### FOR IMMEDIATE RELEASE

APAC-Missouri will begin construction on Monday, October 6, 2014, weather permitting. Rangeline Road will be closed at the intersection with Richland Road for approximately ten days while the old pavement and drainage structures are removed and replaced. Trade Winds Parkway will be used as the detour route for through traffic. Local traffic will have access to Rangeline Road between I-70 Drive Southeast and the Otsccon Driveway.

Traffic delays may occur during the project so please allow adequate travel time and be very cautious in the construction zone. Thank you for your cooperation as we improve the roads you travel.
