1. Introduction and General Conditions of Bidding

1.1. INVITATION: This document is a Request for Bid for Boone County conducted by the Boone County Purchasing Department. The County requests bids for Cellebrite forensic software that includes support for the Boone County Sheriff’s Department further specified in greater detail in Section 2. Vendors are invited to respond by sealed bid by the indicated bid submission deadline on page 1 of this document. Bids received will be read shortly after the official bid submission deadline. Vendors responding to this request must comply with all technical specifications and requirements stated herein.

1.2. DEFINITIONS:

1.2.1. County: This term refers to the County of Boone, a duly organized public entity. It may also be used as a pronoun for various subsets of the County organization, including, as the context will indicate: Purchasing - The Purchasing Department, including its Purchasing Director and staff. Department(s) or Office(s) - The County Department(s) or Office(s) for which this Bid is prepared, and which will be the end user(s) of the goods and/or services sought. Designee - The County employee(s) assigned as your primary contact(s) for interaction regarding Contract performance.

1.2.2. Bidder, Contractor, Supplier/Vendor: These terms refer generally to businesses having some sort of relationship to or with Boone County. The term may apply differently to different classes of entities, as the context will indicate. Bidder - Any business entity submitting a response to the RFB. Suppliers, which may be invited to respond, or which express interest in this bid, but which do not submit a response, have no obligations with respect to the bid requirements. Contractor - The bidder whose response to this bid is found by Purchasing to meet the best interests of the County. The “contractor” is the bidder who has been selected for award, and will enter into a Contract for provision of the goods and/or services described in the Bid. Supplier/Vendor - All business(s) entities which may provide the subject goods and/or services.

1.2.3. Request for Bid: This entire document, including attachments is considered a “Request for Bid.” A Request for Bid (RFB) may be used to solicit various kinds of information. The kind of information this RFB seeks is indicated by the title appearing at the top of the first page. A “Request for Bid” is used when the need is well defined. A “Request for Proposal” is used when the County will consider solutions, which may vary significantly from each other or from the County’s initial expectations.

1.2.4. Response: The written, sealed document submitted by the bidder/vendor/supplier according to the RFB instructions.

1.3. BID CLARIFICATION: Questions regarding this RFB should be directed in writing, preferably by e-mail, to the identified Buyer in the Purchasing Department. Answers, citing the question asked but not identifying the questioner, will be distributed simultaneously to all known prospective Bidders. Note: Written requirements in the RFB or its Amendments are binding, but any oral communications between the County and Bidder are not binding.

1.3.1. Bidder Responsibility: The Bidder is expected to be thoroughly familiar with all specifications and requirements of this RFB. Bidders’ failure or omission to examine any relevant form, article, site or document will not relieve them from any obligation regarding this RFB. By submitting a Response, the Bidder is presumed to concur with all terms, conditions and specifications of this RFB.
1.3.2. **Bid Amendment:** If it becomes evident that this RFB must be amended, the Purchasing Department will issue a formal written Addendum to all known prospective Bidders. If necessary, a new due date will be established.

1.4. **AWARD:** Award will be made to the Bidder(s) whose offer(s) provide the greatest value to the County from the standpoint of suitability to purpose, quality, service, previous experience, price, lifecycle cost, ability to deliver, or for any other reason deemed by Purchasing to be in the best interest of the County. Thus, the result will not be determined by price alone. The County will be seeking the least costly outcome that meets the County needs as interpreted by the County.

1.4.1. The County also reserves the right to not award any item or group of items if the services can be obtained from state contract or other governmental entities under more favorable terms.

1.5. **CONTRACT EXECUTION:** This RFB and the Vendor’s Response will be made part of any resulting contract, and will be incorporated in the contract as set forth, verbatim.

1.5.1. **Precedence:** In the event of contradictions or conflicts between the provisions of the documents comprising the Contract, the following order of precedence shall apply:

1) the provisions of the Contract (as it may be amended);
2) the provisions of the RFB;
3) the provisions of the Bidder’s Response

1.6. **COMPLIANCE WITH STANDARD TERMS AND CONDITIONS:** The bidder shall hereby agree to be bound by the County’s standard “boilerplate” terms and conditions for contracts as attached hereto.

1.7. **EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED:**

The contractor shall agree to comply with Missouri State Statute Section 285.530 in that the contractor shall not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri.

As a condition for the award of contract, the contractor shall, by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. The contractor also shall sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with contracted services.

The contractor shall require each subcontractor to affirmatively state in its contract with the contractor that the subcontractor shall not knowingly employ, hire for employment or continue to employ an unauthorized alien to perform work within the state of Missouri. The contractor shall also require each subcontractor to provide the contractor with a sworn affidavit under the penalty of perjury attesting to the fact that the subcontractor’s employees are lawfully present in the United States.

2.1.1. **Contract Documents** - The successful bidder(s) shall be obligated to enter into a written contract with the County within thirty (30) calendar days of the notice of award/contract forms provided by the County. If the bidder desires to contract under the bidder's written agreement, any such proposed agreement must be submitted in blank with the bid for the County's consideration as part of the evaluation of bids; in the absence of such submission with the bidder's response, the County's forms shall be used. The County wishes to purchase an additional license for UFED 4 PC Ultimate software (new dongle).

   a. Cellebrite Software Required: Because Cellebrite UFED technology is uniquely capable of extracting data from cell phones, tablets, and the Internet “Cloud,” and because the Boone County Sheriff's Department has invested training and hardware that uses Cellebrite UFED technology, it is required that only Cellebrite's UFED 4PC Ultimate product be provided, no substitutions are allowed.

2.3. **Software and Support Requirements:**

2.3.1. The contractor shall provide one (1) user license for the latest version of Cellebrite’s UFED 4PC Ultimate software.

   a. Renewals for the license shall be provided for the duration of the contract period as needed and requested by the County.

   b. All such hardware shall be included in the license price; the County shall not pay additionally for the connection/device communication hardware.

2.3.2. Round-the-clock (24 X 7 X 365) product support shall be included in the license and provided to the County at no additional cost. Support shall at minimum include on-line updates, and on-line and phone technical support.

The contractor shall recommend to the County alternative solutions that may be used by the County to achieve the same forensic outcome. The contract must be amended upon Commission approval by the Purchasing Office on behalf of the Sheriff's Department to make any modification to the contract that may be necessary as a result of product discontinuation and substitution.

2.4. **INSURANCE REQUIREMENTS:** The contractor shall not commence work under the contract until the contractor has obtained all insurance required under this paragraph and such insurance has been approved by the County, nor shall the contractor allow any subcontractor to commence work on their subcontract until all similar insurance required of the subcontractor has been so obtained and approved. All policies shall be in amounts, form and from companies satisfactory to the County.

Worker’s Compensation coverage shall meet Missouri statutory limits. Employers’ Liability limits shall be $500,000.00 each employee, $500,000.00 each accident, and $500,000.00 policy limit. In case any class of employees engaged in hazardous work under the contract at the site of the work is not protected under the Worker’s Compensation Statute, the contractor shall provide and shall cause each subcontractor to provide Employers’ Liability Insurance for the protection of their employees not otherwise protected.

2.4.2. **Comprehensive General Liability Insurance:** The contractor shall carry and maintain during the life of the contract, such comprehensive general liability insurance as shall protect them and any subcontractor performing work covered by the contract, from claims for damages for personal injury including accidental death, as well as from claims for property damages, which may arise from operations under the contract, whether such operations be by themselves or for any subcontractor or by anyone directly or indirectly employed by them. The amounts of insurance shall be not less than $2,000,000.00 combined single limit for any one occurrence covering both bodily injury and property damage, including accidental death. If the contract involves any underground/digging operations, the general liability certificate shall include X, C, and U (Explosion, Collapse, and Underground) coverage. If providing Comprehensive General Liability Insurance, then the Proof of Coverage of Insurance shall also be included.

2.4.3. The contractor has the option to provide **Owner’s Contingent or Protective Liability and Property Damage** instead of the **Comprehensive General Liability Insurance**. The contractor shall provide the County with proof of Owner’s Protective Liability and Property Damage Insurance with the County as named insured, which shall protect the County against any and all claims which might arise as a result of the operations of the contractor in fulfilling the terms of the contract during the life of the contract. The minimum amounts of such insurance will be $2,000,000.00 per occurrence, combined single limits. Limits can be satisfied by using a combination of primary and excess coverages. 2.4.5. **Proof of Carriage of Insurance:** The contractor shall furnish the County with Certificate(s) of Insurance which names the County as an additional insured in an amount as required in this contract, contain a description of the project or work to be performed, and requiring a thirty (30) day mandatory cancellation notice. In addition, such insurance shall be on occurrence basis and shall remain in effect until such time as the County has made final acceptance of the facility contracted.

2.4.6. **Indemnity Agreement:** To the fullest extent permitted by law, the contractor shall indemnify, hold harmless and defend the County, its directors, officers, agents, and employees from and against all claims, damages, losses and expenses (including but not limited to attorney’s fees) arising by reason
of any act or failure to act, negligent or otherwise, of the contractor, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with vendor or a subcontract for part of the services), of anyone directly or indirectly employed by vendor or by any subcontractor, or of anyone for whose acts the contractor or its subcontractor may be liable, in connection with providing these services. This provision does not, however, require the contractor to indemnify, hold harmless, or defend the County of Boone from its own negligence.

Nothing in these requirements shall be construed as a waiver of any governmental immunity of the County, its officials nor any of its employees in the course of their official duties.

Failure to maintain the required insurance in force may be cause for contract termination. In the event the Agency/Service fails to maintain and keep in force the required insurance or to obtain coverage from its subcontractors, the County shall have the right to cancel and terminate the contract without notice.
