ADDENDUM #1 - Issued August 24, 2020

Prospective bidders are hereby notified of the following revisions to Request for Bid 35-03SEP20:

1. The title on Attachment One shall be REVISED as follows:

   RFB 35-03SEP20 – Attachment One – Envelope Requirements

2. Paragraph 2.10. and its sub-paragraphs 2.10.1 through 2.10.7 are ADDED:

   2.10. **Insurance Requirements**: The contractor shall not commence work under
   the contract until the contractor has obtained all insurance required under this
   paragraph and the Certificate of Insurance has been approved by the County;
   nor shall the contractor allow any subcontractor to commence work on their
   subcontract until all similar insurance required of the subcontractor has been
   so obtained and approved. All policies shall be in amounts, form, and from
   companies satisfactory to the County which must carry an A-6 or better
   rating as listed in the A.M. Best or equivalent rating guide. Insurance limits
   indicated below may be lowered at the discretion of the County.

   2.10.1. **Employers Liability and Workers Compensation Insurance**: The contractor
   shall take out and maintain during the life of the contract, **Employers
   Liability and Workers Compensation Insurance** for all of its employees
   employed at the site of work, and in case any work is sublet, the contractor
   shall require the subcontractor similarly to provide Workers Compensation
   Insurance for all of the latter’s employees unless such employees are covered
   by the protection afforded by the contractor. Workers Compensation
   coverage shall meet Missouri statutory limits. Employers Liability limits
shall be $500,000.00 each employee, $500,000.00 each accident, and $500,000.00 policy limit. In case any class of employees engaged in hazardous work under the contract at the site of the work is not protected under the Workers Compensation Statute, the contractor shall provide and shall cause each subcontractor to provide Employers Liability Insurance for the protection of their employees not otherwise protected.

2.10.2. The contractor may satisfy the minimum liability limits required for Commercial General Liability or Business Auto Liability under an Umbrella or Excess Liability policy. There is no minimum per occurrence limit of liability under the umbrella or Excess Liability; however, the Annual Aggregate limit shall not be less than the highest “Each Occurrence” limit for either Commercial General Liability or Business Auto Liability. The contractor shall agree to endorse the County as an Additional Insured on the umbrella or Excess Liability, unless the Certificate of Insurance state the Umbrella or Excess Liability provides coverage on a “Follow-Form” basis.

2.10.3. **Business Automobile Liability:** The contractor shall maintain during the life of the contract, automobile liability insurance in the amount of not less than $3,000,000.00 combined single limit for any one occurrence, covering both bodily injury, including accidental death, and property damage, to protect themselves from any and all claims arising from the use of the Contractor’s own automobiles, teams and trucks; hired automobiles, teams and trucks; non-owned and both on and off the site of work.

2.10.4. **Subcontractors:** The contractor shall cause each subcontractor to purchase and maintain insurance of the types and amounts specified herein. Limits of such coverage may be reduced only upon written agreement of County. The contractor shall provide to the County copies of certificates of insurance evidencing coverage for each subcontractor. The subcontractors’ commercial general liability and business automobile liability insurance shall name the County as an Additional Insured and have the Waiver of Subrogation endorsements added.

2.10.5. **Proof of Carriage of Insurance:** The contractor shall furnish the County with Certificate(s) of Insurance which name the County as an additional insured in an amount as required in the contract. The Certificate of Insurance shall provide that there will be no cancellation, non-renewal or reduction of coverage without thirty (30) calendar days prior written notice to the County. In addition, such insurance shall be on an occurrence basis and shall remain in effect until such time as the County has made final acceptance of the services provided.

2.10.6. **Indemnity Agreement:** To the fullest extent permitted by law, the contractor shall indemnify, hold harmless and defend the County, its directors, officers, agents, and employees from and against all claims, damages, losses and expenses (including but not limited to attorney’s fees) arising by reason of
any act or failure to act, negligent or otherwise, of the contractor, of any subcontractor (meaning anyone, including but not limited to consultants having a contract with the contractor or a subcontract for part of the services), of anyone directly or indirectly employed by the contractor or by any subcontractor, or of anyone for whose acts the contractor or its subcontractor may be liable, in connection with providing these services. This provision does not, however, require the contractor to indemnify, hold harmless, or defend the County of Boone from its own negligence.

Nothing in these requirements shall be construed as a waiver of any governmental immunity of the County, its officials nor any of its employees in the course of their official duties.

2.10.7. Failure to maintain the required insurance in force may be cause for contract termination. In the event the Agency/Service fails to maintain and keep in force the required insurance or to obtain coverage from its subcontractors, the County shall have the right to cancel and terminate the contract without notice.
