EVENT: Asphalt Overlay Project

FOR IMMEDIATE RELEASE

Weather permitting, Monday, May 18th & Tuesday, May 19th; between the hours of 7:00 am & 6:00 pm, Boone County, through contract with APAC Missouri, Inc., will be performing a resurfacing project on Locust Grove Dr, Golf Blvd & Pin Oak Blvd. A 2” asphalt overlay will be added to the existing surface of the street.

Streets are expected to remain open during the project, but traffic will be restricted to one lane. The work is expected to require two consecutive days, and will move back in case of rain. During this time, vehicles will not be allowed to park on the street. Any vehicle remaining on the street when work begins will be towed at the owner’s expense. We ask that you please exercise caution in all work zones; and find an alternate route when deemed necessary.
