APPROVED INSTALLERS LIST – CONVENTIONAL SYSTEMS

The individuals on the attached list have completed educational training regarding the State of Missouri and Boone County On-Site Wastewater Ordinance. Installers must have a certification from the State of Missouri to install on-site wastewater systems. This listing includes only those certified to install conventional systems, including lagoons and conventional septic systems. If you wish to employ an installer not on this list, ask them to contact Resource Management at (573) 886-4339 for more information.
