2. Paragraph 1.1.3 is REVISED:

   1.1.3 As Is Equipment Coverage: Contracted equipment coverage is based on “as is” condition of equipment. The County has provided equipment information in Attachment One. If the bidder would like to inspect the equipment prior to submission of a sealed bid to perform managed print services, the Bidder can schedule an inspection however only at the availability of Boone County personnel. Given work scheduling unknowns at this time because of concerns about the spread of the Covid-19 novel virus, the County may not be able to accommodate a tour request. If a tour occurs, the bidder shall understand and agree that the bidder will incur the expense for performing such inspections. Arrangement for these inspections must be made through the Boone County Purchasing Department by contacting Senior Buyer, Liz Palazzolo at 573-886-4392 or lpalazzolo@boonecountymo.org. Any inspection must be scheduled. No inspections will be allowed without the prior approval of the County. Inspection may be denied depending on availability and a need to keep office interruptions for the departments involved down to a minimum number.
