STAN SHAWVER, DIRECTOR

PLANNING – INSPECTIONS – ENGINEERING

DERIN CAMPBELL, CHIEF ENGINEER

TO: Boone County Commission, Media & Others
FROM: Keith Austin, Chief Road Inspector
DATE: August 14, 2015
EVENT: Fog Seal Operations, Monday, August 17th through Friday, August 28th, 2015

FOR IMMEDIATE RELEASE

Weather permitting Boone County, through contractor Christensen Construction Co., will be performing Fog Seal treatments to the list of Boone County roads at the bottom of this announcement.

Work will be performed between 7:00 am & 7:00 pm Monday through Friday. Roads are expected to be treated one lane at a time (half width of road). While a lane is being treated, one way traffic will be allowed on the opposite lane as directed by flaggers. After the treated lane has cured (2-4 hours) and opened to traffic, the opposite lane will be treated. Walking or driving on wet sealant can result in damage to vehicles, driveways, clothing, etc.

Please use caution in all work zones and find alternate routes if necessary.

Thank you for your cooperation as we work on these improvements.

2015 Pavement Preservation GSB-88 Fog Seal

Revised: 6-8-15

Site	Project	Description	Length (ft.)	Quantity (SY)	Approx. Rate (gal/sy)
