1.2.2.1. Bidder - Any business entity submitting a response to this Bid. Suppliers, which may be invited to respond, or which express interest in this bid, but which do not submit a response, have no obligations with respect to the bid requirements.

1.2.2.2. Contractor - The Bidder whose response to this bid is found by Purchasing to meet the best interests of the County. The Contractor will be selected for award, and will enter into a Contract for provision of the goods and/or services described in the Bid.

1.2.2.3. Supplier - All business(s) entities which may provide the subject goods and/or services.

1.2.3. Bid - This entire document, including attachments. A Bid may be used to solicit various kinds of information. The kind of information this Bid seeks is indicated by the title appearing at the top of the first page. A "Request for Bid" is used when the need is well defined. A "Request for Proposal" is used when the County will consider solutions, which may vary significantly from each other or from the County's initial expectations.

1.2.4. Response - The written, sealed document submitted according to the Bid instructions.

1.3. BID CLARIFICATION - Questions regarding this Bid should be directed in writing, by e-mail or fax, to the Purchasing Department. www.showmeboone.com Note: *written requirements in the Bid or its Amendments are binding, but any oral communications between County and Bidder are not.*

- 1.3.1. Bidder Responsibility - The Bidder is expected to be thoroughly familiar with all specifications and requirements of this Bid. Bidder's failure or omission to examine any relevant form, article, site, or document will not relieve them from any obligation regarding this Bid. - 1.3.2. Bid Addendum - If it becomes evident that this Bid must be amended, the Purchasing Department will issue a formal written Addendum to all known prospective Bidders. If necessary, a new due date will be established.

Thus, the result will not be determined by price alone. The County will be seeking the least costly outcome that meets the County's needs as interpreted by the County. The County reserves the right to award this bid on an item by item basis, or an "all or none" basis, whichever is in the best interest of the County. The County also reserves the right to award to multiple vendors.
  
- 1.5. CONTRACT EXECUTION - This Bid and the Contractor's Response will be made part of any resultant Contract and will be incorporated in the Contract as set forth, verbatim.
  - 1.5.1. Precedence - In the event of contradictions or conflicts between the provisions of the documents comprising this Contract, they will be resolved by giving precedence in the following order:
    - a. the provisions of the Contract (as it may be amended);
    - b. the provisions of the Bid;
    - c. the provisions of the Bidder's Response.
  
- 1.6. CONTRACT PERIOD – Term and Supply Contracts resulting from this Bid shall have an initial twelve (12) month contract period beginning January 1, 2016. In the event any provisions of the contract are not fulfilled by the Contractor, and/or the quality of workmanship is deemed unsatisfactory by the County, the County may, upon written notice to the Contractor, terminate this contract in ten (10) days after such written notice.
  
- 1.7. CONTRACT RENEWAL – The contract may be renewed by the County for up to an additional two (2) one-year periods unless cancelled by the Purchasing Department Director in writing prior to any renewal period. The unit prices identified on the Response Form shall remain fixed for the identified initial contract period. If the County exercises the option for renewal, the prices for the items listed on the Response Form shall not increase by more than the maximum percent proposed on the Response Form. If renewal percentages are **not** provided, then prices during any renewal period shall be the same as during the initial contract period.

- 1.8. CONTRACT EXTENSION – The County Purchasing Director may exercise the option to extend the contract on a month-to-month basis for a maximum of six (6) months from the date of termination if it is deemed to be in the best interest of Boone County.
- 1.9. COMPLIANCE WITH STANDARD TERMS AND CONDITIONS - Bidder agrees to be bound by the County’s standard “boilerplate” terms and conditions for Contracts, a sample of which is attached to this Bid.
- 1.10. - 1.11. CONTRACT DOCUMENTS - The successful bidder(s) shall be obligated to enter into a written contract with the County within thirty (30) days of award on contract. The Contractor shall be responsible for furnishing the exemption certificate and tax exemption letter to all authorized sub-contractors and suppliers providing materials incorporated in the work. All invoices issued for purchases for such materials, supplies and taxable rentals shall be in the name of Boone County and contain the project number assigned by Boone County for the contract awarded. It shall be the responsibility of the Contractor to ensure that no sales or use taxes are included in the invoices and that the County pays no sales/use taxes from which it is exempt. The Contractor shall be responsible for obtaining revised exemption certificates and revised expiration dates if the work extends beyond the estimated project completion date or a certificate expiration date. The Contractor shall also be responsible for retaining a copy of the project exemption certificate for a period of five (5) years and for compliance with all other terms and conditions of section 144.062 RSMo. not otherwise herein specified. The Contractor agrees not to use or permit others to use the project exemption certificate for taxable purchases of materials or rentals and supplies not directly incorporated into or used in the work to which it applies and agrees to indemnify and hold the County harmless from all losses, expenses and costs including litigation expenses and attorney fees resulting from the unauthorized use of such project exemption certificates.
