The Contractor shall also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services. Please return a copy of the Memorandum of Understanding that you will receive following completion of enrollment. This will provide the County the proof of enrollment.

2.6.1. Contractor shall require each subcontractor to affirmatively state in its contract with Contractor that the subcontractor shall not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri. Contractor shall also require each subcontractor to provide Contractor with a sworn affidavit under the penalty of perjury attesting to the fact that the subcontractor's employees are lawfully present in the United States.

2.7. PREVAILING WAGE - With submission of a bid response, Vendor acknowledges that any *major repair* service in this contract is subject to Missouri Prevailing Wage law. A copy of **Annual Wage Order 22** is

The Contractor shall comply with all requirements of the prevailing wage law of Missouri, Revised Statutes of Missouri, Section 290.210 to 290.340, including the latest amendments thereto.  - 2.7.2. Records - The Contractor and each subcontractor shall keep an accurate record showing names, occupations, and crafts of all workers employed, together with the number of hours worked by each worker and the actual wages paid to each worker.  - 2.7.6. Wage Determination - The prevailing hourly rate of wages is subject to change by the Labor & Industrial Relations Commission or by court decision, as provided by law. Any such change shall not be the basis of any claim by the Contractor against the County, nor will deductions be made by the County against sums due the Contractor by reason of such changes. The current Prevailing Wage Order provided at the beginning of each renewal term shall be used during the life of that contract term.
- 2.8. LIEN WAIVERS - Prior to the release of a project’s final payment amount, Contractor shall file with the County a completed affidavit, to the effect that all payments have been

made and all claims have been released for all materials, labor and other items covered by the contract.

2.9. SALES/USE TAX EXEMPTION – County will provide the Contractor with a Missouri Tax Exemption letter and, if applicable, a Missouri Project Exemption Certificate for Boone County, Missouri. The Contractor shall be responsible for furnishing the exemption certificate and tax exemption letter to all authorized subcontractors and suppliers providing materials incorporated in the work. All invoices issued for purchases for such materials, supplies and taxable rentals shall be in the name of Boone County and contain the project number assigned by Boone County for the contract awarded. The Contractor agrees not to use or permit others to use the project exemption certificate for taxable purchases of materials or rentals and supplies not directly incorporated into or used in the work to which it applies and agrees to indemnify and hold the County harmless from all losses, expenses and costs including litigation expenses and attorney fees resulting from the unauthorized use of such project exemption certificates.

One (1) Year Correction Period – If within one (1) year after the date of substantial completion or such longer period of time as may be prescribed by laws or regulations or by the terms of any applicable special guarantee required by the contract documents or by any specific provision of the contract documents, any work is found to be defective, Contractor shall promptly, within ten (10) days, without cost to the Owner and in accordance with Owner’s written instructions, either correct such defective work, or if it has been rejected by Owner, remove it from the site and replace it with non-defective work. If the Contractor does not promptly comply with the terms of such instructions, or in an emergency where delay would cause serious risk of loss or damage, Owner may have the defective work removed and replaced and all direct, indirect, and consequential costs of removal and replacement shall be paid by the Contractor. In special circumstances where a particular item is placed in continuous service before substantial completion of the work, the correction period for that item may start to run from an earlier date if so provided in the specifications or by written amendment.
