Subject: Board of Adjustment Hearing Meeting June 27, 2024

Boone County Resource Management,
Mr. John Hegstad has requested that I as his representative ask that you remove his request from the Board of Adjustment Agenda for the meeting scheduled on June 27, 2024 to allow a barn to remain within a 50' rear yard setback. Upon consultation with Boone County Resource Management staff we have been advised an alternative method to allow the barn to stay in its current position without a variance approval regarding the County Zoning Regulations.

If you have any questions or need any additional information please do not hesitate to contact us at (573) 442-3110 or kevins@brush-schweikert.com.

Sincerely,

Kevin M. Schweikert PLS
