

Notification of Informational Meeting

The Engineering Division of Boone County will host an open-house style Informational Meeting open to the public from 5:30 to 6:30 pm on Thursday, April 4, 2019 in the Commission Chambers on the first floor of the Boone County Government Center located at 801 E. Walnut Street, Columbia, Missouri. Please enter through the west door located near the intersection of 8th and Ash Streets.

The purpose of the meeting is to allow the public to view information and diagrams showing the project areas and details of construction and pavement preservation projects scheduled for 2019. County engineering staff will be present to answer any questions. Information on present and future projects can also be found on the Boone County website at <https://www.showmeboone.com/resource-management/engineering/projects.asp>.
