BOONE COUNTY, MISSOURI

Request for Bid 43-23JUL19 – Juror Hotel Accommodation Services - Term & Supply

ADDENDUM # 1 - Issued June 25, 2019

Prospective bidders are hereby notified of the following clarification to Request for Bid 43-23JUL19:

1. The County received the following question and is providing a response:

Is there data available that could show how many sequestered rooms you used over the course of the last year? And what is the average duration of their stay?

The sequestered jury does not happen very often. The problem is, when we do need the lodging, we need to have a place to go. In 2018, we did not have any sequestered juries. In 2017 we had one for which we needed rooms for three nights. Two to three nights is the average when accommodations are needed.

This addendum is issued in accordance with the Request for Bid and is hereby incorporated into and made a part of the Request for Bid Documents. Offerors are reminded that receipt of this addendum **should be acknowledged** and submitted with Offeror's Bid Response.

Specifications for the above noted Request for Bid and the work covered thereby are herein modified as proceeds, and except as set forth herein, otherwise remain unchanged and in full force and effect.
