Acting-Chairperson Proctor announced that due to the lack of a quorum of six members present, the meeting was cancelled. All items on the August agenda will be held over to the September 21, 2023 meeting.

An audience member stated that he felt this was very unprofessional, that he couldn't wait until September 21<sup>st</sup> because his loan was closing. Acting-Chairperson Proctor explained that there was nothing that the Commission could do, there was not a quorum present so the Commission couldn't act on anything.

Director, Bill Florea informed the audience member that his criticism should not be directed to the attending Commissioners as they did show up for this meeting. Adding that all of the Commissioners are volunteers.

Another audience member agreed this was unprofessional and added that she thought she had been treated rudely when she attended the July meeting. Acting-Chairperson Proctor informed the member that they had disrupted a government meeting and has done it again adding that the Commission would not tolerate it a third time.
