provisions of the Bidder's Response.
- 1.6. CONTRACT PERIOD**- The initial contract period will be **January 1, 2016 through December 31, 2016**, and may be renewed by the County for up to an additional four (4) one-year periods unless cancelled by the Purchasing Director in writing prior to any renewal period. Contractor's quoted costs shall remain firm during the initial contract period. Adjustments to costs for subsequent renewal terms shall be in accordance with the percentages quoted on the Response Form of this bid. Any renewals will be based on agreement by both parties as to pricing, past vendor service, etc. Contract may be cancelled by Boone County upon 10 days written notice to Contractor for non-compliance with these bid requirements, performance problems, or other just cause so deemed by the County.
- 1.7. TERMINATION FOR CONVENIENCE** – The Purchasing Director may, by written notice, terminate this contract in whole or in part when it is in the best interest of the County. If this Contract is so terminated, the County shall be liable only for payment in accordance with the payment provisions of this contract for services rendered to the effective date of termination. Termination for convenience shall be effective thirty (30) days from the Contractor's receipt of notice unless a longer time period is provided in the notice.
- 1.8. CONTRACT EXTENSION** – The County Purchasing Director may exercise the option to extend the contract on a month-to-month basis for a maximum of 6 months from the date of the final contract period's expiration if it is deemed to be in the best interest of Boone County.

The County shall not pay nor be liable for any other additional costs including but not limited to: taxes, packing, handling, shipping and freight, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc. Additionally, the County shall not be subject to any minimum annual quantities or total prices.
- 1.10. COMPLIANCE WITH STANDARD TERMS AND CONDITIONS** – Bidder agrees to be bound by the County’s standard “boilerplate” terms and conditions for Contracts, a sample of which is attached to this Bid.

2. Contract Conditions and Requirements

2.1. INSURANCE REQUIREMENTS- The Contractor shall not commence work under this contract until they have obtained all insurance required under this paragraph and such insurance has been approved by the County, nor shall the Contractor allow any subcontractor to commence work on their subcontract until all similar insurance required of subcontractor has been so obtained and approved. All policies shall be in amounts, form and companies satisfactory to the County which must carry an A-6 or better rating as listed in the A.M. Best or equivalent rating guide. Workers Compensation coverage shall at minimum meet Missouri statutory limits. Employers Liability limits for this contract shall at minimum be \$500,000.00 each employee, \$500,000.00 each accident, and \$500,000.00 policy limit. In case any class of employees engaged in hazardous work under this Contract at the site of the work is not protected under the Workers Compensation Statute, the Contractor shall provide and shall cause each subcontractor to provide Employers Liability Insurance for the protection of their employees not otherwise protected.

2.1.2. Commercial General Liability Insurance - The Contractor shall take out and maintain during the life of this contract, such commercial general liability insurance as shall protect them and any subcontractor performing work covered by this contract, from claims for damages for personal injury including accidental death, as well as from claims for property damages, which may arise from operations under this contract, whether such operations be by themselves or for any subcontractor or by anyone directly or indirectly employed by them. The amounts of insurance shall be not less than \$3,000,000.00 combined single limit for any one occurrence covering both bodily injury and property damage, including accidental death. If the Contract involves any underground/digging operations, the general liability certificate shall include X, C, and U (Explosion, Collapse, and Underground) coverage. If providing Commercial General Liability Insurance, then the Proof of Coverage of Insurance shall also be included. Contractor may satisfy the minimum liability limits required for Commercial General Liability or Business Auto Liability under an Umbrella or Excess Liability policy. There is no minimum per occurrence limit of liability under the umbrella or Excess Liability; however, the Annual Aggregate limit shall not be less than the highest "Each Occurrence" limit for either Commercial General Liability or Business Auto Liability. Contractor agrees to endorse the County as an Additional Insured on the umbrella or Excess Liability, unless the Certificate of Insurance state the Umbrella or Excess Liability provides coverage on a "Follow-Form" basis.

In addition, such insurance shall be on occurrence basis and shall remain in effect until such time as the County has made final acceptance of the facility contracted.

2.2. INDEMNITY AGREEMENT- To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County, its directors, officers, agents, and employees from and against all claims, damages, losses and expenses (including but not limited to attorney's fees) arising by reason of any act or failure to act, negligent or otherwise, of Contractor, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with contractor or a subcontract for part of the services), of anyone directly or indirectly employed by contractor or by any subcontractor, or of anyone for whose acts the contractor or its subcontractor may be liable, in connection with providing these services. This provision does not, however, require contractor to indemnify, hold harmless, or defend the County of Boone from its own negligence.

Failure to maintain the required insurance in force may be cause for contract termination. In the event the Agency/Service fails to maintain and keep in force the required insurance or to obtain coverage from its subcontractors, the County shall have the right to cancel and terminate the contract without notice.

2.3. OVERHEAD LINE PROTECTION- The Contractor is aware of the provisions of the Overhead Power Line Safety Act, 319.075 to 319.090 RSMo, and agrees to comply with the provisions thereof. Contractor understands that it is their duty to notify any utility operating high voltage overhead lines and make appropriate arrangements with said utility if the performance of contract would cause any activity within ten feet of any high voltage overhead line. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County, its directors, officers, agents, and employees from and against all claims, damages, losses and expenses (including but not limited to attorney's fees) arising by reason of any act or failure to act, negligent or otherwise, of Contractor, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with contractor or a subcontract for part of the services), of anyone directly or indirectly employed by contractor or by any subcontractor, or of anyone for whose acts the contractor or its subcontractor may be liable, in connection with any claims arising under the Overhead Power Line Safety Act. Contractor expressly waives any action for contribution against the County on behalf of the Contractor, any subcontractor (meaning anyone, including but not limited to consultants having a contract with contractor or a subcontract for part of the services), anyone directly or indirectly employed by contractor or by any subcontractor, or of anyone for whose acts the contractor or its subcontractor may be liable, and agrees to provide a copy of this waiver to any party affected by this provision.

2.4. OSHA PROGRAM REQUIREMENTS- The Contractor is familiar with the requirements of 292.675 RSMo. The Contractor shall provide a ten-hour Occupational Safety and Health Administration (OSHA) construction safety program for their on-site employees, subcontractors or others acting on behalf of Contractor on-site which meets the requirements of 292.675 RSMo.

The Contractor and each subcontractor shall keep accurate records of those employees who are working on-site and a record of each such employee's completion of the OSHA program, **and certify compliance by affidavit at the conclusion of the project.**

The Contractor shall forfeit as a penalty to the County the sum of Two Thousand Five Hundred Dollars (\$2,500.00) plus One Hundred Dollars (\$100.00) for each employee employed by the Contractor or subcontractor, for each calendar day, or portion thereof, such employee is found to be employed in violation of 292.675 RSMo. Said amounts shall be withheld from all sums and amounts due under this provision when making payments to the Contractor.

2.5. EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED-

b) As a condition for the award of this contract, the Contractor shall, by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. The Contractor shall also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services. **Please return a copy of the Memorandum of Understanding** that you will receive following completion of enrollment. This will provide the County the proof of enrollment.

c) Contractor shall require each subcontractor to affirmatively state in its contract with Contractor that the subcontractor shall not knowingly employ, hire for employment or continue to employ an unauthorized alien to perform work within the state of Missouri. Contractor shall also require each subcontractor to provide Contractor with a sworn affidavit under the penalty of perjury attesting to the fact that the subcontractor's employees are lawfully present in the United States.

2.6. PREVAILING WAGE: With submission of a bid response, Vendor acknowledges that any major repair serviced in this contract is subject to Missouri Prevailing Wage law. Repairs done by overhaul or replacement of major constituent parts that have deteriorated are "major repairs". Any questions regarding "major repairs" should be addressed to the Boone County Purchasing Department. If the size, type or extent of the existing facility is changed or increased, the work performed is subject to the Prevailing Wage Law. Small repairs or maintenance type work will not be subject to prevailing wage rates.

Maintenance is recurrent, day-to-day, periodic or scheduled work unless it involves the overhaul or replacement of major constituent parts. If work involves the repair but not the major repair or replacement of existing facilities, and the size, type or extent of the existing facility is not changed, it is maintenance.

A copy of **Annual Wage Order 22 (dated 08/20/15)** is reproduced verbatim and included with these bid documents, and is applicable to this contract. At any given time, the current "applicable" Prevailing Wage Order is available for review and a copy may be obtained in the office of the Director of Purchasing, 613 E. Ash, Room 111, Columbia, MO 65201; or email JGarrett@boonecountymo.org, or call the Purchasing office at (573) 886-4393. With any elected renewal term of this contract, the current Prevailing Wage Order will be provided to contractor which will be used for that renewal period. *County reserves the right to bid out any one project with estimated cost of \$6,000.00 or over.*

Wage Rates- "Major repair" work shall be based upon payment by the Contractor of wage rates not less than the prevailing hourly wage rate for each craft or classification of worker engaged on the work as determined by the Labor & Industrial Relations Commission of Missouri on behalf of the Division of Labor Standards. The Contractor shall comply with all requirements of the prevailing wage law of Missouri, Revised Statutes of Missouri, Section 290.210 to 290.340, including the latest amendments thereto. The prevailing wage law does not prohibit payment of more than the prevailing rate of wages nor does it limit the hours of work, which may be performed by any worker in any particular period of time.

Records- The Contractor and each Subcontractor shall keep an accurate record showing names, occupations, and crafts of all workers employed, together with the number of hours worked by each worker and the actual wages paid to each worker. At all reasonable hours, such records shall be open to inspection by representatives of the Labor & Industrial Relations Commission and Boone County. The payroll records shall not be destroyed or removed from the State for at least one (1) year after completion of the work. Penalty- Pursuant to Section 290.250 RSMo, the Contractor shall forfeit to the County as a penalty, \$100.00 for each worker employed, for each calendar day, or portion thereof, such worker is paid less than the stipulated rates for any work done under the contract, by them or by an Subcontractor under them.

Affidavit of Compliance- After completion of the work and before final payment can be made under this contract, the Contractor and each Subcontractor must file with the County an affidavit stating that they

have fully complied with the provisions and requirements of the prevailing wage law of Missouri, Section 290.210 to 290.340 RSMo.

Wage Determination- The prevailing hourly rate of wages is subject to change by the Labor & Industrial Relations Commission or by court decision, as provided by law. Any such change shall not be the basis of any claim by the Contractor against the County, nor will deductions be made by the County against sums due the Contractor by reason of such changes. The current Prevailing Wage Order provided at the beginning of each renewal term shall be used during the life of that contract term.

2.7. SALES/USE TAX EXEMPTION – County will provide the Contractor with a Missouri Tax Exemption letter and, if applicable, a Missouri Project Exemption Certificate for Boone County, Missouri. The Contractor shall be responsible for furnishing the exemption certificate and tax exemption letter to all authorized sub-contractors and suppliers providing materials incorporated in the work. All invoices issued for purchases for such materials, supplies and taxable rentals shall be in the name of Boone County and contain the project number assigned by Boone County for the contract awarded. It shall be the responsibility of the Contractor to ensure that no sales or use taxes are included in the invoices and that the County pays no sales/use taxes from which it is exempt. The Contractor shall be responsible for obtaining revised exemption certificates and revised expiration dates if the work extends beyond the estimated project completion date or a certificate expiration date. The Contractor shall also be responsible for retaining a copy of the project exemption certificate for a period of five years and for compliance with all other terms and conditions of section 144.062 RSMo. Not otherwise herein specified. The Contractor agrees not to use or permit others to use the project exemption certificate for taxable purchases of materials or rentals and supplies not directly incorporated into or used in the work to which it applies and agrees to indemnify and hold the County harmless from all losses, expenses and costs including litigation expenses and attorney fees resulting from the unauthorized use of such project exemption certificates.

2.8. LIEN WAIVERS- Prior to the release of a project's final payment amount, contractor shall file with the County a completed affidavit, to the effect that all payments have been made and all claims have been released for all materials, labor and other items covered by the contract.

2.9. BILLING AND PAYMENTS- Invoices shall be submitted to the appropriate using department. Payment shall be made within 30 days of receipt of a correct monthly statement. County's contract number should appear on the invoices. All contracted work done for the County on a "time and material" basis must include the following information on the invoices:

1. Name of the County location where work was performed and date(s) work was performed.
2. If materials are used, and if total material cost is greater than \$1,000.00, provide itemized materials list and Contractor's cost for those items, indicating the contract markup % and net cost to County.
3. Itemized list and contractor's cost of rental equipment used, if any. (Include contract markup % and net cost)
4. Labor cost per hour with name(s) of crew member(s) on the job.
5. Total hours on project and total cost of labor.

If the above information is not noted on the invoice, it will be returned to the contractor for additional information before payment can be made.

Billing address shall be one of the following depending on the location where work is performed:

Facilities Maintenance, 613 E. Ash Street, Room 107, Columbia, MO 65201

EXTRA AND/OR ADDITIONAL WORK AND CHANGES: If any extra and/or additional work is to be done or any change in the contractor's quote is deemed necessary, the County may issue to the Contractor a written change order directing that such extra and/or additional work be done or that such change be made, and the Contract and/or quote shall be modified accordingly.

No verbal agreement or conversation with any officer, agent, or employee of the County, either before or after the execution of the Contract and/or quote, shall affect or modify any of the terms, conditions, or other obligations set forth in any of the Contract Documents. All Contract modifications must be in writing from the authorized agent of the County and be in the form of a Contract Change Order.
